No advertisement or notice can be displayed on exhibits entered in this Section.

Exhibits in this Section must be staged before 9 a.m. on Thursday, 22nd September; but, in order to avoid disappointment, exhibitors are advised to forward their produce earlier in the week.

Exhibitors will not be permitted to remove their exhibits until after 5 p.m., on Saturday, 1st October.

Exhibitors must lodge a statutory declaration when making their entries that exhibits of Wheat, Oats, Barley and Maize represent a quantity of not less than 150 bushels, that exhibits of Chaff and Hay represent a quantity of not less than 10 tons, and that they were produced by the exhibitor during the preceding twelve months.

Exhibitors in this Section will not be allowed to take more than one prize with the same variety of produce in any one Class.

NOTE.—Exhibits of Wheat, Oats, Barley and Maize will not be eligible for competition unless exhibitors state on their entry forms the name

of the variety, locality where grown, character of soil, quantity of seed sown per acre, source of supply of seed, yield per acre, acreage cultivated of variety exhibited, and, if manured, state kind and quantity used per acre; also annual rainfall of district, and rainfall from 1st May, 1948, to 1st November, 1948, in the case of Wheat, Oats and Barley, and from 1st October, 1948, to 30th April, 1949 for Maize. Exhibitors of Maize must also state the type of Maize. Form will be forwarded to exhibitors, who are requested to fill in all particulars as above regarding the growing of their produce, and cards giving this information will be displayed on the exhibit stand.

It is particularly requested that all farm produce exhibits are distinctly labelled with removable cards. Such labels to indicate name and address of exhibitor, together with class and exhibit numbers.

### WHEAT.

Wheat exhibits addressed to The Secretary, Royal Agricultural Society of Victoria, Spencer Street Railway Station, Melbourne, will be received until Saturday, 30th July, 1949. It is particularly requested that exhibitors will write their names and addresses on the reverse side of the address label, and also mention Class number, names of the variety of the wheat in each bag, so that their exhibits may be identified.

Wheat which, in the opinion of the judge, has been "mill dressed" or polished, or from which the brush is absent, will be disqualified.

**THE  
TRACTOR THAT  
DOES MORE PER MAN**

The more acres a man can till per day, the greater his return from time or labour employed. The more promptly and more perfectly he performs each operation, the greater will be the yield per acre. Case tractors, in every size, are built with eager engine power, sure-footed traction, and a wide range of gear speeds to get more work done with every implement. See these truly modern tractors at our Royal Show stand, or write for full particulars.

**PUT UP HAY THIS MODERN WAY!**

The Case Sliced Hay Pick-up Baler is capable of producing 2-1/2 bales per minute, 14 x 18 inches in size, weighing 60 to 75 lb. each. Its two operators can average 3½ to 5 tons per hour. It puts up the hay in ready-sliced bales for easy feeding and storage and saves the precious protein-rich leaves. Investigate these proved and practical balers at our Royal Show stand, or write for literature.

Ferguson offers you an amazing tractor. It's built light for economy, but its scientific design takes care of the toughest jobs. Also available is a wide range of specially-designed farming implements to cover every job on the farm. The way that the tractor and implements work together, it's no wonder that farmers everywhere are acclaiming Ferguson as the greatest tractor and implement unit Britain has yet built. Ferguson gives you exceptional farming value with features such as these . . . No heavy handling of implements (the implement can be attached to the tractor in one minute flat) . . . Finger-tip hydraulic control of implements from the driver's seat . . . The tractor is easy to start and drives as a car . . . Exclusive safety devices prevent damage. The implement can be lifted by the control over any obstruction . . . Perfect tractor stability, even in hilly country . . . Sensational economy in fuel and maintenance.

# BARREL AND BOOK

A WINEMAKER'S DIARY

by

WALTER JAMES

With decorations by Harold Freedman

128 pages, 8½" x 6", Cloth Bound—about 30 illustrations

15/-, postage, 5d.

The author of this delightful book is a West Australian winegrower, and also a man of excellent good taste and wide reading. While the book tells one a great deal about winemaking, it also digresses with great frequency into other civilised practices, including reading and eating. The author is a very wise man, and the book is wholly entertaining and of considerable practical value. Every man who makes wine will want a copy. If every man who drinks wine wants one, too, we shall have to reprint it many times. The present edition is by way of being de-luxe, printed on choice paper from U.S.A., which shortage of dollars prevents us from obtaining again.

At the time of writing this advertisement, the book is in the printer's hands, and we hope to have it on sale when you read these lines. But industrial delays are not unknown (!) and we may keep you waiting. However, send us your order, and a copy will certainly reach you before Christmas.

Brandy entries to state strength of individual brandy.

Australian brandy to be distilled from wine made from fresh grapes and produced in accordance with the Commonwealth Distillation Act.

**SPECIAL REGULATIONS—****AUSTRALIAN WINES CLASSES.**

1. All classes are open for competition to wine growers and wine merchants.

2. A wine merchant shall mean any person, association, or company buying wine.

3. A wine grower shall mean any wine grower owning or occupying a vineyard, and manufacturing wine from grapes grown in such vineyard, or from grapes purchased for the purpose of wine-making.

4. Exhibitors may either be members or non-members of the Society.

5. Exhibitors will be allowed up to three entries in any one class. Each wine sample to consist of three quart (reputed) bottles in the young wine classes and four bottles in the open classes. Two quart (reputed) bottles are to be supplied for Brandy and Vermouth. Exhibitors entering the same wine in more than one class must supply the full number of sample bottles for each entry.

6. All wines will be judged on points.

7. The judge may award prizes on the basis of First, Second, Third, Very Highly Commended, Highly Commended and Commended, but prize money will only be allocated for first and second awards.

8. Entries must be made on forms supplied by the Society for that purpose. Exhibitors must state on the forms the class to be competed for, the distinguishing mark on the exhibits, character and vintage of the wine, and, when stipulated, the quantity in stock.

9. No person will be allowed to inspect an entry form after reception by the Secretary, until the Judges' awards have been made public.

10. After the close of entries, no person will be permitted access to the exhibits, except the Judges, Stewards, Secretary, and Staff, until the awards have been made.

11. Exhibits are to bear labels and must show:—

- (a) The year of the Competition (1949).
- (b) The number of the class.
- (c) Where more than one entry, the distinguishing mark of the entry to conform to the entry form.
- (d) The year of vintage.

(N.B.—Bottles must not be labelled with business labels. Branded bottles and corks are permissible).

12. Sparkling wines to represent wines which can be purchased on the market.

13. Exhibits to be delivered to the secretary of the Society at the Show Grounds in cases properly marked to show exhibitor's name, not later than 12 noon on Saturday, 20th August, 1949.

14. In all classes, the wine in stock, as stated on the entry form, may be inspected and checked by a representative of the Society or its nominee. Each exhibitor must supply the Society with a sealed envelope containing the record of any sale made subsequent to their entries being lodged, provided such sale has reduced the stipulated quantity below the minimum.

15. All exhibits to become the property of the Society.

16. Exhibits must represent stocks as set out on the entry form and be the bona fide property of the exhibitor at the time of entry.

17. All wine exhibits must be the sole produce of Australian grapes and free from any foreign substance. The Society reserves the right to have any exhibit inspected and/or analysed by one or more persons appointed for that purpose.

18. All exhibits must conform to the respective Wine or Food Acts of the States of New South Wales, Victoria, and South Australia.

19. No protest will be entertained unless made within three days of the close of the last judging day of the Wine Section.

20. No entry will be received from any person or persons disqualified by this or any other similar society during the period of such disqualification. Should any such entry be accepted, it shall, when discovered, be deemed void and the entry fee and exhibit shall be forfeited to the Society.

21. Immediately after the closing date of entries a draw may be made for the selection of three exhibitors from whose entries a further draw will be made to enable one sample to be selected from each exhibitor. An official of the Society shall make an inspection of the quantity of such wine in accordance with the entry form, and his report will be later considered by the Committee.

22. All persons exhibiting shall accept the decisions of the judges appointed by the Society as to the merits of their exhibits.

23. No exhibitor will be permitted to occupy the position of Judge or Steward or become in any way identified with the judging or handling of the exhibits.

24. Any competitor making improper use of prizes won in the Wine Section for advertising purposes will be subject to disqualification.

No cages may be used for dogs other than those provided or approved by the Society, and nothing which will affect the view of the public may be added to the cages. Not more than one exhibit may occupy any one bench or cage. A dog may not be so placed on the bench or in a cage as to be away from the view of the public. The position of exhibit numbers on benches or cages may not be altered.

**EXHIBIT NUMBERS.**—These will be posted to exhibitors before the Show. When dogs are being judged the handler must wear the exhibit number of only the dog being handled.

**VETERINARY INSPECTION.**—No dog will be admitted to the Show until submitted to veterinary examination and its exhibit number is stamped "Pass to Ring." Examinations will take place between 8.30 and 9.30 a.m. on each day of the exhibition.

**JUDGING.**—Judging will commence punctually at 10 a.m. on the day on which each breed is exhibited (see headings). In the case of Special Prizes in which Challenge Certificate winners from each breed are required to meet, the awards will be made on the last day of the Show.

In view of the need to expedite judging, exhibitors will be held wholly responsible for having their dogs in the judging rings immediately they are required for judging. After the Judge's Steward has given word to the judge to proceed with the judging of a competition, no other exhibit may enter the judging ring until after that competition has been completed. Exhibits which are not brought promptly to the rings when called, and exhibits, the owners or handlers of which omit to obey the orders of the Stewards, or are wearing more than one exhibit number, may be refused admission to the rings.

**EXERCISING EXHIBITS.**—By arrangement with the Superintendent, exhibitors will be permitted to exercise their dogs for a short time each day.

Except as stated herein, no exhibit may be absent from its bench unless for the purpose of being judged.

**FREE CARE AND RETURN.**—Dogs will be received and benched, fed and attended to without charge. Certificates for the free return by train of unsold dogs brought to the Show by train will be issued on application to the Superintendent. (N.S.W. Railways charge 25% of freight costs).

**REGISTRATION NECESSARY.**—Prior to entry all dogs must be registered, or transferred or leased to present ownership direct with the Kennel Control Council, 422 Collins Street, Melbourne. The fees per dog are as follow:—

	Financial Members of the K.C.C.	Non. Members of the K.C.C.
(a) From a notified litter	2/-	3/-
(b) Not from a notified litter .....	2/6	4/-
Transfer of Ownership or Lease (per dog) .....	2/-	3/-
Annual Subscription to the K.C.C. (optional) .....		5/-

Dogs registered with a body recognised by the K.C.C. must, nevertheless, be registered on the usual form with the K.C.C., and the registration certificate produced when no registration fees shall be charged.

**WITHDRAWAL OF ENTRY.**—In order to prevent unnecessary preparation of benches, etc., the Society reserves the right to impose a fine of 10/- for each and every entered dog not exhibited unless notification of withdrawal from competition is sent the Society before the Show.

**DISPLAY OF ADVERTISING.**—Exhibitors will be permitted to display approved advertising material on the benches and cages allotted their exhibits. The display must be executed attractively, not in handwriting, and shall be removed promptly if deemed undesirable. It shall not go beyond the following: (1) A space not exceeding 2 ft. wide by 8 in. deep at the back of the bench; (2) The name, address and telephone number of the Kennel or exhibitor, or both; (3) The name of the exhibit; (4) A stud card stating the name of the exhibit, pedigree and stud fee; (5) Suitable words offering dogs and/or puppies for sale, but not actually naming any dog or puppy which is not exhibited, and not quoting any prices; (6) A photograph of the dog exhibited; (7) General decorative material other than announcements; (8) A statement of wins at other fixtures and prize cards or ribbons won at other fixtures shall not be permitted.

**LOCKERS.**—A limited number of lockers, with keys, will be available for the use of exhibitors at a charge of 2/- for one day's use. Reservations and payments may be made at time of entry.

**OWNER'S RISK.**—The Society will be most anxious for the care and safety of dogs sent for exhibition, or any other property entrusted to it, but it must be understood distinctly by exhibitors, and all other persons, that the Society will not be responsible for the loss, detention of or damage to any dog or other property, whether arising from accident, or other cause whatever, or from any act or omission of itself, its officers, agents, servants, or others.

**DEFINITION OF CLASSES.**—**PUPPY.**—For dogs of six and not exceeding twelve months of age.

**JUNIOR.**—For dogs of six and not exceeding eighteen months of age.

**NOVICE.**—For dogs six months of age or over which have not won a first prize in any class at any exhibition (subject to footnote), Local, Encouragement, Maiden, Brace, Team, Litter, and all Puppy Classes excepted, or which have not won a Challenge Certificate, regardless of any class in which they competed.

**LIMIT.**—For dogs six months of age or over which have not won a total of four first prizes in any limit and/or Australasian-bred and/or Open Classes at any exhibition (subject to footnote).

**AUSTRALASIAN-BRED.** — For dogs six months of age or over, subject to any height and weight limitations, and not deemed to be imported.

**OPEN.**—For all dogs six months of age or over. If confined to a breed or variety, for all dogs of that breed or variety. The word "variety" shall be taken as referring to the pure bred varieties, for which a separate register is kept by the Kennel Control Council at the date of the exhibition at which the classes are offered.

**NOTE.**—The age of all dogs shall be computed from and inclusive of the day of their birth to midnight of the first day on which the breed is exhibited at the exhibition.

Wins at Parades shall count at subsequent Parades only, but wins at Shows shall count at subsequent Parades and Shows. Only wins up to and including the day before entries close shall count.

## THE LORT SMITH HOSPITAL

ANIMAL WELFARE LEAGUE OF VICTORIA

**24 Villiers Street, North Melbourne**

Many unwanted animals are brought in daily, and of these, only young, healthy males are allowed to be placed in new homes, after exhaustive enquiries are made as to the type of home.

Other animals are humanely destroyed by use of the improved and up-to-date Lethal Chambers.

**NO ANIMAL LEAVES THIS HOSPITAL FOR ANY DESTINATION OTHER THAN A GOOD HOME.**

The Hospital is open all day, from 9 a.m. to 5 p.m., week days, with two veterinarians in attendance during these hours.

### AMBULANCE

Emergency transport service can be obtained during the week-end by ringing the Hospital, FJ 4643.

### HOSPITAL MAINTENANCE

As the Hospital operates for animals belonging to people not in a position to pay full veterinary fees, moneys received are not nearly sufficient to meet the growing financial demands for its upkeep, and therefore its continued existence depends largely on the generosity of the animal-loving public. YOU can help by becoming a member for 5/- per year, NOW. In this way, you are helping us to help the poor, suffering animals. You would only need to see the excitement and joy of both animal and owner after a period of separation, to realise the urgency of assisting this wonderful work.

We have the largest X-Ray plant for animals in the State, and this is at the disposal of the public for a fee.

**Life Governors, £25**

**Membership, 5/-**

### Miscellaneous Arena Events

#### SHEEP DOG TRIALS, WOOD CHOPPING AND SHEAF TOSSING

#### Sheep Dog Trials

(Conducted under the Rules of the Victorian Working Sheep Dog Association).

JUDGE: R. H. ROE, Esq.

STEWARDS: R. H. BLACKBURN, Esq.; P. G. EVERIST, Esq.

#### TRIAL RULES

(AS REVISED 27/5/48).

1. Owners of dogs competing in Open Trials must be financial members of the Victorian Working Sheep Dog Association or of a recognised Working Sheep Dog Association in another State, and their dogs must be registered in a recognised Stud Book, except in case of competitors living within 25 miles of the locality in which the Trial is to be held, the competitions held by the Royal Agricultural Society of Victoria and the annual competition for the Captain Payne and Cooper Utility trophies excepted.

2. An owner may appoint a nominee to work his dog, or dogs, in the trials, and such nominee will conjointly assume responsibility with the owner during the trials.

3. Any agricultural Society or Trial Club deciding to conduct trials under these rules shall on payment of a fee of 5/-, be included in the list of bodies affiliated with this Association. Members of the Association competing in Victoria are bound to confine their support to affiliated bodies.

4. Any dog having won a first prize at any sheep dog trial shall not be eligible to compete in a Novice Trial. A dog that has only divided a first prize competing singly or as one of a pair, is not debarred from competing as a novice.

5. No bitch in season shall be allowed to compete, but the owner shall be permitted to substitute another entry.

6. Any protest against a dog competing must be lodged in writing with the Secretary of the Show or Trial Committee within the time specified by that body, and be accompanied by a fee of £1, which will be returned if the protest is upheld. Such protest will be dealt with by the Show or Trial Committee, which will, within fourteen days, submit a report to this Association.

7. Competitors in Sheep Dog Trials shall take their place according to the draw, and any dog absent may not be allowed to compete except

at the discretion of the Trial Committee under special circumstances.

8. No competitor shall be allowed on the course with his dogs for exercise after the commencement of the trials. Any person or persons bringing dogs on the ground and allowing them to run loose, either by mistake or otherwise, except when directed by the Trial Steward, may be fined £1.

9. If, in the opinion of the Judge or Committee of any body conducting a trial under these rules, any man ill-use his dog, he will be subject to a fine of £1, and may be debarred from competing again at any trial conducted under these rules.

10. In the event of any question or situation arising not provided for in the foregoing rules, the matter in question will be dealt with by the Show or Trial Committee, and its decision shall be final. Any action taken shall be reported to this Association within fourteen days, and the Executive Committee, if it deems fit, may make any alteration or addition to cover such contingency in the future.

11. The Judge's decision shall be final.

12. The maximum time allowed to competitors will be fixed before the trials commence. Any competitor withdrawing his dog before the expiry of the full time allowed, unless at the discretion of the Judge, shall not be entitled to a prize.

13. If the working of any dog is of inferior merit, the Judge has power to terminate the trial before the expiration of time allowed.

14. A sub-committee of not less than three or more than five competitors shall be appointed to inspect sheep for defects and cull before the trial commences, and no fresh sheep shall be allowed, except in extraordinary circumstances, at the Judge's discretion.

14 (a) A sub-committee of three members of the Council shall be appointed at each trial to co-operate with the local trial committee.

15. If a dog shall bite or in any way injure a sheep, such dog will at once be disqualified and the competitor held responsible for any damage done to the sheep. Should a dog bark or snap at the sheep when they are stuck up, points may be deducted.

16. The competitor will not be allowed to assist his dog in any way, except by signal, whistle or word of mouth. Any competitor who, by action, sound or unfair manoeuvre, stops or turns sheep at any obstacle, shall have points deducted, and if the obstacle is negotiated by such action, full obstacle points shall be deducted.

17. The competitor, with his dog, shall stand at a flag indicating the starting point, and shall not cast his dog until directed by the Trial Steward. No dog shall be held at the starting point.

18. Any dog coming between the worker and sheep in the cast will be disqualified. The Judge, at his discretion, need not disqualify a dog getting between worker and sheep when negotiating an obstacle. In Field Trials a dog shall be allowed to pass between the worker and

the sheep when negotiating obstacles other than the Bridge and Pen.

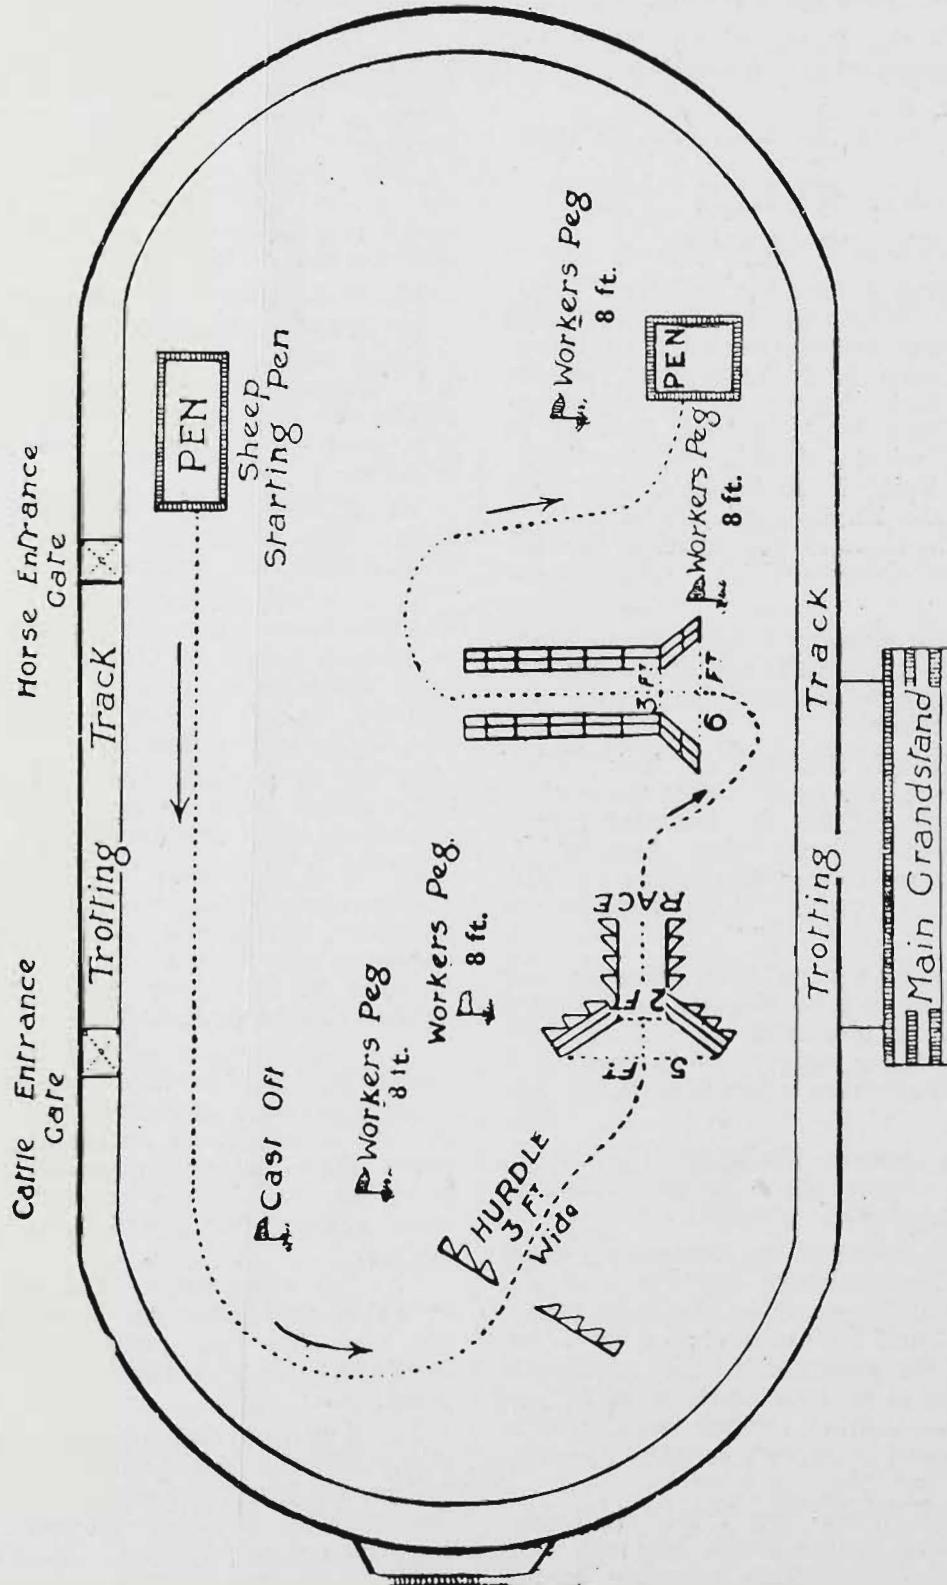

19. When the competitor has to move from one given point to another, he must do so in a direct line, and not stop to work his dog. Infringement of this rule will entail a deduction of points for each offence. If any sheep escape from pen when worker is in the act of closing gate, he shall remain in such position until all sheep are penned.

20. At the conclusion of each trial, the competitor must take his sheep to the enclosed yard as expeditiously as possible.

21. Should there be a "final" trial by selected dogs, the Judge will give his awards to those gaining highest aggregate number of points. At least one dog more than there are prizes offered shall be selected to compete in a "final" trial.

22. In any final trial the Judge, or Judges, with the assistance of the Trial Committee, may

## PLAN FOR SHEEP DOG TRIALS

alter the course or vary the test for dogs selected to compete.

23. In field trials, if any dog fails at first attempt to sight his sheep, he may be recalled and re-directed.

24. When working a pair of dogs, both dogs must be cast, one off either hand and, in the opinion of the Judge, both dogs working together must do a fair share of the work.

25. The stick used by competitors shall be not more than two feet long, straight and without flaps.

26. No dog shall be permitted to compete in a Trial or be brought near a Trial Ground if it has had distemper or has been exposed to the risk of distemper during a period of seven weeks prior to the date on which the Trial is to be held. Owners of dogs may be asked to sign a declaration to this effect before being allowed to compete in a Trial.

27. Any person or persons refusing to conform with these rules will be expelled from the ground, and may be disqualified from competing at any future trials conducted under these rules.

28. These Trial Rules shall not be altered or added to unless notice of the proposed alteration or addition shall have been given to the Secretary, and by him to each member of Council, at least fourteen (14) days prior to the Council meeting at which the motion is to be considered, and the motion is carried by a majority of the Council members present at the meeting.

\*Wherever practicable, trotting sulkies shall be afforded similar transport on the return journey as was given on the forward journey, so that, as far as possible, the sulkies may accompany the horses.

Stud sheep purchased at Agricultural and Pastoral Shows by exhibitors thereat, and forwarded from the Show uncrated in the same truck at the exhibitor's returned unsold exhibits of sheep to the original forwarding station of the latter, shall be charged at Class "2" mileage rate on the basis of 3 cwt. per animal, and subject to the Tariff for Smalls, where cheaper than the ordinary rate.

5. On the backward Journey, when consigned at Commissioners' Risk, the full Commissioners' Risk Rate shall be imposed, but if such exhibits be consigned at Owner's Risk, they will be carried free.

Live stock exhibits shall be carried at the prescribed rates for livestock on the forward journey, and shall be carried on the backward journey free, but whether on the forward or backward journey, such carriage shall be subject to the conditions prescribed in the Goods Rates Book in respect to the carriage of live stock.

Special attention is directed to the following conditions which is supplementary to the general conditions respecting the carriage of live stock:—

The Commissioners will not be liable for the loss of or injury to any horses, cattle, or other animals, or birds in excess of the amounts specified hereunder, unless at the time of delivery thereof, at the station or siding for the purpose of being carried, the value of such horses, cattle or other animals, or birds, shall have been declared by the consignor thereof, and the increased charges hereunder set forth (which are in addition to the freight charges), shall have been paid to and accepted by the employee duly authorised to receive same.

On horses, cattle or other animals insured at the risk of the Commissioners, power is reserved to them to regulate the number of animals which shall be carried in each truck, and the Commissioners will not be responsible for a loss or injury which may occur to any live stock during the loading or unloading, or during transit, when

such loss or injury arises from fear or restiveness, or through such live stock being suffocated or trampled upon, and without negligence on the Commissioners' part.

The Commissioners' liability is limited as follows, viz.:—For any horse, £50. For any neat cattle, per head, £20. For any sheep, pig, dog, or other small animal, or bird, per head, £1.

10. District exhibits forwarded by local Agricultural Societies to the Royal Agricultural Show shall be carried on the forward journey at the Grain Rate subject to the "tariff for Smalls" and returned free under the usual show conditions.

11. Consignors should give not less than four (4) days' notice to the stationmaster of the number and description of live stock trucks, and 48 hours for other trucks, etc., required to load exhibits.

12. If a full sheep-truck load of sheep, or a full cattle-truck load of horses, cattle or pigs has been paid for on the forward journey, and the whole of the stock has been returned "free," in accordance with the provisions of Clause 4 of this division, one stock attendant, in respect of each truck, will be granted a refund of the return fare paid by him. He must travel in the truck or in the van of a goods train with the stock, and must

provide himself with a copy of Form P69, duly completed by the Station-masters at the forwarding and returning stations respectively. A receipt for the refund must be given on the certificate by the attendant. This refund shall, however, only be allowed provided a straight up and down journey is made between two stations. When the stock is returned from any station other than that to which it was waybilled by the original despatching station, the stock attendant certificates for the journeys made must be retained by the stock attendant until he returns to the original despatching station, and forwarded by the Stationmaster at that station to the General Passenger and Freight Agent, where any refund due will be adjusted.
