Mrs Rose-Marie Cabion

What a treat to have such a good entry of wonderful Golden. It was such a pleasure to have quality dogs to judge. The general balance of the dogs was excellent, deep bodies, fabulous bone and strong feet, and of course beautiful heads with good dark eyes. There were a few really nice dogs that were out of coat, but plenty with abundant coats. The majority of the dogs were sound movers. Presentation and showmanship was excellent

One of my favourite breeds, and what a treat to have so many good ones to judge and choose from. My winners were excellent, I loves their heads, strong bodies with good depth of brisket and well sprung rib cage. They had well turned stifles and good bone, fabulous coats with correct tan markings. They were beautifully groomed and shown and it was a pleasure to judge them

JUDGES CRITIQUE Mrs Rose-Marie Cabion

A super entry of dogs with great size and wonderful bone, but sadly there were a number of really good dogs whose outlines were spoiled by soft toplines, and there were also a couple of coarse heads. My winners were stongly but elegantly built with long powerful necks, heads of correct proportions and deep strong bodies. Bone was superb and the dogs moved with tremendous drive. The general showmanship and presentation of the dogs was excellent.

Some dogs have good type and balance but many dogs need more. The same applies to trimming, character, movement. Overall quality should be improved.

A nice entry of this elegant breed. I was pleased to see that the males were masculine and the bitches feminine. My winning dogs all had typical heads, amber/brown eyes and excellent coat colour and texture. They had good shoulders and hindquarters with well turned stifles. Movement of the winning dogs was very good. Some otherwise good dogs had light eyes, and there also a few rather straight stifles and some poor front movement. On a happier note, all dogs without exception had perfect mouths, and the temperaments were excellent. Presentation and showmanship was first class

I had a wonderful selection of quality dogs to judge. My winners were well balanced, had beautiful long lean heads, with good skills, expressive dark eyes, and good necks and deep strong bodies. Coats were exceptional and well trimmed and groomed. They moved with drive on well boned legs. A number of good dogs were unfortunately out of coat. I noticed a few dogs had open feet, however these were in the minority and the general standard of the dogs was pleasing. Presentation was good

What a striking breed this is. Not many Irish Water Spaniels present but some of them very nice. Most of them had good quality coats with the right colour and tight curls, one dog slightly lacked the curly coat and a few I thought were rather overweight. The heads were very typical with lovely dark eyes and bodies were good. Nice bone and feet, and all had the correct tails. Movement was generally good.
