Dr Tamas Jakkel
Hungarian Vizsla

I was excited to see this Hungarian breed here in Australia. I can tell you, some breeders here are taking care of this breed. It makes me proud somehow.

The overall quality was very high. I found it far better than in England where I have judged the breed several times. My winners should also win in Hungary or anywhere for that matter. You have "world class" quality.

My winning male was all about the Hungarian Vizsla, beautifully headed, well constructed, balanced animal with excellent character. It pleased my eyes when he moved around carrying his head proudly in a way how only a Vizsla can. I also liked the puppy male a lot.

My winning bitch was a beautiful puppy, already a real star, balanced like that as well. I would have loved to take her home.

These two are a credit to their breeders!!!

Dr Tamas Jakkel
Irish Setter

An impressive entry, beautiful winners, but too much American influence type wise (I wondered why it was needed)!

The best male was a beautiful puppy who is all about the Irish Setter. Fantastic balance, perfect type, correct anatomy – I fell in love with him.

My best bitch excelled in type, movement and was very feminine. She pleased my eyes and soul. The good thing is, it was a much better quality in younger classes than in the open classes. Good for the future. It would be nice to go back to the original breed type and not follow the way to make this wonderful breed an Afghan Hound!!

The nice racy outline was definitely evident in all exhibits. The Irish man fire and sense of humour is endearing in this breed and it was there today.

Only three dogs in this breed with a great disparity of type. Although this is a breed where males and females differ substantially, I would have liked much more body substance on the females. On the other hand, the dog was a bit too tall but he had correct breed movement.

"Overall type and elegance essential within a height rang of 13 – 15 inches and 8 – 10 lbs". Important quote from the breed standard. Too large in height borders on the Whippet and therefore will loose breed type and / or breed character. There were plenty within the required ranges and all exhibitors displayed marvellous sportsmanship. It was a fun entry and thank you for sharing your little "izziepops" with me.

I had a pleasing quality. I should prefer to see more type in head pieces. Also the coat quality needs to have more attention in the future.

Had great fun judging the Jacks! One of my favourite breeds
even though it is not an AKC recognized breed.

The general appearance statement of the standard pretty
much sums up the entry – smart, workmanlike, well balanced
and compact – one other word should be there – CUTE! The
breeders are doing a wonderful job keeping this breed within
the breed standard – Congrats!!

Not a big entry, but quantity doesn't matter. The quality was very good. I've seen lovely, typey heads with excellent pigmentation and expression and some beautiful eyes (especially my winning bitch!)

My Best of Breed male was an impressive male, looked like a beautiful miniature Samoyed from some distance, which can be the aim of the breeding program in this breed.

A lovely entry with quality. Many of them had excellent heads with expression. Very few of them had big ears, which is becoming a common fault in the breed nowadays. The coat texture was also pleasing. The breed should improve in its balance! I've seen quite a few "short legged" exhibits. My Best of Breed male was oozing with his showmanship and movement. I fell in love with my Reserve Challenge young male, who has plenty of breed type and quality

Kerry Blue Terrier

A very small entry but still great fun since this is my "foundation" breed. It was a joy to watch them. The Best of Breed dog is very spiral in coat and colour, which is quite important – it is this breeds name. The young Runner Up Best of Breed bitch will do well once her colour breaks. She has a lovely head and expression, solid top line moving and standing and is a good walker too! She has a good future.

The entire entry of ten had lovely head and expression for the breed. The Best of Breed bitch is a refined, compact and cobby breed example well within the 8 – 14 lbs limit. She had lovely breed character, a good silhouette, great coat and texture. The Runner Up Best of Breed was also of good type, balanced and a nice walker.

Although there were many different types in the ring, the overall quality of this breed was very high in the three colours. All dogs were well presented and in excellent condition – not too fat nor lean. It was a pleasure to judge this breed!
Best of Breed – a classic bitch, the best I have seen in many years. I was so pleased to see her win Group 2. Runner Up Best of Breed – a younger dog, full of himself in super condition – a true showman!

I was pleased with the breed type I had in my ring. They have excelled in head and expression.
My two Challenge winners stood out, conveying the best breed type, heads, expressions, balances and coat texture, handled with perfection.
Watch out for the coat quality! Far too many of the exhibits had Shiba Inu like silky, thin coat, which worries me.

A nice entry of the "Little Lin Dog". One might take into
consideration the word "little" in the name. Some exhibits were a
bit on the large size for me.

Overall balance was good even in the large ones, but they are part
of the TOY Group in Australia.

Ms Carla Molinari
Mastiff

There were many different breed types in this relatively small entry of Mastiffs. The disparity was very noticeable on heads and muzzle shapes. Soundness was not present in all the exhibits. My winners were of good classical breed type, not too light in bone but sound in movement.

Best of Breed winner was a beautiful fawn black masked bitch with all the required breed characteristics. Runner Up was a very handsome dark brindle male, masculine and well proportioned.

Mrs Anne Katona
 Miniature Pinscher

What cute little dogs! A fun breed to judge and equally as much
 fun to watch being exhibited. One never knows what a Min. Pin
 will do – NEVER! It is a great breed and the type and size was
 excellent.

It would have been nice to have more good Min. Pin. fronts but
 the few there were, were fun to watch. My Best of Breed bitch is
 an excellent example of this breed, as was the Runner Up Best of
 Breed, which was her father.

A well balanced group of dos in this breed. All with excellent heads and expressions. Overall, I would have liked more size in the males.

Papillon

Lovely Papillon entry! Both sexes closely equal in depth of quality. Most classes could have gone a different way on another day. Most exhibits had correct coat texture, falling flat on back and sides. Lovely expression very evident along with light and free movement. Height was excellent and most exhibits appearing to be slightly larger than tall. Ears were very good

With only one entry, there was very good quality and breed type.
This exhibit was definitely workmanlike, build for speed and
endurance. He could go to ground and run with the hounds

Pekingese

There were some very good Pekingese in the show ring today. Coats were in great condition, body conditioning was outstanding and movement was very sound. Most exhibits were "surprisingly heavy when picked up" with heavy bone, sturdy, well build bodies and well balanced silhouettes.

Pointer

What can I say! I was judging this breed around the World, including the European Championship Show last year, in all 5 Continents, and it is difficult to find more beautiful Pointers than my two winners (and not only these two – I liked the whole breed a lot).

The male should be video taped, how a Pointer should move in a proper way because you can't find it anymore in most of the countries.

The bitch was breath-takingly beautiful!!! A kind of animal you are falling in love with immediately. I won't forget her expression and the beautiful clean-cut picture she made standing for as long as I live!!!

Compact, short coupled, well knit in frame, sound, vivacious and dainty – words from the breed standard that proved true in today's Pom entry. The exhibits were delightful and fun to judge. The puppy dog class produced my Best of Breed today with all the above words describing him. He gave me chill bumps! Thank you for such a lovely entry of this breed.

Dr Tamas Jakkel
Poodle (Standard)

Excellent overall quality. Most of the exhibits had and excellent breed type. Some of the heads should be slightly more chiselled, but the weak underjaw doesn't seem to be a major problem here (which is a big problem in most other countries).

My best male was an extremely attractive, beautifully headed white with perfect balance and immaculate coat.

My best bitch and Best of Breed was an eye-catching feminine, but at the same time, strongly built black one. She had all the important breed details. She won Best of Breed with her real dancing, long reaching poodle movement.

Dr Tamas Jakkel
Poodle (Toy)

Excellent quality in this breed. Very nice well chiselled heads and lots of type exhibits. My Challenge black male was an outstanding, showy and type male with the necessary "touching the daisies" movement which is a typical "dancing" action in this breed. My Challenge brown bitch also was a "light footed" great mover with excellent head and should win Best of Breed with a bit more substance.

JUDGES CRITIQUE

Ms Carla Molinari
Portuguese Water Dog

A spectacular entry of 29 dogs for this breed which is my breed. My thanks to all that made the effort to show under me. It certainly gave me an idea of the quality of the breed in this country. Overall heads were a bit disappointing and should be improved upon. Also the diversity of types present a serious concern for the future. Soundness was a pleasant surprise and many dogs were good movers.

Overall, I would like to see more bone in the breed here and more dogs of solid colours (or better, marbled dogs). Diluted colours are a concern.

My Best of Breed winner, still sound, is a lovely dog. The bitch Challenge is feminine and extremely well balanced.

It will be very interesting to see the evolution of this breed here in the forthcoming years.

Mrs Anne Katona
 Pug

The best Pug entry it has been my pleasure to judge in a long time. Every class had depth in quality. It was so much fun with the puppies! This breed is being well cared for in Australia and the breeders should be very proud of themselves. The Best of Breed bitch is a lovely breed example in all ways and has good showmanship to boot! Same goes for the Runner Up Best of Breed dog! WOW! Thanks for sharing your breed with me today – it was a pleasure.

Very lovely entry. Proper small heads and well angulated fronts with necks that fit well into the shoulders. Deep rib cage, the movement was true, short-stepping. The coats were immaculate.

The type is correct but dogs should be a bit more substantial with stronger bone. This is a mastiff breed, light footed but still a mountain dog.

Mrs Jacqueline Quiros-Kubnat
Rhodesian Ridgeback

The breed type was excellent in all of the classes. Some did have straight fronts with lack of fill and poor top lines, straight rears, but there were enough good ones to compensate for that. My challenge winners were well angulated at both ends and moved with powerful gaits. Best of Breed was a very imposing and dignified strong dog capable of great endurance. He commands respect.

Rottweiler

A lot of disparity in this breed in regards to heads and overall type. Not many exhibits entered but mostly were sound movers in good condition, well muscled – a must for this athletic breed. My Best of Breed was a very masculine sound dog with excellent head and in tip top condition. Runner Up, a very feminine bitch just a little longer in body than the Best of Breed.
