2. A wine merchant shall mean any person, association, or company buying wine.

3. A wine grower shall mean any wine grower owning or occupying a vineyard, and manufacturing wine from grapes grown in such vineyard, or from grapes purchased for the purpose of wine-making.

Two quart (reputed) bottles are to be supplied for Brandy and Vermouth. Exhibitors entering the same wine in more than one class must supply the full number of sample bottles for each entry.

6. All wines will be judged on points.

7. The judge may award prizes on the basis of First, Second, Third, Very Highly Commended, Highly Commended and Commended, but prize money will only be allocated for first and second awards.

7 (a). The judge shall have power, at his discretion, to transfer exhibits from one class to another when it is obvious that the exhibitor has made an error in making his entry.

21. Immediately after the closing date of entries a draw may be made for the selection of three exhibitors from whose entries a further draw will be made to enable one sample to be selected from each exhibitor. EXPLANATORY.

The following is a glossary of abbreviations included in the Catalogue.

Ch. = Champion; K.C.C. Ch. = Kennel Control Council Champion; Dual Ch. = Field Trial and Bench Champion; (imp.) = imported from England; (N.S.W.) = Initials show where bred or title was granted; C.M. = Field Trial Certificate of Merit; D.M. = Field Trial Diploma of Merit; C.D. = Obedience Trial Companion Dog; w. = whelped; s = sire; d = dam; (d) = dog; (b) = bitch.

In all cases the exhibitor is the breeder, unless otherwise stated.

The number of points below each breed-heading are the points each Challenge Certificate winner in the breed will gain toward the title of K.C.C. Champion.

PRIZES:—Unless otherwise stated the prizes in each class are: First, 10/- and Card; second, 5/- and Card; third, Card.

Plain ribbons will be issued in the judging rings merely as an indication to the spectators of the judge's awards—blue for first, red for second and white for third.

Kennel Control Council Challenge Certificates, with inscribed blue ribbons, also Reserve Challenge Certificates, are offered at this Show, one of each certificate for each sex of every breed, at the discretion of the judge. On application to and confirmation by the Kennel Control Council, any dog which wins not fewer than four Challenge Certificates as distinct from Reserve Challenge Certificate under not fewer than four different judges at different Shows, and gains a total of 100 points shall, on approval being obtained from the K.C.C., be known as a K.C.C. Champion. Of the total of 100 points 25 % must have been gained at Championship Shows conducted at All Breeds fixtures with an entry of at least 400 individual dogs, or at Championship Shows conducted by Specialist and Semi-Specialist clubs, or one Certificate to the value of 25 points at any Championship Show.

Points shall be allotted as follow:—

(a) Each Challenge Certificate winner — 10 points, plus 1 point for every dog and bitch six months of age or over entered in an ordinary class for the breed; (b) 25 points for each winner in the following groups, provided that no exhibit shall receive more than a total, in all, of 25 points at any one Show: Group 1, Toys; Group 2, Sporting Terriers; Group 3, Gundogs; Group 4, Hounds; Group 5, Non-Sporting.

The judges are empowered and are instructed not to award any prize to any animal which they consider is not of sufficient merit.

PAYMENT OF PRIZES.—All Special Prizes and prize money will be posted to the winners after the Show.

EXHIBITS BENCHED AT SHOW.—All exhibits must be benched from 9.30 a.m. to 6 p.m. on the day they are exhibited. See headings each day. **Intending exhibitors are warned not to make an entry unless they are prepared strictly to observe this condition.**

BENCHING.—Only exhibits in the one ownership will be benched together.

Every dog must be provided with a suitable collar and chain or a lead, but they must be benched with chains of metal. No cages may be used for dogs other than those provided or approved by the Society, and nothing which will affect the view of the public may be added to the cages. Not more than one exhibit may occupy any one bench or cage. A dog may not be so placed on the bench or in a cage as to be away from the view of the public. The position of exhibit numbers on benches or cages may not be altered.

EXHIBIT NUMBERS.—These will be posted to exhibitors before the Show. When dogs are being judged the handler must wear the exhibit number of only the dog being handled.

VETERINARY INSPECTION.—No dog will be admitted to the Show until submitted to veterinary examination and its exhibit number is stamped "Pass to Ring." Examinations will take place between 8.30 and 9.30 a.m. on each day of the exhibition.

JUDGING.—Judging will commence punctually at 10 a.m. on the day on which each breed is exhibited (see headings). In the case of Special Prizes in which Challenge Certificate winners from each breed are required to meet, the awards will be made on the last day of the Show.

In view of the need to expedite judging, exhibitors will be held wholly responsible for having their dogs in the judging rings immediately they are required for judging. After the Judge's Steward has given word to the judge to proceed with the judging of a competition, no other exhibit may enter the judging ring until after that competition has been completed. Exhibits which are not brought promptly to the rings when called, and exhibits, the owners or handlers of which omit to obey the orders of the Stewards, or are wearing more than one exhibit number, may be refused admission to the rings.

EXERCISING EXHIBITS.—Exhibits may be exercised during the luncheon adjournment.

Dogs must not be allowed off leads at any time whilst on the Showgrounds; neither will they be permitted on the lawns nor near the flower beds.

Except as stated herein, no exhibit may be absent from its bench unless for the purpose of being judged.

DISPLAY OF ADVERTISING.—Exhibitors will be permitted to display approved advertising material on the benches and cages allotted their exhibits. The display must be executed attractively, not in handwriting, and shall be removed promptly if deemed undesirable. It shall not go beyond the following: (1) A space not exceeding 2 ft. wide by 8 in. deep at the back of the bench; (2) The name, address and telephone number of the Kennel or exhibitor, or both; (3) The name of the exhibit; (4) A stud card stating the name of the exhibit, pedigree and stud fee; (5) Suitable words offering dogs and/or puppies for sale, but not actually naming any dog or puppy which is not exhibited, and not quoting any prices; (6) A photograph of the dog exhibited; (7) General decorative material other than announcements; (8) A statement of wins at other fixtures and prize cards or ribbons won at other fixtures shall not be permitted.

OWNER'S RISK.—The Society will be most anxious for the care and safety of dogs sent for exhibition, or any other property entrusted to it, but it must be understood distinctly by exhibitors, and all other persons, that the Society will not be responsible for the loss, detention of or damage to any dog or other property, whether arising from accident, or other cause whatever, or from any act or omission of itself, its officers, agents, servants, or others.

General Regulations

ENTRIES.

(Also see Special Notes in Each Section.)

1. Entries will only be received subject to the rules and regulations of the Society, and all exhibits must be the bona fide property of the exhibitor at time of entry, and produce, which must be the growth of the preceding 12 months, must be produced, grown or made by the exhibitor, except in the case of Agricultural Societies being exhibitors.

2. No exhibit may be entered in more than one class, except for a sweepstake, a special or champion prize, or unless specifically stated in the regulations governing the Section. Where any exhibit has, through oversight, been allowed to compete in more than one class (not being one of the exceptions abovementioned), such exhibit shall, whether awarded a prize or not, be deemed to be ineligible to compete, or to have competed, in any class other than the first in which its name or particulars appear in the Show Catalogue.

3. The Council reserves the right to reject at any time any entry submitted for this exhibition. No disqualified or deformed animal shall be allowed to compete for a prize.

4. When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

CLOSING DATES OF ENTRIES.

5. Applications for stands for harness and saddlery, vehicles, machinery and implements, single exhibits, or goods for exhibition only, must be made by ordinary letter. After the applications close, positions will be allotted and a charge will be made for the space granted.

Railway Regulations

Supplementary to the General Conditions for the Carriage of Goods and Live Stock.

IMPORTANT NOTICE.—Exhibitors desiring to have their stock conveyed by rail from the Show Grounds on Friday evening must order their trucks through the Show Grounds Station-Master before 12 noon on Wednesday, 27th September.

Exhibits are consigned direct to Show Siding at Society's Grounds, and exhibitors are particularly requested to send in their applications for trucks at once to the local Station-master, or to the Live Stock Agent, Railway Department, Melbourne, or through their own selling agents.

1. The undermentioned conditions shall be applicable in respect of agricultural machines and implements, machinery, produce, live stock (including dogs, poultry and other birds), buggies, trotting sulkies* accompanying trotting horses, motor-cars, drays, waggons and other goods of a like nature sent for exhibition at Shows.

They may also, by special arrangement with the General Passenger and Freight Agent, be made operative in respect of:—

Agricultural machinery sent for field trial in which a number of machines participate.

Ploughs sent for ploughing matches.

Horses sent for horse parades.

2. The exhibits will be carried at the convenience of the Commissioner by Passenger, Mixed or Goods trains as may be desired by the consignors. Valuable animals may be sent by passenger trains in horse boxes if this class of vehicle be available, and charged the same rate as if loaded in cattle trucks, and forwarded by Goods trains. Each three stalls in "F." or "F.F.' horse box to be regarded as equivalent to one full cattle truck.

3. When the exhibits are consigned on the forward journey, the consignors will require to declare, on the consignment note therefor, that they are for exhibition, specifying the Show for which they are intended, and the way-bill must be endorsed accordingly.

The ordinary freight charges shall be imposed and prepaid in respect of the forward journey in all cases.

4. On the backward journey, any exhibits, or portion thereof, which have been sent by rail as paying freight on the forward journey, exhibited, and not sold, will, subject to the conditions in Clause 7 and on production of the approved certificates, signed by the Secretary of the Show, be carried "free" to the station whence they were forwarded, provided the journey is completed at any time within one month from the date of despatch on the forward journey. The certificates must be handed in when the exhibits are consigned, and attached to the waybill.

If, on the backward journey, a greater number of vehicles be used for the carriage of exhibits than was used on the forward journey, ordinary freight charges will be imposed in respect of exhibits carried in the additional vehicles.

Tarpaulins, if used at request of owner to cover live stock trucks, shall be charged for at the rate of 3/5 per tarpaulin.

All exhibits, or part thereof, which have been sold, or are not accompanied by the aforesaid certificate, will be subject to the ordinary freight charges and conditions on the backward journey.

Stud sheep purchased at Agricultural and Pastoral Shows by exhibitors thereat, and forwarded from the Show uncrated in the same truck at the exhibitor's returned unsold exhibits of sheep to the original forwarding station of the latter, shall be charged at Class "2" mileage rate on the basis of 3 cwt. per animal, and subject to the Tariff for Smalls, where cheaper than the ordinary rate.

5. Exhibits, accompanied by the aforesaid certificate, may be forwarded on from one Show to another, subject to the freight charges and conditions, as prescribed in Clause 3 of this division, which freight charges must be prepaid, and when the final destination is reached, they may be returned "free" to the original despatching station, subject to the conditions in Clause 7. If, however, in proceeding to another Show, such exhibits be returned over any portion of the line in respect of which the full freight charges have been paid on the forward journey, the exhibits may be sent free, subject to the conditions in Clauses 4 and 7, over such portion of the line.

6. Exhibits must be loaded and unloaded by or at the expense of the consignors or consignees. In all cases where Show exhibits are loaded or unloaded by the department, the charges prescribed for the service shall be imposed.

7. Exhibits, other than live stock, may, where alternative rates apply, be consigned on the forward or the backward journey at the sender's option either at the rates and conditions prescribed in the Goods Rates Book for carriage at Commissioners' Risk or at Owner's Risk. On the backward Journey, when consigned at Commissioners' Risk, the full Commissioners' Risk Rate shall be imposed, but if such exhibits be consigned at Owner's Risk, they will be carried free.

*Wherever practicable, trotting sulkies shall be afforded similar transport on the return journey as was given on the forward journey, so that, as far as possible, the sulkies may accompany the horses.

Live stock exhibits shall be carried at the prescribed rates for livestock on the forward journey, and shall be carried on the backward journey free, but whether on the forward or backward journey, such carriage shall be subject to the conditions prescribed in the Goods Rates Book in respect to the carriage of live stock.

Special attention is directed to the following conditions which is supplementary to the general conditions respecting the carriage of live stock:—

On horses, cattle or other animals insured at the risk of the Commissioners, power is reserved to them to regulate the number of animals which shall be carried in each truck, and the Commis-

sioners will not be responsible for a loss or injury which may occur to any live stock during the loading or unloading, or during transit, when such loss or injury arises from fear or restiveness, or through such live stock being suffocated or trampled upon, and without negligence on the Commissioners' part.

The Commissioners' liability is limited as follows, viz.:—For any horse, £50. For any neat cattle, per head, £20. For any sheep, pig, dog, or other small animal, or bird, per head, £1.

11. Consignors should give not less than four (4) days' notice to the stationmaster of the number and description of live stock trucks, and 48 hours for other trucks, etc., required to load exhibits.

12. If a full sheep-truck load of sheep, or a full cattle-truck load of horses, cattle or pigs has been paid for on the forward journey, and the whole of the stock has been returned "free," in accordance with the provisions of Clause 4 of this division, one stock attendant, in respect of each truck, will be granted a refund of the return fare paid by him. He must travel in the truck or in the van of a goods train with the stock, and must provide himself with a copy of Form P69, duly completed by the Station-masters at the forwarding and returning stations respectively. A receipt for the refund must be given on the certificate by the attendant. This refund shall, however, only be allowed provided a straight up and down journey is made between two stations. When the stock is returned from any station other than that to which it was waybilled by the original despatching station, the stock attendant certificates for the journeys made must be retained by the stock attendant until he returns to the original despatching station, and forwarded by the Stationmaster at that station to the General Passenger and Freight Agent, where any refund due will be adjusted.
