MITCHELL
Haymaking Machinery

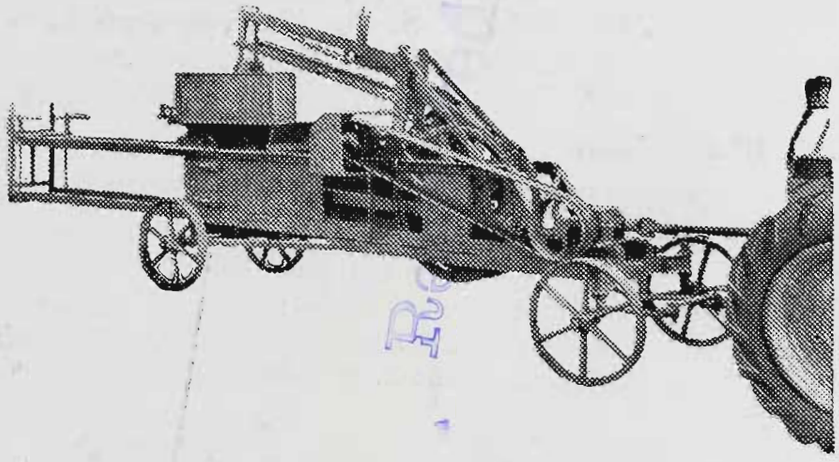

Cut 6 feet. Built in two types—Hydraulic Lift for Allis-Chalmers "B" and "C" Tractors, and Hand Lift to suit almost any Tractor.

Drop-forged, the fingers, knife head and sockets are tough—to withstand shocks—and, being hard, are long-lasting. Shafts run on roller bearings in oil baths. Drive, by "V" belt to crankshaft, is quiet, smooth and positive.

Rubber-tyred Castor Wheel.

The "Mitchell" Model "B" Press can be driven by Tractor P.T.O. or by belt from Tractor Pulley or any 5 h.p. engine. With an output of 40 cwts. per hour—and much more in favourable conditions—it saves its cost in a season.

STEWARDS-IN-CHIEF:
HEAVY HORSES: A. E. DAHLENBURG, Esq.
DEPUTY: JOHN BOTT, Esq.
LIGHT HORSES: HAROLD HOWE, Esq.

All horses and ponies entered in Sections 1 to 11 inclusive are required to be at the grounds from 9 a.m. on Thursday, 22nd September, until 1 p.m. on Friday, 30th September, unless otherwise specified.

Entries are accepted on the distinct understanding that stock may not be removed from the Show Grounds until after 1 p.m. on Friday, 30th September.

The breeding year dates from 1st August in each year.

Any prize awarded to a mare exhibited as being in foal may be withheld until the production of a certificate that she has produced a foal after the exhibition and previous to the 1st January next ensuing.

All Stallions over 2 years of age, owned in Victoria, must be registered as required by the provisions of the Horse Breeding (Victoria) Act 1928.

Stallions over two years of age exhibited from States other than Victoria, need not be registered under the Act, but must be examined and passed by a Government Veterinary Officer in respect of both soundness and type.

All Stallions and Mares over two years of age entered in Sections 1 to 9 (except Farm and Lorry Horses in Section 4) must, after examination by a Government Veterinary Officer, have their Entry Tickets stamped "Pass to Ring" before entering the judging ring.

Stallions and Mares will be examined by Government Veterinary Surgeons on the Show Grounds on Wednesday, 21st September, commencing at 10 a.m.

Where height is stipulated, horses and ponies must be measured, and an exhibit over or under the specified measurement may be transferred to its correct class. The official measurer will be in attendance on the Grounds on Tuesday, 20th, and Wednesday, 21st September, at 10 a.m.; on Thursday, 22nd September, at 8 a.m., and on each remaining day of the Show from 9.30 a.m. to 10 a.m., and horses and ponies must be there to obtain their certificates, which must be produced to the Steward when entering the judging ring.

If the judge entertains a doubt as to the correctness of a height certificate, he has the power to order the exhibit to be re-measured. In such case the Steward shall accompany the exhibit to the Measurer's Stand and supervise the re-measuring.

Exhibits in classes in which an age certificate from the Society's Veterinary Surgeon is required must be paraded for examination at 4 p.m. on Wednesday, 21st September.

All entrants in light horse, pony and contest sections must state performances of horse or pony on entry form. Immediately after the close of entries the Horse Committee will go through all forms, and from the information supplied will determine which entries will be accepted, and for which animals accommodation will be provided. In this connection first preference will be given to approved animals from other States. All entrants will be notified of the Committee's decision, and all fees paid on any entries not accepted will be refunded. In all Hunting and Jumping Contests, competitors will be limited to 30.

The upper portion of the door of the Horse Boxes outside the Pavilion must remain open during the hours the Show is open to the public. The Exhibitor will be liable to a fine of ten shillings for every infringement of this regulation.

Horses are not permitted to enter the Judging Ring if fitted with bearing reins.

Any Exhibitor who shall, without due cause, fail to parade any animal before the Judge when required so to do by the Steward of the Section, shall be liable to a fine of one pound.

Several feed stalls are available for Exhibitors. Charge, 12/6 during the currency of the Show. Exhibitors are not permitted to stack feed in the Horse Pavilions. The attention of Exhibitors is drawn to General Regulations 14 and 15. These will be strictly enforced.

Exhibits of horses which, in the opinion of the Society, are not in reasonable Show condition, shall be removed from the grounds and shall not be eligible to be offered for sale on the Show Grounds.

Exhibitors are advised to study the **time**-table, showing times at which judging in the various Classes is to be commenced. Judging in any Class will not commence **before** the time specified. No warning will be given, and any competitor not present when the Judge is ready to commence will miss the opportunity to compete.

3 "FIRSTS" For HORSE HEALTH

RADIOL • BONE-RADIOL • PEDICINE

These well-tried and tested products of The Radiol Company are used in stables everywhere. With numbers of Vets. they are the first-favoured preparations of their kind.

RADIOL.—This spirit liniment relieves sprains and bruises, strained tendons, windgalls, bog spavins and other soft swellings. It braces muscles and is an excellent coat dressing. Radiol does not blister or remove soft hair.

BONE-RADIOL (B-R).An extra strong spirit liniment for relieving lameness from splints, spavins, thickened tendons and hard and semi-hard bony or fibrous enlargements. Causes no pain, blistering or damage to hair.

PEDICINE.—Relieves corns, brittle hoofs and shelly feet. Use it as a regular daily dressing on the coronets to ensure healthy feet, and to prevent thrush and sand-crack. Pedicine is also invaluable in counteracting any ill-effects of shoeing.

(Stallions are not eligible to compete in this Section.)

Where height is stipulated, horses must be measured, and an exhibit over or under the specified measurement may be transferred to its correct Class. Where a definite weight is specified, the horse must, in the opinion of the judge, be suitable for carrying such weight.

All horses in the 14-st., 12-st. and 10-st. Hack Classes (Open and Novice) must be paraded before judging, when the Judge will class them into their various classes in the following way:—The horses entered for 14-st. Hack shall be paraded, when any horse too light in the opinion of the Judge, shall be transferred to the 12-st. Class. Those entered in the 12-st. Class shall be next paraded, when the Judge shall class out any he considers too heavy or too light, and shall transfer the heavy to 14-st. and the light to 10-st. Class. Those entered for the 10-st. Class shall be paraded, and the Judge shall class out all considered too heavy, and transfer to 14-st. or 12-st. Class, as the case may be. Judging will then commence with the 14st. Class.

NOVICE: A Novice is a mare or gelding which has not won a first prize as a hack, competing singly, at any Australian Royal Show at time of judging. Winners of Consolation Classes at previous Royal Shows are eligible to compete.

Please state on entry form the name, colour and correct age of exhibit, also pedigree (if known).

All prize-winning horses must be paraded. (See Regulation at head of Horse Section.)

All entrants in light horse, pony and contest sections must state performances of horse or pony on the entry form. Immediately after the close of entries, the Horse Committee will go through all forms, and from the information supplied will determine which entries will be accepted, and for which animals accommodation will be provided. In this connection, first preference will be given to approved animals from other States. All entrants will be notified of the Committee's decision, and all fees paid on any entries not accepted will be refunded.

Notwithstanding any regulation to the contrary, an exhibit may be entered in one ordinary class in the Saddle Section and one ordinary class in the Harness Section.

What Is Your Program?

★ —— ★

During their lives men strive to provide for their security and that of their dependants. Yet how many devote sufficient thought to the ultimate disposal of their estates, be they large or small?

In the absence of a Will, at his demise a person's estate is distributed in accordance with certain inflexible legal rules which may not be in accord with his personal desires. If you wish to control the ultimate disposal of your estate, the remedy lies in your hands.

Make your Will now, and appoint an executor who will be available and competent to act. As an executor, THE PUBLIC TRUSTEE provides these qualifications.

If you are making your Will, take advantage of the facilities provided by THE PUBLIC TRUSTEE and appoint him your executor.

If you are appointed executor of a Will and desire to be relieved of the responsibility of acting, THE PUBLIC TRUSTEE can act in your stead.

If a person dies without a Will, THE PUBLIC TRUSTEE will undertake the administration of his estate for the next of kin.

If you are about to leave the State, THE PUBLIC TRUSTEE will act as your agent.

A free booklet on estate and trust administration will be made available to you on application to—

THE PORTCULLIS

IN days of old, the lowered portcullis offered protection and a sure shield of defence against those who might attempt to break through the castle gates.

In modern times, the State Savings Bank of Victoria guards the savings in 1,884,407 accounts. During the past twelve months, the number of accounts has increased by 42,500 — a sure proof that the broad, friendly service rendered by this Bank is making an even wider appeal to more and more thinking people.

At the Shell Stand the modern wonder of television presents

JUNEERO

the amazing new toy and model - building process

TELEVISION is definitely one of the most outstanding inventions of the age. Juneero is really an out-of-the-ordinary toy. Therefore, when television brings you Juneero in operation, then it is a "must-see" on your list of displays at this year's Royal Show. Make sure you pay a visit to the Shell Stand to see Juneero, the newest of toys by television, the newest method of communication.

Juneero is the modern thought in toy design. Designed to capture the interest of the junior engineer, Juneero is actually a scaled metal-working tool that makes toys and models that work. With either of the two Juneero kits you can build accurate scale models to any size from the hundreds of Juneero-tested designs . . . or you can invent your own. For mechanically-minded men or boys, Juneero is the ideal hobby, being cheap and fascinating.

PLAN OF COURSE FOR INTERNATIONAL TRIALS.

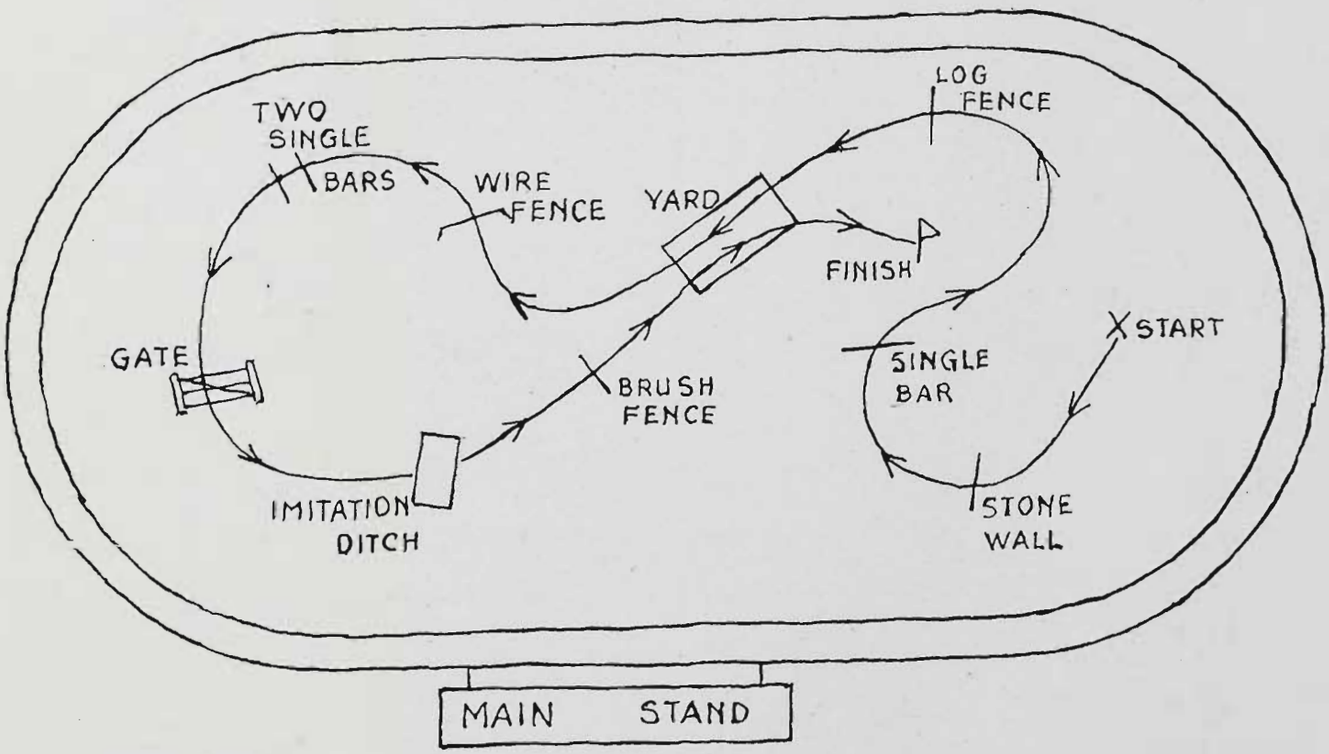

HANDY HUNTERS' TRIAL.

The following is a description of the course decided upon for the Handy Hunters' Trial (see sketch below).

Starting from the opposite end of the arena to the Result Board, the first obstacle will be a stone wall; the second obstacle a single bar, 18 feet wide and 4 feet high, without wings; obstacle three is a log fence without wings, thence to the yard (which will be 30 feet long by 20 feet wide), the gate of which must be opened, and closed after entering.

After jumping out of the yard, competitors will negotiate a wire fence, 18 feet wide and 3 feet 6 inches high, with wings, and two single bars, 3 feet 6 inches high and 30 feet apart.

The next obstacle will be a gate, 3 feet 9 inches high, without wings, and the next an obstacle made to appear as an open ditch, 10 feet by 12 feet, by laying canvas or tin on the ground, which will be held in place by two spars, 18 feet long. The next obstacle is a brush fence, 18 feet long. The fence to be 3 feet 6 inches high, with brush 6 feet 6 inches high, and with a 3-feet opening in the middle, through which the horses must jump. Competitors must then jump into the yard, open and close the gate, and proceed to the finishing point.

4. The holder of a R.A.S. Qualifying Certificate, won in the same year, shall not be eligible to compete.

STEWARDS IN CHIEF:
Beef Cattle—W. J. T. CLARKE, Esq.
Deputy, L. M. DUGDALE, Esq.
Dairy Cattle—A. H. MOORE, Esq.
Deputy, KEITH McGARVIE, Esq.

The breeding year for all Cattle (including Fats) dates from 1st July in each year.

Cow or Heifer entered as "in milk" can be transferred to the "in calf" class, if she has not calved prior to judging day, or vice versa.

Cows or Heifers entered in the "in calf" classes must be stripped out prior to entering the judging ring.

Judges have the right to order any Cow competing for Championships to be milked dry before finally awarding the prizes.

In all Sections feed sheds are available for exhibitors. Charge, 12/6 during the currency of the Show. Feed-mixing bins may be hired for 2/6 each. Exhibitors are not permitted to stack feed in the Cattle Pavilions.

Cows and Heifers in milk must be at the grounds on Wednesday, 21st September, and be fully milked out between 4 p.m. and 5 p.m. (except Friesians, Section 25, which will be stripped out at 9 p.m.), at which hour they will be stripped out in the presence of the Stewards, or whom they may appoint. They will be judged first on Thursday morning. The owner or his representative must be in attendance when females are being stripped out. All other cattle must be at the grounds before 9 a.m. on Thursday, 22nd September.

Entries are accepted on the distinct understanding that stock may not be removed from the Show Grounds until after 1 p.m. on Friday, 30th September.

Entries of milking stock (Sections 19 to 26 inclusive) will only be accepted subject to the following regulations regarding the disposal of milk.

In order that the Society can comply with the provisions of the Dairy Supervision Act, exhibitors are not permitted to dispose of milk prior to and during the currency of the Show, either by sale or gift, other than to the Society's agent, who is situated at the Milk Room (beside the No. 1 Cattle Pavilion). All milk will be purchased according to butter-fat value, based upon a complete test of the bulked milk, and returns forwarded to exhibitors after the Show. No milk will be paid for unless approved milk utensils are used and hygienic methods are adopted.

In Beef Cattle Classes, entries will be limited to two in each class (except where otherwise specified) from any one exhibitor.

In Dual Purpose and Dairy Cattle Classes for animals three years old and over, entries will be limited to two in each class (except where otherwise specified) from any one exhibitor. In classes for animals under three years, entries will be limited to one in each class from any one exhibitor.

Only one exhibitor will be recognised as an owner from any one holding, and any exhibitor who enters, or permits the entry of any of his stock, in the name of any other exhibitor, shall be disqualified.

Any exhibitor who shall, without due cause, fail to parade any animal before the Judge, when required so to do by the Steward of the Section, shall be liable to a fine of £1.

Parades.— Prize-winning horses and cattle only will be permitted to take part in parades. All prize-winning horses and cattle must be taken out on parade, in accordance with the printed programme. Exhibitors shall be subject to a fine of ten shillings in each case in which this regulation is not complied with, and shall also be liable to forfeit the prize or prizes awarded to their exhibit or exhibits. All horses and cattle parading must wear exhibit numbers. No ribbons will be permitted on exhibits except those won during the Show.

If, in the opinion of the Secretary, any exhibit or exhibits of stock be deemed to be dangerous, the owner of such exhibit or exhibits shall immediately, upon notice to that effect, remove such exhibit or exhibits from the Society's Grounds.

All male exhibits of Cattle over the age of 12 months shall be rung through the nose, and when on parade or going to and from the parade shall be led by such ring. Exhibitors will be liable to a fine of £2 for every infringement of this regulation.

Each exhibitor is required to see that each of his exhibits is securely tethered in its stall, and in the case of polled breeds it is compulsory that they be tethered by the nose ring in addition to the head stall or neck rope.

Exhibitors of Cattle are not permitted to allow persons to ride on the backs of their exhibits. Exhibitors will be liable to a fine of £2 for any infringement of this regulation.

If, in the opinion of the Secretary, exhibits in this Section be deemed to be deformed, the owner or owners of such exhibit or exhibits shall, upon notice to that effect, remove such exhibit or exhibits from the Show Grounds.

Exhibits of Cattle which, in the opinion of the Society, are not in reasonable Show condition, shall be removed from the grounds and

JUDGING ARRANGEMENTS (CLASS 321).

The steers are to be weighed alive on the day previous to judging and the live weights handed to the Judge. In the first place, the steers are to be judged alive (by the Shorthorn Judge in the Shorthorn ring) on the lines of breed characteristics and suitability for the beef trade. A maximum number of 35 points can be awarded to exhibits when alive.

The maximum number of points which can be awarded for the dead carcase, hide and offal is 65. The live weight

is also to be furnished to the carcase judge, who has power to have the carcase cut as he wishes in order to arrive at correct judgment. The prizes are to be awarded to the exhibits that gain most points in the two judgings, and are the property of the exhibitors who enter the steers, and not of the purchasers.

Dual Purpose

RED POLLS

An experienced Stock-breeder's advice :

"If you turn your attention to breeding a good dual-purpose cow, you will breed a cow that will be of more use in years to come. The heifers can be retained for milk and breeding and the steers for beef. Those who breed dual-purpose cattle will be best off."

A Sound investment

for this purpose is to keep and breed the "milk and meat" Red Polls or use a Red Poll bull for cross breeding.

Bulls of this Breed

are being most successfully used for crossing with all breeds of dairy cattle to obtain the results above mentioned.

For List of Members and Literature relating to the Breed, write to the Secretary,
