Electric Light where you want it, with —

DELCO-LIGHT

Even though you live in the depth of the country you can have the comfort and conveniences of the city. You can have the electric light in your Home, Farm Buildings, or Store, and more—you can have power enough to drive all your small machines and your electric household appliances, such machines as Grindstone, Vacuum Cleaner, Iron, House Water Pump, Electric Cooker, Separator, Churn, Fan, etc. Think what this saves you in time and labour. Think what it saves your wife in work and worry.

All this you can have by installing a Delco-Light, the simplest and neatest, complete, self-contained Electric Lighting Plant. It is so simple that any intelligent child can start it. It is most economical because it works on Kerosene, and needs practically no attention except a very occasional oiling. Delco Light has an air-cooled engine that runs automatically when started, and goes on running till you stop it. It does not easily get out of order.

YOU can have all this extra comfort and convenience.

MEGGITT'S CALF FOOD

WILL RAISE THRIFTY CALVES.

THE ROYAL AGRICULTURAL SOCIETY of VICTORIA JUBILEE GRANDSTAND.

The scheme launched last year for the erection of a Grandstand to commemorate the Society's Jubilee has met with marked success.

The amount originally asked for has nearly all been promised (the total at 30th June, 1921, being £10,200), but owing to the adverse conditions in the building trade, the Council of the Society considered it unwise to build the structure this year. It is hoped, however, to commence early in 1922, and in the meantime to enrol a sufficient number of Life Members to fully cover the cost of the structure.

THE LIFE MEMBERSHIP SUBSCRIPTION IS NOW £10 10/-

but at the last Annual Meeting of the Members it was decided to raise it to £15 15/- immediately the amount required to build the Grandstand was received.

Support this scheme, and incidentally take advantage of this opportunity to become a Life Member for the sum of £10/10/-.

The Annual Subscription is £1/5/-, and as the Life Subscription affords the same privileges, it is a sound business proposition to **BECOME A LIFE MEMBER.**

For List of Privileges, see back.

Life Member's Badge and Two Ladies' Tickets for the current year will be forwarded on receipt of subscription.
