Message from the CEO

PAUL GUERRA
RASV CEO

The Royal Agricultural Society of Victoria (RASV) is delighted to present the results of the 2018 Australian International Beer Awards (AIBA), which celebrates and recognises the world's best beers.

AIBA is the largest annual beer competition in the world judging both draught and packaged beer and this year received 2178 beer entries from 359 exhibitors, including 2058 for tasting, 92 for design and 28 media entries, all vying for a prestigious AIBA medal, or one of over 10 champion and 22 major trophies on offer.

Reflecting industry trends, production techniques and consumer interest, new classes and criteria have been introduced to provide greater opportunities for brewers, including the introduction of four new sub-classes, which give participants another benchmark to strive for and gives consumers confidence in purchasing high quality products.

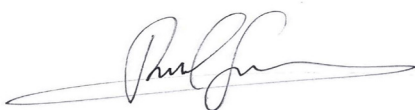

A big thank you to the exhibitors for their constant drive and dedication to delivering high quality and excellent brews, which we have seen in this year's awards. Your passion in producing exceptional beer continues to strengthen the industry's reputation.

RASV also recognises and thanks our esteemed panel of industry expert judges, whose dedication, enthusiasm, knowledge and professionalism maintains the credibility of AIBA and the high standard of assessing entries.

RASV is thrilled to once again be a Festival Supporter of Good Beer Week (GBW) in 2018 and congratulates the GBW team and the Australian beer industry on a successful and exciting week of events, which provides an incredible opportunity for brewers to connect with consumers and a chance to showcase award winners from AIBA.

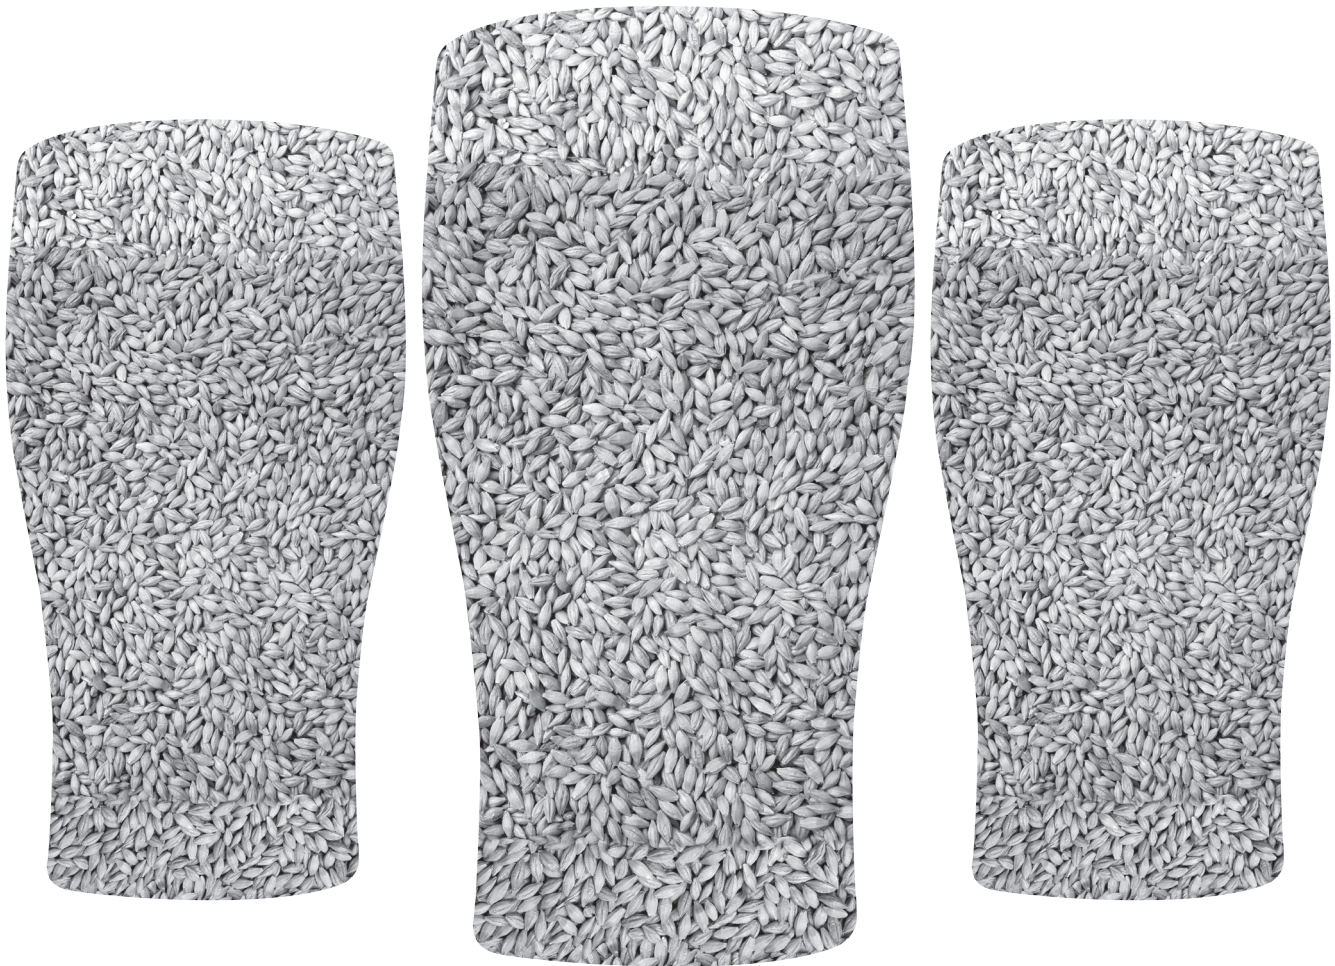

The awards would not be possible without the support of the valued sponsors and our many stewards and volunteers and we sincerely appreciate their time and generosity in the delivery of AIBA. Thank you as well to the members of our Industry Advisory Group and to the dedicated RASV team for their commitment to another brilliant year of AIBA, specifically Michael Katoa and his team.

RASV congratulates all medal and trophy winners in this year's AIBA. We look forward to the successes your award wins bring, and to another year of growth, innovation and achievement across the brewing industry.

BLACK HOPS BREWING,
QUEENSLAND, AUSTRALIA

Black Hops has a manifesto of being 'the least covert operation in brewing'. They documented their entire journey, through blog posts, podcasts and the book Operation Brewery on the way to opening their brewery. The book was their warts and all account of their journey from craft beer drinkers to brewery owners.

MOUNTAIN GOAT BEER PTY LTD,
VICTORIA, AUSTRALIA

Mountain Goat started out back in 1997 when two mates decided they wanted better tasting beers and were determined to do something about it. It began by being brewed under Dave's careful watch in the basement of the Scottish Chiefs Hotel in Geelong and then the Grand Ridge. The first keg of their Hightail Ale, an English style amber ale, was tapped at the Great Britain Hotel in Richmond. And why Mountain Goat? A Mountain Goat is a big, hairy animal that's never going to fall over.

FIRESTONE WALKER BREWING COMPANY,
CALIFORNIA, UNITED STATES

Funny how brothers settle things the old fashioned way. Try brothers-in law who own a brewery together. Adam, AKA The Bear and David AKA The Lion, may battle, epically at times, but at least neither ever forgets it's for the epic love of beer. Formed in 1996 in Santa Barbara county and now with breweries in Paso Robles and Buellton, California. Firestone Walker Brewing Company is one of two brewers in the world to maintain a variation of the commercial-sized Burton Union system, a system of fermentation in oaken barrels. The beer's "oaky" taste is attributed to the use of oak spirals in the early days of production.

PHILTER BREWING,
NEW SOUTH WALES, AUSTRALIA

Philter's founders met when Stef moved in across the road from Mick. Philter was born during a conversation over one of the countless beers they've shared. The boys each bring a particular skillset to the brew. Mick is a specialist in the skate and surf rag trade and Stef is a beer lover and brand expert. All they needed was... beer. Enter Sam. She was one of Australia's first female brewers and has one of the most impressive resumes in the business. She shared the Philter vision: one of great tasting, accessible, and sessionable craft beers.
