#### EXPLANATORY.

The following is a glossary of abbreviations included in the Catalogue.

Ch. = Champion; K.C.C. Ch. = Kennel Control Council Champion; Dual Ch. = Field Trial and Bench Champion; (imp.) = imported from England; (N.S.W.) = Initials show where bred or title was granted; C.M. = Field Trial Certificate of Merit; D.M. = Field Trial Diploma of Merit; C.D. = Obedience Trial Companion Dog; w. = whelped; s = sire; d = dam; (d) = dog; (b) = bitch.

In all cases the exhibitor is the breeder, unless otherwise stated.

The number of points below each breed-heading are the points each Challenge Certificate winner in the breed will gain toward the title of K.C.C. Champion.

**PRIZES**:—Unless otherwise stated the prizes in each class are: First, 10/- and Card; second, 5/- and Card; third, Card.

Plain ribbons will be issued in the judging rings merely as an indication to the spectators of the judge's awards—blue for first, red for second and white for third.

Kennel Control Council Challenge Certificates, with inscribed blue ribbons, also Reserve Challenge Certificates, are offered at this Show, one of each certificate for each sex of every breed, at the discretion of the judge. On application to and confirmation by the Kennel Control Council, any dog which wins not fewer than four Challenge Certificates as distinct from Reserve Challenge Certificate under not fewer than four different judges at different Shows, and gains a total of 100 points shall, on approval being obtained from the K.C.C., be known as a K.C.C. Champion.

Points shall be allotted as follow:—

(a) Each Challenge Certificate winner — 10 points, plus 1 point for every dog and bitch six months of age or over entered in an ordinary class for the breed; (b) 25 points for each winner in the following groups, provided that no exhibit shall receive more than a total, in all, of 25 points at any one Show: Group 1, Toys; Group 2, Sporting Terriers; Group 3, Gundogs; Group 4, Hounds; Group 5, Non-Sporting.

The judges are empowered and are instructed not to award any prize to any animal which they consider is not of sufficient merit.

**PAYMENT OF PRIZES**.—All Special Prizes and prize money will be posted to the winners after the Show.

**EXHIBITS BENCHED AT SHOW**.—All exhibits must be benched from 9.30 a.m. to 6 p.m. on the day they are exhibited. See headings each day. Intending exhibitors are warned not to make an entry unless they are prepared strictly to observe this condition.

**BENCHING**.—Only exhibits in the one ownership will be benched together.

Every dog must be provided with a suitable collar and chain or a lead, but they must be benched with chains of metal. No cages may be used for dogs other than those provided or approved by the Society, and nothing which will affect the view of the public may be added to the cages. Not more than one exhibit may occupy any one bench or cage. A dog may not be so placed on the bench or in a cage as to be away from the view of the public. The position of exhibit numbers on benches or cages may not be altered.

**EXHIBIT NUMBERS**.—These will be posted to exhibitors before the Show. When dogs are being judged the handler must wear the exhibit number of only the dog being handled.

**VETERINARY INSPECTION**.—No dog will be admitted to the Show until submitted to veterinary examination and its exhibit number is stamped "Pass to Ring." Examinations will take place between 8.30 and 9.30 a.m. on each day of the exhibition.

**JUDGING**.—Judging will commence punctually at 10 a.m. on the day on which each breed is exhibited (see headings). In the case of Special Prizes in which Challenge Certificate winners from each breed are required to meet, the awards will be made on the last day of the Show.

In view of the need to expedite judging, exhibitors will be held wholly responsible for having their dogs in the judging rings immediately they are required for judging. After the Judge's Steward has given word to the judge to proceed with the judging of a competition, no other exhibit may enter the judging ring until after that competition has been completed. Exhibits which are not brought promptly to the rings when called, and exhibits, the owners or handlers of which omit to obey the orders of the Stewards, or are wearing more than one exhibit number, may be refused admission to the rings.

**EXERCISING EXHIBITS.**—Exhibits may be exercised during the luncheon adjournment.

Dogs must not be allowed off leads at any time whilst on the Showgrounds; neither will they be permitted on the lawns nor near the flower beds.

Except as stated herein, no exhibit may be absent from its bench unless for the purpose of being judged.

**DISPLAY OF ADVERTISING.**—Exhibitors will be permitted to display approved advertising material on the benches and cages allotted their exhibits. The display must be executed attractively, not in handwriting, and shall be removed promptly if deemed undesirable. It shall not go beyond the following: (1) A space not exceeding 2 ft. wide by 8 in. deep at the back of the bench; (2) The name, address and telephone number of the Kennel or exhibitor, or both; (3) The name of the exhibit; (4) A stud card stating the name of the exhibit, pedigree and stud fee; (5) Suitable words offering dogs and/or puppies for sale, but not actually naming any dog or puppy which is not exhibited, and not quoting any prices; (6) A photograph of the dog exhibited; (7) General decorative material other than announcements; (8) A statement of wins at other fixtures and prize cards or ribbons won at other fixtures shall not be permitted.

**OWNER'S RISK.**—The Society will be most anxious for the care and safety of dogs sent for exhibition, or any other property entrusted to it, but it must be understood distinctly by exhibitors, and all other persons, that the Society will not be responsible for the loss, detention of or damage to any dog or other property, whether arising from accident, or other cause whatever, or from any act or omission of itself, its officers, agents, servants, or others.

To be held under the Rules of the Trotting Control Board as applying to Agricultural Shows.

**ACCEPTANCES (10/- EACH) WILL BE DECLARED AT THE TRACK OFFICE OF THE TROTTING CONTROL BOARD, AT THE REAR OF THE RESULT BOARD ON THE ROYAL SHOWGROUNDS, ASCOT VALE, W.2, at 3 p.m. ON THE DAY PREVIOUS TO THAT ON WHICH THE PARTICULAR RACE IS TO BE HELD. HORSES NOT SCRATCHED BY THEN SHALL BE DEEMED TO BE STARTERS, AND THEIR OWNERS SHALL BE LIABLE FOR THE ACCEPTANCE FEES. SCRATCHINGS SHOULD NOT BE NOTIFIED TO THE SOCIETY, BUT TO THE TROTTING CONTROL BOARD AT ITS MAIN OFFICE IN THE ADMINISTRATIVE BUILDING ON THE SHOWGROUNDS.**

Between 90 and 45 minutes before the stipulated time for the start of a race, every person having a horse still engaged in that race shall either scratch it or notify the name of its driver at the Office of the Trotting Control Board, at rear of Result Board on the Royal Showgrounds. All outstanding acceptance fees must be paid at the same time. Failure to comply with this regulation will make owners subject to a fine by the Stewards of £2 per horse.

Nominations will be confined to horses registered with and approved by the Trotting Control Board, Royal Showgrounds, Ascot Vale, W.2.

No horse disqualified under the Rules of the Trotting Control Board, or owned or trained by any person disqualified or suspended under those Rules, may enter for or compete in any of the races in the programme, and no person disqualified or suspended under those Rules may drive in any race in the programme.

All races are framed on country fronts and conditions.

**WINS AT THIS SHOW WILL CARRY PENALTIES ONLY AT AGRICULTURAL SHOWS. NO PENALTIES FOR WINS IN HEATS.**

A horse may be nominated for a race of which the front is faster than its assessment at the time nominations close, but should such horse win, it shall incur a penalty from the front of the race won and not from the horse's assessment prior to such win.

Trotters may compete against pacers in all races unless otherwise stated.

The Stewards reserve the right to ensure a field of not fewer than six in each final. The finalists, therefore, will be:—Two heats: Firsts, seconds and thirds. Three heats: Firsts and seconds. Four heats: Firsts and the two fastest seconds. Five heats: Firsts and the **fastest** second. Six to fourteen heats: Firsts only. In the event of a dead heat, both horses may be permitted to start in the final.

Where the acceptors for a race advertised to be run in heats are sufficient for one race only, such race shall be run at the advertised time of the final.

The minimum weight for drivers shall be 10st. 10lb. (including cushion). Weight 1lb. may be claimed for the bridle.

All trainers nominating, and drivers competing, must hold current licences or permits issued by the Trotting Control Board.

The registered colours of the trainer or the owner (or, if the horse is leased, then the registered colours of the trainer or lessee) must be stated on the nomination form, and be worn by the driver.

All drivers injured whilst participating in registered trotting races may be granted financial assistance from the Trotting Control Board's non-contributory Driver's Provident Fund.

Stallions and Mares are eligible for Champion Prizes, and if competing in Classes 2416 to 2439 only, and intending to compete for those Champion Prizes, they must be in attendance when judging in Section 4 takes place.

Exercise on the track will be permitted daily during the Show, between 6 a.m. and 8 a.m. only.

The Society reserves the right to alter the conditions of any race, or to delete any race from the programmes, if the acceptors are considered to be lacking in number or quality, or for any other reason.

Saddle numbers represent barrier positions, except in finals. Competitors will carry the same saddle numbers in finals as in heats, but a new draw will be made for all finals. These new barrier numbers will be posted on the main result board prior to the race.

1. All exhibits to be the bona fide property of exhibitors, and produce to be grown or made by the exhibitor.

2. For Champion Awards to be made, three exhibits must be entered (at least two of which must be duly shown), unless the Judge reports that an exhibit (even though alone) is of exceptional merit and worthy of such award. If, however, in the opinion of the Judge, none of the exhibits are of sufficient merit, he may withhold the prize altogether. Exhibits to be eligible for the award must be entered in an ordinary class.

3. Stallions over 2 years of age must be registered as required by the provisions of the Horse Breeding Act, 1928.

4. The prizes to be awarded by Judges appointed by the Society.

5. In any case where, in the opinion of the Director of Agriculture, any misstatement has been made regarding any exhibit, the prize shall not be awarded.

6. All exhibits to be subject to General Regulations.

NOTE.—Separate entries are not required for Champion Prizes.

## General Regulations

### ENTRIES.

(Also see Special Notes in Each Section.)

1. Entries will only be received subject to the rules and regulations of the Society, and all exhibits must be the bona fide property of the exhibitor at time of entry, and produce, which must be the growth of the preceding 12 months, must be produced, grown or made by the exhibitor, except in the case of Agricultural Societies being exhibitors.

2. No exhibit may be entered in more than one class, except for a sweepstake, a special or champion prize, or unless specifically stated in the regulations governing the Section. Where any exhibit has, through oversight, been allowed to compete in more than one class (not being one of the exceptions abovementioned), such exhibit shall, whether awarded a prize or not, be deemed to be ineligible to compete, or to have competed, in any class other than the first in which its name or particulars appear in the Show Catalogue.

3. The Council reserves the right to reject at any time any entry submitted for this exhibition. No disqualified or deformed animal shall be allowed to compete for a prize.

4. When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

### CLOSING DATES OF ENTRIES.

5. Applications for stands for harness and saddlery, vehicles, machinery and implements,

single exhibits, or goods for exhibition only, must be made by ordinary letter. After the applications close, positions will be allotted and a charge will be made for the space granted.

6. All entries must be made in writing on forms supplied by the Society. Entries for Horse and Contest Sections, except Trotting must be in the hands of the Secretary, at his office, Temple Court, 422 Collins Street, Melbourne, on or before Tuesday, 30th June, 1953 at 5 p.m. Entries for the Trotting Contest Section must be in the hands of the Secretary of the Trotting Control Board, Royal Showgrounds, Ascot Vale, on or before Wednesday, 12th August, 1953, at 3 p.m. Entries for all other Sections must be in the hands of the Secretary on or before 12 noon on Saturday, 25th July. Entry fee must accompany each entry. Entries for competitions are limited to one exhibit in Cattle and two exhibits in Sheep and Pigs (except where specified otherwise), which exhibits must be brought before the Judge.

### AGE OF EXHIBITS.

7. The date of birth of live stock must be set forth in each entry. Any infringement of this rule will disqualify the exhibit. The Society's Veterinary Surgeon's decision to be final on all matters regarding age.

8. The breeding year dates from 1st August in each year for all horses, 1st September in each year for Beef and Fat Cattle, and 1st July in each year for Dual Purpose and Dairy Cattle. Australasian bred shall mean bred in any of the Australian States or New Zealand.

### QUALIFICATION FOR ENTRY.

9. All male animals competing in the breeding classes must be completely entire. Any male animal in the breeding classes not deemed to be completely entire by the Society's Veterinary Surgeon may not compete or be offered for sale on the Show Grounds. Any marks of speying on females shall disqualify them from competing in such classes.

10. All sheep over 18 months old, except where otherwise specified, must have been shorn since 1st August in the preceding year. The date on which sheep were shorn to be stated on entry form. Any sheep infested with ticks or lice are liable to disqualification.

### VETERINARY CERTIFICATES.

11. All Stallions over 2 years of age, owned in Victoria must be registered as required by the provisions of the Horse Breeding Act (Victoria), 1928. Stallions over 2 years of age, exhibited from States other than Victoria need not be registered under the Act, but must be examined and passed by a Government Veterinary Officer in respect of both soundness and type. All stallions and mares over 2 years of age entered in Sections 1 to 6 inclusive (except Farm and Lorry Horses in Section 2), must, after examination by a Government Veterinary Officer, have their entry tickets stamped "Pass to Ring" by a Government Veterinary Officer before entering the judging ring. Stallions and Mares will be examined by Government Veterinary Officers on the Show Grounds on Wednesday, 16th September, commencing at 10 a.m. Judges are particularly requested to satisfy themselves, as far as possible, regarding the soundness of all other

horses before awarding the prize, and to avoid giving prizes to animals showing symptoms of hereditary diseases. A Judge may consult the Society's Veterinary Surgeon if he deem it expedient. No protests on veterinary grounds will be received.

#### THE EXHIBITION.

12. The Exhibition will be open to the public daily from 9 a.m.; admission, 4/-. Admission to main grandstand, 3/- extra; "Chirnside" and "Cliff" grandstands, 2/- extra; and to the "Gibsonia" and "Cumming" stands, 1/- extra.

The charge for admission to the grounds for children is 6d.

13. Members, on presentation of their badges, and members' ladies on presentation of their tickets, will be admitted free to the grounds and grandstands subject to such regulations as the Council may make.

#### ENTRY TICKETS.

14. Entry tickets will be issued about a week before the Show opens. The entry ticket of each exhibit shall state the number of its box, stall, pen or stand, as the case may be, which shall correspond with its number in the official catalogue, and if the box, stall or pen be not occupied by such exhibit by noon on the first day of the Show, the accommodation reverts to the Society. The entry ticket must be produced at the gate, when it will admit the exhibit and attendant to the grounds. It must be retained, and again produced when the exhibit leaves the yards. Attendants' passes will be issued by the Secretary at the Show Grounds after 10 a.m. on Wednesday, 16th September, 1953.

#### PENALTY FOR NON-EXHIBITION.

15. In order to prevent the non-exhibition of animals which have been entered for the Show, thus causing unnecessary preparations, expense and disarrangement of the Show Yard, any person making an entry may be fined the sum of £2 for each horse entry not exhibited, of £1 for each entry of cattle not exhibited, and 10/- for each entry of sheep or pigs not exhibited, unless a certificate under the hand of the Exhibitor or his authorised agent be lodged with the Secretary of the Society before the day of the Exhibition, certifying that such non-exhibition is caused by—(1) The death of the animal or animals; or (2) contagious or infectious diseases (confirmed by the explanatory certificate of a veterinary surgeon); or (3) by its becoming ineligible for the class in which it has been entered, or other reasonable cause. The non-payment of such fines to debar entrants from taking part in any future Exhibitions of the Society.

The Owner or Exhibitor of any exhibit or stand of exhibits disapproved of as an exhibit by the Council of the Society, must, immediately, upon notice to that effect, remove such exhibit or stand of exhibits from the Society's Grounds. 19a. In case any live stock, whilst on the Society's grounds, shall be injured or maimed or suffering from any ailment requiring, in the opinion of the Society's Veterinary Surgeon or that of some qualified substitute, immediate veterinary aid, and the owner of such stock is not in attendance or fails to forthwith render such aid, the Secretary or his deputy may provide such aid, and the cost and expense thereby incurred shall in every case be borne by the owner of such stock. Persons in charge must on no account leave their respective exhibits, or address the Judge, unless authorised by the Stewards of the section in which they are competing. Competitors not ready at the appointed time of adjudication will be liable to disqualification.

26. The Judge may award a second or third prize, instead of a first one, or may withhold a prize altogether, where the exhibits are not of sufficient merit.

27. The Judge is requested to make a reserve number of the exhibit next in merit beyond those to which the prizes are awarded in every class where the number of the entries exceeds the

number of prizes offered, if, in his opinion, the exhibit is of sufficient merit to deserve a prize; he is also requested to give commendations when deserved.

29. Any exhibitor or attendant refusing to attach the Prize Card to any exhibit to which a prize is awarded, and keep the same on the exhibit during the hours of exhibition, or any exhibitor or attendant altering a Prize Card in any way, will, on proof thereof to the Council, forfeit all prizes awarded to such exhibit during the Show, and may be disqualified from again competing, and no exhibitor will be allowed to display any Ribbon or Prize Card on his exhibit, stall or stand, in addition to those issued by the Society for the year. One Prize Card only is issued for each prize won.

30. Stock exhibits wearing bridles or head stalls, with their names or the names of their owners displayed thereon, are liable to disqualification.

31. The Council may withhold any prize when fraudulent or erroneous statements have been made regarding an exhibit, or when exhibits have been tampered with or improperly dealt with, and may also withhold all prizes awarded to exhibitors who have been guilty of false statements in relation to any of their exhibits; and exhibitors guilty of false entries or statements, or found guilty of tampering with or improperly dealing with their exhibits, may be debarred from again exhibiting, and if Members, shall be liable to expulsion from the Society. Exhibitors must, if required by the Council, make a statutory declaration regarding their entries.

33. Cheques for prizes will be forwarded to exhibitors as soon as practicable after the Show.

34. Any prize or prizes awarded at this Show, and left unclaimed for six months, may be forfeited and cancelled by the Finance Committee of the Society.

#### PROTESTS.

35. Protests against awards must be lodged with the Secretary, in writing, before 12 noon on the day after such awards are made, with a deposit of £1 sterling, which will be forfeited to the Society if the protest be found, on due consideration, to be unfounded or frivolous.

36. Should any exhibit, having gained a prize, be disqualified, the next on the list does not necessarily obtain the same prize. The Council, with or without the advice of the Judge, shall decide the question.

37. All persons exhibiting shall accept the decision of the Judge appointed by the Society as to the merits of their exhibits, and in the case of protests, alleging infringement of the

regulations, the decision of the Council shall be accepted as final and without appeal.

40. Water will be provided in the yards for Live Stock and for the working of machinery, but exhibitors using gas engines, suction gas plants and refrigerators, must provide water storage tanks on their stands, and not permit water to run to waste. #### DISTRIBUTION OF ADVERTISING MATERIAL.

42. The privilege of distributing trade lists, advertisements or other documents is restricted exclusively to exhibitors at their respective stands. Any person infringing this regulation will incur expulsion from the yards.

#### CARE OF EXHIBITS.

43. Every reasonable care will be taken of exhibits, but no responsibility will be incurred by the Society.

#### USE OF PENS AND STALLS.

44. All exhibits of Live Stock, for which boxes, stalls or pens are provided, have the use of such accommodation free for one week (and in the case of oversea exhibits, for a fortnight), before the Show opens, but they must be removed from the grounds within one week after the last day of sales, or a charge will be made.

#### EXHIBITS AT SHOW GROUNDS.

45. The Society's carter will receive competitive exhibits of produce, poultry, dogs, etc., that are addressed to the Show Grounds Siding, and place the entries in their respective sections. The greatest care will be taken of the exhibits; but the Society will not be responsible for any accident, mistake, loss or damage from whatever cause arising, the exhibits being at the sole risk of the exhibitor. For the carting of Stock feed and non-competitive exhibits, etc., to any part of the ground, a reasonable charge will be made.

## Railway Regulations

**Supplementary to the General Conditions for the Carriage of Goods and Live Stock.**

**IMPORTANT NOTICE.**—Exhibitors desiring to have their stock conveyed by rail from the Show Grounds on Friday evening must order their trucks through the Show Grounds Station-Master before 12 noon on Wednesday, 27th September.

Exhibits are consigned direct to Show Siding at Society's Grounds, and exhibitors are particularly requested to send in their applications for trucks at once to the local Station-master, or to the Live Stock Agent, Railway Department, Melbourne, or through their own selling agents.

1. The undermentioned conditions shall be applicable in respect of agricultural machines and implements, machinery, produce, live stock (including dogs, poultry and other birds), buggies, trotting sulkies\* accompanying trotting horses, motor-cars, drays, waggons and other goods of a like nature sent for exhibition at Shows.

They may also, by special arrangement with the General Passenger and Freight Agent, be made operative in respect of:—

Agricultural machinery sent for field trial in which a number of machines participate.

Ploughs sent for ploughing matches.

Horses sent for horse parades.

2. The exhibits will be carried at the convenience of the Commissioner by Passenger, Mixed or Goods trains as may be desired by the consignors. Valuable animals may be sent by passenger trains in horse boxes if this class of vehicle be available, and charged the same rate as if loaded in cattle trucks, and forwarded by Goods trains. Each three stalls in "F." or "F.F." horse box to be regarded as equivalent to one full cattle truck.

3. When the exhibits are consigned on the forward journey, the consignors will require to declare, on the consignment note therefor, that they are for exhibition, specifying the Show for which they are intended, and the way-bill must be endorsed accordingly.

The ordinary freight charges shall be imposed and prepaid in respect of the forward journey in all cases.

4. On the backward journey, any exhibits, or portion thereof, which have been sent by rail as paying freight on the forward journey, exhibited, and not sold, will, subject to the conditions in Clause 7 and on production of the approved certificates, signed by the Secretary of the Show, be carried "free" to the station whence they were forwarded, provided the journey is completed at any time within one month from the date of despatch on the forward journey. The certificates must be handed in when the exhibits are consigned, and attached to the waybill.

If, on the backward journey, a greater number of vehicles be used for the carriage of exhibits than was used on the forward journey, ordinary freight charges will be imposed in respect of exhibits carried in the additional vehicles.

Tarpaulins, if used at request of owner to cover live stock trucks, shall be charged for at the rate of 3/5 per tarpaulin.

All exhibits, or part thereof, which have been sold, or are not accompanied by the aforesaid certificate, will be subject to the ordinary freight charges and conditions on the backward journey.

Stud sheep purchased at Agricultural and Pastoral Shows by exhibitors thereat, and forwarded from the Show uncrated in the same truck at the exhibitor's returned unsold exhibits of sheep to the original forwarding station of the latter, shall be charged at Class "2" mileage rate on the basis of 3 cwt. per animal, and subject to the Tariff for Smalls, where cheaper than the ordinary rate.

5. Exhibits, accompanied by the aforesaid certificate, may be forwarded on from one Show to another, subject to the freight charges and conditions, as prescribed in Clause 3 of this division, which freight charges must be prepaid, and when the final destination is reached, they may be returned "free" to the original despatching station, subject to the conditions in Clause 7. If, however, in proceeding to another Show, such exhibits be returned over any portion of the line in respect of which the full freight charges have been paid on the forward journey, the exhibits may be sent free, subject to the conditions in Clauses 4 and 7, over such portion of the line.

6. Exhibits must be loaded and unloaded by or at the expense of the consignors or consignees. In all cases where Show exhibits are loaded or unloaded by the department, the charges prescribed for the service shall be imposed.

7. Exhibits, other than live stock, may, where alternative rates apply, be consigned on the forward or the backward journey at the sender's option either at the rates and conditions prescribed in the Goods Rates Book for carriage at Commissioners' Risk or at Owner's Risk. On the backward Journey, when consigned at Commissioners' Risk, the full Commissioners' Risk Rate shall be imposed, but if such exhibits be consigned at Owner's Risk, they will be carried free.

\*Wherever practicable, trotting sulkies shall be afforded similar transport on the return journey as was given on the forward journey, so that, as far as possible, the sulkies may accompany the horses.

Live stock exhibits shall be carried at the prescribed rates for livestock on the forward journey, and shall be carried on the backward journey free, but whether on the forward or backward journey, such carriage shall be subject to the conditions prescribed in the Goods Rates Book in respect to the carriage of live stock.

Special attention is directed to the following conditions which is supplementary to the general conditions respecting the carriage of live stock:—

The Commissioners will not be liable for the loss of or injury to any horses, cattle, or other animals, or birds in excess of the amounts specified hereunder, unless at the time of delivery thereof at the station or siding for the purpose of being carried, the value of such horses, cattle or other animals, or birds, shall have been declared by the consignor thereof, and the increased charges hereunder set forth (which are in addition to the freight charges), shall have been paid to and accepted by the employee duly authorised to receive same.

On horses, cattle or other animals insured at the risk of the Commissioners, power is reserved to them to regulate the number of animals which shall be carried in each truck, and the Commissioners will not be responsible for a loss or injury which may occur to any live stock during the loading or unloading, or during transit, when such loss or injury arises from fear or restive-

ness, or through such live stock being suffocated or trampled upon, and without negligence on the Commissioners' part.

The Commissioners' liability is limited as follows, viz.:—For any horse, £50. For any neat cattle, per head, £20. For any sheep, pig, dog, or other small animal, or bird, per head, £1.

The increased charges are as under, and must be prepaid upon consignment of the stock:—

8. Owners of stock going to and returning from Shows may be allowed free carriage each way of fodder, as specified hereunder, if it be loaded in the trucks with the animals:—

1 cwt. for each horse or head of cattle.  
20 lbs. for each pig or sheep.

9. Exhibits from the Department of Agriculture, viz., wheat, straw in bulk, olive oil, wine, honey, etc., fruit (preserved), charts, etc., fibres, including flax, hemp (dressed and undressed), willows, manures, vegetable oil, eggs, also the necessary marquees, poles and pegs, tables, trestles, and fittings, forwarded to the various Agricultural Shows in the State, shall be carried free both on the forward and backward journeys at owner's risk; when consigned at Commissioners' risk on the forward or backward journey the full Commissioners' Risk Rate shall be imposed.

10. District exhibits forwarded by local Agricultural Societies to the Royal Agricultural Show shall be carried on the forward journey at the Grain Rate subject to the "tariff for Smalls" and returned free under the usual show conditions.

11. Consignors should give not less than four (4) days' notice to the stationmaster of the number and description of live stock trucks, and 48 hours for other trucks, etc., required to load exhibits.

12. If a full sheep-truck load of sheep, or a full cattle-truck load of horses, cattle or pigs has been paid for on the forward journey, and the whole of the stock has been returned "free," in accordance with the provisions of Clause 4 of this division, one stock attendant, in respect of each truck, will be granted a refund of the return fare paid by him. He must travel in the truck or in the van of a goods train with the stock, and must provide himself with a copy of Form P69, duly completed by the Station-masters at the forwarding and returning stations respectively. A receipt for the refund must be given on the certificate by the attendant. This refund shall, however, only be allowed provided a straight up and down journey is made between two stations. When the stock is returned from any station other than that to which it was waybilled by the original despatching station, the stock attendant certificates for the journeys made must be retained by the stock attendant until he returns to the original despatching station, and forwarded by the Stationmaster at that station to the General Passenger and Freight Agent, where any refund due will be adjusted.
