CEO MESSAGE

The Royal Agricultural Society of Victoria (RASV) congratulates the winners of the 2017 Australian International Coffee Awards (AICA), Australia's first international coffee roasting competition.

In 2017, the AICA received a record 819 entries from more than 180 exhibitors, with entries from New Zealand, Malaysia, Hong Kong, Singapore, Canada, USA, UK and more.

This significant increase in the number of entries is a testament to the quality of the competition, with the AICA providing entrants with credible benchmarking of products, feedback from an expert judging panel and market differentiation with the seal of quality an award represents.

To all of our exhibitors, we thank you for your consistent dedication to quality and excellence and for producing world-class coffee, as we have seen in this year's awards.

We acknowledge the panel chairs and judges for their dedication, enthusiasm and professionalism in assessing entries to such a high standard.

The knowledge and expertise of Head Judge Melissa Caia has been invaluable, providing support not only to the judging panels, but also to the RASV team.

The awards would not be possible without the support of our many stewards and volunteers and we sincerely appreciate their time and generosity in the delivery of the AICA.

We extend our appreciation to the team at Melbourne International Coffee Expo (MICE) 2017, of which AICA is a partner event. We are delighted to collaborate with MICE in our shared objective of showcasing the coffee industry's best.

We look forward to another year of innovation, excellence and exceptional coffee production in 2017.

ENTRIES

The Royal Agricultural Society of Victoria (RASV) developed the Australian International Coffee Awards (AICA) following the success of coffee as a category within the Royal Melbourne Fine Food Awards.

The AICA is the country's first international coffee roasting competition and its popularity is a testament to the credibility of the judges and judging process.

A diverse judging panel of 42 coffee experts, local and international, including Day Ng from Hong Kong as well as Emma Markland Webster and Jessica McDonald from New Zealand, assessed entries over three days under the direction of Head Judge Melissa Caia at Melbourne Showgrounds.

The AICA awarded six champion trophies to recognise and celebrate excellence in several key categories: Champion Australian Roaster, Champion Direct Trade or Microlot Coffee, Champion Milk Based Coffee, Champion Espresso, Champion Cold Brew and Champion Filter Coffee.

An overview of the 2017 AICA medal winners is presented in this booklet.
