Over 50 Years Ago

Our aim was to produce the ideal biscuit —good, wholesome and appetising. Year after year we have concentrated all the facilities of our immense resources on the achievement of that ideal—improving where possible, but always maintaining where the utmost had been attained.

The proof that we have succeeded lies in the vast popular demand TO-DAY for

Swallow & Ariell's *Biscuits and Cakes*

To-day you can get the proof of that half century's success in numerous kinds of Biscuits and Cakes, each one of the same superb quality and deliciousness which has created such confidence in the name.

EFFECT OF

Curtis & Harvey's Explosives

CLEAR YOUR LAND WITH EXPLOSIVES.

Explosives are now recognised as the best means by which heavily timbered land can be cleared. The tree is lifted clean out of the ground, and the roots are torn out also. A neat hole is left, which after being filled in can be immediately ploughed over. The sooner your land is cleared the sooner will you get a return.

**SAVE TIME BY FOLLOWING THE LEAD OF THOSE
WHO KNOW AND USE EXPLOSIVES.**

A PROVED SUCCESS!

WHY WASTE TIME WITH HORSES?

Read what a practical farmer says:—"I have just made a test with one of your E-B Type of Tractors, which I think is excellent, being a lot less than if done with horses. I ploughed 62 acres in 36 hours, pulling Two Five-furrow McKay Disc Ploughs. There is no doubt I will get even better results after I get to understand the machine better. **I think if farmers knew the value of your "Imperial" Oil Tractor, they would not waste time with horses.**

IS IT POSSIBLE?

IS IT POSSIBLE to produce a new growth of hair on heads when once atrophy of the roots has done its work? The answer is "No!" But why allow the scalp to get into that condition when it has been demonstrated, beyond a doubt, that the premature decay of the hair can be arrested, and a splendid crop of new hair produced, even in advanced cases of baldness, by my preparations, which are the result of thirty-three years of study of the hair and its treatment.

SPECIFIC EXAMPLES.—I know hundreds of gentlemen who were losing their hair over twenty years ago, and who, by carrying out my instructions, saved their hair. I know scores of gentlemen who, in spite of an inherited tendency to baldness, have good hair at forty and fifty years of age.

APPARENTLY HOPELESS CASES.—I do not say my treatment is infallible, but I do say that cases which were thought to be hopeless have yielded to my treatment. I have thousands of genuine testimonials, which prove the truth of this assertion. These can be seen at my Consulting Rooms, 195 Collins-street, Melbourne.

MR. REYNOLDS, of HOBART, came to Melbourne to buy a wig. He consulted me and bought my preparations, and by their use has now a lovely head of hair.

MR. CASEY, SEA LAKE, was as bald as a billiard ball on the top of his head, and now he has a good growth of hair.

MR. MURRAY, QUEENSLAND, writes:—"Your treatment of my hair is a splendid success. It has clothed my bald head with a good crop of hair."

A GENTLEMAN writes from **RAVENSTHORPE, QUEENSLAND**:—"The six months' course of your treatment has effected a complete cure of a very troublesome scalp disease which I have had for over twelve years."

MR. FARTHING, of MELBOURNE, had a scalp disease of long standing, which was cured in a few months.

MRS. KIDDLE, NEW SOUTH WALES, had eczema, with terrible irritation of the scalp for 15 years. Irritation stopped immediately, and disease cured in a few months.

If you have any scalp disease, write me or use my preparations, and get it cured at once, or it will destroy your hair. If you have a fairly good head of hair, and it is falling out, use my Baldene. Two months' treatment, by post, 11/6.

Gentlemen who are going bald should use **SPECIAL PARASENE** and **COSMO LOTION**, one at night and the other in the morning, and wash the head once a week with **SHAMPUNA**. **PRICE**, with postage (two months' treatment):—Victoria, 11/6; four months' 22/-; other States, 12/6 and 23/6.

Ladies with hair falling out should apply **RESTORER** at night and **COSMO LOTION** in the morning, and wash the hair with **SHAMPUNA**. Two months' treatment, 12/6; four months' treatment, 23/6.

NATURALINE is a splendid preparation for colouring Grey Hair. It acts quickly, naturally, and effectively, and is perfectly harmless. Made in all colours. Get the right strength. No. 1 for Light-Brown Hair. Medium or Medium-Brown Hair; No. 2 for Dark Brown or a Light-Black; Extra Strong for very Black Hair. Price: Victoria, with postage, 6/3; other States, 6/8.

The "Turnbull" Steam Engine

3 1/2 H.P. ENGINE.

This Engine is of the inverted high-speed enclosed type, and the steam distribution is controlled by poppet valves, which are self-adjusting, in place of the usual slide or piston type.

Small Steam Consumption.

HIGH SPEED—It will run at 1000 revolutions per minute entirely without knocking.

There is no need for adjustment of bearings or rod ends.

There is an absence of piston or slide valves, and the necessary attention and lubrication.

Rapid admission and cut off of steam.

Abolition of clearance spaces due to heavy compression.

Compactness.

The Cylinder is drained automatically every stroke through exhaust port.

THERE IS NO POSSIBILITY of blowing out of cylinder end by water in clearance space, hence the engine may be started from cold cylinder by most ignorant person with perfect safety.

THE "TURNBULL" BOILER

GREAT ECONOMY IN FUEL.

Rapid Steaming Qualities—60 lbs. of steam can be raised in 5 minutes. Only sufficient fuel is consumed to keep up a required head of steam. The fire is governed by a self-operating damper.

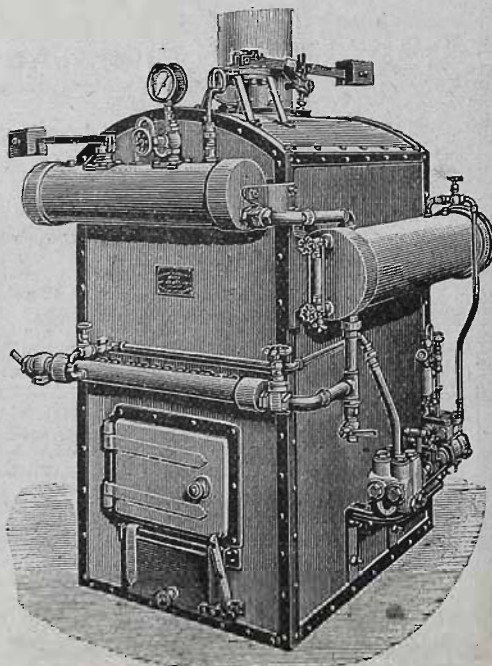

The Boiler, when fitted with Pump and Automatic Feed Attachment, is practically human, and requires very little attention.

The "Turnbull" Boiler cannot Burst: No Expansion or Contraction Troubles.
