Message from the CEO

MARK O'SULLIVAN
RASV CEO

Celebrating 25 years of recognising the world's best beers, The Royal Agricultural Society of Victoria (RASV) is delighted to present the results of 2017 Australian International Beer Awards (AIBA).

The largest annual beer competition in the world judging both draught and packaged beer, this year the AIBA received 2042 entries from 358 exhibitors, including 1891 for beer, 109 for design and 42 media entries, all vying for a prestigious AIBA medal, or one of over 30 champion and major trophies on offer.

In reaching the important milestone of the 25th year of the awards, it is important to note RASV's ongoing commitment to ensure the relevance and value of the awards to all who participate.

Reflecting industry trends, production techniques and consumer interest, new classes and criteria have been introduced to provide greater opportunities for brewers, including the introduction of the Consistency of Excellence medal which gives participants another benchmark to strive for and gives consumers confidence in purchasing high quality products.

Thank you to our exhibitors, your constant drive and dedication to delivering high quality and excellent brews, which we have seen in this year's awards, continues to strengthen the industry's reputation.

Thank you to Brendan Varis, Head Judge and the esteemed panel of industry expert judges, the largest in the competition's history, whose dedication, enthusiasm, knowledge and professionalism maintains the AIBA's credibility and high standard of assessing entries.

RASV is thrilled to be a Festival Supporter of Good Beer Week (GBW) in 2017 and we congratulate the GBW team and Australian beer industry on a successful and exciting event, which provides an incredible opportunity for brewers to connect with consumers and a chance to showcase award winners from the AIBA.

The awards would not be possible without the support of the valued sponsors or many stewards and volunteers and we sincerely appreciate their time and generosity in the delivery of the AIBA.

RASV congratulates all medal and trophy winners in this year's AIBA. We look forward to the successes your award wins bring and to another year of growth, innovation and achievement across the brewing industry.

Message from the Head Judge

BRENDAN VARIS
HEAD JUDGE

The panel of judges for the 2017 Australian International Beer Awards was a patchwork of passionate people from all parts of the beer industry, including international beer authorities, sensory specialists and stylistic experts from the largest industrial breweries to the smallest of craft breweries.

The panel came together for three days to share their knowledge and learn from each other while assessing a record number of competition entries. The robust associate judge program that has been in place for a number of years allowed for the increased workload to easily be accommodated, as experienced and trusted associates were promoted to full judge status.

As always, the standard of beer entered was exceptional with the gold medal and trophy winning beers representing the absolute pinnacle of beer quality from around the globe. While the high standard of award-winning entries is to be expected, feedback from the panels indicated that even the lowest scoring exhibits were more technically sound and of a higher overall standard than in previous years. Congratulations to all entrants.

Our head steward Craig Bowen and the dedicated team of volunteer stewards must also be congratulated for the efficient sorting and seamless serving of exhibits.

RASV has done an outstanding job of growing this competition into one of the most highly regarded in the world and our beer industry can be confident that Australia's pre-eminent beer awards is in good hands going forward.

FERAL ONE, PACKAGED
FIRESTONE WALKER BREWING CO.,
CALIFORNIA, UNITED STATES

Feral One is an annual blend of Firestone Walker's best efforts, from hand-selected well-aged barrels, chosen by the Masterblender and Barrelmeister. An earthy funky nose gives way to complex ester notes of dried apricots, strawberry, guava and slight orange zest. Toasted mature oak, lavender, vanilla and cinnamon lurk in the background. A mouth-watering acidity and soft tannins are punctuated by a firm carbonation.

PELICAN BREWING COMPANY,
OREGON, UNITED STATES

Pelican Brewing Company was born at the beach in Pacific City (Oregon, US) in 1996. Here, in front of a rundown old building at the water's edge, stood three enthusiastic young folks whose thirst for great beer overshadowed their understanding of what it would take to build a brewery. They did it anyway. And now twenty years later, older, and wiser, Pelican Brewing Company is a craft beer industry leader with fans throughout the Northwest and around the world.

DEEP CREEK BREWING COMPANY,
NEW ZEALAND

Paul and Jarred are the original guys behind Deep Creek Brewing Co, the craft beer brewery from Auckland, New Zealand. Deep Creek was born on a long term friendship and a burning desire to produce flavour-fuelled handcrafted beer and bring it to the Kiwi masses to enjoy. Influenced by the wide and varied flavours of craft beers around the globe, from village breweries in rural England to monasteries in Bavaria and alpine craft bars in the Rocky Mountains, they started brewing their own, with a Kiwi twist. The Deep Creek brewpub was launched in 2011. With ongoing growth, the brewing operations were moved to the current location of Silverdale, Auckland.

AUSTRALIAN GYPSY BREWER AWARD

PRESENTED BY FB*PROPAK

PACT BEER CO,
AUSTRALIAN CAPITAL TERRITORY, AUSTRALIA

In 2015, three mates made a pact to brew great beer and never compromise on flavour, quality and creativity. Pact was born in a tiny Canberra kitchen. Every Pact Beer starts as a handmade and homebrewed prototype. From the kitchen, each beer is tested out, tweaked, and then scaled up to brew a 'gypsy style' at some of the finest breweries in the country with an embrace only Pact can provide. Inspired by the flavours and aromas of malt, hops, and the special touch that only 50 billion yeast cells can provide, Pact Beer recipes extend upon the classic style foundations wrought through thousands of years of beer making. Always brewed with food pairing in mind, the beers from Pact are inventive and interesting but never overbearing.
