President's *Message*

Melbourne Royal is delighted to publish the results of the 2026 Melbourne Royal Wine Awards, recognising and celebrating the outstanding achievements of this year's trophy and medal winners.

For more than 140 years, the Melbourne Royal Wine Awards has stood among Australia's most prestigious and respected wine competitions, recognising excellence, rewarding quality and showcasing the very best of Australian winemaking.

The ongoing success of the Awards is made possible through the support of the wine industry and the invaluable expertise of our Melbourne Royal Wine Awards Committee. I sincerely thank our outgoing Committee Chair, Rohan Smith, for his leadership and dedication over the past two years, and welcome Dan Sims as the incoming Chair. I also acknowledge Chair of Judges Marcus Satchell and Committee members Tim Perrin, Kim Chalmers, Ed Merrison and Christina Kaigg-Hoxley for their commitment, insight and guidance. Their collective expertise ensures the Awards continue to evolve whilst maintaining their reputation as a benchmark of excellence.

This year, more than 2,000 wines were entered from wineries across Australia, reflecting the enduring prestige and value of the Melbourne Royal Wine Awards. We thank every winery that participated and entrusted us with the opportunity to assess and celebrate their wines.

The Awards provide Australian winemakers with the opportunity to benchmark their wines against the nation's best while receiving valuable feedback from highly respected industry judges. Under the highly respected leadership of Marcus Satchell, a panel of 30 expert judges assessed entries over five days of rigorous judging at Melbourne Showgrounds.

I extend my sincere thanks to all judges who generously contributed their time, expertise and professionalism. We are equally grateful to our stewards and support teams, whose dedication ensures the judging process is conducted to the highest standards.

The prestige of a Melbourne Royal trophy continues to grow, with the Jimmy Watson Memorial Trophy remaining one of the most sought-after accolades in Australian wine. Alongside the Jimmy Watson Trophy, honours such as the François de Castella Trophy for Best Young White Wine, Trevor Mast Trophy for Best Shiraz and James Halliday Trophy for Best Pinot Noir, represent some of the industry's most highly regarded achievements.

We also thank our valued partners and sponsors for their ongoing support, particularly our Presenting Partner Sharp EIT Solutions; Major Partners PLUMM, BevChain and Vintrace; Trophy Sponsors SANECTOR, Vinocor, Madderns Patent & Trademark Attorneys, iCorp Security Services and the Seabrook Family; as well as supporters Cloud Culture, Bottle Cycler and our Government partners, Agriculture Victoria.

Congratulations to all 2026 medal and trophy winners. Your success is a testament to your skill, passion and commitment to excellence. A Melbourne Royal medal or trophy is a significant achievement and a powerful endorsement of quality, recognised throughout Australia and beyond.

Melbourne Royal remains committed to celebrating excellence in Australian winemaking and providing a platform that inspires innovation, drives quality and supports the future growth of the industry.

Congratulations once again to all winners and participants in the 2026 Melbourne Royal Wine Awards.

President

Message from the *Chair of Judges*

Recently, our judges from backgrounds spanning viticulture, winemaking and trade, gathered at the Melbourne Showgrounds to assess 2,069 wines from 449 exhibitors. It was another big week in my second year as Chair of Judges, and I'm very proud to present the results to you. It was a week of rigorous, considered and generous discussion, and I couldn't be happier with the results or with the team of judges who produced them.

Firstly, I'd like to extend a very big thank you to all the exhibitors for entering. We had more exhibitors than last year, which is fantastic to see in what is still a tough time for the industry. And the quality of the wines in front of us has never been better. Thank you for trusting us with them.

I would also like to acknowledge the hard and tireless work of Rohan Smith, our outgoing Chair of the Committee. His commitment and passion, and his support of me in my role as Chair of Judges have been greatly appreciated, and I thank him sincerely. I'd like to welcome our new Chair of the Committee, Dan Sims, who I know will bring great energy and knowledge to the role, and thank the committee for their efforts throughout the year.

Of course, the show does not run without an incredible Melbourne Royal back-of-house team lead by Kirrily Waldhorn, Oskar Long and Harrison Straw, and the stewarding team, led admirably by Su Pettitt. A massive thanks as well to our partners and sponsors for their continued backing.

And so, to the results. What an incredible range of wines! Chardonnay, Riesling, Pinot Noir, Shiraz, Cabernet Sauvignon and Grenache were all in fine form, and the alternative reds, as single varietals and in blends, showed real depth and a confidence in style. The trophy tasting on the Friday was hotly contested. The bench was full of a ridiculously high-standard of beautiful wines showing perfume, balance, complexity and deliciousness. Any one of the trophies could have gone to multiple wines. This is in part due to an excellent 2025 vintage around the country, where the producers who picked at the right time have made exceptional wines. Our medal and trophy winners span producers large and small, in many regions and styles, and that spread is a real credit to the strength of Australian wine right now.

Above all, this is a community. The mentoring, the stories, the supportive nature of our people and the shared celebration of what we do will carry us through the challenging times that lie ahead and lead us on to being the proud wine producing nation we need to be. The people, the knowledge, and our wines are among the very best in the world.

Congratulations to all of our medal and trophy winners. It was an excellent week leading an outstanding team of judges, and here's to great Australian wine. Cheers!

Marcus Satchell

When everything makes sense

See a natural finish, designed as a tribute to cork.

Hear the "pop" of a moment suspended in time, where everything begins.

Touch an authentic texture, the result of patented precision.

Smell purity — no trace of TCA, no interference.

Taste an unaltered wine, faithful to the winemaker's intention.
