Can't grow Vegetables? — this is for You!

NOWADAYS everyone knows the value of vegetables—that they're rich with digestive juices and blood purifying salts—that they're "good for one."

But the man outback can't eat vegetables if he can't get them. Swallow and Ariell's Compressed Vegetables, however, are always obtainable—easy to serve—economical—and they retain the true flavour that they had when picked. Serve them anywhere, any time.

Only water is removed, but 1 lb. of Compressed Vegetables equals 10lbs. of fresh. A single tablet provides sufficient vegetables for 6 plates of stew or 12 plates of soup.

Buy them in

As a national carrying concern, the railways must be maintained and operated for the essential and in many respects exclusive service which they render.

Welcomed!*

Owing to suitable space to accommodate all our lines not being available, we regret not being able to exhibit at the Royal Show on this occasion. However, a Special Display has been arranged in the G. & N. Showrooms, just opposite Spencer Street Station.

It affords opportunity for better inspection of these recognised machinery leaders.

Don't fail to call in. Note the address now.

This alone is well worth making the visit. This new Twin City triumph is arousing unprecedented enthusiasm everywhere. It has a unique locking differential for short turning, and will appeal to small farmers. See the

Greater POWER

*than was ever
before offered
you in a
Tractor of
similar
weight*

TAKE three ordinary draught horses, and you have the weight of the new Model "L" Case Tractor—its smaller brother, the Model "C," weighs slightly more than two draught horses—yet the great power they develop will astonish you.

Think of the work you can put in with tractors like these. You can be out in the fields working under conditions when heavier machines would be useless. In every operation, right from the time of "tearing into the stubble"—the better working of the soil—the preparation of a good seed-bed—the putting of a greater area under crop—the accomplishment of completing every job on time—these new Case models, with their great power, speed and ability to work long stretches, are paving the way for bigger and more profitable yields at reduced production costs.

The new "L" and "C" Case models surpass anything you have been accustomed to look for in a tractor. You will notice this as you step up on the low and roomy platform and take the wheel. They are easy to handle, and turn quickly in short spaces. The controls are handy. This spring seat may be swung into the position most comfortable to the operator. Wide fenders and protecting sheets hold down the dust and dirt.

Don't fail to investigate these tractors—their many advantages and conveniences will instantly appeal to you. Interesting illustrated catalogues, giving a complete technical description of the new models, will be gladly mailed to you upon request, and without obligation.

CATTLE

Stewards-in-Chief: Beef Cattle—J. E. ROBERTSON, Esq.

Nurse Cows are not to be entered for competition, but pens will be provided, at 2s. 6d. each, if application is made at time of entry.

Cow or Heifer entered as "in milk" can be transferred to the "in calf" class, if she has not calved prior to judging day, or vice versa.

Cows or Heifers entered in the "in calf" classes must be stripped out prior to entering the judging ring.

Judges have the right to order any cow competing for Championships to be milked dry before finally awarding the prizes.

In all sections feed sheds are available for exhibitors. Charge, 12/6 during the currency of the Show. Feed-mixing bins may be hired for 5/- each. Exhibitors are not permitted to stack feed in the Cattle Pavilions.

Cows and Heifers in milk to be milked dry in the yards on Wednesday evening, at 5 p.m., in the presence of the Stewards, or whom they may appoint. They will be judged first on Thursday morning.

Entries limited to three in each class (except where otherwise specified) from any one exhibitor.

Only one exhibitor will be recognised as an owner from any one holding, and any exhibitor who enters, or permits the entry of any of his stock, in the name of any other exhibitor shall be disqualified.

Any exhibitor who shall without due cause fail to parade any animal before the Judge, when required so to do by the Steward of the Section, shall be liable to a fine of £1.

If, in the opinion of the Manager, any exhibit or exhibits of stock be deemed to be dangerous, the owner of such exhibit or exhibits shall immediately, upon notice to that effect, remove such exhibit or exhibits from the Society's Grounds.

All male exhibits of cattle over the age of 12 months shall be rung through the nose, and when on parade or going to and from the parade shall be led by such ring.

Exhibitors will be liable to a fine of £2 for every infringement of this regulation.

Exhibitors of cattle are not permitted to allow persons to ride on the backs of their exhibits. Exhibitors will be liable to a fine of £2 for any infringement of this regulation.

If, in the opinion of the Manager, exhibits in this section be deemed to be deformed, the owner or owners of such exhibit or exhibits shall, upon notice to that effect, remove such exhibit or exhibits from the Show Grounds.

NOTE.—In order to overcome the nuisance of children begging for milk at the Show Grounds, arrangements have been made with Holdenson and Neilson Pty. Ltd., whereby all milk delivered at the Dairy Cattle Sale ring will be purchased by that firm according to butter fat value, based upon a composite test of the bulked milk.

The cordial co-operation of exhibitors in this arrangement will be greatly appreciated.

JUDGING ARRANGEMENTS.

The steers are to be weighed alive on the day previous to judging and the live weights handed to the judge. In the first place, the steers are to be judged alive (by the Shorthorn judge in the Shorthorn ring) on the lines of breed characteristics and suitability for the beef trade. A maximum number of 50 points can be awarded to exhibits when alive.

At the conclusion of the ordinary Shorthorn cattle sales, the steers are to be sold by auction on behalf of the exhibitor, and will (on a date to be fixed) be slaughtered in the presence of the judge (a butcher) weighed for dead weight, and judged on appearance when dressed, for color, quality and value of meat and hide. The maximum number of points which can be awarded for the dead carcass and hide is 50. The live weight is also to be furnished to the carcass judge, who has power to have the carcass cut as he wishes in order to arrive at a correct judgment. The prizes are to be awarded to the

exhibits that gain most points in the two judgings, and are the property of the exhibitors who enter the steers and not of the purchaser.

After the final awards are made, the meat must be placed on exhibition for two days at butchers' shops within a radius of six miles from Melbourne G.P.O., due notice of days and place to be given to the public. The judges are to be asked to furnish reports on this competition to the Shorthorn Society of Australia (Victorian Branch), Temple Court, 422 Collins Street, Melbourne.

Red Polls Are Dual Purpose Cattle.

Conclusive evidence of this fact has been given
in the Export Steer Competitions on this Show
Grounds and in the Government Herd Test
Results for several years past.

THE RED POLL BREED IS ANNUALLY INCREASING
IN POPULARITY, because the greater attention now being
paid to the production of beef for export has brought about
a wider recognition of the capabilities of this dual-purpose
breed in the production of early matured prime quality beef,
and also milk and butter fat in quantities and of a quality
rivalling the single-purpose breeds.

Dual Purpose Cattle Are Essential To Modern Farming.

JUDGING ARRANGEMENTS.

The steers are to be weighed alive on the day previous to judging, and the live weights handed to the judge. In the first place, the steers are to be judged alive (by the Red Poll judge, in the Red Poll ring), on the lines of breed characteristics and suitability for the beef trade. A maximum number of 40 points can be awarded to exhibits when alive.

At the conclusion of the ordinary Red Poll cattle sales, the steers are to be sold by auction on behalf of the exhibitor, and will (on a date to be fixed) be slaughtered in the presence of the judge (a butcher), weighed for dead weight, and judged on appearance, when dressed, for color, quality and value of meat and hide. The maximum number of points which can be awarded for the dead carcass and hide is 60. The live weight is also to be furnished to the carcass judge, who has power to have the carcass cut as he wishes, in order to arrive at a correct judgment. The prizes are to be awarded to the exhibits that gain most points in the two judgings, and are the property of the exhibitors who enter the steers, and not of the purchaser.

After the final awards are made, the meat must be placed on exhibition for two days at butchers' shops within a radius of six miles from Melbourne G.P.O., due notice of days and place to be given to the public. The judges are to be asked to furnish reports on this competition to the Red Poll Cattle Breeders' Association of Australasia, Temple Court, 422 Collins Street, Melbourne.

Note.—Exhibits in the above class are eligible to compete in Classes 297 and 305.

SPECIAL NOTIFICATION.

It is the intention of the Red Poll Cattle Breeders' Association of Australasia to offer for competition at the 1931 Show prizes of—First, £10/10/-; second, £5/5/-, under the same conditions as those specified above.

It's as SIMPLE as A.B.C.

to explain the popularity of

AYRSHIRES

with successful Australian Dairy Farmers.

**Ayrshires Supply
Both Quantity and Quality
Consistently**

The Ayrshire is the Aristocrat of Dairy Breeds.

Founded and developed by farmers who knew exactly what was required for every branch of dairy work, the Ayrshire breed combines beauty of color and outline, activity and grace of movement, with hardiness, early maturity and a capacity for heavy yields of rich milk over many successive years.
