CEO MESSAGE

The Royal Agricultural Society of Victoria (RASV) congratulates the winners of the 2018 Australian International Coffee Awards (AICA), Australia's pre-eminent international coffee roasting competition.

In 2018, the AICA received 743 entries from 152 exhibitors, including 47 international exhibitors from Greece, Hong Kong, Indonesia, Korea, Malaysia, New Zealand, Singapore, South Africa, Taiwan, the UK and the USA.

To all exhibitors, thank you for your consistent dedication to quality and excellence and for producing world-class coffee, as we have seen in this year's awards.

A diverse line up of coffee experts assessed this year's entries, whose knowledge and expertise has been invaluable to the awards.

We acknowledge the panel Chairs and judges for their dedication, enthusiasm and professionalism in assessing entries to such a high standard and in particular the knowledge and expertise provided by the Head Judge Melissa Caia once again this year.

RASV is committed to creating opportunities of value for producers, with the AICA providing entrants with credible benchmarking of products, invaluable feedback from the judging panel and market differentiation with the seal of quality an award represents.

The awards would not be possible without the support of our many stewards and volunteers and we sincerely appreciate their time and generosity in the delivery of the AICA.

We look forward to another year of innovation, excellence and exceptional coffee production in 2019.

Paul Guerra
Chief Executive Officer
The Royal Agricultural Society of Victoria

ENTRIES

The Royal Agricultural Society of Victoria (RASV) developed the Australian International Coffee Awards (AICA) following the success of coffee as a category within the Royal Melbourne Fine Food Awards (now the Australian Food Awards).

The AICA is the country's first international coffee roasting competition and its popularity is a testament to the credibility of the judges and judging process.

A diverse judging panel of 37 coffee experts from around Australia and New Zealand, including Jessica MacDonald from New Zealand, assessed entries over three days under the direction of Head Judge Melissa Caia at Melbourne Showgrounds.

The AICA awarded seven champion trophies to recognise and celebrate excellence in several key categories: Champion Australian Roaster, Champion International Roaster, Champion Direct Trade or Microlot Coffee, Champion Espresso, Champion Milk Based Coffee, Champion Filter Coffee and Champion Cold Brew.

An overview of the 2018 AICA medal winners is presented in this booklet.

We are coffee waste free

AICA has teamed up with Reground for this year's Australian International Coffee Awards, to divert your cup of coffee from landfill.

What would have been toxic gas in our atmosphere is now providing a nutrient-rich resource directly into gardens around Melbourne.
