The Safety and Security of Your Estate Are Paramount

What a man wishes to do with his possessions after death, and the selection of his executor, are two vitally important matters.

The faculties of men were never more strained than at the present, and there are now fewer competent men willing to undertake the control of the affairs of other persons.

In everyday life people usually hesitate before entrusting their private business matters to others, until fully satisfied

as to their competency and integrity. Naturally even more consideration should be given to the matter when it is for the sacred and onerous trust of administering an estate.

The Union Trustee Company of Australia Ltd. is a company of sixty years' standing, with its executives all specially trained, and with facilities to undertake the administration of all classes of estates. Why not obtain the greatest benefit with the least inconvenience by appointing the company as your executor?

(Stallions are not eligible to compete in this Section.)

Entries are accepted on the distinct understanding that stock may not be removed from the Show Grounds until after 1 p.m. on Friday, 27th September.

Horses exhibited in Classes 77 and 78 must be geldings or mares, not under four years or over seven years of age, and in colour, bay, brown, black, chestnut or dark roan, and they will be judged for conformation, soundness, action and general suitability for Army purposes.

Where height is stipulated, horses must be measured, and an exhibit over or under the specified measurement may be transferred to its correct Class. Where a definite weight is specified, the horse must, in the opinion of the judge, be suitable for carrying such weight.

All horses in the 14-st., 12-st. and 10-st. Hack Classes (Open and Novice) must be paraded before judging, when the Judge will class them into their various classes in the following way:—The horses entered for 14-st. Hack shall be paraded, when any horse too light, in the opinion of the Judge, shall be transferred to the 12-st. Class. Those entered in the 12-st. Class shall be next paraded, when the Judge shall class out any he considers too heavy or too light, and shall transfer the heavy to 14-st. and the light to 10-st. Class. Those entered for the 10-st. Class shall be paraded, and the Judge shall class out all considered too heavy, and transfer to 14-st. or 12-st. Class, as the case may be. Judging will then commence with the 14-st. Class.

Please state on entry form the name, colour and correct age of exhibit, also pedigree (if known).

All prize-winning horses must be paraded. (See Regulation at head of Horse Section.)

£100,000

The Cost of Failure

In the estates of persons who have died without making a Will the PUBLIC TRUSTEE holds upwards of £100,000 for next-of-kin who are unknown or whose whereabouts are unknown. If the deceased owners of these estates had taken the simple precaution of making Wills these moneys would have passed as their Wills directed.

Have you neglected to make your Will? If so do not defer your obvious duty any longer.

Each year the number of persons who make their Wills and appoint the PUBLIC TRUSTEE their executor is progressively increasing. By so doing they secure to their estates permanence and proficiency of trusteeship, while the fidelity and integrity of the PUBLIC TRUSTEE and his staff are guaranteed by the State.

If you are about to make or revise your Will why not consult the PUBLIC TRUSTEE and ascertain the advantages which will accrue to your estate if you appoint him your executor.

The charges for administering estates are moderate.

Commission on Capital:—

First £5000—£2/10/- p.c. Second £5000—£2 p.c.

On excess beyond £10,000—£1 p.c.

Lower rates on assets transferred without realization.

The PUBLIC TRUSTEE can act as:—

Executor, Administrator, Agent or Attorney or as a Trustee.

7. The name of the winner will be engraved on the Challenge Trophy, and she will be entitled to hold it until 31st August in the year following her success.

8. A suitably inscribed Championship sash will be presented to each successive winner of the Challenge Trophy.

morning. The owner or his representative must be in attendance when females are being stripped out.

Entries of milking stock (Sections 19 to 26 inclusive) will only be accepted subject to the following regulations regarding the disposal of milk.

In order that the Society can comply with the provisions of the Dairy Supervision Act, exhibitors are not permitted to dispose of milk prior to and during the currency of the Show, either by sale or gift, other than to the Society's agent, who is situated at the Milk Room (beside the No. 1 Cattle Pavilion). All milk will be purchased according to butter-fat value, based upon a complete test of the bulked milk, and returns forwarded to exhibitors after the Show. No milk will be paid for unless approved milk utensils are used and hygienic methods are adopted.

Entries limited to three in each class (except where otherwise specified) from any one exhibitor.

Only one exhibitor will be recognised as an owner from any one holding, and any exhibitor who enters, or permits the entry of any of his stock, in the name of any other exhibitor, shall be disqualified.

Any exhibitor who shall, without due cause, fail to parade any animal before the Judge, when required so to do by the Steward of the Section, shall be liable to a fine of £1.

Parades.—All prize-winning horses and cattle must be taken out on parade, in accordance with the printed programme. Exhibitors shall be subject to a fine of ten shillings in each case in which this regulation is not complied with, and shall also be liable to forfeit the prize or prizes awarded to their exhibit or exhibits. The parading of non-prize-winning animals is optional with exhibitors. All horses and cattle parading must wear exhibit numbers. No ribbons will be permitted on exhibits except those won during the Show.

If, in the opinion of the Secretary, any exhibit or exhibits of stock be deemed to be dangerous, the owner of such exhibit or exhibits shall immediately, upon notice to that effect, remove such exhibit or exhibits from the Society's Grounds.

All male exhibits of Cattle over the age of 12 months shall be rung through the nose, and when on parade or going to and from the parade shall be led by such ring. Exhibitors will be liable to a fine of £2 for every infringement of this regulation.

The steers are to be weighed alive on the day previous to judging and the live weights handed to the Judge. In the first place, the steers are to be judged alive (by the Shorthorn Judge in the Shorthorn ring) on the lines of breed characteristics and suitability for the beef trade. A maximum number of 40 points can be awarded to exhibits when alive.

The steers are to be sold by auction at Newmarket on behalf of the exhibitor, and on Thursday, 26th September, they will be slaughtered in the presence of the Judge (a butcher), weighed for dead weight, and judged on appearance when dressed for colour, quality and value of meat, hide and offal. The maximum number of points which can be awarded for the dead carcass, hide and offal is 60. The live weight is also to be furnished to the carcass judge, who has power to have the carcass cut as he wishes in order to arrive at a correct judgment. The prizes are to be awarded to the exhibits that gain most points in the two judgings, and are the property of the exhibitors who enter the steers, and not of the purchasers.

After the final awards are made, the meat must be placed on exhibition for two days at butchers' shops within a radius of six miles from Melbourne G.P.O., due notice of days and place to be given to the public. The judges are to be asked to furnish reports on the competition to the Shorthorn Society of Australia (Victorian Branch), Temple Court, 422 Collins Street, Melbourne.
