Exhibitors will, on personal application to one of the Stewards, be permitted to loose their dogs for a short time each day—in the morning, prior to the opening, and in the evening, after the closing of the Exhibition; but they will on no account be permitted to remove the same from the yards without a written order from the Secretary, and a deposit of £2. (See General Regulation, 39.)
5. Dogs will be subjected to veterinary inspection, and those considered by the Stewards or the Veterinary Surgeon unfit for exhibition, either from disease, vice, or other causes, will not be received; or removed if found necessary.
6. Labels will be sent for each Dog when the Exhibitor is not a resident of Melbourne or suburbs, on the reverse side of which Exhibitors will be required to write their names, addresses, and instructions for the return journey. Country and Interstate Exhibitors must inform the Secretary by post or telegram of the despatch of their exhibits, giving all particulars, in order that arrangements may be made for receiving them. Two or more dogs may be sent in one hamper or box if it be properly divided and labelled.
7. The Society will be most anxious for the care and safety of the Dogs sent for exhibition, or any other property entrusted to them, but it must be distinctly understood by Exhibitors, and all other persons, that the Society will not be responsible for the loss, deten-

tion of, or damage to any Dogs or other property, whether arising from accident or other cause whatever, or from any act or omission of themselves, their officers, agents, servants, or others.

8. The Society will engage a thoroughly practical man to feed and take charge of the dogs during the day, and also a night watchman.

SPECIAL NOTIFICATION.—No Dog will be allowed to be benched or be admitted to the Judging Ring unless in possession of the Society's Veterinary Certificate for the current year.

The Society's Veterinary Surgeon will be in attendance from 8 a.m. till 9.30 a.m. on Monday, 20th September, and again on Thursday, 23rd September, at the same time, for the purpose of examining the dogs.

In each Class the prizes are:—First prize, £1; second prize, 10/-.

3. Exhibitors must mark on bottles, in plain figures, the year of the Exhibition (1920), and the number of the class in which each sample is entered. The bottles for wines must be wine bottles (reputed quarts) and labelled with business labels or the name of the Exhibitor. Exhibitors must also mark their names and addresses on their cases or hampers.

4. The name, character, and vintage of the wines must be stated on the entry forms, which must be duly lodged with the Secretary. (See General Regulations.)

5. Wines, etc., forwarded by rail, to be addressed thus—

6. Exhibitors may remove from the Grounds any wines left over within one week after the Show closes; any remaining after that time to become the property of the Society. Additional Wines, same as exhibits, will be allowed into the Show Grounds for sale, if required, on Saturday before Show. Lubricating the World's Power

THE bulk of the world's mechanical power comes from four sources—steam, water, electricity and gas.

Power efficiency depends upon lubricating efficiency. For over half a century the Vacuum Oil Company has specialized upon this great problem.

To-day this Company is looked to for correct lubrication by operators of every known kind of power machinery.

Gargoyle Lubricants are known the world over. The red Gargoyle on cans and barrels points the way to higher mechanical efficiency and lower operating costs.

2. For Champion Awards to be made, three exhibits must be entered (at least two of which must be duly shown), unless the judge reports that an exhibit (even though alone) is of exceptional merit and worthy of such award. 3. Stallions, 3 years old and over, must have obtained a Government Veterinary Certificate of Soundness.
4. The prizes to be awarded by judges appointed by the Society.

GENERAL REGULATIONS.

(Also See Special Notes in Each Section.)

ENTRIES.

1. Entries will only be received subject to the rules and regulations of the Society and all exhibits must be the *bona fide* property of the Exhibitor at time of entry, and produce, which must be the growth of the preceding 12 months, must be produced, grown or made by the Exhibitor, except in the case of Agricultural Societies being exhibitors.
2. No exhibit may be entered in more than one class, except for a sweepstake, a special or champion prize, and, in the case of dogs, except that puppies may also compete in aged classes. Where any exhibit has, through oversight, been allowed to compete in more than one class (not being one of the exceptions abovementioned) such exhibit shall, whether awarded a prize or not, be deemed to be ineligible to compete, or to have competed, in any class other than the first in which its name or particulars appear in the Show Catalogue.
3. The Council reserves the right to reject at any time any entry submitted for this Exhibition. No disqualified animal shall be allowed to compete for a prize.
4. When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

IMPORTANT NOTICE.—Exhibitors desiring to have their stock conveyed by rail from the Show Grounds on Saturday evening must order their trucks through the Show Grounds Stationmaster before 6 p.m. on Friday, 24th September.

(Exhibits are consigned direct to Show Siding at Society's Grounds, and Exhibitors are particularly requested to send in their applications for trucks at once to the local Station-master, or to the Live Stock Agent, Railway Department, Melbourne, or through their own selling agents.)

1. The Undermentioned conditions shall be applicable in respect of agricultural machines and implements, machinery, produce, live stock (including dogs, poultry and other birds), buggies, motor cars, drays, waggons, and other goods of a like nature, sent for exhibition to Agricultural Shows.

They may also, by special arrangement with the General Passenger and Freight Agent, be made operative in respect of:—

Agricultural machinery, sent for field trials.

Ploughs, sent for ploughing matches.

Horses, sent for horse parades.

ADAMAX ROOFING

Cool in Summer,
Warm in Winter.

2. The exhibits will, in the ordinary course, be carried in goods or cattle trucks, by goods or mixed trains; but valuable animals may, if it be convenient to the Commissioners, be carried in horse boxes by passenger trains and charged the same as if loaded in cattle trucks and forwarded by goods trains. Each 3 stalls in "F" or "FF" to be regarded as equivalent to one full cattle truck.

3. When the exhibits are consigned on the forward journey, the consignor will require to declare, on the consignment note therefor, that they are for exhibition, specifying the Show for which they are intended, and the waybill must be indorsed accordingly.

The original freight charges shall be imposed and prepaid in respect of the forward journey in all cases, except that valuable animals carried by passenger trains in accordance with clause 2 will be charged goods train rates, whether loaded in horse boxes or cattle trucks.

4. On the return journey any exhibits, or portion thereof, which are certified by the Secretary of the Show as having been exhibited, and not sold, will be carried "free" to the station whence they were forwarded, provided the journey is completed at any time within one month from the date of despatch on the forward journey. A certificate in the approved form must be handed in when the exhibits are consigned, and such certificate must be attached to the waybill.

If a greater number of vehicles be used for the carriage of exhibits on the return journey than was used on the forward journey, ordinary freight charges will be imposed in respect of exhibits carried in the additional vehicles.

All exhibits, or part thereof, which have been sold, or are not accompanied by the aforesaid certificate, will be subject to the ordinary freight charges on the return journey, and such charges shall, in all cases, be made "to pay."

5. Exhibits, accompanied by the aforesaid certificate, may be forwarded on from one Show to another, subject to the freight charges, as prescribed in clause 3 of this division, being prepaid, and when the final destination is reached, they may be returned "free" to the original despatching station, conditionally on the observance of the provisions of clause 4 of this division. If, however, in proceeding to another Show, such exhibits be returned over any portion of the line in respect of which the full freight charges have been paid on the forward journey, the exhibits may be sent free over such portion of the line.

6. All exhibits are carried solely at the risk of the owner, and must be loaded and unloaded by or at the expense of the consignors or consignees.
