Do You Think I'm Photogenic?

My name's LEW . . .

Posing's just a game to me, though I always try to look my best, as I've got some mighty important Corgi relations in England.

No one would let me into the darkroom while this film was developed and printed, but I know that they had something in there

to help make the picture do me justice.

The man who belongs to me said it's a petro-chemical* which SHELL scientists provide to help all sorts of people, including photographers.

However, between us all, I think the result is pretty good.

HORSES NOT SCRATCHED BY THEN SHALL BE DEEMED TO BE STARTERS, AND THEIR OWNERS SHALL BE LIABLE FOR THE ACCEPTANCE FEES. SCRATCHINGS SHOULD NOT BE NOTIFIED TO THE SOCIETY, BUT TO THE TROTTING CONTROL BOARD AT ITS MAIN OFFICE IN THE ADMINISTRATIVE BUILDING ON THE SHOWGROUNDS.

Between 90 and 45 minutes before the stipulated time for the start of a race, every person having a horse still engaged in that race shall either scratch it or notify the name of its driver at the Office of the Trotting Control Board, at rear of Result Board on the Royal Showgrounds. All outstanding acceptance fees must be paid at the same time. Failure to comply with this regulation will make owners subject to a fine by the Stewards of £2 per horse.

Nominations will be confined to horses registered with and approved by the Trotting Control Board, Royal Showgrounds, Ascot Vale, W.2.

All races are framed on country fronts and conditions.

WINS AT THIS SHOW WILL CARRY PENALTIES ONLY AT AGRICULTURAL SHOWS. NO PENALTIES FOR WINS IN HEATS.

A horse may be nominated for a race of which the front is faster than its assessment at the time nominations close, but should such horse win, it shall incur a penalty from the front of the race won and not from the horse's assessment prior to such win.

The minimum weight for drivers shall be 10st. 10lb. (including cushion). Weight 1lb. may be claimed for the bridle.

All trainers nominating, and drivers competing, must hold current licences or permits issued by the Trotting Control Board.

The registered colours of the trainer or the owner (or, if the horse is leased, then the registered colours of the trainer or lessee) must be stated on the nomination form, and be worn by the driver.

All drivers injured whilst participating in registered trotting races may be granted financial assistance from the Trotting Control Board's non-contributory Driver's Provident Fund.

Stallions and Mares are eligible for Champion Prizes, and if competing in Classes 1 to 24 only, and intending to compete for those Champion Prizes, they must be in attendance when judging in Section 4 takes place.

Exercise on the track will be permitted daily during the Show, between 6 a.m. and 8 a.m. only.

The Society reserves the right to alter the conditions of any race, or to delete any race from the programmes, if the acceptors are considered to be lacking in number or quality, or for any other reason.

3. Exhibitors hereby accept all responsibility for any damage or injury to any person or property which may be occasioned by or arise out of the use of any machinery, implement or apparatus of any nature used in connection with the stand.

AWARDING OF PRIZES.

4. It shall be the duty of the Stewards to prevent any person interfering with the Judge, and, if necessary, to order the removal of such offender from the yards. Persons in charge must on no account leave their respective exhibits, or address the Judge, unless authorised by the

Stewards of the section in which they are competing. Competitors not ready at the appointed time of adjudication will be liable to disqualification.

5. The Judge may award a second or third prize, instead of a first one, or may withhold a prize altogether, where the exhibits are not of sufficient merit.

6. The Judge is requested to make a reserve number of the exhibit next in merit beyond those to which the prizes are awarded in every class where the number of the entries exceeds the number of prizes offered, if, in his opinion, the exhibit is of sufficient merit to deserve a prize; he is also requested to give commendations when deserved.

7. The Judge shall award Reserve Champion Sashes in all Horse and Cattle Sections, and Rosettes in all Sheep and Pig Sections in which Champion awards are made, and the animal second in the class (special classes excepted) to the Champion shall be allowed to compete for the Reserve Championship.

8. Any exhibitor or attendant refusing to attach the Prize Card to any exhibit to which a prize is awarded, and keep the same on the exhibit during the hours of exhibition, or any exhibitor or attendant altering a Prize Card in any way, will, on proof thereof to the Council, forfeit all prizes awarded to such exhibit during the Show, and may be disqualified from again competing, and no exhibitor will be allowed to display any Ribbon or Prize Card on his exhibit, stall or stand, in addition to those issued by the Society for the year. One Prize Card only is issued for each prize won.

9. Stock exhibits wearing bridles or head stalls, with their names or the names of their owners displayed thereon, are liable to disqualification.

10. The Council may withhold any prize when fraudulent or erroneous statements have been made regarding an exhibit, or when exhibits have been tampered with or improperly dealt with, and may also withhold all prizes awarded to exhibitors who have been guilty of false statements in relation to any of their exhibits; and exhibitors guilty of false entries or statements, or found guilty of tampering with or improperly dealing with their exhibits, may be debarred from again exhibiting, and if Members, shall be liable to expulsion from the Society. Exhibitors must, if required by the Council, make a statutory declaration regarding their entries.

11. Any person insulting or interfering with a Judge during the Show will be subject to removal from the yards; and the prizes, if any, awarded to such person may be forfeited.

12. Cheques for prizes will be forwarded to exhibitors as soon as practicable after the Show.

13. Any prize or prizes awarded at this Show, and left unclaimed for six months, may be forfeited and cancelled by the Finance Committee of the Society.

PROTESTS.

14. Protests against awards must be lodged with the Secretary, in writing, before 12 noon on the day after such awards are made, with a deposit of £1 sterling, which will be forfeited to the Society if the protest be found, on due consideration, to be unfounded or frivolous.

15. Should any exhibit, having gained a prize, be disqualified, the next on the list does not necessarily obtain the same prize. The Council, with or without the advice of the Judge, shall decide the question.

16. All persons exhibiting shall accept the decision of the Judge appointed by the Society as to the merits of their exhibits, and in the case of protests, alleging infringement of the regulations, the decision of the Council shall be accepted as final and without appeal.

REMOVAL OF EXHIBITS.

17. No exhibit (except Live Stock, on account of illness or injury, which must be certified to by the Society's Veterinary Surgeon or in accordance with Regulation 18) shall be removed from the Exhibition until 5 p.m. on Saturday, 1st October, when all exhibits may be removed. Exhibitors wishing to obtain a Veterinary Surgeon's Certificate to permit removal of exhibits from the grounds must lodge a fee of £1 with each application. Horses, Cattle and Pigs may be removed from the Grounds, on Friday, 30th September, after 1 p.m. Sheep may be removed after 12 noon on Friday, 30th September.

18. Any exhibit of Horses or Cattle may be removed from the yards at the close of the Exhibition each day on depositing with the Secretary an approved cheque for £10 as a guarantee that the animal will be returned to the yards next morning before 9.30 a.m. In the event of the animal not being returned before the time specified, the deposit, together with all the prize money (if any) it has won, will be liable to forfeiture; but on the animal's return each day, the cheque will be refunded to the exhibitor.

This regulation does not include dogs. Particulars regarding the removal of dogs will be found at the head of the Dog Section in this schedule.

CARE OF EXHIBITS.

19. The Society accepts no responsibility for the care of exhibits and exhibitors and competitors enter at their own risk.

Sales

Sales of exhibits (for the carrying out of which the Society will offer every facility) will be held on the showgrounds, and the Society reserves to itself the right to decide time and order of sales in all sections. All animals intended for sale must be duly entered and exhibited at the Show.

A commission of 1 per cent. shall be paid to the Society in respect of all stock sold on the Show Grounds.

H. C. T. WOODFULL, Secretary.
