Fleece for showing will be judged according to the criteria shown on the fleece score card for Huacaya and Suri:

- · Fineness and handle
- · Uniformity of micron/length/colour
- Character and style (crimp in Huacaya; lock style in Suri)
- Density of staple (Huacaya)
- Density of lock (Suri)
- Brightness (Huacaya)
- Lustre (Suri)
- · Lack of guard hair
- Impurities/stain/tip damage
- · Clean fleece weight
- Age of fleece (time in months between this shearing and previous shearing, if any)
