### Labelmakers JUDGES AWARD

Presented to all 2008 AIBA Judges in recognition of their services

We understand **venues**. We understand **events**. We understand the **business**.

At Cleanevent our attitude is that while we are at your place, it is our place and we like our place clean! So our commitment to quality is always reflected in the smallest details and we pay great attention to them.

It could be the willingness of our staff to show a patron to their seat, the cleaning of a corporate facility at a grand prix, or it might be as simple and effective as a smile.

Cleanevent has a unique standing in the venue and event industry – the only cleaning and waste management company dedicated to this specialist business. With numerous Olympic Games behind us we have a proven ability to mobilise and operate anywhere in the world. Opening ceremonies right through to concerts in local amphitheatres all get the same attention and delivery – world's best practice.

In the end, it is quite simple. We are passionate about what we do. We enjoy our work and we relish the opportunity to do it, again and again. This is Cleanevent. [www.cleanevent.com](http://www.cleanevent.com)

“It’s the things you **don’t see** that make all the **difference.**”
