CEO MESSAGE

The Royal Agricultural Society of Victoria (RASV) is delighted to present the winners of the 2016 Australian International Coffee Awards, Australia's first international coffee roasting competition.

Celebrating and promoting coffee roasting excellence in Australia and around the world the AICA attracted 658 entries from over 140 exhibitors in 2016.

RASV is committed to creating opportunities of value for producers, with the AICA providing entrants with credible benchmarking of products, invaluable feedback from the judging panel and market differentiation with the seal of quality an award represents.

A diverse line up of coffee experts assessed this year's entries, whose knowledge and expertise has been invaluable to the awards. We acknowledge all the panel Chairs and judges for their dedication, enthusiasm and professionalism in assessing the entries to such a high standard.

The awards would not be possible without the support of our many stewards and volunteers and we sincerely appreciate their time and generosity in the delivery of the AICA.

We extend our appreciation to the team at Melbourne International Coffee Expo (MICE) 2016, of which the AICA is a partner event. We are delighted to be able to collaborate with MICE in our shared objective of showcasing the coffee industry's best.

To you our exhibitors, we thank you for your consistent dedication to quality and excellence and for producing world-class coffee, as we have seen in this year's awards.

We look forward to another wonderful year of exceptional production in 2016.

A handwritten signature in black ink, reading 'Mark O'Sullivan'.

Mark O'Sullivan
Chief Executive Officer
Royal Agricultural Society of Victoria

Consistently perfect milk for a consistently perfect coffee.

Riverina Fresh is loved by Baristas for its beautiful 'stretching' ability – consistently delivering a silky canvas for perfectly glossy latte art presentation and an unmistakably rich mouth feel.

Our milk has a smooth, full bodied flavour and is packed with natural goodness which is why it's an award winning milk – Gold for our Full Fat Milk at the Dairy Industry Association of Australia (DIAA) 2014 awards.
