Section 46—Dogs.

Stewards : A. McMILLAN, Esq. (Non-Sporting Dogs, Part I.), W. G. McROBERT, Esq. (Non-Sporting Dogs, Part II.), O. J. SYME, Esq. (Sporting Dogs), and R. N. SCOTT, Esq. (Terriers).

Entry fee: Members, 2/-; Non-Members, 3/-.

(To be in yards on Wednesday of Show. See General Regulations).

Dogs will be received and benched, fed and attended to, and despatched free of charge to Exhibitors, subject to the provisions of Regulations 43 and 45.

NOTE.—This is a Championship Show, and, as far as applicable to Agricultural Societies, is held under the rules of the Victorian Poultry and Kennel Club. Any dog not previously registered in accordance with the Victorian Poultry and Kennel Club's Rules may be registered at the Society's office at the time of entry for Show on payment of the registration fee of one shilling and sixpence.

SPECIAL REGULATIONS.

1. All dogs must have chains and collars, without names, attached, to enable them to be taken out if required.

2. Any dog wearing a collar with its owner's name thereon, will be disqualified from receiving a prize.

3. When being judged, dogs must wear exhibit numbers, which will be supplied by the Society.

4. Exhibitors will, on personal application to one of the Stewards, be permitted to loose their dogs for a short time each day—in the morning, prior to the opening, and in the evening, after the closing of the Exhibition; but they will on no account be permitted to remove the same from the yards without a written order from the Secretary, and a deposit of £2. (See General Regulation, 39.)

5. Dogs will be subjected to veterinary inspection, and those considered by the Stewards or the Veterinary Surgeon unfit for exhibition, either from disease, vice, or other causes, will not be received; or removed if found necessary.

6. Dogs must be in their places in the yards on Wednesday, 24th September, 1919, at 9.30 a.m.

7. Labels will be sent for each Dog when the Exhibitor is not a resident of Melbourne or suburbs, on the reverse side of which Exhibitors will be required to write their names, addresses, and instructions for the return journey. Country and Interstate Exhibitors must inform the Secretary by post or telegram of the despatch of their exhibits, giving all particulars, in order that arrangements may be made for receiving them. Two or more dogs may be sent in one hamper or box if it be properly divided and labelled.

"GLADDIE GLOSS" Polishing Wax saves time and trouble.

8. The Society will be most anxious for the care and safety of the Dogs sent for exhibition, or any other property entrusted to them, but it must be distinctly understood by Exhibitors, and all other persons, that the Society will not be responsible for the loss, detention of, or damage to any Dogs or other property, whether arising from accident or other cause whatever, or from any act or omission of themselves, their officers, agents, servants, or others.

9. The Society will engage a thoroughly practical man to feed and take charge of the dogs during the day, and also a night watchman.

SPECIAL NOTIFICATION.—No Dog will be allowed to be benched or be admitted to the Judging Ring unless in possession of the Society's Veterinary Certificate for the current year.

The Society's Veterinary Surgeon will be in attendance from 8 a.m. till 9.30 a.m. on Wednesday, 24th September, for the purpose of examining the dogs.

In each Class the prizes are:—First prize, £1; second prize, 10/-.

Most Fire Brigades Use Plume

There must be no hitch in the running of the fire brigade motors. Too much is at stake. The instant the alarm is sounded, the engines must respond to the touch of the starter; they must deliver their full power from the word "Go!" to the end of their strenuous journey. The benzine used must be of the highest quality to produce the necessary speed and power, and it must be absolutely reliable 365 days in the year.

Here is an outstanding fact that should be a guide to you in YOUR choice of Benzine.

"The majority of the Fire Brigades throughout Australasia have been using Plume Benzine for years past."

If you would experience satisfaction in motoring, ask for PLUME next time.

Special Regulations *re* Champion Prizes of Australia.

(The Gift of the Government of Victoria through
the Department of Agriculture).

1. All exhibits to be the *bona fide* property of exhibitors, and produce to be grown or made by the Exhibitor.
2. For Champion Awards to be made, three exhibits must be entered (at least two of which must be duly shown), unless the judge reports that an exhibit (even though alone) is of exceptional merit and worthy of such award. If, however, in the opinion of the judge, none of the exhibits are of sufficient merit, he may withhold the prize altogether.
3. Stallions, 3 years old and over, must have obtained a Government Veterinary Certificate of Soundness.
4. The prizes to be awarded by judges appointed by the Society.
5. In any case where, in the opinion of the Director of Agriculture, any misstatement has been made regarding any exhibit the prize shall not be awarded.
6. All exhibits to be subject to General Regulations.

NOTE.—Separate entries are not required for Champion Prizes of Australia.

GENERAL REGULATIONS.

(Also See Special Notes in Each Section).

ENTRIES.

1. Entries will only be received subject to rules and regulations, and all exhibits must be the *bona fide property* of the Exhibitor at time of entry, and produce, which must be the growth of the preceding 12 months, must be grown or made by the Exhibitor, except in the case of Agricultural Societies being exhibitors.
2. No exhibit will be allowed to enter in more than one class, except for a sweepstake, a special or champion prize, or, in the case of dogs, puppies may also compete in aged classes. Where any exhibit has, through oversight, been allowed to compete in more than one class (not being a Special) such exhibit shall, whether awarded a prize or not, be deemed to be ineligible to compete, or to have competed, in any class other than the first in which its name or particulars appear in the Show Catalogue.
3. The Council reserves the right to reject at any time any entry submitted for this Exhibition. No disqualified animal shall be allowed to compete for a prize.
4. When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

GLEN VALLEY TEA
GIVES SATISFACTION.

FARMERS should read the **JOURNAL** of the **DEPARTMENT** of **AGRICULTURE**, for the same reason as a lawyer reads law reports.

CLOSING DATES OF ENTRIES.

5. Applications for stands for manures, machinery, and implements, single exhibits, or goods for exhibition, only (Sections 48 and 58), must be made (by ordinary letter) on or before Saturday, 19th July. After the applications close, positions will be allotted, and a charge will be made for the space granted. Entries of this description of exhibits must afterwards be duly made on the Society's forms, before Saturday, 16th August, 1919, at 12 o'clock noon, for insertion in the Catalogue.

6. Entries (Contests excepted) must be made in writing on forms supplied by the Society, and (including those by post) must be in the hands of the Secretary, at the Office, Collins House, 360 Collins-street, Melbourne, on or before Saturday, 16th August, 1919, at 12 o'clock noon. Entries for Contests will be received on or before Saturday, 30th August, 1919, at 12 o'clock noon. Entry fees must accompany each entry. Entries for competition are limited to three exhibits in Cattle and Swine, and two exhibits in Sheep, which exhibits must be brought before the judge.

Puppies must be under 12 months old.

Railway Regulations.

IMPORTANT NOTICE.—Exhibitors desiring to have their stock conveyed by rail from the Show Grounds on Saturday evening must order their trucks before 6 p.m. on Friday, 26th September.

(Exhibits are consigned direct to Show Siding at Society's Grounds, and Exhibitors are particularly requested to send in their applications for trucks at once to the local Station-master, or to the Live Stock Agent, Railway Department, Melbourne, or through their own selling agents.)

1. The Undermentioned conditions shall be applicable in respect of agricultural machines and implements, machinery, produce, live stock (including dogs, poultry and other birds), buggies, drays, waggons, and other goods of a like nature, sent for exhibition to Agricultural Shows.

They may also, by special arrangement with the General Passenger and Freight Agent, be made operative in respect of:—

Agricultural machinery, sent for field trials.

Ploughs, sent for ploughing matches.

Horses, sent for horse parades.

2. The exhibits will, in the ordinary course, be carried in goods or cattle trucks, by goods or mixed trains; but valuable animals may be sent in horse boxes, providing they are available, per passenger trains, and charged the same as if loaded in cattle trucks by goods trains.

3. When the exhibits are consigned on the forward journey, the consignor will require to declare, on the consignment note therefor, that they are for exhibition, specifying the Show for which they are intended, and the waybill must be indorsed accordingly.

The ordinary freight charges shall be imposed and prepaid in respect of the forward journey in all cases, except that valuable animals carried by passenger trains in accordance with clause 2 will be charged goods train rates.

4. On the return journey any exhibits, or portion thereof, which are certified by the Secretary of the Show as having been exhibited, and not sold, will be carried "free" to the station whence they were forwarded, provided the journey is completed at any time within one month from the date of despatch on the forward journey. A certificate in the approved form must be handed in when the exhibits are consigned, and such certificate must be attached to the waybill.

If a greater number of vehicles be used for the carriage of exhibits on the return journey than was used on the forward journey, ordinary freight charges will be imposed in respect of exhibits carried in the additional vehicles.

All exhibits, or part thereof, which have been sold, or are not accompanied by the aforesaid certificate, will be subject to the ordinary freight charges on the return journey, and such charges shall, in all cases, be made "to pay."

THE JOURNAL of the DEPARTMENT of AGRICULTURE is published with a view to making the work of the farmer less toilsome and more profitable.

5. Exhibits, accompanied by the aforesaid certificate, may be forwarded on from one Show to another, subject to the freight charges, as prescribed in clause 3 of this division, being prepaid, and when the final destination is reached, they may be returned "free" to the original despatching station, conditionally on the observance of the provisions of clause 4 of this division. If, however, in proceeding to another Show, such exhibits be returned over any portion of the line in respect of which the full freight charges have been paid on the forward journey, the exhibits may be sent free over such portion of the line.

6. All exhibits are carried solely at the risk of the owner, and must be loaded and unloaded by or at the expense of the consignors or consignees.

7. Owners of stock going to or returning from Shows may be allowed free carriage of fodder, as specified hereunder, if it be loaded in the trucks with the animals :—

2 cwt. for each head of cattle each way.

2 cwt. for each horse each way.

8. Exhibits from the Department of Agriculture—viz., wheat, straw in bulk, olive oil, wine, honey, &c., fruit (preserved), charts, &c., fibres, including flax, hemp (dressed and undressed), willows, manures, vegetable oil, eggs, also cider and flax-making, grading and levelling implements, and other machinery, including model silos, and the necessary marquees, poles, and pegs, tables, trestles, and fittings forwarded for demonstration purposes at the various Agricultural Shows in the State, shall be charged Class "A" rate, subject to the tariff for "Smalls."

9. Consignors should give not less than four (4) days' notice to the station-master of the number and description of live-stock trucks, and 48 hours for other trucks, &c., required to load exhibits.

10. Judges appointed to act at Agricultural Shows will, on production of an approved certificate, be granted return tickets at Holiday Excursion Fares, and such certificate must be forwarded to the Auditor of Receipts, as the authority for the special issue.

11. If a full sheep-truck load of sheep, or a full cattle-truck load of horses, cattle, or pigs has been paid for on the forward journey, and the whole of the stock has been returned "free," in accordance with the provisions of clause 4 of this division, one stock attendant in respect of each truck will be granted a refund of the return fare paid by him. He must travel in the truck or in the van of a goods train with the stock, and must provide himself with a copy of form P69, duly completed by the station-masters at the forwarding and returning stations respectively.
