Knowledge is Power

THIRTY years of assiduous study of The Hair and its Treatment, and all Capillary Diseases as they affect the Scalp and Hair, have given me the means of Preserving the Hair, and producing a new growth after all other preparations have failed. I am now in a position to treat advanced cases of Baldness with every possibility of success. Almost impossible cases are now yielding to my skill.

Convincing Testimony—

GENTLEMAN writes from St. Peters, S.A.: "I enclose P.N., for 11/6 for two months' treatment of your Hair Restorer. This has been brought under my notice by an utter stranger, who, seeing the bad state of my hair, sympathised with me and told me he had been cured by your preparations."

Here is a case of Scalp Trouble:

MR. COOLSTAD writes from W.A., stating that the Parasene and Exemo supplied to him has removed the irritation of the scalp and is producing a splendid growth of strong, thick, healthy hair on his bald head.

Mr. Rodgers, W.A., writes: "After using your preparations for a few months, my hair is showing every sign of being as good as ever it was.

Another doctor says: "Mr. HOLLAND has treated my wife and daughter's hair most successfully. I can recommend his preparations with confidence, knowing them to be of the most genuine character."

Gentlemen who are going bald should use SPECIAL PARASENE and COSMO LOTION, one at night and the other in the morning. Price with postage (two months' treatment)—Victoria, 10/6; four months, 20/-. Other States, 11/6 & 22/-

Ladies with hair falling out should apply RESTORER at night and COSMO LOTION in the morning. . . .

NATURALINE is a splendid preparation for colouring Grey Hair. It acts quickly, naturally, and effectively, and is perfectly harmless. Made in all colours. Get the right strength.

No. 1 for Light Brown Hair; Medium for Medium Brown Hair. No. 2 for Dark Brown or a Light Black; Extra Strong for very Black Hair.

PRICE—Victoria, with postage, 6/3; other States, 6/8.
