RULES.

The Council of the Royal Agricultural Society of Victoria having resolved to hold their Shows as far as practicable under the rules of the English Kennel Club, as adopted by the Victorian Poultry and Kennel Club, and having recognised that Society as the local custodian of a Stud Register kept in accordance with the Kennel Club Rules, the following code is published for the guidance of the Society's Dog Shows:—

1. Every dog exhibited at the Show must, at or before the time of entry for such Show, be entered in a registry of names kept by the Victorian Poultry and Kennel Club at their offices, 195 Collins-street, Melbourne. A charge of 1s.

One of the First Machines on the Australian Roads

Sole Representative—A. TURRALL, 31 Queen Street.

DOGS.

113

Each dog will be made for registration. A name that has been already assumed and duly registered in the *Victorian Poultry and Kennel Club's Stud Book*, or entered in any published number of the *Kennel Club Calendar or Stud Book*, by the owner of a dog of the same breed, cannot be registered except by a distinguishing name or number. If the name of a dog be changed, or a old name be re-assumed, such name shall be required to be registered previous to the time of entry.

NOTE.—Any dog not previously registered in accordance with Rule 1 may be registered at this Society's office at the time of entry for Show on payment of the registration fee of one shilling.

2. Dogs that are already entered in the *Victorian Poultry and Kennel Club's Stud Book*, or in any published number of the *Kennel Club Calendar or Stud Books* are exempt from the above rule, provided their name remains unchanged, Puppies exhibited in classes exclusively for litters of puppies are also exempt.

3. Any dog which is to be exhibited at a Show held under the Rules must be the *bona fide* property of the exhibitor in whose name he is entered, and must have been so fourteen clear days before the first day of the Show. Each dog must, on the entry form, be clearly identified by name, by date of birth, and by the name of his sire or dam, and of the breeder, each and every one of them, if known (as registered in accordance with Rule 1); and if the dam was covered by more than one dog, the names of all must be given. If the age, pedigree, or breeder's name be not known, the dog must be entered at each Show as breeder. age, or pedigree unknown, any or all, as the case may be.

4. The *bona fide* owner of the dam at the time she whelps shall be considered to be the breeder of the litter. In cases, however, where a bitch is lent for breeding purposes, the person to whom the bitch is lent shall be considered the breeder of the puppies born during the period of such loan, provided he or she, before the litter is born, send to the Secretary of this Society, or to the Secretary of the Victorian Poultry and Kennel Club, a statement of the facts, signed by himself or herself and the owner of the bitch.

5. If the name of the dog which has won a prize has been changed, it is necessary in entering the said dog to give his old name as well as his new name every time he is exhibited until the change has been duly published in the *Victorian Poultry and Kennel Club's Stud Book*; and if his name be changed again, all his names must be repeated for a like period.

6. If a dog shall be entered except as before directed by Rules 1, 2, 3, 4, and 5 he shall forfeit any prize that may have been awarded him, and if the omission be detected in time, he shall not be allowed to compete, and shall in either case forfeit all entrance fees and subscriptions.

7. The Council or authorities may reserve to themselves the right of refusing any entries they may think fit to exclude.

8. A castrated dog or spayed bitch shall be disqualified from competing or receiving a prize if awarded.

9. Total blindness shall absolutely disqualify, partial blindness shall have great weight against a dog. Should a dog appear to be deaf or lame, it shall be in the power of the judge to disqualify, unless he is satisfied that such defects are temporary.

10. No dog shall be qualified to compete who shall be declared by the duly qualified and appointed Veterinary Inspector during the Show to exhibit any form of any contagious or infectious disease, neither shall such dog be entitled, if in that condition, to receive a prize if awarded, unless the Council shall consider that the owner of the dog was not to blame in the matter. The Veterinary

Sole Representative—A. TURRALL, 31 Queen Street.

Inspector shall give his decision in writing, duly signed, to the Secretary or Committee of the Show before its close, and such opinion shall be final as regards the condition of the dog.

11. Any person who is proved to the satisfaction of the Council to have been guilty of any fraudulent or discreditable conduct in connection with dogs, dog shows, or field trials, may in addition to any pecuniary penalty to which he may be liable, be declared incapable of competing for or winning a prize at any Show or field trials held under these rules, for such period as the Council may decide upon.

12. An equal (champion) or first prize shall be counted as a win to both dogs. In estimating the number of prizes a dog has won, the number of prizes won shall be calculated up to 12 noon of the day previous to the original day of closing entries for the Show.

13. No dog shall be allowed to compete in a novice class that has won a first prize up to the time of judging such class, but in the event of a winner being barred, his entry money shall be returned.

14. The Committee of the Victorian Poultry and Kennel Club shall, from time to time, forward to the governing bodies of all Shows held under the Club's Rules a list of Shows selected by them as being worthy to rank as two-point Shows. A first prize at any one of such Shows shall, for all purposes of a winners' class qualification, count two points. A first prize at any other Show held under the Victorian Poultry and Kennel Club's Rules shall count one point. No dog shall be qualified to compete in a winner's class that has won less than six points at Shows held under the Rules of the Victorian Poultry and Kennel Club, or at Shows registered in and for the *Kennel Club Calendar* and *Stud Book*; and no dog shall compete in an open class that is qualified to compete in a winners' class at any Show where winners' classes are provided for that breed. The prizes must be won in open classes provided for dogs of any breed, or in varieties of the same breed, divided by weight, colour, sex, or age, in adult classes; and one of the prizes must be won at a Show held by the Victorian Poultry and Kennel Club, or the Kennel Club of New South Wales, or at a Championship Show held under the Rules of the English Kennel Club. The Shows of the Victorian Poultry and Kennel Club, the Kennel Club of New South Wales, the Royal Agricultural Society of Victoria, the Victorian St. Bernard, Mastiff, and Newfoundland Club, and of the Southern Fox Terrier Club shall rank as two-point Shows. All other Shows held under the Rules of the Victorian Poultry and Kennel Club shall rank as one point Shows.

15. If any dog be disqualified by the Judge, or formally objected to during the Show, for being improperly tampered with, the Veterinary Inspector shall examine the dog, and give his opinion to the Secretary in writing before the close of the Show.

16. Any objection to a dog may be made by any person; it must be made to the Council or Secretary of the Society not later than the Friday preceding the close of the Show. The objection must be in writing, and the objector must (unless in cases where the objection is laid by the Council or by the regularly constituted Committee of a Show, in which cases a deposit shall not be necessary) at the same time lodge a sum of £1 in the hands of the Council or Secretary, which deposit shall, if the objection be proved frivolous, be forfeited.

17. In the foregoing Rules, the word "dog" shall be interpreted to include both sexes.

SPECIAL REGULATIONS.

1. All dogs must have chains and collars, without names, attached, to enable them to be taken out if required.

GENERAL REGULATIONS.

199

9. The breeding year dates from August 1st in each year for horses, and July 1st in each year for cattle. Colonial-bred shall mean bred in any of the Australasian Colonies.
10. All male animals competing in the breeding classes must be visibly entire, and any marks of spaying on females shall disqualify them from competing in such classes.
11. Entry tickets will be issued about a week before the Show opens. The entry ticket of each exhibit will state the number of its box, stall, pen, or stand as the case may be, which will correspond with its number in the official catalogue. The entry ticket must be produced at the gate, when it will admit the exhibit and attendant to the Grounds. It must be retained and again produced when the exhibit leaves the yards. Attendants' passes will be issued by the Secretary on the Show Grounds.
12. In order to prevent the non-exhibition of animals which have been entered for the Show, thus causing unnecessary preparations, expenses, and disarrangement of the Show Yard, any person making an entry will be subject to a fine of £2 for each horse entry not exhibited, of £1 each entry of cattle not exhibited, and 10s. for each of sheep or pigs not exhibited, unless a certificate under the hand of the exhibitor, or his authorised agent be lodged with the Secretary of the Society before the day of exhibition, certifying that such non-exhibition is caused either by—(1) The death of the animal or animals; or (2) contagious or infectious diseases (confirmed by the explanatory certificate of a veterinary surgeon); or (3) by its becoming ineligible for the class in which it has been entered, or other reasonable cause. The non-payment of such fines to debar all persons owing them from exhibiting at the future meetings of the Society.
13. All exhibits of Carriages, Buggies, &c. (Section 36), Manures (Section 42) and Machinery, Implements, and Miscellaneous Exhibits (Section 43) must be in their places in the yards on Monday night, Aug 29th. All other exhibits, except Hunters, Ladies' Hunters, High Jumpers, Cavalry Horses, Carriage Pairs, and Wines, &c. (see foot of this regulation), must be in their places in the yards by 10 a.m. on Tuesday, August 30th, when the Judges will begin adjudication. Hunters, Ladies' Hunters, High Jumpers, Cavalry Horses, and Carriage pairs will only be required to be in the yards on the day or days on which they perform. Except for Cavalry Horses, boxes will not be allotted to horses in these classes. Wines, &c. 15. All exhibits must be placed where directed by the Secretary, and (except live stock, in accordance with regulation 31), and carriages, &c., must not be removed from their classes during the Exhibition.
16. The owner or exhibitor of any exhibit or stand of exhibits disapproved of as an exhibit by the Council of the Society must immediately, upon notice to that effect, remove such exhibit or stand of exhibits from the Society's Grounds.
17. As many men will be allowed into the yards free as the Council may deem necessary to take charge of exhibits, and passes will be issued to all such on application to the Secretary at the Show Grounds.
18. Exhibits must not be rugged during the hours the Show is open to the public.

GENERAL REGULATIONS.

21. The Judges may award a second or a third prize instead of a first one, or may withhold a prize altogether, where the exhibits are not of sufficient merit. Any exhibit (for which no class is provided) likely to benefit the colony, if entered as an extra in a competitive section, may be recommended a prize or certificate of considered meritorious.

22. The Judges are requested to make a reserve number of the exhibit next in merit beyond those to which prizes are awarded in every class where the number of entries exceeds the number of prizes offered, if, in their opinion, the exhibit is of sufficient merit to deserve a prize; they are also requested to give commendations when deserved.

23. No Prize can be recommended by the Judges for extra exhibits if the prize-list contains a class in which the same can compete.

24. The Council may withhold any prize when fraudulent or erroneous statements have been made regarding an exhibit; and exhibitors guilty of false entries or statements may be debarred from again exhibiting, and, if Members, will be liable to expulsion from the Society.

25. Any person insulting or interfering with the Judges during the Show will be subject to removal from the yards; and the prizes, if any, awarded to such person may be forfeited.

26. Any exhibitor or attendant refusing to attach the Prize Card to any exhibit to which a prize is awarded, and to keep the same on during the hours of exhibition, will, on proof thereof to the Council, forfeit all prizes awarded to such exhibit during the Show, and may be disqualified from again competing, and no exhibitor will be allowed to display any Prize Card in addition to those issued by the Society for the year.

27. Should any exhibit, having gained a prize, be disqualified, the next on the list does not necessarily obtain the same prize. The Council, with or without the advice of the Judges, shall decide the question.

28. All persons exhibiting shall accept the decision of the Judges appointed by the Society as to the merits of their exhibits, and in the case of protests, alleging infringement of the regulations, the decision of the Council shall be accepted as final and without appeal.

29. Protests against awards must be lodged with the Secretary, *in writing*, before 12 noon on the day after such awards are made, with a deposit of £1 sterling, which will be forfeited to the Society if the protest be found, on due consideration, to be unfounded or frivolous.

30. No exhibit (except live stock) can be removed from the Exhibition until 5 p.m. on Saturday, when all exhibits may leave the yards.

31. Any exhibit of Horses or cattle may be removed from the yards each day of the exhibition after 5 p.m. on depositing with the Secretary an approved cheque for £10 (or for any exhibit of dogs, £2; see Special Regulation, under Section 35, Clause 3) as a guarantee that the animal will be returned to the yards next morning before 10 a.m. In the event of the animal not being returned before the time specified, the cheque, together with all prize money (if any) it has won, will be forfeited; but on the animal's return each day the cheque will be refunded to the exhibitor.

32. Water will be provided in the yards for Live Stock and the working of machinery.

33. Exhibitors of stock will be required to provide their own forage (which can be purchased in the yards at Melbourne prices); and exhibitors of machinery, fuel (which must be coke or wood, no coal being allowed), and materials necessary to enable them to comply with the regulations.

34. The successful tenderer for the privilege of photographing exhibits has the exclusive right thereto, with the reservation that the Council may allow the Press to take photographs of exhibits for purposes of illustration.

35. The privilege of distributing trade lists, advertisements, or other documents is restricted exclusively to exhibitors at their respective stands. Any person infringing this regulation will incur expulsion from the yards.
