BEEF CATTLE
COMPETITION

Schedule 2025

Welcome from the Chair

The Melbourne Royal Beef Cattle Committee is excited to welcome you back for 2025. The Melbourne Royal Beef Cattle Competition provides breeders with the opportunity to showcase and benchmark their livestock in one of Australia's biggest and most prestigious cattle competitions.

I am thrilled to welcome the Simmental breed as our feature breed for the 2025 Melbourne Royal Show Beef Cattle Competition. We are excited to showcase its remarkable attributes this year. The Simmental's rich history will undoubtedly enrich our competition and provide a fantastic experience for all participants.

I also want to extend a warm welcome to our new exhibitors and the enthusiastic young people who participate in this event. Your dedication to showcasing your livestock and your willingness to volunteer your time are truly commendable. It's your passion and hard work that bring our show to life and create a vibrant community spirit.

This year we once again welcome judges from all over this great country of ours, along with an international judge. We thank them for giving us their time, it is an honour to have them join us.

I also want to thank the Beef Cattle Committee members, Gary Turnham, Sam Nelson, Jess Sharp, Cindy Smith, Jo McLauchlan, Vanessa Wenn and Matt Cooney. They are all extremely committed to the core values of the competition and judging. The Committee keeps the exhibitor value and experience at the heart of what we do.

We know this is an annual opportunity to catch up with great friends and I invite you to join us at Australia's first ringside bar and meeting place. It is my favourite place at the Show, a chance to catch up, compare notes and share successes, and I would love to see you there.

Don't forget the All-Breeds Sale – this will be exclusive and open to the first 20 head that express interest.

Our pinnacle event, the Beef Cattle Interbreed, will be held on Saturday 4 October. Join us in celebrating the best of the best from the 2025 competition as we sash Supreme Beef Breed Exhibit.

We are all excited for another year of the fantastic Melbourne Royal Show. I look forward to hosting you and your family and friends in 2025.

Lastly the committee welcomes Taylor Blayney in her new role of Melbourne Royal Livestock Manager.

Taylor has been around the livestock competitions for some time now and along with Jess May, will keep the committee on track to deliver a great Melbourne Royal Beef Cattle Show.

This year the Melbourne Royal will be running a free shuttle bus service between the truck and float carparks and the Livestock Pavilion during designated arrival and departure times as listed on the timetable. Truck Parking fee is \$85.00 the full competition.

Refer to the regulations of beef cattle competition for the details of the code of practice for the use of Breedplan data. Other Breed Societies wishing to utilise Breedplan in accordance with the code of practice are invited to contact Melbourne Royal.

Promotional Space

If there is sufficient space, Melbourne Royal shall make space available to those Breed Societies that apply, for the purpose of providing marketing and educational material pertaining to that breed. These spaces will not be made available to individual studs. Only one space per breed will be granted and only if space permits. Melbourne Royal reserves the right to select the occupier of said space.

We invite Breed Societies and Associations to contact Melbourne Royal in relation to breed promotional material for the judging ring.

Please be advised that only a limited supply will be available during show. Pre-purchased catalogues can be found within your exhibitor packs that will be provided at the superintendents office.

Important Information for Beef Cattle Exhibitors

Consolidation of Classes

In order to create competition, please be aware that classes may be amended, consolidated or cancelled. Refer to section 9 of the special regulations of Beef Cattle Competition.

Johne's Disease Status

All exhibitors are advised to review changes to the Melbourne Royal Show Johnes Disease Management detailed in Special Regulation 5.3. Changes to Australian Johne's Disease Management are explained in further detail on the Animal Health Australia website.

Pesti Virus

Please note that all Beef Cattle, Beef Carcase and Dairy Cattle Exhibits must be tested for Pestivirus (Bovine Viral Diarrhoea Virus) and certified as non PI (Persistently Infected). Exhibitors must provide a signed veterinary certificate or laboratory report, listing animals and their identification prior to arrival at the grounds.

Breed Representatives

Each Breed Society or association may nominate persons qualified to act as a breed representative for their breed. Melbourne Royal must approve and officially appoint the breed representative.

A Breed Representative's essential duties are to provide a link between Exhibitors and the Cattle Superintendent, and to inform Exhibitors at the direction of Melbourne Royal.

Calf Spaces

Due to space restrictions, spaces cannot be booked for calves at foot. Calf spaces will only be provided where space permits.

Sawdust Bedding For Cattle – Principles For Good Management

To achieve the best results from bedding cattle on sawdust, the following system of management is recommended:

- a) Pick up manure at every opportunity.
- b) Avoid water spillage in stalls.
- c) Regularly smooth out the bed with the aim of assisting drying.
- d) Consider using rubber matting for front half of bed.
- e) Do not dig out the wet patches.
- f) Do not disturb the bedding base.
- g) Keep the top of the bed loose.

Experience has shown that properly managed bedding will last a full Show with little need for top up bedding, particularly with some classes of livestock.

Tattoos and Inspections

The 2025 Melbourne Royal Show will see the strict enforcement of the special regulations. If no tattoo is present at the point of inspection the exhibit will be disqualified from taking any further part in the competition.

Clipping of Exhibits

A limited number of clipping frame spaces will be available, provided an application for space and a \$160 fee (GST inc.) accompanies entries.

All clipping frames must have secure flooring. Clipping frames must only be kept in their designated area. Failure to adhere to this rule will result in automatic removal of the clipping frame.

Clipping frame tags (distributed with exhibitor packs upon arrival) must be fixed to clipping frames for the duration of the Show. Any clipping frame not displaying a tag will be required to be removed.

Important Information for Beef Cattle Exhibitors

Spraying of Hooves

Exhibitors are reminded not to spray cattle hooves on the concrete. If exhibitors are found to be spraying the hooves the costs of the cleaning will be passed onto the exhibitor.

Absence of Exhibit

Notwithstanding the relevant general regulation's exhibitors may withdraw exhibits provided that written notification is given to Melbourne Royal by 5:00pm on Friday 8 August 2025. The full bedding fee will be refunded for each head of cattle withdrawn in writing by this time.

Property Identification Code

The Property Identification Code of the Melbourne Showgrounds is 3MWAG001

Minimum Number of Exhibits
