Mrs Rose-Marie Cabion

Very professionally groomed and shown. Some lovely heads of correct proportions, soft expression and dark eyes of correct shape. I did however find some of the males longer than I am used to seeing, but the bitches were simply gorgeous, and so well prepared and shown. I was delighted to find such good mouths and all dogs moved freely and soundly.

## JUDGES CRITIQUE

Mrs Rose-Marie Cabion

Some beautiful Curly Coats with correct tight curls, lovely liver and black colour and mostly well shaped eyes. I liked the head shapes and the dogs were mostly very well balanced, clean necks, deep bodies with well spring ribs and good hindquarters. The outline of the dogs was beautiful but some of the movements let them down

The quality is better than the Wire but the character should be stronger. The type should be more unified. Shoulder should be more laid back, upper arm too short and needs more angulations by the hind leg

**JUDGES CRITIQUE**

Mr Yoshio Mori

The depth of quality in the Dalmatians was fantastic. What a pleasure to judge so many excellent dogs, and especially to see so many top liver spotted dogs with correct amber eyes. The majority of my winners were very well balanced and heads and expressions were straight from the standard. They had good necks and shoulders, deep strong bodies, and were well boned. There were also some nice compact feet. I thought my top winning dogs had excellent movement. Competition for top honours was close, as there were a number of really classy dogs to choose from. Showmanship and handling was good. Bitches were beautifully feminine and the males masculine.
