HOW CAN MAN DINE BETTER

Here's a
biscuit that
everyone en-
joys—the popu-
lar "UNEEDA."
Light—crisp—and
so wholesome and
satisfying that never
a meal should be with-
out it.

Do you tire of bread?
UNEEDAS are more appe-
tising by far! Do you wish
to serve the nicest kind of
sandwiches? Try UNEEDAS—
sandwiched with fish-paste, potted
meats, cheese, savories of any kind.

UNEEDAS are quite the recognised
Supper-delicacy, but don't overlook
them at lunch, dinner, or 'tween meals.

Insist that your grocer gives you
UNEEDA Biscuits. Here is the well-known
package—or you can buy them loose, as you
prefer.

TRANSPORT

IS

THE VITAL LINK

BETWEEN

The Producer and his Market

THAT LINK—the strongest yet forged—is THE RAILWAY. It has been tested under all conditions, and has not been found wanting.

Many Wool, Wheat and Fruit Growers have gratuitously expressed unstinted appreciation of the expeditious rail handling of recent Clips and Crops; others who have tried Road Services are reverting to the use of the Rail Truck. WHY?

BECAUSE THEY ARE REALISING THAT THE

RAILWAYS FIRST AIM IS

SERVICE

The Railway is the Best Way

"Eclipse"

TATTOO EAR MARKER

for tattoo-marking the ears of
stud cattle, horses, sheep and swine

It is well known that a mark tattooed in the skin of a man or animal will remain visible as long as the wearer lives. It cannot be changed or removed as ear labels or buttons frequently are, and will therefore prevent fraud and stop all controversies as to the identification of registered animals. It cannot be sheared off as a paint brand if sheep are stolen, and is the only brand or mark which may be applied to a horse without disfigurement.

The "Eclipse" Tattoo Ear Marker for stud cattle, horses, sheep or pigs, with set of numbers 0 to 9, three initial letters and tube of tattoo paste complete in wooden case, 90/-.

When a breeder once has a tattoo ear marker, supply of movable figures and his initials, he has an outfit for marking all the stock he may own for a lifetime. The tattoo mark is made instantly, and much saving of time is effected with the branding of large herds.

The forceps can be fitted with three or four divisions, whichever the purchaser desires. The figures and letters are interchangeable, can be quickly removed and others placed in position, and if kept oiled they will last a lifetime.

See the "Eclipse" Tattoo Ear Marker demonstrated at our stand in McCaw Avenue adjoining Beef Cattle Sale Ring next to the Friesian Society's stand.

THIS OFFER SPELLS OPPORTUNITY FOR YOU AND YOURS.

INVESTIGATE—THEN INVEST.

The need for commercial afforestation to replenish rapidly dwindling supplies of timber, and make provision for future requirements is becoming increasingly recognised.

N.Z. Perpetual Forests Ltd. is the largest commercial afforestation company in the world. Its operations are conducted in a land where soil and climatic conditions are unequalled for the growing of softwoods. During the past two years, nearly 60,000 acres have been planted with pine trees. This vast area is organised and maintained by a qualified staff of forestry experts.

DEBENTURE BONDS OF N.Z.P.F. LTD. OFFER HANDSOME RETURNS, UNEQUALLED BY ANY OTHER SECURED INVESTMENT.

After the most careful investigation of all the problems involved in forestry conducted on the latest scientific principles, it is confidently anticipated that in twenty years a return of £500 may reasonably be expected from each acre planted. Every £25 Bond represents one acre of land planted with pine trees, which N.Z.P.F. Ltd. contracts to maintain until the forests are realised at the direction of the Bondholders. A specially constituted Bondholders' Trustee Company affords the fullest possible protection for every Bondholder.

SIXTH ISSUE OF 20,000.

£25 BONDS NOW AVAILABLE.

Become a Bondholder now—you cannot afford to hesitate if you would reap the advantages of this unique investment. Provide for the future now—take up Bonds for yourself—your wife—your children—and lay the foundation of prosperity for the coming years.

THE PAYMENTS ARE EASY.

£25 Bonds may be purchased on the following terms:—

- (a) 25/- on application;

(Authorised Capital - £1,500,000.)

**STAND No 230, SKENE STREET
(BELOW VICTORIAN PRODUCERS' CO).**

Australia expends annually over £7,000,000 on newsprint, pulp and paper. You can enrich yourself and others by helping to retain this amount in Australia. **LET US SHOW HOW.**

Australia can grow the best softwoods for the manufacture of pulp and paper in the fastest time, as the following facts will show: South Australia, 84,432 super feet per acre in 16 years; Norway and Sweden, 28,000 super feet per acre in 20 years. In New Zealand the best ascertainable record shows but 50,976 super feet per acre in 18 years. (Figures published by the "Adelaide Advertiser," 28/7/28.)

A royalty of £4 per ton has been offered by the Federal Government on all newsprint manufactured in Australia.

Great Britain has made available through the Development and Migration Commission, £352,000 for growing softwoods a few miles from our Dartmoor plantations. What further proof could be required of the world's serious softwood famine?

The Company is nearing the completion of its third planting season.

JUDGING ARRANGEMENTS.

The steers are to be weighed alive on the day previous to judging and the live weights handed to the judge. In the first place, the steers are to be judged alive (by the Shorthorn judge in the Shorthorn ring) on the lines of breed characteristics and suitability for the beef trade. A maximum number of 50 points can be awarded to exhibits when alive.

At the conclusion of the ordinary Shorthorn cattle sales, the steers are to be sold by auction on behalf of the exhibitor, and will (on a date to be fixed) be slaughtered in the presence of the judge (a butcher) weighed for dead weight, and judged on appearance when dressed, for color, quality and value of meat and hide. The maximum number of points which can be awarded for the dead carcass and hide is 50. The live weight is also to be furnished to the carcass judge, who has power to have the carcass cut as he wishes in order to arrive at a correct judgment. The prizes are to be awarded to the exhibits that gain most points in the two judgings, and are the property of the exhibitors who enter the steers and not of the purchaser.

After the final awards are made, the meat must be placed on exhibition for two days at butchers' shops within a radius of six miles from Melbourne G.P.O., due notice of days and place to be given to the public. The judges are to be asked to furnish reports on this competition to the Shorthorn Society of Australia (Victorian Branch), Temple Court, 422 Collins Street, Melbourne.

JUDGING ARRANGEMENTS.

The steers are to be weighed alive on the day previous to judging, and the live weights handed to the judge. In the first place, the steers are to be judged alive (by the Red Poll judge, in the Red Poll ring), on the lines of breed characteristics and suitability for the beef trade. A maximum number of 50 points can be awarded to exhibits when alive.

At the conclusion of the ordinary Red Poll cattle sales, the steers are to be sold by auction on behalf of the exhibitor, and will (on a date to be fixed) be slaughtered in the presence of the judge (a butcher), weighed for dead weight, and judged on appearance, when dressed, for color, quality and value of meat and hide. The maximum number of points which can be awarded for the dead carcass and hide is 50. The live weight is also to be furnished to the carcass judge, who has power to have the carcass cut as he wishes, in order to arrive at a correct judgment. The prizes are to be awarded to the exhibits that gain most points in the two judgings, and are the property of the exhibitors who enter the steers, and not of the purchaser.

After the final awards are made, the meat must be placed on exhibition for two days at butchers' shops within a radius of six miles from Melbourne G.P.O., due notice of days and place to be given to the public. The judges are to be asked to furnish reports on this competition to the Red Poll Cattle Breeders' Association of Australasia, Temple Court, 422 Collins Street, Melbourne.

Note.—Exhibits in the above class are eligible to compete in Class 272.
