Very few Tibetans present but I found some nice ones. The top winners had nice head proportions, balanced bodies and some really profuse, quality coats of correct texture. Movement was good in the winners. All of the dogs present had lovely expressive dark eyes and sweet temperaments.

JUDGES CRITIQUE  
Mr Ramon Podesta

The quality of the breed is mixed, many dogs out of proportion (too long and low to the ground), straight in fronts and overangulated behind. Best of Breed a nice female of excellent angulations and great movement.

Very, very high quality. Beautiful head expression. Good type, soundness and proportion of height to length. Balance and condition very good. Some dogs coats not straight but wavy and soft. Free and active gait.

Quite a large entry of these charming dogs. My winners had very pleasing heads with dark eyes and nose of the correct colour – nice deep bodies, well sprung rib cage, good turn of stifle and strong feet. A few were too long in the body. I found all the mouths to be correct, and movement very sound. The dogs were well groomed and shown professionally.

## JUDGES CRITIQUE

Mr Yoshio Mori

In general the quality should be higher. I believe the coat condition should be kept better. The Best of Breed had a beautiful coat with very good pigmentation (steel blue and good tan), beautiful and charming expression of head and was a good mover.
