Steward in Chief.—PHIL S. TUCKETT, Esq.

NOTES.

Age of all pigs to be calculated to day of judging, 19th September, 1921. The Society's veterinary surgeon's decision to be final on all matters regarding age. Exhibitors may be disqualified and debarred from further competition for any breach of regulations regarding the age of exhibits.

In this Section all exhibits (except in Classes 402-4) over the age of six months must be registered in an approved Herd Book—the sires and dams of exhibits six months old or under must be registered, and in the classes for sow with litters, the sire of the litter must also be registered.

For particulars of registration in the Berkshire and Yorkshire Herd Book of Australasia, apply to Mr. Arthur Beale, 436 Bourke-street, Melbourne.

Swine not registered prior to 31st July will only be permitted to be entered for the Show on payment of double entry fees.

Entries limited to 3 in each class from any one exhibitor in whose name the exhibits must be registered in the Herd Book. Only one exhibitor will be recognised as an owner from any one holding.

Exhibitors must make a statutory declaration on the back of their entry forms that their entries are true and correct in every particular, that their exhibits are eligible for entry according to the conditions specified and subject to the Rules, Regulations and By-laws of the Society, and that their exhibits, and the holding or holdings on which such exhibits were kept, have been free from swine fever for 12 months prior to the date of entry.

Several feed sheds are available for exhibitors in the Swine Section. On application to the Secretary, sheds will be reserved. Charge, 10/- each during currency of Show.

No Pig shall be transferred from its numbered pen without the sanction of the officer in charge.

Lubricating Australia's Industries

The development and improvement in implements and machinery during the past ten years have aided the farmer immeasurably in securing bigger yields from each acre of ground.

Farm implements and machinery mean farm prosperity.

The most important single factor in keeping such equipment at its highest efficiency is scientific lubrication.

During the past 25 years the Vacuum Oil Company Pty. Limited has worked hand in hand with the inventor, the manufacturer, and the farmer in raising the standard of lubrication, so that the mechanical operations on the farm could be accomplished smoothly, efficiently, and with a minimum of repairs and depreciation.

Inventors and manufacturers generously acknowledge the help given by this Company in solving their lubricating problems.

Farmers accept the name of the Vacuum Oil Company Pty. Ltd. on a package as an assurance of correct lubrication.

The work must go on.

IRVINE'S GREAT WESTERN WINES

Special Regulations *re* Champion Prizes of Australia.

(The Gift of the Government of Victoria through the Department of Agriculture).

1. All exhibits to be the *bona fide* property of exhibitors, and produce to be grown or made by the Exhibitor.
2. For Champion Awards to be made, three exhibits must be entered (at least two of which must be duly shown), unless the judge reports that an exhibit (even though alone) is of exceptional merit and worthy of such award. If, however, in the opinion of the judge, none of the exhibits are of sufficient merit, he may withhold the prize altogether.
3. Stallions over 2 years of age must be registered under the Horse Breeding Act, 1919.
4. The prizes to be awarded by judges appointed by the Society.
5. In any case where, in the opinion of the Director of Agriculture, any misstatement has been made regarding any exhibit the prize shall not be awarded.
6. All exhibits to be subject to General Regulations.

NOTE.—Separate entries are not required for Champion Prizes of Australia.

GENERAL REGULATIONS.

(Also see Special Notes in Each Section.)

ENTRIES.

1. Entries will only be received subject to the rules and regulations of the Society and all exhibits must be the *bona fide* property of the Exhibitor at time of entry, and produce, which must be the growth of the preceding 12 months, must be produced, grown or made by the Exhibitor, except in the case of Agricultural Societies being exhibitors.
2. No exhibit may be entered in more than one class, except for a sweepstake, a special or champion prize, and, in the case of dogs, except that puppies may also compete in aged classes. Where any exhibit has, through oversight, been allowed to compete in more than one class (not being one of the exceptions abovementioned) such exhibit shall, whether awarded a prize or not, be deemed to be ineligible to compete, or to have competed, in any class other than the first in which its name or particulars appear in the Show Catalogue.
3. The Council reserves the right to reject at any time any entry submitted for this Exhibition. No disqualified animal shall be allowed to compete for a prize.
4. When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

CLOSING DATES OF ENTRIES.

5. Applications for stands for harness and saddlery, machinery, and implements, single exhibits, or goods for exhibition only (Sections 46 and 58), must be made (by ordinary letter) on or before Saturday, 16th July. After the applications close, positions will be allotted, and a charge will be made for the space granted. Entries of this description of exhibits must afterwards be duly made on the Society's forms, before Saturday, 13th August, 1921, at 12 o'clock noon, for insertion in the Catalogue.

6. Entries (Contests excepted) must be made in writing on forms supplied by the Society, and (including those by post) must be in the hands of the Secretary, at his Office, Collins House, 360 Collins-street, Melbourne, on or before Saturday, 13th August, 1921, at 12 o'clock noon. Entries for Arena Contests and Judging Competitions will be received on or before Saturday, 27th August, 1921, at 12 o'clock noon. Entry fees must accompany each entry. Entries for competition are limited to three exhibits in Cattle and Swine, and two exhibits in Sheep (except where specified otherwise), which exhibits must be brought before the judge.

AGE OF EXHIBITS.

7. The date of birth of live stock must be set forth in each entry. Any infringement of this rule will disqualify the exhibit. The Society's Veterinary Surgeon's decision to be final on all matters regarding age.

8. The breeding year dates from 1st August in each year for horses, and 1st July in each year for cattle. Australasian bred shall mean bred in any of the Australian States or New Zealand.

9. All male animals competing in the breeding classes must be visibly entire, and any marks of spaying on females shall disqualify them from competing in such classes.

10. All sheep over 18 months old, except where otherwise specified, must have been shorn since 1st July in the preceding year. The date on which sheep were shorn to be stated on entry form. Any sheep infested with ticks or lice are liable to disqualification. The month and year of lambing of all sheep under 2½ years old must also be stated.

11. All Stallions over 2 years of age must be registered under the Horse Breeding Act, 1919. 13. Members, on presentation of their badges, and members' ladies, on presentation of their tickets, will be admitted free to the grounds and grandstands subject to such regulations as the Council may make.

ENTRY TICKETS.

14. Entry tickets will be issued about a week before the Show opens. The non-payment of such fines to debar entrants from taking part in any future meetings of the Society.

25. No exhibitor or manager of an exhibiting company (except in the case of an owner riding, driving or leading his exhibit) will be allowed in that section of the yard in which his exhibit is placed during the adjudication of the Judge, and it shall be the duty of the Stewards to prevent any person interfering with the Judge, and, if necessary, to order the removal of such offender from the yards.
