Very good number of entries. Size is not unified (some over, some under). Many dogs were not well trained and educated in show presentation and manner. Best of Breed is medium sized, square built and well angulated by hind let. Top line and under line is beautiful Typical high step and lovely presentation.

Mr Izumi Awashima

In general, very good quality and type. Body short and compact. Loin is strong and gently arched. I could see ambling or pacing by some dogs as breed characteristic gait. Hard, shaggy coat texture.

In general, coat should be better (many woolly coats were found). Well balanced and proportioned. Many rounded skulls (skull should be flat). The bob had a very high coat quality, well balanced head and body, very good head carriage, the profile was flat with nose well set between the eyes, top coat was coarse with thick under coat and a dignified and rolling gait.

In general, quality is not so high. The Best of Breed was very good anatomically (square built), had balanced movement, forequarter & hind leg well angulated. As a hound, very good expression.

Some smashing pointers with the lovely expressions and concave muzzles that are so much desired. Eye colour was excellent, in all colours, as was nose colour. Long muscular necks, good shoulders and correct bodies with well sprung ribs, excellent bone and some strong arched feed. My winners moved strongly and were professionally shown. A few otherwise beautiful dogs were let down by their movement.

Mrs Rose-Marie Cabion

I judged the three Poodle sizes, and although I don't wish to sound effusive, I must say I just loved them and so enjoyed judging them. I had some stunners, gorgeous fine heads, dark eyes of correct shape, lovely dense crisp coats, well made bodies and mostly sound movement. There had to be one or two in each size whose coat was a little open, and a few could have done with slightly shorter loins, but on the whole they were so good. I had almost all the colours which was nice. A lovely strong group of dogs that I thoroughly enjoyed judging. Showmanship and handling first class. Thank you for your entry.
