An Invitation

You are cordially invited to inspect the unusual exhibit sponsored by Mac.Robertson Pty. Ltd. in the Hall of Commerce.

The stand which is situated at the far end of the hall is modelled around a conception of "The Shop of the Future."

Liberal use has been made of rich plastics for decoration and the general structural design is quite unusual and particularly pleasing.

Lovely mannequins attired in becoming gowns demonstrate the range of Mac.Robertson's delectable confections.

Old Gold Chocolate Assortment is once more displayed in the beautiful pre-war boxes, and the array of Cherry Ripe, Columbine Caramels, ¼-lb. Blocks in endless assortment, and the kiddies favourite Freddo Frogs, makes one long for the day when this "Shop of the Future" will be with us in reality.

MITCHELL POWER MOWERS

Cut 6 feet. Built in two types, Hydraulic lift for Allis-Chalmers "B" and "C" Tractors, and Hand lift to suit almost any Tractor.

Quickly attached to the tractor drawbar the Mitchell Power Mower is horizontally hinged, and having a castor trailing wheel, it floats and follows the contour of the land.

Drop forged, the fingers, knife head and sockets are tough —so withstand shocks — and being hard are long lasting. Shafts run on roller bearings in oil baths. Drive, by "V" belt to crankshaft, is quiet, smooth and positive.

Please accept our invitation to inspect these Mowers — and other Mitchell Farm Implements —— at our Show Stand or Factory.

WHICH WILL IT BE?

Many persons overlook that very important matter of making their Will. Many defer this duty, which they owe to themselves and to their families, until it is too late.

Why incur this risk? Why not make your Will now, and thus direct the ultimate administration of your estate in accordance with your wishes.

Many persons omit to revise their Wills and as a result a Will or portion of it may become inoperative. Have you reviewed the provisions of your Will, if you have already made one.

When making or revising your Will why not take advantage of the benefits to be derived by appointing the **PUBLIC TRUSTEE** your executor.

The appointment of the PUBLIC TRUSTEE as your executor ensures to your estate—

Safety, Permanence, Experience and Moderate Charges.

You thereby obtain an executor who is always available to act, who does not die, or leave the country, and whose administration is subject to a Government guarantee.

In addition to acting as executor the Public Trustee can act as

ADMINISTRATORS, TRUSTEE,

ATTORNEY OR AGENT.

THRIFT

A perennial plant with rose coloured flowers. It multiplies quickly, and is easily divisible. As a maritime plant, it contains iodine and soda; but as a mountain or garden plant exchanges these two substances for potash.

CULTIVATE THRIFT IN THE GARDEN: PRACTISE THRIFT IN THE HOME.

Economic thrift will save you money, preserve your health, strengthen your determination and make you happier.

Never despise small savings, for the smallest amounts systematically saved will eventually become big, bounteous, welcome sums in the years to come.

CATTLE

STEWARDS-IN-CHIEF:
BEEF CATTLE: J. E. ROBERTSON, Esq.
DEPUTY: W. J. T. CLARKE, Esq.
DAIRY CATTLE: A. H. MOORE, Esq.

Entries are accepted on the distinct understanding that stock may not be removed from the Show Grounds until after 1 p.m. on Friday, 26th September.

The breeding year for all Cattle (including Fats) dates from 1st July in each year.

Nurse Cows are not to be entered for competition, but pens will be provided at 2/6 each if application is made at time of entry.

Cow or Heifer entered as "in milk" can be transferred to the "in calf" class, if she has not calved prior to judging day, or vice versa.

Cows or Heifers entered in the "in calf" classes must be stripped out prior to entering the judging ring.

Judges have the right to order any Cow competing for Championships to be milked dry before finally awarding the prizes.

In all Sections feed sheds are available for exhibitors. Charge, 12/6 during the currency of the Show. Feed-mixing bins may be hired for 2/6 each. Exhibitors are not permitted to stack feed in the Cattle Pavilions.

Cows and Heifers in milk must be in the yards on Wednesday, 17th September, and be fully milked out between 4 p.m. and 5 p.m. (except Friesians, Section 25, which will be stripped out at 9 p.m.), at which hour they will be stripped out in the presence of the Stewards, or whom they may appoint. They will be judged first on Thursday morning. The owner or his representative must be in attendance when females are being stripped out.

Entries of milking stock (Sections 19 to 26 inclusive) will only be accepted subject to the following regulations regarding the disposal of milk.

In order that the Society can comply with the provisions of the Dairy Supervision Act, exhibitors are not permitted to dispose of milk prior to and during the currency of the Show, either by sale or gift, other than to the Society's agent, who is situated at the Milk Room (beside the No. 1 Cattle Pavilion). All milk will be purchased according to butter-fat value, based upon a complete test of the bulked milk, and returns forwarded to exhibitors after the Show. No milk will be paid for unless approved milk utensils are used and hygienic methods are adopted.

Entries limited to three in each class (except where otherwise specified) from any one exhibitor.

Only one exhibitor will be recognised as an owner from any one holding, and any exhibitor who enters, or permits the entry of any of his stock, in the name of any other exhibitor, shall be disqualified.

Any exhibitor who shall, without due cause, fail to parade any animal before the Judge, when required so to do by the Steward of the Section, shall be liable to a fine of £1.

Parades.—All prize-winning horses and cattle must be taken out on parade, in accordance with the printed programme. Exhibitors shall be subject to a fine of ten shillings in each case in which this regulation is not complied with, and shall also be liable to forfeit the prize or prizes awarded to their exhibit or exhibits. The parading of non-prize-winning animals is optional with exhibitors. All horses and cattle parading must wear exhibit numbers. No ribbons will be permitted on exhibits except those won during the Show.

If, in the opinion of the Secretary, any exhibit or exhibits of stock be deemed to be dangerous, the owner of such exhibit or exhibits shall immediately, upon notice to that effect, remove such exhibit or exhibits from the Society's Grounds.

All male exhibits of Cattle over the age of 12 months shall be rung through the nose, and when on parade or going to and from the parade shall be led by such ring. Exhibitors will be liable to a fine of £2 for every infringement of this regulation.

Each exhibitor is required to see that each of his exhibits is securely tethered in its stall, and in the case of polled breeds it is compulsory that they be tethered by the nose ring in addition to the head stall or neck rope.

Exhibitors or Cattle are not permitted to allow persons to ride on the backs of their exhibits. Exhibitors will be liable to a fine of £2 for any infringement of this regulation.

If, in the opinion of the Secretary, exhibits in this Section be deemed to be deformed, the owner or owners of such exhibit or exhibits shall, upon notice to that effect, remove such exhibit or exhibits from the Show Grounds.

All Cattle exhibits must be safely secured in the stalls allotted to them. Exhibitors will be held responsible for any damage caused through neglect of this regulation.

Exhibits of Cattle which, in the opinion of the Society, are not in reasonable Show condition, shall be removed from the grounds and

NOTE.—Exhibitors in the above Class are eligible to compete in Classes 545 and 546.

JUDGING ARRANGEMENTS (CLASS 309).

The steers are to be weighed alive on the day previous to judging and the live weights handed to the Judge. In the first place, the steers are to be judged alive (by the Shorthorn Judge in the Shorthorn ring) on the lines of breed characteristics and suitability for the beef trade. A maximum number of 40 points can be awarded to exhibits when alive.

The steers are to be sold by auction at Newmarket on behalf of the exhibitor, and on Thursday, 25th September, they will be slaughtered in the presence of the Judge (a butcher), weighed for dead weight, and judged on appearance when dressed for colour, quality and value of meat, hide and offal. The maximum number of points which can be awarded for the dead carcase, hide and offal is 60. The live weight is also to be furnished to the carcase judge, who has power to have the carcase cut as he wishes in order to arrive at correct judgment. The prizes are to be awarded to the exhibits that

gain most points in the two judgings, and are the property of the exhibitors who enter the steers, and not of the purchasers.

After the final awards are made, the meat must be placed on exhibition for two days at butchers' shops within a radius of six miles from Melbourne G.P.O., due notice of days and place to be given to the public. The judges are to be asked to furnish reports on the competition to the Shorthorn Society of Australia (Victorian Branch), Temple Court, 422 Collins Street, Melbourne, C.1.
