## PRELIMINARY ANNOUNCEMENT

---

It is the intention of the Society to include in the 1949 Prize Schedule a class for **COLLECTION OF EXHIBITS**, made by **ONE WOMAN**, similar to the class which was a feature of the Home Crafts section prior to the War.

This early notice is being given to enable intending competitors to commence preparation of their exhibits.

Particulars of the class and the scale of points by which it will be judged are given hereunder:

**COLLECTION OF EXHIBITS**, made by **ONE WOMAN**.—First prize (minimum points, 250), £15; second prize (minimum points, 200), £8; third prize (minimum points, 150), £3. (If over six

competitors the prize money will be £15, £8, £5 and £3.) Exhibits in this Class must be the property of, and made by, One Woman only. Families conjointly will not be allowed to compete. A statutory declaration must accompany each entry that the work exhibited is the bona fide and unaided work of the exhibitor, and that all of the conditions in this Class have been complied with. Entry fee 7/6.

**SPECIAL NOTE.**—Each exhibit in this class will be displayed in a special case with a glass front. Each case will be seven feet in width, three feet in depth, and six feet in height, and the Society will provide the necessary shelving if a sketch of what is required is forwarded with the entry. Points will be awarded according to the following scale, but it is not necessary for intending exhibitors to exhibit under each head. The quality of the work counts for more than the quantity.

**NOTE.**—To avoid the possibility of any exhibits being overlooked by the Judges, exhibitors in this class are requested to supply a complete list of all work shown, setting out in detail the articles exhibited under each heading. Exhibitors will also be permitted to assist in locating the exhibits while the judging is taking place, provided that the Judges are not hampered in any way in the carrying out of their duties.

On application to and confirmation by the Kennel Control Council, any dog which wins not fewer than four Challenge Certificates as distinct from Reserve Challenge Certificate under not fewer than four different judges at different Shows, and gains a total of 100 points, shall be known as a K.C.C. Champion. Points shall be allotted as follows:—  
(a) Each Challenge Certificate winner — 10 points, plus 1 point for every dog and bitch six months of age or over entered in an ordinary class for the breed; (b) 25 points for each winner in the following groups, provided that no exhibit shall receive more than a total, in all, of 25 points at any one Show: Group 1, Toys; Group 2, Sporting Terriers; Group 3, Gun Dogs; Group 4, Sporting, other than Terriers or Gun Dogs; Group 5, all others.

Challenge and Reserve Challenge Certificates may be awarded to both sexes in classes which are for dogs and bitches together, also to every breed entered in the "Any other Recognised Breeds' Classes."

The judge is empowered and is instructed not to award any prize to any animal which he considers is not of sufficient merit.

**PAYMENT OF PRIZES.**—All Special Prizes and prize money will be posted to the winners after the Show.

**EXHIBITS DUE AT SHOW.**—All exhibits entered in the ordinary classes must be benched by 9.30 a.m. on the day they are due to be exhibited. See headings to Groups. Intending exhibitors are warned not to make an entry unless they are prepared strictly to observe this condition.

Every dog must be provided with a suitable collar and chain or a lead, but they must be benched with chains of metal. No cages may be used for dogs other than those provided or approved by the Society, and nothing which will affect the view of the public may be added to the cages. Not more than one exhibit may occupy any one bench or cage. A dog may not be so placed on the bench or in a cage as to be away from the view of the public. The position of exhibit numbers on benches or cages may not be altered.

**EXHIBIT NUMBERS.**—These will be posted to exhibitors before the Show. When dogs are being judged the handler must wear the exhibit number of only the dog being handled.

**VETERINARY INSPECTION.**—No dog will be admitted to the Show until submitted to veterinary examination and its exhibit number is stamped "Pass to Ring." Examinations will take place between 8.30 and 9.30 a.m. on the day on which each group is exhibited and as stated herein under the title "All Breeds Classes."

**JUDGING.**—Judging will commence punctually at 10 a.m. on the day on which each Group is exhibited (see headings to Groups). In the case of Special Prizes in which dogs from different Sections are required to meet, the elimination awards will be made immediately judging is completed in each Group, and the final award will be made on the last day of the Show.

In view of the need to expedite judging, exhibitors will be held wholly responsible for having their dogs in the judging rings immediately they are required for judging. After the Judge's Steward has given word to the judge to proceed with the judging of a competition, no other exhibit may enter the judging ring until after that competition has been completed. Exhibits which are not brought promptly to the rings when called, and exhibits, the owners or handlers of which omit to obey the orders of the Stewards, or are wearing more than one exhibit number, may be refused admission to the rings.

**EXERCISING EXHIBITS.**—By arrangement with the Superintendent, exhibitors will be permitted to exercise their dogs for a short time each day.

Except as stated herein, no exhibit may be absent from its bench unless for the purpose of being judged.

**FREE CARE AND RETURN.**—Dogs will be received and benched, fed and attended to without charge. Certificates for the free return by train of unsold dogs brought to the Show by train will be issued on application to the Superintendent.

**REGISTRATION NECESSARY.**—Prior to entry all dogs must be registered, or transferred or leased to present ownership direct with the Kennel Control Council, 422 Collins Street, Melbourne. The fees per dog are as follow:

	Financial Members of the K.C.C.	Non- Members of the K.C.C.
(a) From a notified litter	2/-	3/-
(b) Not from a notified litter	2/6	4/-
Transfer of Ownership or Lease (per dog)	2/-	3/-
Annual Subscription to the K.C.C. (optional)		5/-

Dogs registered with a body recognised by the K.C.C. must, nevertheless, be registered on the usual form with the K.C.C., and the registration certificate produced when no registration fees shall be charged.

**WITHDRAWAL OF ENTRY.**—In order to prevent unnecessary preparation of benches, etc., the Society reserves the right to impose a fine of 10/- for each and every entered dog not exhibited unless notification of withdrawal from competition is sent the Society before the Show.

**DISPLAY OF ADVERTISING.**—Exhibitors will be permitted to display approved advertising material on the benches and cages allotted their exhibits. The display must be executed attractively, not in handwriting, and shall be removed promptly if deemed undesirable. It shall not go beyond the following: (1) A space not exceeding 2 ft. wide by 8 in. deep at the back of the bench; (2) The name, address and telephone number of the Kennel or exhibitor, or both; (3) The name of the exhibit; (4) A properly approved stud card of the exhibit, whether dog or bitch. Stud cards may mention wins at other fixtures; (5) Suitable words offering dogs and/or puppies for sale, but not actually naming any dog or puppy which is not exhibited, and not quoting any prices; (6) photographs and illustrations of the dog exhibited; (7) General decorative material other than announcements.

**LOCKERS.**—A limited number of lockers, with keys, will be available for the use of exhibitors at a charge of 2/- for one day's use. Reservations and payments may be made at time of entry.

**OWNER'S RISK.**—The Society will be most anxious for the care and safety of dogs sent

for exhibition, or any other property entrusted to it, but it must be understood distinctly by exhibitors, and all other persons, that the Society will not be responsible for the loss, detention of or damage to any dog or other property, whether arising from accident, or other cause whatever, or from any act or omission of itself, its officers, agents, servants, or others.

**DEFINITION OF CLASSES.—PUPPY.**—For dogs of six and not exceeding twelve months of age.

**JUNIOR.**—For dogs of six and not exceeding eighteen months of age.

**NOVICE.**—For dogs six months of age or over which have not won a first prize in any class at any exhibition (subject to footnote), Local, Encouragement, Maiden, Brace, Team, Litter, and all Puppy Classes excepted, or which have not won a Challenge Certificate, regardless of any class in which they competed.

**LIMIT.**—For dogs six months of age or over which have not won a total of four first prizes in any limit and/or Australasian-bred and/or Open Classes at any exhibition (subject to footnote).

**OPEN.**—For all dogs six months of age or over. If confined to a breed or variety, for all dogs of that breed or variety. The word "variety" shall be taken as referring to the pure bred varieties, for which a separate register is kept by the Kennel Control Council at the date of the exhibition at which the classes are offered.

**NOTE.**—The age of all dogs shall be computed from and inclusive of the day of their birth to midnight of the first day on which the breed is exhibited.

Wins at Parades shall count at subsequent Parades only, but wins at Shows shall count at subsequent Parades and Shows. Only wins up to and including the day before entries close shall count.

## Open Hunting Events

JUDGE: J. O'CONNOR, Esq.

STEWARDS: HAROLD HOWE, Esq.,  
ALEC. R. CRESWICK, Esq.

LADIES' HUNTING, SECTION FOUR AND TRIO  
EVENTS:

JUDGE: M. G. BEST, Esq.

STEWARD: MAJOR D. W. R. KNOX.

The Steward in charge has been authorised to scratch any horse if it is not ready to compete at the proper time.

Owners desirous of scratching their horses for any event must notify the Hunter's Shed Steward at least two hours before the advertised time of starting. Failure to comply with this regulation will render exhibitors liable to a penalty of 10/- for each offence.

Stallions are not eligible to compete in any arena event except hunting, jumping and trotting contests.

As an indication of what is meant by "fair hunting pace," it has been ascertained that horses should complete the course not slower than 1 min. 55 secs., and not faster than 1 min. 35 seconds.

All entrants in light horse, pony and contest sections must state performances of horse or pony on the entry form. Immediately after the close of entries on 31st July, the Horse Committee will go through all forms, and from the information supplied, will determine which entries will be accepted, and for which animals accommodation will be provided. In this connection, first preference will be given to approved animals from other States. All entrants will be notified of the Committee's decision, and all fees paid on any entries not accepted will be refunded. In all Hunting and Jumping Contests, competitors will be limited to 30.

## JUMPING COMPETITIONS

Colours to be won by riders must be stated on entry form.

In all hunting events, the stewards will insist on correct costume being worn. The Council has laid down that for lady riders the correct costume is bowler hat, black coat, yellow or light-coloured vest, fawn or light-coloured breeches, hunting stock, black boots, spurs.

Riders to be weighed after as well as before contests.

In all events over fences, unless otherwise specified, riders must be 15 years of age or over.

**CHAMPION PRIZES.**—Champion sashes and Royal Melbourne Century Show Medallions will be presented as under: Best mare or gelding competing singly, in Classes 178 to 198. Best mare or gelding, competing singly, in Classes 200 to 205. In making the awards, the judge will take conformation and soundness into consideration, as well as the performances during the Show, and it shall be at his discretion whether he again puts the horses over the fences before making his final decision.

## HANDY HUNTERS' TRIAL

The following is a description of the course decided upon for the Handy Hunters' Trial (see sketch below).

Starting from the opposite end of the arena to the Result Board, the first obstacle will be a stone wall; the second obstacle a single bar 18 feet wide and 4 feet high, without wings; obstacle three is a log fence without wings, thence to the yard (which will be 30 feet long by 20 feet wide), the gate of which must be opened and closed after entering.

After jumping out of the yard, competitors will negotiate a wire fence 18 feet wide and 3 feet 6 inches high, with wings and two single bars 3 feet 6 inches high and 30 feet apart.

The next obstacle will be a gate 3 feet 9 inches high, without wings, and the next an obstacle made to appear as an open ditch 10 feet by 12 feet, by laying canvas or tin on ground which will be held in place by two spars 18 feet long. The next obstacle is a brush fence, 18 feet long. The fence to be 3 feet 6 inches high with brush 6 feet 6 inches high and with a 3 feet opening in middle through which the horses must jump. Competitors must then jump into the yard, open and close the gate, and proceed to the finishing point.

### SHEEP DOG TRIALS, WOOD CHOPPING AND SHEAF TOSSING

### Sheep Dog Trials

#### JUDGE:

R. H. ROE, Esq.

#### STEWARDS:

R. H. BLACKBURN, Esq.

HARRY SUTTON, Esq.

#### ASSOCIATE JUDGE:

P. G. EVERIST, Esq.

(Conducted under the Rules of the Victorian Working Sheep Dog Association).

(AS REVISED 27/5/48).

#### TRIAL RULES

1. Owners of dogs competing in Open Trials must be financial members of the Victorian Working Sheep Dog Association or of a recognised Working Sheep Dog Association in another State, and their dogs must be registered in a recognised Stud Book, except in case of competitors living within 25 miles of the locality in which the Trial is to be held, the competitions held by the Royal Agricultural Society of Victoria and the annual competition for the Captain Payne and Cooper Utility trophies excepted.

2. An owner may appoint a nominee to work his dog, or dogs, in the trials, and such nominee will conjointly assume responsibility with the owner during the trials.

3. Any agricultural Society or Trial Club deciding to conduct trials under these rules shall on payment of a fee of 5/-, be included in the

list of bodies affiliated with this Association. Members of the Association competing in Victoria are bound to confine their support to affiliated bodies.

4. Any dog having won a first prize at any sheep dog trial shall not be eligible to compete in a Novice Trial. A dog that has only divided a first prize competing singly or as one of a pair, is not debarred from competing as a novice.

5. No bitch in season shall be allowed to compete, but the owner shall be permitted to substitute another entry.

6. Any protest against a dog competing must be lodged in writing with the Secretary of the Show or Trial Committee within the time specified by that body, and be accompanied by a fee of £1, which will be returned if the protest is upheld. Such protest will be dealt with by the Show or Trial Committee, which will, within fourteen days, submit a report to this Association.

7. Competitors in Sheep Dog Trials shall take their place according to the draw, and any dog absent may not be allowed to compete except at the discretion of the Trial Committee under special circumstances.

8. No competitor shall be allowed on the course with his dogs for exercise after the commencement of the trials. Any person or persons bringing dogs on the ground and allowing them to run loose, either by mistake or otherwise, except when directed by the Trial Steward, may be fined £1.

9. If, in the opinion of the Judge or Committee of any body conducting a trial under these rules, any man ill-use his dog, he will be subject to a fine of £1, and may be debarred from competing again at any trial conducted under these rules.

10. In the event of any question or situation arising not provided for in the foregoing rules, the matter in question will be dealt with by the Show or Trial Committee, and its decision shall

be final. Any action taken shall be reported to this Association within fourteen days, and the Executive Committee, if it deems fit, may make any alteration or addition to cover such contingency in the future.

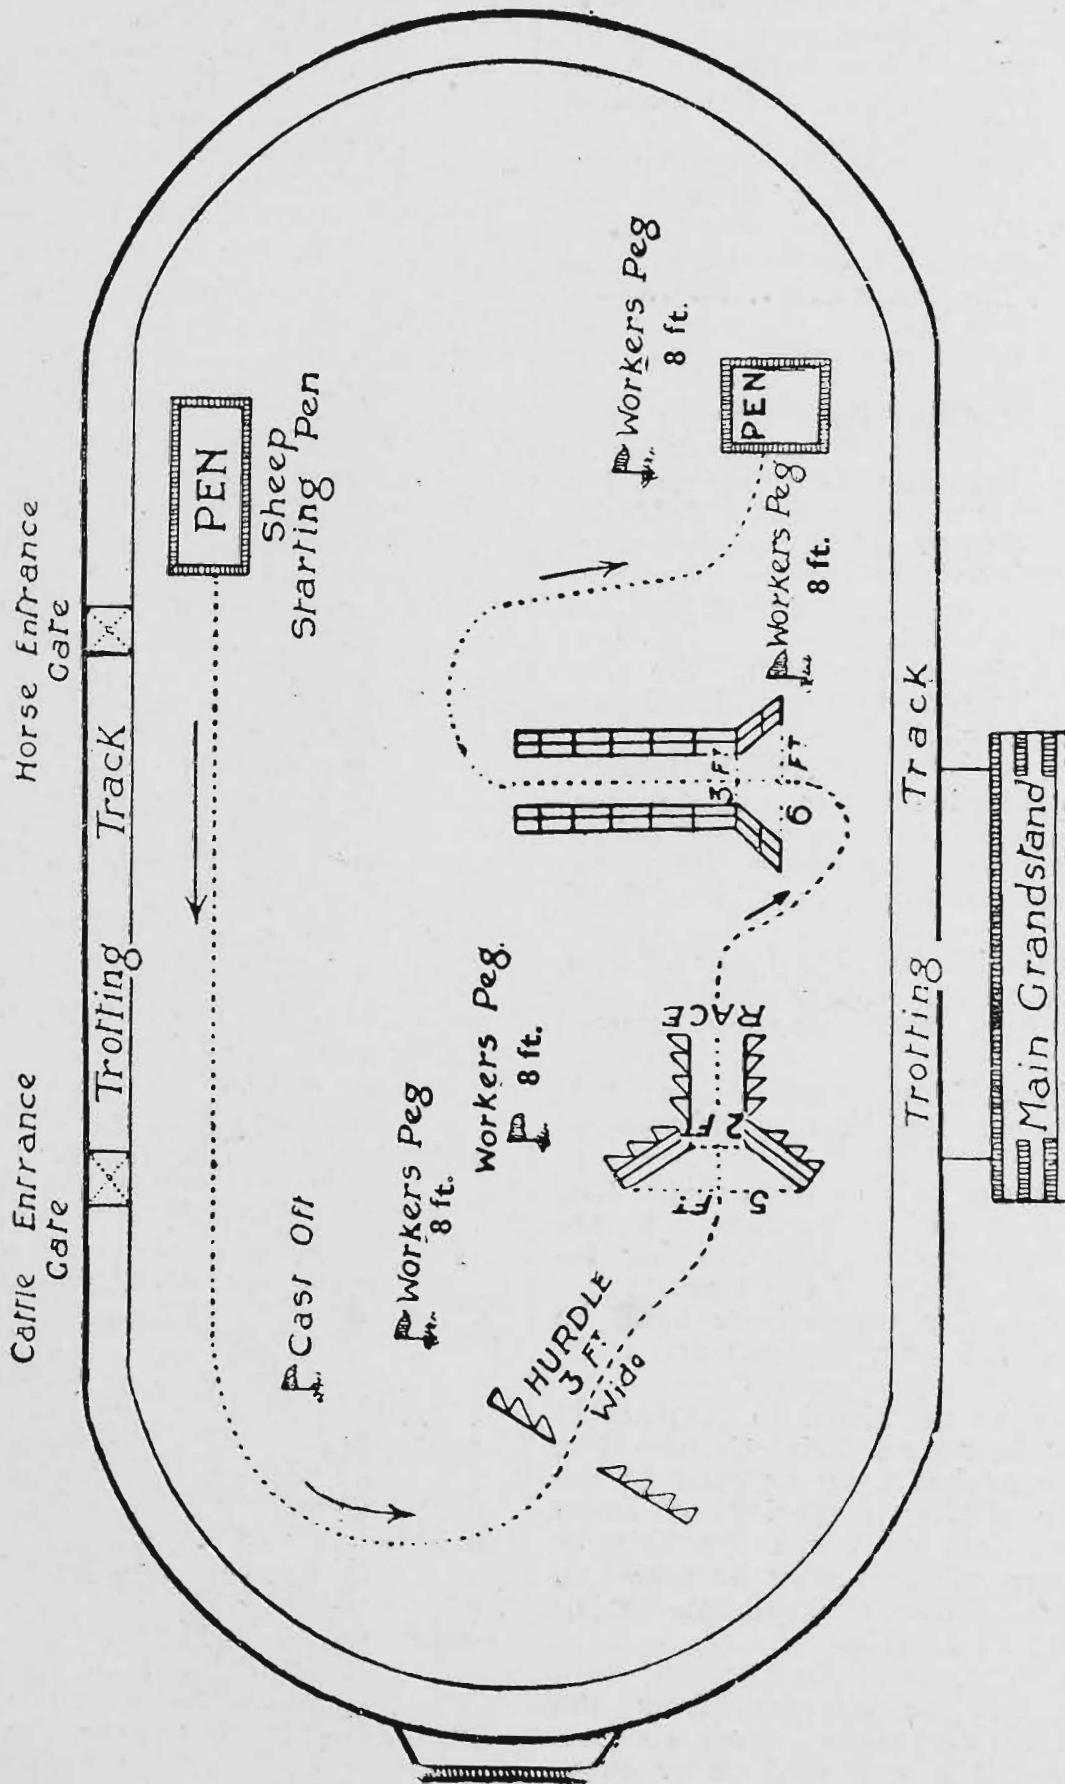

11. The Judge's decision shall be final.
12. The maximum time allowed to competitors will be fixed before the trials commence. Any competitor withdrawing his dog before the expiry of the full time allowed, unless at the discretion of the Judge, shall not be entitled to a prize.

13. If the working of any dog is of inferior merit, the Judge has power to terminate the trial before the expiration of time allowed.

14. A sub-committee of not less than three or more than five competitors shall be appointed to inspect sheep for defects and cull before the trial commences, and no fresh sheep shall be allowed, except in extraordinary circumstances, at the Judge's discretion.

14 (a) A sub-committee of three members of the Council shall be appointed at each trial to co-operate with the local trial committee.

## PLAN FOR SHEEP DOG TRIALS

15. If a dog shall bite or in any way injure a sheep, such dog will at once be disqualified and the competitor held responsible for any damage done to the sheep. Should a dog bark or snap at the sheep when they are stuck up, points may be deducted.

16. The competitor will not be allowed to assist his dog in any way, except by signal, whistle or word of mouth. Any competitor who, by action, sound or unfair manoeuvre, stops or turns sheep at any obstacle, shall have points deducted, and if the obstacle is negotiated by such action, full obstacle points shall be deducted.

17. The competitor, with his dog, shall stand at a flag indicating the starting point, and shall not cast his dog until directed by the Trial Steward. No dog shall be held at the starting point.

18. Any dog coming between the worker and sheep in the cast will be disqualified. The Judge, at his discretion, need not disqualify a dog getting between worker and sheep when negotiating an obstacle. In Field Trials a dog shall be allowed to pass between the worker and the sheep when negotiating obstacles other than the Bridge and Pen.

19. When the competitor has to move from one given point to another, he must do so in a direct line, and not stop to work his dog. Infringement of this rule will entail a deduction of points for each offence. If any sheep escape from pen when worker is in the act of closing gate, he shall remain in such position until all sheep are penned.

20. At the conclusion of each trial, the competitor must take his sheep to the enclosed yard as expeditiously as possible.

21. Should there be a "final" trial by selected dogs, the Judge will give his awards to those gaining highest aggregate number of points. At least one dog more than there are prizes offered shall be selected to compete in a "final" trial.

22. In any final trial the Judge, or Judges, with the assistance of the Trial Committee, may alter the course or vary the test for dogs selected to compete.

23. In field trials, if any dog fails at first attempt to sight his sheep, he may be recalled and re-directed.

24. When working a pair of dogs, both dogs must be cast, one off either hand and, in the opinion of the Judge, both dogs working together must do a fair share of the work.

25. The stick used by competitors shall be not more than two feet long, straight and without flaps.

26. No dog shall be permitted to compete in a Trial or be brought near a Trial Ground if it has had distemper or has been exposed to the risk of distemper during a period of seven weeks prior to the date on which the Trial is to be held. Owners of dogs may be asked to sign a declaration to this effect before being allowed to compete in a Trial.

27. Any person or persons refusing to conform with these rules will be expelled from the ground, and may be disqualified from competing at any future trials conducted under these rules.

28. These Trial Rules shall not be altered or added to unless notice of the proposed alteration or addition shall have been given to the Secretary, and by him to each member of Council, at least fourteen (14) days prior to the Council meeting at which the motion is to be considered, and the motion is carried by a majority of the Council members present at the meeting.

Sanction has been granted by the Victorian Amateur Athletic Association to again conduct the event as a Victorian Championship. Previous to 1930, the distance of the event was 25 miles, but in that year it was increased to 50 kilometres, and from that year has been under the patronage of the Royal Agricultural Society of Victoria carrying the Walker's Club title.

**RECORDS.**

World Track: 4 hrs. 34 mins. 3 secs., P. Sievert (Germany), 5/10/24.

Road: 4 hrs. 30 mins. 31 secs., H. Whitlock (Great Britain, Olympic Games, Berlin), 1936.

Australian and Victorian Best Times on Record.—Road: During the 1934 Royal Agricultural Society's Show, J. J. Cummins recorded 4 hrs. 55 mins. 36 sec.

**TITLEHOLDER.**

During the 1947 Annual Show, A. Reid (Footscray), won in 5 hrs. 3 mins. 50 secs.

**THE COURSE.**—Starting with three laps on the Royal Show Ground Arena, competitors will leave these grounds from the rear gate, and proceeding via Lang's Road and Fisher Parade, will turn to the right into Ballarat Road. They will follow this road to the turning point about 1½ miles on the Melbourne side of Rockbank. Returning over the same route they will complete the course by doing two and a half laps on the Show Grounds Arena.

**TIME.**—The race will start at 11.00 A.M. on Saturday, 2nd October, 1948, and, with equable weather conditions, the leader should enter the arena on the final mile at about 3.50 P.M.

**CONDITIONS OF CONTEST.**

1. Every competitor must be over the age of 21 years, and must satisfy the Committee, by his previous racing, that he is competent to complete the distance of this event. The Committee reserves the right to demand from any entrant a doctor's certificate of fitness, such certificate to be in the hands of the Secretary at least 24 hours prior to the start of the event.

2. Competitors must make their own arrangements for their requirements on the road. The Committee of the V.A.W.C. will, as far as practicable, arrange for the care of competitors and the provision of cycling attendants en route, but will accept no responsibility. Not more than one attendant will be permitted to any one competitor at any one time.

3. The referee and Judges have power to order any competitor to retire from the competition, not necessarily from reasons of unfair walking.

4. Walking on footpaths is not permitted. Any infringement of this rule, accepting pace, or being shielded from the wind, will entail immediate disqualification.

5. The Judges have power to disqualify any competitor for any infringement of the Rules of Walking.

6. The Committee of the V.A.W.C. shall be the absolute authority on the matter of settling any dispute which may arise prior to or after the contest. Their decision shall be final and without appeal.

The referee of the day shall have sole jurisdiction during the period of the race. His decisions on all matters relative to that period shall be final and without appeal.

7. The Entrance Fee shall be Two Shillings and Ninepence (2/9d.), and entries must be submitted on the official form of the Victorian Amateur Athletic Association. Interstate entries will be accepted without fee, provided that the nominees are registered members of the Athletic Association in their States.

If a full sheep-truck load of sheep, or a full cattle-truck load of horses, cattle or pigs has been paid for on the forward journey, and the whole of the stock has been returned "free," in accordance with the provisions of Clause 4 of this division, one stock attendant, in respect of each truck, will be granted a refund of the return fare paid by him. He must travel in the truck or in the van of a goods train with the stock, and must provide himself with a copy of Form P69, duly completed by the Station-masters at the forwarding and returning stations respectively. A receipt for the refund must be given on the certificate by the attendant. This refund shall, however, only be allowed provided a straight up and down journey is made between two stations. When the stock is returned from any station other than that to which it was waybilled by the original despatching station, the stock attendant certificates for the journeys made must be retained by the stock attendant until he returns to the original despatching station, and forwarded by the Stationmaster at that station to the General Passenger and Freight Agent, where any refund due will be adjusted.
