WHEAT CROP CHAMPIONSHIP COMPETITION.

In conjunction with the Farm Competitions Association of Victoria, a competition will be held in 1938 for the

CHAMPION WHEAT CROP OF THE WIMMERA.

Prize Money, £50 (donated by the Royal Agricultural Society of Victoria).

The competition will be for the Best Wheat Crop (50 acres) exhibited in the local crop and fallow competitions conducted by agricultural organisations in the Wimmera District.

The exhibitor of the champion crop will be awarded a cash prize of £40 and a Special Certificate. In addition, £10 will be donated to the Agricultural Society or organisation conducting the local competition which provides the champion crop.

The rules are:—

1. (a) The Championship shall be open only to the best wheat crops (50 acres in area) exhibited in the local crop, or crop and fallow competitions conducted by Wimmera societies affiliated with the Farm Competitions Association (Vic.).

The best crop (50 acres) in each local competition, as determined by the judge of that contest, shall be automatically eligible to compete in the Championship, provided that all other conditions are complied with. Should the best crop in the local competition be ineligible for the Championship, the next best eligible crop may compete.

- (b) Where there is more than one section in the local competition, the best crop (one only) throughout all the sections shall contest the Championship.

2. The exhibit shall be 50 acres in area, all in one piece, and sown with not more than two officially-named varieties of wheat, and it must be clearly defined at judging time by hay tracks or stakes.

3. The crop must be grown on land fallowed in the previous year. The crop (or the fallow on which it is grown) must not have been artificially watered. Crop grown on two-years fallow shall be ineligible.

4. The Championship shall be judged by an officer of the Department of Agriculture, Victoria, in accordance with the scale of points adopted by the Farm Competitions Association.

5. Any crop eligible to compete in the Championship may be withdrawn from the contest if, in the opinion of both the judge of the local competition and the exhibitor of the said crop, the exhibit is not of sufficient merit to warrant inspection for the Championship.

6. If an exhibit in the Championship be damaged by storm or other cause prior to the visit of the championship judge it may be withdrawn, with the approval of its exhibitor, in favor of the next best crop in the local competition, but not more than one crop from each local competition shall be judged for the Championship.

7. Each local society, if required, is to provide motor transport for the judge to the next centre where a championship exhibit is to be inspected.

8. In the event of the champion crop being a joint entry from an owner and share-farmer, the full prize shall be awarded to the share-farmer.

9. Before making his award the judge may re-inspect any exhibit while it is being harvested, should he so desire.

10. The actual yield per acre of the crop awarded the Championship shall be determined by the Department of Agriculture at harvest time.

11. Should any circumstance arise not provided for in the rules, the matter shall be decided by the Chairman of the Farm Competitions Association

EVERYTHING SET—twine running freely — spools standing up without a collapse through upper to lower all day long — the knotting operation running like clockwork (good clockwork) — sheaves holding firmly through the rough work of stocking and stacking! It takes good twine to do a job of work like that. It takes Miller's O.K. Spool Binder Twine. For guaranteed economical dependability, use Miller's O.K. Spool Binder Twine.

CONDITIONS OF COMPETITION.

1. Collections may consist of the following:—Farm, Dairy, Horticultural and Pastoral Produce, including Wool, Wine, Vegetables, Roots, etc., and Wood.

2. Societies may compete in all the subdivisions mentioned in the scale of points at the foot hereof, or may, at their discretion, delete any part or parts carrying points not exceeding 100. All Societies must, however, compete in Section 13—Effective Arrangement. No Society will partake in the distribution of the prize money unless its exhibits are awarded 450 points or over. A list of the deleted sections or subdivisions (if any) to be delivered to the Society's office on the Show Grounds at least 48 hours before the judging is timed to commence. Prize money will be divided on the basis that the percentage of points actually scored bears to the number of points competed for.

3. Exhibits entered for the Agricultural Societies' Competitions are not eligible to compete in the general classes. Exhibitors wishing to compete in open classes must forward a separate exhibit.

4. Each exhibit will be allowed from 850 to 1,000 square feet of floor space.

5. All collections of exhibits must be in charge of a responsible officer of the Society sending the same, who will have to arrange and display the exhibit to the best advantage. Exhibits must be completed before 9 a.m. on Thursday, 22nd September.

6. On application to the Secretary, one approved attendant from each Society competing will be allowed to assist in locating the exhibits while the judging is taking place, but he will be removed from the building if he interferes with the Judge in any way.

7. Exhibits must be produced, prepared or manufactured within a radius of 30 miles of the Show Grounds of the Society entering same, and, with the exception of wines and woods, must have been produced within 12 months previous to date of entry. Woods and wines may be of any age, but the latter must be from a vineyard that is producing at time of exhibition. Exhibits may be manufactured from produce secured beyond the 30-mile radius and wool grown in the district may be scoured beyond the 30-mile radius. No exhibits produced or manufactured in the capital cities of Australia or within a five-mile radius of the General Post Office of same will be allowed to compete.

NOTE.—Exhibitors must make a statutory declaration when lodging their entries that their exhibits comply with Condition 7.

8. Exhibitors are required, in arranging their exhibits, to place them in such a manner as to facilitate judging. The Judges shall have the right to sample all foods and preserves.

9. SCALE OF POINTS FOR JUDGING.

NOTE.—Provided the quality of exhibits in any section is equal, a greater number of points will be awarded to the collection in which the greater number of varieties is shown. Wheat and potatoes are limited to twenty varieties in each case.

Staging money amounting to £3 towards expenditure incurred in staging, carriage, etc., will be paid to each Society that stages an exhibit obtaining not less than 50 per cent. of the maximum points at time of judging, or reaching a standard to the satisfaction of the Judges, and is maintained until the close of the Inter-Society Competition.

Sweepstakes excepted).

Dogs will be received and benched, fed and attended to, and returned, free of charge, to exhibitors, subject to the provisions of Regulations 43 and 45.

A limited number of lockers, with keys, will be available for the use of exhibitors. A charge of 2/6 for two days' use will be made. Reservations may be made at time of entry.

SPECIAL REGULATIONS.

1. Prior to entry, all dogs must be registered or transferred or leased to present ownership direct with the Kennel Control Council, 422 Collins Street, Melbourne. The fees per dog are as follow:—

	Financial Members of the K.C.C.	Non- Members of the K.C.C.
(a) From a notified litter	2/-	3/-
(b) Not from a notified litter	2/6	4/-
Transfer of Ownership or Lease (per dog)	2/-	3/-
Annual subscription to the K.C.C.	5/-	

Dogs registered with a body recognised by the K.C.C. must, nevertheless, be registered on the usual form with the K.C.C., but on production of a registration certificate no fees shall be charged.

2. Each dog must be provided with a suitable collar and chain or lead, but exhibits must be benched with a chain of metal. No cages may be used for dogs other than those provided or approved by the Society, and nothing which will affect the view of the public may be added to the cages. Not more than one exhibit may occupy any one bench or cage. A dog may not be so placed on the bench or in a cage as to be away from the view of the public. The position of exhibit numbers on benches or cages must not be altered.

3. A dog may be entered in more than one class if eligible in accordance with the classification.

4. No dog may enter the judging ring wearing a collar on which the name of the dog or of its owner appears.

5. When being judged, dogs must wear exhibit numbers, which will be supplied by the Society.

6. On personal application to the Superintendent, exhibitors will be permitted to loose their dogs for a short time each day—in the morning, prior to the opening, and in the evening, by arrangement with the Superintendent; but they will, on no account, be permitted to remove their dogs from the yards without a written order from the Superintendent and without leaving a deposit. The deposit shall be 10/- per dog, provided that a maximum of £1 shall be sufficient to cover all the exhibits owned by any one person; otherwise no exhibit may be absent from its bench, except for the purpose of being judged. Dogs will not be permitted on the lawns nor near the flower beds. To enable exhibitors to exercise their dogs, the entry tickets will admit exhibitors before 9.30 a.m. on the days the dogs are on exhibition. These tickets will also admit exhibitors, up to one hour before the time the parade is to commence, on the days of parades in the arena. (See note at head of each Section.)

7. Dogs will be subjected to veterinary inspection, and those considered by the Veterinary Surgeon to be unfit for exhibition, either from disease, the effects of disease, vice, or other cause, will not be received, and will be removed if found necessary.

8. Labels will be sent for each dog, when the exhibitor is not a resident of Melbourne or suburbs, on the reverse side of which exhibitors will be required to write their names, addresses and instructions for the return journey. Country and interstate exhibitors must inform the Secretary by post or telegram of the despatch of their exhibits, giving all particulars, in order that arrangements may be made for receiving them. Two or more dogs may be sent in one hamper or box, if it be properly divided and labelled.

NOTE.—The Society's postal and telegraphic address at Show time is: Show Grounds, Ascot Vale, W.2.

9. The Society will be most anxious for the care and safety of the dogs sent for exhibition, or any other property entrusted to it, but it must be distinctly understood by exhibitors and all other persons that the Society will not be responsible for the loss, detention of, or damage to, any dogs or other property, whether arising from accident or other cause whatever, or from any act or omission of itself, its officers, agents, servants, or others.

10. The Society will engage a thoroughly practical man to feed and take charge of the dogs during the day, and at night a watchman will be on duty.

11. In order to prevent the non-exhibition of dogs which have been entered for the Show, thus causing unnecessary preparation, expense and disarrangement of the Show benches, any person making any entry will be subject to a fine of 10/- for each and every entry of dogs not exhibited, unless a certificate, under the hand of the exhibitor or his authorised agent, be lodged with the Secretary of the Society at least three days before the opening of the Exhibition, certifying that such non-exhibition is caused either by (1) the death of the dog or dogs; or (2) contagious or infectious disease (confirmed by the explanatory certificate of a veterinary surgeon); or (3) by the dog or dogs becoming ineligible for the class in which they have been entered, or other reasonable cause. The non-payment of such fines shall debar all persons concerned from exhibiting at future Exhibitions of the Society.

12. Should any dispute arise in this Section for which no specific rule has been laid down, the decision of the Council shall be accepted as final and without appeal.

13. After the Judge's Steward has given word to the Judge to proceed with the judging of a competition, no other exhibit may enter the judging ring until after that competition has been completed. Exhibits which are not brought promptly to the assembly rings when called, and exhibits, the owners or handlers of which omit to obey the orders of the Stewards, may be refused admission to the assembly and judging rings.

14. Immediately after being approved by the Veterinary Surgeon, all exhibits which are to take part in any Class or competition which is specified to be for exhibits of a minimum or a maximum weight shall have their weight certified to on their Ring Number Cards by the Weighing Steward. They shall then be regarded as of the certified weight for the duration of the exhibition.

THE K.C.C. BREED-ENCOURAGEMENT PRIZES.

£23 Cash for K.C.C. Members.

This sum comprises £11/10/- provided by the R.A.S. of V. and £11/10/- donated by the Kennel Control Council.

In each of the three following Groups, separate sums of money additional to the ordinary prize money are offered for financial members of the Kennel Control Council* exhibiting the breed which in its Group shows the greatest increase over its own entries at the last Melbourne Royal Show.

(Example.—If in Group 2, Australian Kelpies increase their entries by 10, and the highest increase of any other breed in that Group is 9, the Australian Kelpie Classes will be allotted the added £10, for, even though there might still be more Sealyham Terrier entries, that breed would not have increased its own entries as much as the Australian Kelpies did theirs. As there are five Australian Kelpie Classes, the extra £10 would raise the prize money which may be won by members of the K.C.C. from £1 for first and 7/6 for second to £2/10/- for first and 17/6 for second in every one of the five Classes.)

The extra money may be won only by exhibits which are awarded first or second prizes in their Classes, and then strictly in accordance with the judge's placings. In the event of a tie between breeds, the money will be divided.

at the Dog Pavilion — Merrett Avenue

Sheep Dog Trials.

Judge: A. D. ANSON, Esq.

Steward: F. E. CLARKE, Esq.

(Conducted under the Rules of the Victorian Working
Sheep Dog Association.)

TRIAL RULES.

1. Three sheep will be allotted to each dog in the first instance, and subsequently any number the Judge may appoint.

2. Competitors must take their place by direction of the Steward, and any dog absent when called upon to compete may be disqualified at the discretion of the Steward. In the trials held in the arena, the Steward in charge will draw for the order of running, and will notify each competitor directly his three sheep are placed ready for liberation.

3. Any competitor with a bitch on season will be disqualified, unless he reports her condition to the Stewards prior to taking her on to the course, and she will only be permitted to compete last on the list in the heats, after inspection.

4. The moment worker and dog are at the starting peg and the sheep liberated, and so long as the sheep remain within the arena fence they should be the sheep to be worked by that dog.

5. The competitor, with his dog, shall stand at a flag indicating the starting point, and shall not release his dog until directed by the Trial Steward.

6. The maximum time allowed to competitors will be fixed before the trials commence. Any competitor withdrawing his dog before the expiry of the full time allowed, unless at the direction of the Judge, shall not be entitled to a prize.

7. Should the Judge deem fit, he may order fresh sheep at any time during a trial.

8. If a dog shall bite or in any way injure a sheep, such dog will at once be disqualified, and the competitor held responsible for any damage done to the sheep. Should a dog bark or snap at the sheep when they are stuck up, points may be deducted, but the dog should not be disqualified.

9. If the working of any dog is of inferior merit, the Judge has power to terminate the trial before the expiration of time allowed.

10. Any dog crossing the cast, or passing between competitor and sheep at any time during the trial, will be disqualified. (This rule does not apply in special field trials when "driving" or "flanking.")

11. The competitor will not be allowed to assist his dog in any way, except by signal, whistle, or word of mouth.

12. When the competitor has to move from one given point to another, he must do so in a direct line, and not stop to work his dog. Infringement of this rule will entail a deduction of points for each offence.

13. Should there be a "final" trial by selected dogs, the Judge will give his awards to those gaining highest aggregate number of points in both trials. At least one dog more than there are prizes offered shall be selected to compete in the "final" trial.

14. The Judge's decision shall be final.

15. Scale of Points.—Cast, 12; Approach, 5; Bringing, 8; Command, 20; Obstacles, 25; General Work, including Force, Steadiness, and Control of Sheep, 30. Total, 100.

16. At the conclusion of each trial, the competitor must take his sheep to the enclosed yard as expeditiously as possible.

17. If, in the opinion of the Judge or the Council, any man ill-uses his dog, he will be subject to a fine of £1, and may be debarred from competing again at any trial conducted under these rules.

18. The trial shall take place over such a course as the Show or Trial Committee may determine, and any additional tests shall be over the whole or such portion of the said course as they may decide upon.

19. Any person or persons bringing dogs on the ground and allowing them to run loose, either by mistake or otherwise, except when directed by the Trial Steward, may be fined £1.

20. Owners of dogs competing must be financial members of the Victorian Working Sheep Dog Association, or of a recognised Working Sheep Dog Association in another State, and their dogs must be registered in a recognised stud book.

21. Any dog having won a first prize at any sheep dog trial shall not be eligible to compete in a Novice Class. A dog that has only divided a first prize is not debarred from competing as a novice.

22. Any protest against a dog competing must be lodged in writing with the Secretary or the Trial Steward before 12 noon on the day after such awards are made, and accompanied by a fee of £1. Such protest will be dealt with by the Council, and, if upheld, the fee will be returned.

23. An owner may appoint a nominee to work his dog, or dogs, in the trials, and such nominee will conjointly assume responsibility with the owner during the trials.

24. Any person or persons refusing to conform with these rules will be expelled from the ground, and may be disqualified from competing at any future trials conducted under these rules.

25. In the event of any question or situation arising not provided for in these rules, the matter in question will be dealt with by the Council, and its decision shall be final.

NOTE.—In all trials, one dog more than there are prizes offered will be selected to compete in the finals.

(For particulars of registration with the Victorian Working Sheep Dog Association, apply to the Secretary, Temple Court, 422 Collins Street, Melbourne.)

3. The Council reserves the right to reject at any time any entry submitted for this exhibition. No disqualified or deformed animal shall be allowed to compete for a prize.

PENALTY FOR NON-EXHIBITION.

15. In order to prevent the non-exhibition of animals which have been entered for the Show, thus causing unnecessary preparations, expense and disarrangement of the Show Yard, any person making an entry will be subject to a fine of £2 for each horse entry not exhibited, of £1 for each entry of cattle not exhibited, and 10/- for each entry of sheep or pigs not exhibited, unless a certificate under the hand of the Exhibitor or his authorised agent be lodged with the Secretary of the Society before the day of the Exhibition, certifying that such non-exhibition is caused by—(1) The death of the animal or animals; or (2) contagious or infectious diseases (confirmed by the explanatory certificate of a veterinary surgeon); or (3) by its becoming ineligible for the class in which it has been entered, or other reasonable cause. Competitors not ready at the appointed time of adjudication will be liable to disqualification.

26. The Judge may award a second or third prize, instead of a first one, or may withhold a prize altogether, where the exhibits are not of sufficient merit.

27. The Judge is requested to make a reserve number of the exhibit next in merit beyond those to which the prizes are awarded in every class where the number of the entries exceeds the number of prizes offered, if, in his opinion, the exhibit is of sufficient merit to deserve a prize; he is also requested to give commendations when deserved.

28. The Judge shall award Reserve Champion Sashes in all Horse and Cattle Sections, and Rosettes in all Sheep and Swine Sections in which Champion awards are made, and the animal second in the class to the Champion shall be allowed to compete for the Reserve Championship.

29. Any exhibitor or attendant refusing to attach the Prize Card to any exhibit to which a prize is awarded, and keep the same on the exhibit during the hours of exhibition, or any exhibitor or attendant altering a Prize Card in any way, will, on proof thereof to the Council, forfeit all prizes awarded to such exhibit during the Show, and may be disqualified from again competing, and no exhibitor will be allowed to display any Ribbon or Prize Card on his exhibit, stall or stand, in addition to those issued by the Society for the year. One Prize Card only is issued for each prize won.

30. Stock exhibits wearing bridles or head stalls, with their names or the names of their owners displayed thereon, are liable to disqualification.

31. The Council may withhold any prize when fraudulent or erroneous statements have been made regarding an exhibit, or when exhibits have been tampered with or improperly dealt with, and may also withhold all prizes awarded to exhibitors who have been guilty of false statements in relation to any of their exhibits; and exhibitors guilty of false entries or statements, or found guilty of tampering with or improperly dealing with their exhibits, may be debarred from again exhibiting, and if Members, shall be liable to expulsion from the Society. Exhibitors must, if required by the Council, make a statutory declaration regarding their entries.

32. Any person insulting or interfering with a Judge during the Show will be subject to removal from the yards; and the prizes, if any, awarded to such person may be forfeited.

33. Cheques for prizes at the Show will be passed for payment at the Council meeting on Tuesday, 18th October, one week after which date they will be payable.

35. Protests against awards must be lodged with the Secretary, in writing, before 12 noon on the day after such awards are made, with a deposit of £1 sterling, which will be forfeited to the Society if the protest be found, on due consideration, to be unfounded or frivolous.

36. Should any exhibit, having gained a prize, be disqualified, the next on the list does not necessarily obtain the same prize. The Council, with or without the advice of the Judge, shall decide the question.

37. All persons exhibiting shall accept the decision of the Judge appointed by the Society as to the merits of their exhibits, and in the case of protests, alleging infringement of the regulations, the decision of the Council shall be accepted as final and without appeal.

REMOVAL OF EXHIBITS

38. No exhibit (except Live Stock, in accordance with Regulation 39) shall be removed from the Exhibition until 9.30 p.m. on Saturday, 1st October, when all exhibits may be removed. Horses, Cattle, Sheep and Swine may be removed from the Grounds on Friday, 30th September, after 5 p.m.

WATER AND FORAGE.

40. Water will be provided in the yards for Live Stock and for the working of machinery, but exhibitors using gas engines, suction gas plants and refrigerators, must provide water storage tanks on their stands, and not permit water to run to waste. Exhibitors of stock will be required to provide their own forage (which can be purchased

in the yards at Melbourne prices), but no feed must be stacked in any of the Stock Pavilions. Exhibitors of machinery will be required to provide their own fuel (which must be coke or wood, no coal being allowed), and materials necessary to enable them to comply with the regulations.

DISTRIBUTION OF ADVERTISING MATERIAL.

42. The privilege of distributing trade lists, advertisements or other documents is restricted exclusively to exhibitors at their respective stands. Any person infringing this regulation will incur expulsion from the yards. Any exhibitor desiring to distribute trade lists, etc., must lodge a deposit of £1 with the Secretary before the Show opens, to be returned after the Show is closed if this regulation has been complied with, and to be forfeited if it has not.

CARE OF EXHIBITS.

43. Every reasonable care will be taken of exhibits, but no responsibility will be incurred by the Society.

USE OF PENS AND STALLS.

44. All exhibits of Live Stock, for which boxes, stalls or pens are provided, have the use of such accommodation free for one week (and in the case of oversea exhibits, for a fortnight), before the Show opens, but they must be removed from the grounds within one week after the last day of sales, or a charge will be made.

EXHIBITS AT SHOW GROUNDS.

45. The Society's carter will receive competitive exhibits of produce, poultry, dogs, etc., that are addressed to the Show Grounds Siding, and place the entries in their respective sections. The greatest care will be taken of the exhibits; but the Society will not be responsible for any accident, mistake, loss or damage from whatever cause arising, the exhibits being at the sole risk of the exhibitor. For the carting of stock feed and non-competitive exhibits, etc., to any part of the ground, the following charges will be made, for which receipts will be given:—Up to 1 cwt., 6d.; up to 3 cwt., 1/-; up to 6 cwt., 1/6; up to 10 cwt., 2/-; up to 15 cwt., 2/6; and each additional 5 cwt., 6d.

46. In order to facilitate the unloading and loading of stock at the Show Grounds Siding, the grounds will be lighted at night, and the Society will engage a corps of stock assistants, who will meet every stock train.

All stock assistants will be numbered, and will not approach the trucks unless requested by exhibitors.

They will be permitted to charge Exhibitors not more than 9d. for each "lead" (one or more animals) of stock between 6 a.m. and 6 p.m., nor more than 1/- for each "lead" between 6 p.m. and 6 a.m.

Railway Regulations.

IMPORTANT NOTICE.—Exhibitors desiring to have their stock conveyed by rail from the Show Grounds on Friday evening must order their trucks through the Show Grounds Station-master before 12 noon on Wednesday, 28th September.

Exhibits are consigned direct to Show Siding at Society's Grounds, and exhibitors are particularly requested to send in their applications for trucks at once to the local Station-master, or to the Live Stock Agent, Railway Department, Melbourne, or through their own selling agents.

1. The undermentioned conditions shall be applicable in respect of agricultural machines and implements, machinery, produce, live stock (including dogs, poultry and other birds), buggies, trotting sulkies* accompanying trotting horses, motor-cars, drays, waggons and other goods of a like nature sent for exhibition at Shows.

They may also, by special arrangement with the General Passenger and Freight Agent, be made operative in respect of:—

Agricultural machinery sent for field trial.

Ploughs sent for ploughing matches.

Horses sent for horse parades.

2. The exhibits will be carried at the convenience of the Commissioner by Passenger, Mixed or Goods trains as may be desired by the consignors. Valuable animals may be sent by passenger trains in horse-boxes if this class of vehicle be available, and charged the same rate as if loaded in cattle trucks, and forwarded by Goods trains. Each three stalls in horse-box to be regarded as equivalent to one full cattle truck.

3. When the exhibits are consigned on the forward journey, the consignors will require to declare, on the consignment note therefor, that they are for exhibition, specifying the Show for which they are intended, and the way-bill must be endorsed accordingly.

The ordinary freight charges shall be imposed and prepaid in respect of the forward journey in all cases.

4. On the backward journey, any exhibits, or portion thereof, which have been exhibited and were carried by rail on the forward journey, and not sold, will, subject to the conditions in Clause 7 and on production of the approved certificates, signed by the Secretary of the Show, be carried "free" to the station whence they were forwarded, provided the journey is completed at any time within one month from the date of despatch on the forward journey. The certificates must be handed in when the exhibits are consigned, and attached to the waybill.

If, on the backward journey, a greater number of vehicles be used for the carriage of exhibits than was used on the forward journey, ordinary freight charges will be imposed in respect of exhibits carried in the additional vehicles.

All exhibits, or part thereof, which have been sold, or are not accompanied by the aforesaid certificate, will be subject to the ordinary freight charges and conditions on the backward journey.

Stud sheep purchased at Agricultural and Pastoral Shows by exhibitors thereat, and forwarded from the Show uncrated in the same truck at the exhibitor's returned unsold exhibits of sheep to the original forwarding station of the latter, shall be charged at Class "2" mileage rate on the basis of 3 cwt. per animal, and subject to the Tariff for Smalls, where cheaper than the ordinary rate.

*Wherever practicable, trotting sulkies shall be afforded similar transport on the return journey as was given on the forward journey, so that, as far as possible, the sulkies may accompany the horses.

5. Exhibits, accompanied by the aforesaid certificate, may be forwarded on from one Show to another, subject to the freight charges and conditions, as prescribed in Clause 3 of this division, which freight charges must be prepaid, and when the final destination is reached, they may be returned "free" to the original despatching station, subject to the conditions in Clause 7. If, however, in proceeding to another Show, such exhibits be returned over any portion of the line in respect of which the full freight charges have been paid on the forward journey, the exhibits may be sent free, subject to the conditions in Clauses 4 and 7, over such portion of the line.

6. Exhibits must be loaded and unloaded by or at the expense of the consignors or consignees. In all cases where Show exhibits are loaded or unloaded by the department, the charges prescribed for the service shall be imposed.

7. Exhibits, other than live stock, may, where alternative rates apply (Condition 4), be consigned on the forward or the backward journey at the sender's option either at the rates and conditions prescribed in the Goods Rates Book for carriage at Commissioners' Risk or at Owner's Risk. On the backward journey, when consigned at Commissioners' Risk, the full Commissioners' Risk Rate shall be imposed, but if such exhibits be consigned at Owner's Risk, they will be carried free.

Live stock exhibits shall be carried at the prescribed rates for live stock on the forward journey, and shall be carried on the backward journey free, but whether on the forward or backward journey, such carriage shall be subject to the conditions prescribed in the Goods Rates Book in respect to the carriage of live stock.

8. Owners of stock going to and returning from Shows may be allowed free carriage each way of fodder, as specified hereunder, if it be loaded in the trucks with the animals:—

1 cwt. for each horse or head of cattle.
20 lbs. for each pig or sheep.

9. Exhibits from the Department of Agriculture, viz., wheat, straw in bulk, olive oil, wine, honey, etc., fruit (preserved), charts, etc., fibres, including flax, hemp (dressed and undressed), willows, manures, vegetable oil, eggs, also the necessary marquees, poles and pegs, tables, trestles and fittings, forwarded to the various Agricultural Shows in the State, shall be carried free both on the forward and backward journeys at Owner's risk; when consigned at Commissioners' Risk on the forward or backward journey the full Commissioners' Risk Rate shall be imposed.

10. District Exhibits forwarded by local Agricultural Societies to the Royal Agricultural Show shall be carried on the forward journey at the Grain Rate, subject to the "Tariff for Smalls," and returned "free," subject to the conditions in Clause 4.

11. Consignors should give not less than (4) days' notice to the stationmaster of the number and description of live stock trucks, and 48 hours for other trucks, etc., required to load exhibits.

12. Judges appointed to act at Agricultural Shows will, on production of an approved certificate, be granted return tickets at Holiday Excursion Fares.

13. When Holiday Excursion Tickets are issued in connection with a Show, exhibitors and live stock attendants travelling in charge of stock for exhibition may, if required, obtain such tickets up to four days, and employees of catering firms one day, before they are on issue to the public.

14. If a full sheep-truck load of sheep, or a full cattle-truck load of horses, cattle or pigs has been paid for on the forward journey, and the whole of the stock has been returned "free," in accordance with the provisions of Clause 4 of this division, one stock attendant, in respect of each truck, will be granted a refund of the return fare paid by him. He must travel in the truck or in the van of a goods train with the stock, and must provide himself with a copy of Form P69, duly completed by the station-masters at the forwarding and returning stations respectively. A receipt for the refund must be given on the certificate by the attendant. This refund shall, however, only be allowed provided a straight up and down journey is made between two stations. When the stock is returned from any station other than that to which it was waybilled by the original despatching station, the stock attendant certificates for the journeys made must be retained by the stock attendant until he returns to the original despatching station, and forwarded by the Stationmaster at that Station to the General Passenger and Freight Agent, where any refund due will be adjusted.
