(To be in yards on Wednesday of Show. See General Regulations).

Dogs will be received and benched, fed and attended to, and despatched free of charge to Exhibitors, subject to the provisions of Regulations 43 and 45.

NOTE.—This is a Championship Show, and, as far as applicable to Agricultural Societies, is held under the rules of the Victorian Poultry and Kennel Club. Any dog not previously registered in accordance with the Victorian Poultry and Kennel Club's Rules may be registered at the Society's office at the time of entry for Show on payment of the registration fee of one shilling and sixpence.

SPECIAL REGULATIONS.

1. All dogs must have chains and collars, without names, attached, to enable them to be taken out if required.
2. Any dog wearing a collar with its owner's name thereon will be disqualified from receiving a prize.
3. When being judged, dogs must wear exhibit numbers, which will be supplied by the Society.
4. Exhibitors will, on personal application to one of the Stewards, be permitted to loose their dogs for a short time each day—in the morning, prior to the opening, and in the evening, after the closing of the Exhibition; but they will on no account be permitted to remove the same from the yards without a written order from the Secretary, and a deposit of £2. (See General Regulation, 39.)
5. Dogs will be subjected to veterinary inspection, and those considered by the Stewards and the Veterinary Surgeon unfit for exhibition, either from disease, vice, or other causes, will not be received; or removed if found necessary.
6. Dogs must be in their places in the yards on Wednesday, 25th September, 1918, at 9.30 a.m.
7. Labels will be sent for each Dog when the Exhibitor is not a resident of Melbourne or suburbs, on the reverse side of which Exhibitors will be required to write their names, addresses, and instructions for the return journey. Country and Inter-State Exhibitors must inform the Secretary by post or telegram of the despatch of their exhibits, giving all particulars, in order that arrangements may be made for receiving them. Two or more dogs may be sent in one hamper or box if it be properly divided and labelled.

ADAMAX ROOFING

A "Tip-top" Roofing

houses, etc.

8. The Society will be most anxious for the care and safety of the Dogs sent for exhibition or any other property entrusted to them, but it must be distinctly understood by Exhibitors, and all other persons, that the Society will not be responsible for the loss, detention of, or damage to any Dogs or other property, whether arising from accident or other cause whatever, or from any act or omission of themselves, their officers, agents, servants, or others.

9. The Society will engage a thoroughly practical man to feed and take charge of the dogs during the day, and also a night watchman.

SPECIAL NOTIFICATION.—No Dog will be allowed to be benched or be admitted to the Judging Ring unless in possession of the Society's Veterinary Certificate for the current year.

The Society's Veterinary Surgeon will be in attendance from 8 a.m. till 9.30 a.m. on Wednesday, 25th September, for the purpose of examining the dogs.

USE "PLUME" THE YEAR ROUND

"PLUME" Benzine is the ideal spirit for "year-round" motoring. It is positively unvariable. Every gallon is like every other gallon—Summer or Winter—hottest day or coldest night.

You'll agree after a trial that the power and speed produced by "Plume" are marvellous. Being rich in heat units, "Plume" has quick action—energy—"punch!"

You will use "Plume" if you seek freedom from carburettor troubles—if you seek easy starting, sweet running, and more miles per gallon.

"Plume" Benzine is sold at reliable garages everywhere.

No Prizes are offered for competition in this Section, the majority of makers and importers having expressed their willingness to exhibit without competing. Entries will be received and space allotted in the Yards for stands (see General Regulations, clause 5), and Exhibitors will have every facility for displaying their collective or individual exhibits to the best advantage.

Sites may be viewed on the Ground each morning, 9 to 10, by appointment.

The attention of Exhibitors is directed to Regulation 20 dealing with the safeguarding of machinery at the Show.

Exhibits in this section must be in their places in the yards before 6 p.m. on Saturday, 21st September, 1918.

GENERAL REGULATIONS.

(Also See Special Notes in Each Section).

ENTRIES.

1. Entries will only be received subject to rules and regulations, and all exhibits must be the *bona fide property* of the Exhibitor at time of entry, and produce, which must be the growth of the preceding 12 months, must be grown or made by the Exhibitor, except in the case of Agricultural Societies being exhibitors.

2. No exhibit will be allowed to enter in more than one class, except for a sweepstake, a special or champion prize, or, in the case of dogs, puppies may also compete in aged classes. Where any exhibit has, through oversight, been allowed to compete in more than one class (not being a Special) such exhibit shall, whether awarded a prize or not, be deemed to be ineligible to compete, or to have competed, in any class other than the first in which its name or particulars appear in the Show Catalogue.

3. The Council reserves the right to reject at any time any entry submitted for this Exhibition. No disqualified animal shall be allowed to compete for a prize.

7. The date of birth of exhibits of live stock must be set forth in each entry. Any infringement of this rule will disqualify the exhibit.

AWARDING OF PRIZES.

25. No exhibitor or manager of an exhibiting company (except in the case of an owner riding, driving or leading his exhibit) will be allowed in that section of the yard in which his exhibit is placed during the adjudication of the Judge, and it shall be the duty of the Stewards to prevent any person interfering with the Judge, and, if necessary, to order the removal of such offender from the yards. Persons in charge must on no account leave their respective lots, or address the Judge, unless authorised by the Stewards of the section in which they are competing. Competitors not ready at the appointed time of adjudication will be liable to disqualification.

26. The Judge may award a second or third prize, instead of a first one, or may withhold a prize altogether, where the exhibits are not of sufficient merit.

27. The Judge is requested to make a reserve number of the exhibit next in merit beyond those to which the prizes are awarded in every class where the number of the entries exceeds the number of prizes offered, if, in his opinion, the exhibit is of sufficient merit to deserve a prize; he is also requested to give commendations when deserved.

28. The Judge shall award Reserve Champion Ribbons in all Horse and Cattle Sections, and Rosettes in Sheep and Swine Sections in which Champion awards are made, and the animal second in the class to the Champion shall be allowed to compete for the Reserve Championship.

29. Any Exhibitor or Attendant refusing to attach the Prize Card to any exhibit to which a prize is awarded, and to keep the same on during the hours of exhibition, will, on proof thereof to the Council, forfeit all prizes awarded to such exhibit during the Show, and may be disqualified from again competing, and no exhibitor will be allowed to display any Ribbon or Prize Card on his exhibit, stall, or stand, in addition to those issued by the Society for the year. One Prize Card only is issued for each prize won.

30. Stock exhibits wearing bridles or head stalls with their names or the names of their owners printed thereon are liable to disqualification.

31. The Council may withhold any prize when fraudulent or erroneous statements have been made regarding an exhibit, and may also withhold all prizes awarded to Exhibitors who have been guilty of false statements in relation to any of their exhibits; and Exhibitors guilty of false entries or statements may be debarred from again exhibiting, and, if Members, shall be liable to expulsion from the Society. Exhibitors must, if required, make a statutory declaration regarding their entries, if the Council so desire.

32. Any person insulting or interfering with a Judge during the Show will be subject to removal from the yards; and the prizes, if any, awarded to such person may be forfeited.

33. Cheques for prizes at the show will be passed for payment at the Council meeting on Tuesday, 15th October, 1918, one week after which date they will be payable on application to the Secretary.

34. Any prize or prizes awarded at this Show, and left unclaimed for six months, may be forfeited and cancelled by the Finance Committee of the Society.

PROTESTS.

35. Protests against awards must be lodged with the Secretary, in writing, before 12 noon on the day after such awards are made, with a deposit of £1 sterling, which will be forfeited to the Society if the protest be found, on due consideration, to be unfounded or frivolous.

36. Should any exhibit, having gained a prize, be disqualified, the next on the list does not necessarily obtain the same prize. The Council, with or without the advice of the Judge, shall decide the question.

37. All persons exhibiting shall accept the decision of the Judge appointed by the Society as to the merits of their exhibits, and in the case of protests, alleging infringement of the regulations, the decision of the Council shall be accepted as final and without appeal.

REMOVAL OF EXHIBITS.

38. No exhibit (except Live Stock, in accordance with Regulation 39) can be removed from the Exhibition until 5 p.m. on Saturday, when all exhibits may leave the yards.

39. Any exhibit of Horses or Cattle may be removed from the yards each day of the Exhibition after 5 p.m. on depositing with the Secretary an approved cheque for £10 (or for any exhibit of Dogs, £2), as a guarantee that the animal will be returned to the yards next morning before 10 a.m. In the event of the animal not being returned before the time specified, the deposit, together with all the prize money (if any) it has won, will be liable to forfeiture; but on the animal's return each day the cheque will be refunded to the Exhibitor.

WATER AND FORAGE.

40. Water will be provided in the yards for Live Stock and for the working of machinery, but exhibitors using gas engines, suction gas plants, and refrigerators must provide water storage tanks on their stands, and not permit water to run to waste. Exhibitors of stock will be required to provide their own forage (which can be purchased in the yards at Melbourne prices); and Exhibitors of machinery, fuel (which must be coke or wood, no coal being allowed), and materials necessary to enable them to comply with the regulations.

PRIVILEGES.

41. The successful tenderers for the privilege of photographing exhibits have the exclusive right thereto, with the reservation that the Council may allow the Press to take photographs of exhibits for the purposes of illustration.

42. The privilege of distributing trade lists, advertisements, or other documents is restricted exclusively to Exhibitors, at their respective stands. Any person infringing this regulation will incur expulsion from the yards. Any Exhibitor desiring to distribute trade lists, &c., must lodge a deposit of £5 with the Secretary before the Show opens, to be returned after the Show is closed if this regulation has been complied with, and to be forfeited if it has not.
