THE HELPING HAND

Basic in the economy is your railway, ready and able to move anything in any quantity for anybody, in any season of the year, in any part of Victoria and to do it with unequalled economy.

Your railway is the steel hand that guides the man on the land along the road to prosperity, its a friendly, helping hand extended to primary producers in both good and bad times.

Low rates are given for the transport by rail of livestock, for superphosphate that enriches the soil and aids the production of bumper crops.

When drought stalks the land, the railways come to the aid of the primary producer with concessions for fodder and stock transport.

Your railways have always helped you. Helping the railways is your best investment.

Could you act as Executor
without expert advice?

Complexities of estate administration, probate duties and varying State taxation laws demand specialised knowledge in executorship.

Many executors have found that by co-joining Union Trustee as executor or trustee they can transfer the burdens of estate management to experienced hands, and at a moderate cost that is often more than justified by time and money saved through expert knowledge of administration.

Write or 'phone for an appointment to discuss our service and ask for the booklet, "Important Facts Concerning Wills, Executors, Trustees."

★

The E.F.A. was formed to fill a long-felt need of the Light Horse community. Its purpose is to help all those who are interested in riding horses for whatever purpose, except professional racing.

★

Its activities will include advice and help in conducting Shows, pony clubs, jumping and dressage tests, hunter trials, one and three-day event competitions, etc. Qualified instructors will be made available to those who wish to train themselves and their horses for Dressage tests, hack classes, or Show jumping.

★

The provision of instructors and such things as Olympic-type jumps is necessarily expensive. The E.F.A. REGULATIONS RELATIVE TO ENTRIES

All horses and ponies entered in Sections 1 to 8 inclusive are required to be at the grounds from 9 a.m. on Thursday, 20th September, until 1 p.m. on Friday, 28th September, unless otherwise specified.

Entries are accepted on the distinct understanding that stock may not be removed from the Show Grounds until after 1 p.m. on Friday, 28th September.

Unless authorised by the Society no live stock will be permitted to enter the Grounds other than those entered for exhibition.

The breeding year dates from 1st August in each year.

Any prize awarded to a mare exhibited as being in foal may be withheld until the production of a certificate that she has produced a foal after the exhibition and previous to the 1st January next ensuing.

Stallions over two years of age exhibited from States other than Victoria, need not be registered under the Act, but must be examined and passed by a Government Veterinary Officer in respect of both soundness and type, except registered Clydesdales carrying a current certificate of soundness issued in South Australia which will be accepted for exhibition purposes on production of this certificate.

All Stallions over 2 years of age, owned in Victoria, must be registered as required by the provisions of the Horse Breeding (Victoria) Act 1928.

All Stallions and Mares over two years of age entered in Sections 1 to 6 (except Farm and Lorry Horses in Section 2) must be examined by a Government Veterinary Officer and if passed, have their Entry Tickets stamped "Pass to Ring" before entering the judging ring. No appeal against a Government Veterinary Officer's decision will be entertained.

Stallions and Mares will be examined by Government Veterinary Surgeons on the Show Grounds on Wednesday, 19th September, commencing at 10 a.m.

Where height is stipulated, horses and ponies must be measured, and an exhibit over or under the specified measurement may be transferred to its correct class. The official measurer will be in attendance on the Grounds on Tuesday, 18th, and Wednesday, 19th September, at 10 a.m., on Thursday, 20th September, at 8 a.m., and on each remaining day of the Show from 9.30 a.m. to 10 a.m., and horses and ponies must be there to obtain their certificates, which must be produced to the Steward when entering the judging ring.

When measuring a horse, galloway or pony an allowance of half (½) of an inch for shoes may be made at the discretion of the Measurer. Should an exhibit be measured with shoes on and the exhibitor disagree with the Official Measurer's decision as to the height of the animal, he may, should he desire, have it re-measured without shoes. The Official Measurer may, in his discretion, request the removal of shoes from any horse, galloway, or pony, prior to measurement.

If the judge entertains a doubt as to the correctness of a height certificate, he has the power to order the exhibit to be re-measured. In such case the Steward shall accompany the exhibit to the Measurer's Stand and supervise the re-measuring.

Exhibits in classes in which an age certificate from the Society's Veterinary Surgeon is required must be paraded for examination at 4 p.m. on Wednesday, 19th September in the Exercise ring, Western area.

All entrants in saddle and contest sections must state performances of horse or pony on a form. Immediately after the close of entries the Horse Committee will go through all forms, and from the information supplied will determine which entries will be accepted, and for which animals accommodation will be provided. In this connection first preference will be given to approved animals from other States. All entrants will be notified of the Committee's decision, and all fees paid on any entries not accepted will be refunded. In any Hunting or Jumping Contest, competitors may be limited to 30.

Any exhibitor who supplies wrong information on entry or performance form will render himself liable to disqualification.

Horses are not permitted to enter the Judging Ring if fitted with bearing reins.

Any Exhibitor who shall, without due cause, fail to parade any animal before the Judge when required so to do by the Steward of the Section, shall be liable to a fine of one pound.

Several feed stalls are available for Exhibitors. Charge, 12/6 during the currency of the Show. Exhibitors are not permitted to stack feed in the Horse Pavilions.

Exhibits of horses which, in the opinion of the Society, are not in reasonable Show condition, shall be removed from the grounds and shall not be eligible to be offered for sale on the Show Grounds.

Exhibitors are advised to study the time table, showing times at which judging in the various Classes is to be commenced. Judging in any Class will not commence before the time specified. No warning will be given, and any competitor not present when the Judge is ready to commence will miss the opportunity to compete.

Entries will only be received subject to the rules and regulations of the Society and the decisions of the Council. All exhibits must be the bona fide property of the exhibitor or held by the exhibitor under a written lease recognised by the Society at the time of entry.

No exhibit may be entered in more than one ordinary class unless otherwise stated at the head of the section. Sweepstakes, special classes or championship prizes do not count as ordinary classes. Throughout the schedule special classes are denoted with a star (*). Should an exhibit be incorrectly entered in more than one ordinary class such exhibit shall be deemed ineligible to compete in any class other than the first in which its name or particulars appear in the Show Catalogue.

The Council reserves the right to reject at any time any entry or prohibit any person or animal from competing in any class.

When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

Applications for stands for harness and saddlery, vehicles, machinery and implements, single exhibits, or goods for exhibition only, must be made by ordinary letter. After the applications close, positions will be allotted and a charge will be made for the space granted.

All entries must be made in writing on forms supplied by the Society. Entries for Horse and Contest Sections, except Trotting must be in the hands of the Secretary, at his office, Temple Court, 422 Collins Street, Melbourne, on or before Friday, 8th June, 1956, at 5 p.m. Entries for the Trotting Contest Section must be in the hands of the Secretary of the Trotting Control Board, Royal Showgrounds, Ascot Vale, on or before Wednesday, 8th August, 1956, at 3 p.m. Entries for all other sections must be in the hands of the Secretary on or before 12 noon on Saturday, 21st July. Entry fee must accompany each entry.

The Society's Veterinary Surgeon's decision regarding age shall be final.

All male animals competing in the breeding classes must be completely entire. Any male animal in the breeding classes not deemed to be completely entire by the Society's Veterinary Surgeon may not compete or be offered for sale on the Show Grounds. Any marks of speying on females shall disqualify them from competing in such classes.

Entry tickets will be issued about a week before the Show opens. The entry ticket of each exhibit shall state the number of its box, stall, pen or stand, as the case may be, which shall correspond with its number in the official catalogue, and if the box, stall or pen be not occupied by such exhibit by noon on the first day of the Show, the accommodation reverts to the Society. The entry ticket must be produced at the gate, when it will admit the exhibit and attendant to the grounds. It must be retained, and again produced when the exhibit leaves the yards. Attendants' passes will be issued by the Superintendent at the Show Grounds.

In order to prevent the non-exhibition of animals which have been entered for the Show, thus causing unnecessary preparations, expense and disarrangement of the Show Yard, any person making an entry may be fined the sum of £2 for each horse entry not exhibited, unless a certificate under the hand of the Exhibitor or his authorised agent be lodged with the Secretary of the Society before the day of the Exhibition, certifying that such non-exhibition is caused by—(1) the death of the animal or animals; or (2) contagious or infectious diseases (confirmed by the explanatory certificate of a veterinary surgeon); or (3) by its becoming ineligible for the class in which it has been entered, or other reasonable cause. In addition to the fine aforesaid the Council may debar the entrant from taking part in any future exhibition by the Society.

All exhibits must be placed where directed by the Secretary or his deputy, and (except live stock, in accordance with Regulation 39) must not be removed from their Classes during the Exhibition without the written consent of the Secretary being first obtained.

The Owner or Exhibitor of any exhibit or stand of exhibits disapproved of as an exhibit by the Council of the Society, must, immediately upon notice to that effect, remove such exhibit or stand of exhibits from the Society's Grounds. The Council reserves the right to decline to receive entries in future years from any person who exhibits stock that is not up to a satisfactory standard, that is not exhibited in reasonable Show condition, or that is not given proper attention during the Show.

Exhibits must not be rugged and horses must not wear spats during the hours the Show is open to the public, and the upper portion of horse boxes outside the pavilion must remain open during those hours. Exhibitors will be liable to a fine of ten shillings for every infringement of this regulation.

Exhibitors must keep the stalls allotted to their animals clean and give proper attention to their stock right throughout the Show.

No bedding other than straw or hay, may be used in any boxes or stalls.

Any exhibitor or his employee putting manure out of a box, stall, or pen, or putting out a trough, or cleaning out an alley way after 8 a.m. on a Show day shall be liable to a fine of ten shillings.

No advertisement of notice (except by permission of the Council) is permitted on any stall or building.

Winners of Consolation Saddle Classes are eligible to compete in Novice Classes.

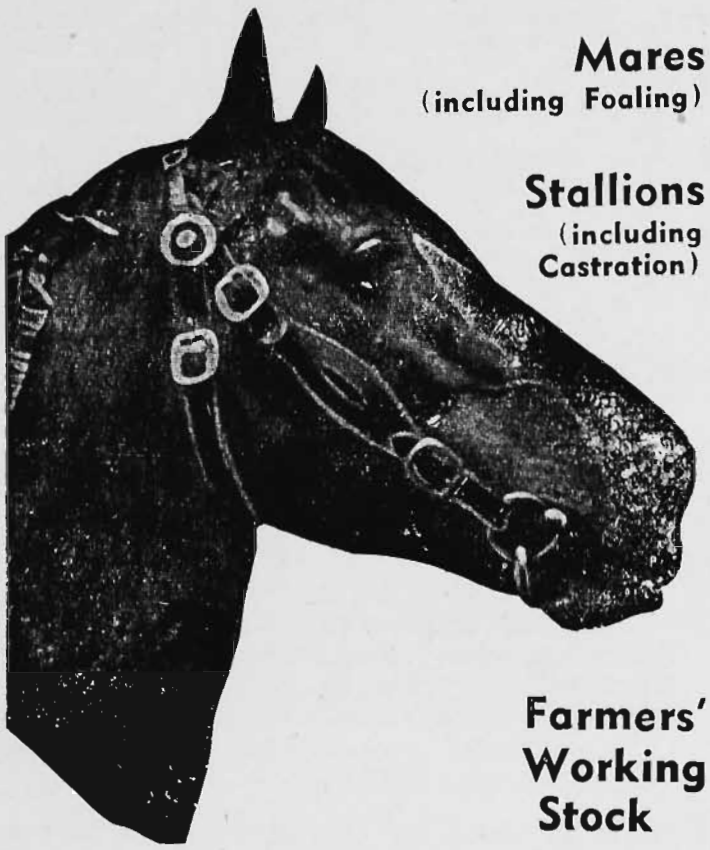

The General Regulations and regulations appearing at the heading of each section and the conditions on the entry form also form part of the conditions of entry.

TRUCKS, TRANSPORTS AND CARAVANS.

Motor vehicles, including trucks and stock transports, will not be permitted to remain on the Show Grounds after unloading. They must be removed immediately, and will not be readmitted until after 12 noon on Friday, 28th September, to load for the return.

Caravans will not be admitted to the Show Grounds.

*Denotes Special Class.

An exhibit may only be entered in one ordinary class in each of Sections 5, 6, 7 and 8 and in as many Special Classes as it is eligible to compete in Sections 5, 6, 7, 8 and 9.

An exhibit cannot be entered in a Special class unless it has been entered in an ordinary class in the same section.

An exhibit must compete and qualify in an ordinary class before becoming eligible for Champion Prizes.

(Stallions are not eligible to compete in this Section. Dressage Classes excepted).

All animals entered in this Section must be registered in the Equestrian Federation of Australia's Register. For particulars regarding registration apply to the Secretary Equestrian Federation of Australia, (Victorian Branch) 422 Collins Street, Melbourne, C.1.

Where height is stipulated, horses must be measured, and an exhibit over or under the specified measurement may be transferred to its correct Class. Where a definite weight is specified, the horse must, in the opinion of the judge, be suitable for carrying such weight.

All horses in the 14-st., 12-st. and 10-st. Hack Classes must be paraded before judging, when the Judge will classify them into their various classes in the following way:— The horses entered for 14-st. Hack shall be paraded, when any horse too light in the opinion of the Judge, shall be transferred to the 12-st. Class. Those entered in the 12-st. Class shall be next paraded, when the Judge shall class out any he considers too heavy or too light, and shall transfer the heavy to 14-st. and the light to 10-st. Class. Those entered for the 10-st. Class shall be paraded, and the Judge shall class out all considered too heavy, and transfer to 14-st. or 12-st. Class, as the case may be. Judging will then commence with the 14st. Class.

NOVICE TEST

Comments

1. ENTRANCE. This should be straight down the centre line. The trot should be active and the horse well on the bit and the head perfectly steady. The transition to the halt should be progressive—one or two paces at the walk—and the horse should stand square, hind-legs well under the body with the weight equally distributed on all four legs. The rider's body should be directly over the point "X" and one fore-leg and one hind-leg of the horse on each side of the white line.

To obtain a good entrance it is essential to start the trot outside the arena and get the horse going well. It is very difficult to obtain a good entry if the rider stands still near the entrance until the signal to enter is given or walks to the entrance, this method will generally result in a "wobbly" start and the horse will give the appearance of being pushed instead of going freely forward.

Great attention must be paid to the halt. The rider must on all occasions during training insist that the horse is halted squarely on all four legs with hind-legs well under the body so that in the end it will become a habit to stand thus.

If the rider feels that the horse is resting one leg, or is not standing square he must rectify it; a well corrected fault is always marked more generously than an uncorrected one.

The halt should be well established and consist of not less than four seconds. It is a bad fault to allow the horse to drop his weight on to his forehand and sink his head and a worse one to hollow his back and throw his head up.

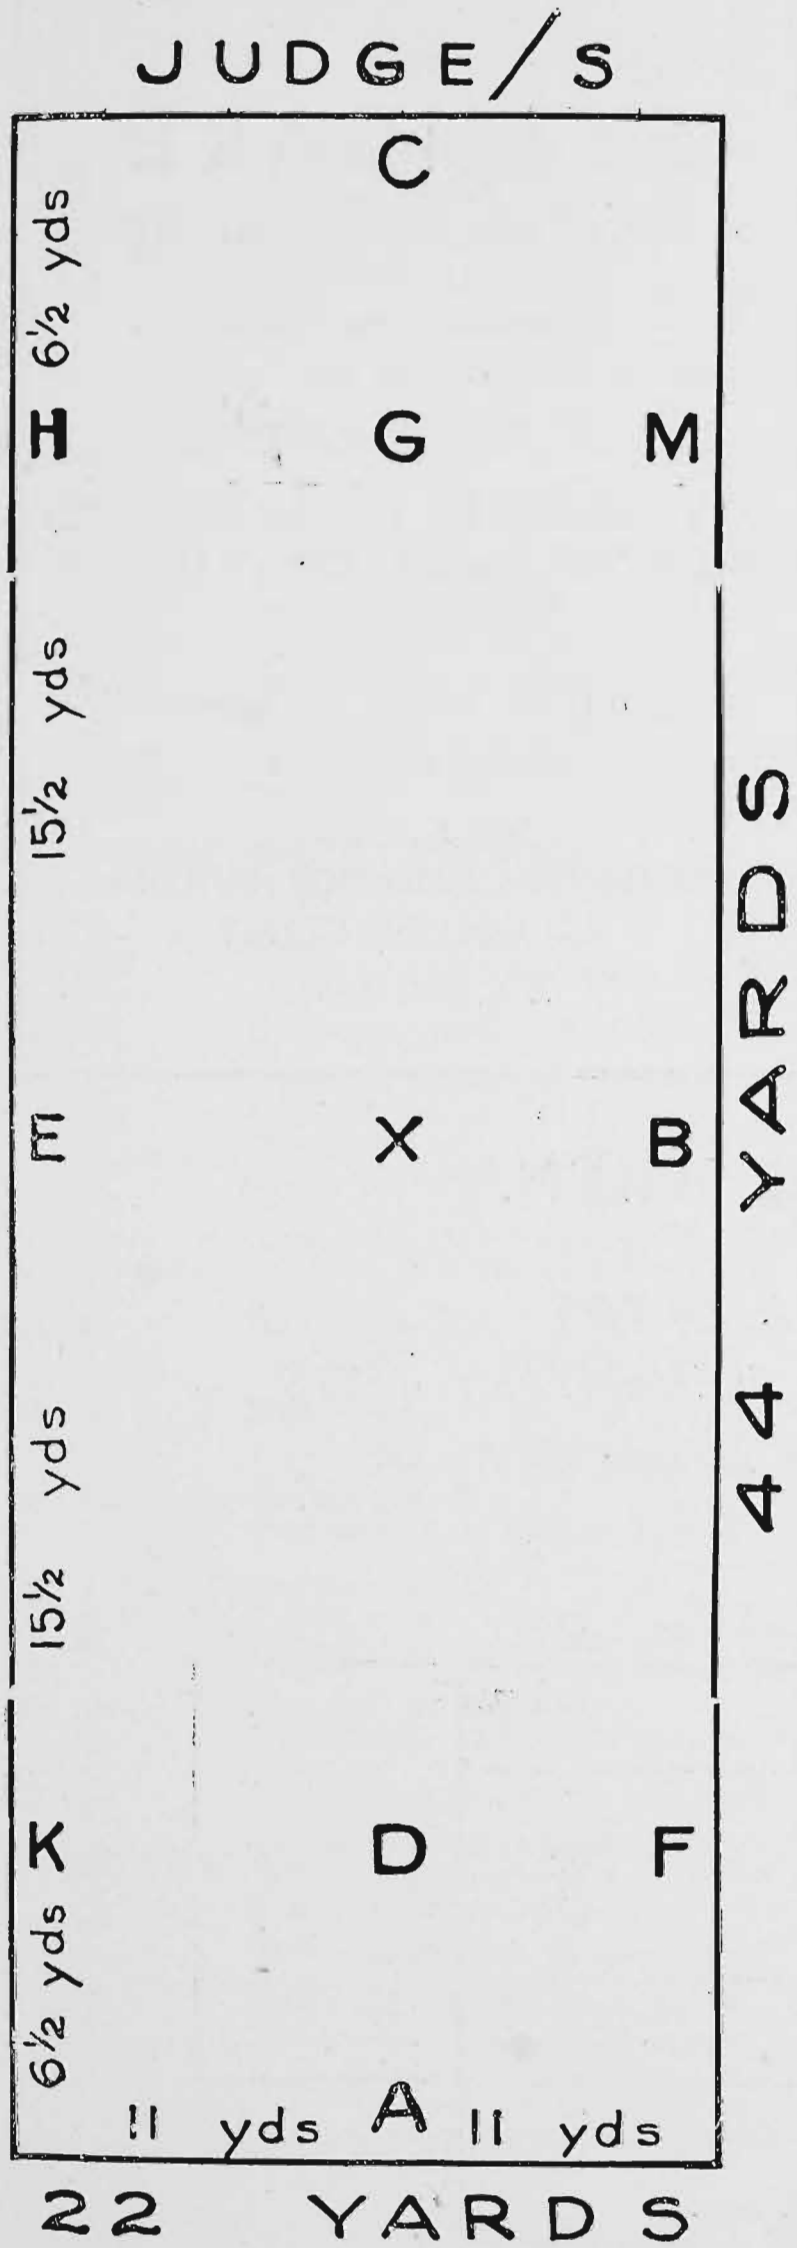

Throughout the test the halt is most important as a correct "move-off" or a correct turn on forehand or haunches is not possible without a correct halt.

Look the Senior Judge straight in the face with a pleasant expression when you salute just as if you were taking off your hat or bowing to someone you were really pleased to meet.

Get hold of your horse before you move-off and make sure that he starts in the correct pace and keeps straight and does not throw up his head.

2. AT "C" TURN RIGHT. Be careful not to make an abrupt turn and use plenty of inside leg to make sure the horse is bent in the direction to which he is going, hold the bend through the corner and move smoothly away from the side at "M". Take up some mark beyond "K" and keep that mark and "K" in a straight line to ensure you are moving straight. Take up the new bend on arrival at "K" and hold it through the corners.

SIZE AND MARKINGS OF THE ARENA

3. ORDINARY TROT RISING. Sit down in the saddle and with your seat and legs push the horse into a trot, do not lean forward, do not start to rise until you have got the trot established which should be in one or two strides. The horse should be taught to go forward at a light pressure of the legs and all flapping of the legs must be avoided. Start preparing the horse by creating increased impulsion a stride or two before reaching "F" to prevent the element of surprise and ensure a smooth transition. Keep your hands still and the horse's head steady; it is a bad fault if the horse pokes his nose or throws his head up.

In the extended trot try to make the horse lengthen his stride without increasing the pace of his steps. Keep the pace up round the corners and on the short side of the arena. Do not try to push the horse too much into the corners, it is better to make a wide turn keeping the right bend and cadence than to make sharp corners by pulling on the outside rein and losing them. The better the horse is trained the sharper the corners can be made holding the cadence and bend, but in a Novice Test the horse is not expected to move through acute corners.

4. SLOW TROT SITTING. Come back to the slow trot as smoothly as possible, let there be a decided change in the pace but maintain the activity. The slow trot is the beginning of collection and the horse must be pushed well up to the bit, the action should be somewhat rounder and higher, it must not be allowed to deteriorate into a "sloppy" trot. Care must be taken that the action of the bit must not be so strong that the horse's head is brought back to the perpendicular.

The Circle must be a true Circle and not approximating to a square by remaining too long on the track on the long sides.

5. CANTER AT "C". Prepare the horse a stride or two before coming to "C" by creating increased impulsion, make sure that you do not lose your bend, do not look down or lean forward and give your aid a stride before reaching "C". The same remarks apply in the canter-circle as in the trot-circle.

6. EXTENDED CANTER. Sit well down and drive the horse into longer strides, do not lean forward nor stand in the stirrups. Be careful the horse does not bring his quarters in, this can be prevented by bringing the forehand a little more to the inside of the track Maintain the pace and correct bend through the corners. In reducing the pace bring the horse back smoothly being careful to maintain a steady head carriage and hold the quarters straight.

7. TURN ON THE FOREHAND. Make a definite halt as directed in para. 1. with rider's shoulders in line with the "E" marker. Keep the hands steady and firm to prevent the horse from going forward, with the right leg the rider should move the horse's quarters round the forehand, the inner (right) fore-leg being the pivot.* The horse's head may be slightly flexed to the right but the neck must not be bent. The hind-legs should move in regular and even steps, the right hind-leg moving over and in front of the left.

The rider's left leg controls the movement, prevents the horse from turning too far and sends him forward as soon as the turn is completed. The horse's inner fore-leg should remain on the same spot, he should not step forward.

8. THE REIN-BACK. Make a definite halt with the rider's shoulders in line with the "C" marker, and by pressing the horse into a fixed hand, make him step back the required distance. The diagonal legs should move together in two-time. The horse should not sit on his haunches and drag the hind feet back, he should slightly lower his head and round his back and pick the feet well off the ground He should not run back out of hand but move backwards in a balanced manner keeping parallel to the side of the arena and as soon as the required distance has been covered move immediately forward without any halt.

9. SAME AS No. 7 WITH AIDS REVERSED.
*(Note: The inner leg is the one on the side to which the horse is turning or is bent.)

10. FREE WALK. In the free walk with a loose rein the horse should stretch his neck forwards and downwards, lengthen the stride and walk steadily forward, the rider having no contact with the horse's mouth through the reins.

11 to 14. THE SAME AS Nos. 3 to 6 WITH AIDS REVERSED.

15. Commence the turn before arriving at "A" so as to complete the turn and straighten absolutely on the line "A"-"C", taking care not to overshoot the line. Salute as advised in para. 1. and allow the horse to walk out with a loose rein.

Comments.

1. Entrance as in Class N Test No. 1.

All movements in Elementary tests may be progressive unless otherwise stated. It is therefore, better to put in one or two strides at the walk and get the "move-off" smooth and straight, than to try to break straight into the trot and cause the movement to be rough and crooked.

2. As in Class N Test, in the extended trot make the horse lengthen his stride and let there be a definite difference between the extended and the ordinary trot. Be careful to maintain the cadence throughout the transition and the correct bend round the corners. Keep the ordinary trot lively though with shortened strides and the same cadence.

3. Make good wide loops, making sure you go right up to the side line. It is better even to come back a little at the end of each loop as you pass the centre and then change the bend smoothly. Keep the slow trot active (see diagram 1).

4. As for 2.

5. In the halt, the horse must stand absolutely still on all four legs, on the track parallel to the long side and remain on the bit. Count six slowly. The horse must move off smoothly, remaining on the bit without throwing up his head.

6. See Class N Test No. 10.

7. See Class N Test No. 8.

8. Make a definite halt with rider's shoulders opposite "E". Turn about on the haunches, the inside (left hind-leg) being the pivot. The fore-legs performing a semi-circle with even strides round this pivot. The right fore-leg moving over and in front of the left. The pivoting leg when raised should be replaced on the same spot, it is a bad fault if it is drawn back. The horse should be flexed in the direction of the turn,

but the neck should not be bent. The rider's right hand should not be carried across the withers. As soon as the turn is completed and the horse parallel to the long side he should proceed at once at the walk. After three or four strides at the walk break into the canter. Here the transition should not be progressive as it definitely lays down that the canter be done from the walk. Be careful to avoid the quarters coming in and the head being bent out or thrown up.

9. Be sure that the circle is round and goes well up to, but not beyond the quarter line between "X" and "E". There should be no variation in the pace. The horse should be flexed in the direction to which he is going and the hind-legs follow in the tracks of the fore-legs.

A very common fault is that the second half of the circle is flatter than the first; it is better to err in the other direction as if the second half of the circle is flat it makes a more abrupt return to the long side and prevents it from being smooth.

10. See Class N Test No. 6.

11. Come smoothly away from the short side at "A", make the loops well up to but not beyond the quarter lines and maintain the same bend throughout. The horse should always be bent to the leading leg whether cantering false or true. Be careful not to get on two tracks and be sure to make all three loops the same size.

12. As in No. 8 but with the aids reversed.

13. As in No. 9 but with the aids reversed.

14. As in No. 10 but with the aids reversed.

15. As in No. 11 but with the aids reversed.

16. The old canter should be continued to within six feet of "X" and the change produced progressively, i.e., through the trot. There should be at least one stride at the walk and the new canter obtained from the walk not more than six feet beyond "X". The horse's body must remain straight on the diagonal line throughout.

17. As in No. 16.

18. As in Class N Test No. 15, with the exception that here, after the salute, the horse must move off with a loose rein straight towards the judges at "C". The aid to turn to the right may be given by a slight contact of the right rein, the horse then being allowed to walk up the long side with a loose rein.

19. The horse should go freely and actively forward, maintaining activity and cadence in all paces, with smooth transitions. Good and steady head and tail carriage, no raising or beating of the head, no tail swishing. Clear four-time walk evenly spaced. Springing activity from one diagonal to the other in the trot. Canter definitely three-time and straight.

20. Rider's body should be upright with seat well down in the saddle and should be still, the hands and the legs steady. The hands must always remain on their own side of the horse's neck with the elbows close to the sides and the legs should never be in front of the perpendicular. The heels well down even when giving aids and knees turned well in to the saddle. All aids should be correct and as invisible as the training of the horse permits.

JUMPING COMPETITIONS.

The Steward in charge has been authorised to scratch any horse if it is not ready to compete at the time directed by the stewards.

Owners desirous of scratching their horses for any event must do so with the Hunter's Shed Steward at least two hours before the advertised time of starting. Failure to comply with this regulation will render exhibitors liable to a penalty of 10/- for the first offence and £1 for second or later offences.

All entrants in saddle and contest sections must state performances of horse or pony on the entry form. Immediately after the close of entries, the Horse Committee will go through all forms, and from the information supplied will determine which entries will be accepted, and for which animals accommodation will be provided. In this connection, first preference will be given to approved animals from other States. All entrants will be notified of the Committee's decision, and all fees paid on any entries not accepted will be refunded. In all Jumping Contests competitors may be limited to 30.

All animals entered for Jumping Competitions Groups A, B, C, D, E and F, must be registered in the Equestrian Federation of Australia's Register. For particulars regarding registration, apply to the Secretary, Equestrian Federation of Australia (Victorian Branch), 422 Collins Street, Melbourne.

Competitors in jumping competitions must compete in the order directed by the steward in charge.

Exhibitors will please note that entries should not be made for individual classes except for those in Groups E and F.

The jumping section is divided into groups.

Group A, is for horses judged by the Committee to be worthy of inclusion in that Group.

Group B, is for horses whose past performances indicate that they are not up to the standard of Group A.

Group C, is for ponies and galloways judged by the Committee to be worthy of inclusion in the group.

Group D is for ponies and galloways whose past performances indicate that they are not up to the standard of Group C.

Group E is for qualified hunters.

Group F is for Section fours, trios, and special competitions.

In Group A there will be 6 single events.
In Group B there will be 5 single events.
In Group C there will be 5 single events.
In Group D there will be 4 single events.

Intending competitors in Groups A, B, C and D will not enter for classes by number but simply indicate the number of classes in which they desire to compete.

The Committee after studying the performances will grade the horses and allocate them to the various classes.

In Group E (Qualified Hunters) exhibitors will enter their horses for the class or classes in which they wish to compete.

Exhibitors wishing to enter in the teams and section four events will enter in the class or classes in which they wish to compete. (In these classes horses may be made up into teams, irrespective of the group in which they may be graded.

In Group F there will be no grading and intending exhibitors will enter their ponies and galloways for the classes in which they wish them to compete.

Please note that ponies and galloways 14 hands 2 inches and under may compete only in Group C, D and F.

Entry fees must be forwarded with entry forms for jumping competitions. After entries have been graded they will be allotted to classes and refunds made in respect of those not accepted.

Competitors in all jumping competitions will ride at catch weights unless otherwise stated. In classes where a minimum weight is specified, loss of weight entails elimination. Weighing-in is obligatory before and after such competition, and must be carried out in the presence of the official appointed Clerk of Scales for the Show.

All jumping competitions are for amateur or professional riders unless otherwise stated.

Owners entering their horses or ponies do so entirely at their own risk, and it is a condition of entry that no liability of any kind attaches itself to the Society, its Council officers, officials or members in any respect whatsoever, other than the liability for refund of entry fees in the event of abandonment of any competition.

Male or Female riders may take part in all events unless otherwise stated.

All events to be run over course and obstacles as the Council may decide.

R. G. HAM, Secretary,
National Bank Chambers, Pall Mall, Bendigo.

REFUSAL: 3 Faults for 1st: 6 for 2nd: Elimination for 3rd.

(a) If, in the opinion of the Judge (s), the Horse/Pony is presented at the fence and refuses to attempt to jump, or runs out at the side, it shall count as a refusal, whether the fence is knocked down or not.

If the fence is knocked down it shall be put up again before the rider makes another attempt. The rider should not continue his/her round until the Judge(s) gives the signal. Should a competitor, who has knocked down a fence when refusing, deliberately jump that fence before it is re-set, he/she will be eliminated.

If the Horse/Pony, in attempting to refuse, slides into the obstacle, pushing it down, and its hind-legs cross the line, it shall count a jump and 4 faults be scored. If, however, the Horse/Pony stops before the hind-legs cross the line of the jump, and is taken back, it shall count as a refusal, 3 faults.

IF THE HORSE/PONY, AFTER REFUSING, IS PUSHED THROUGH THE FENCE, the FAULTS MADE WILL BE ADDED TO THOSE FOR THE REFUSAL. When the obstacle is composed of more than one element to be taken in a single jump or leap by the Horse/Pony (i.e., Double Oxer, Parallel Bars, Triple Bars, etc.) the line shall be deemed to be that of the element nearest the take-off side of the obstacle.

(b) Showing an obstacle to the Horse after a refusal and before resuming the course incurs elimination.

(c) Should a competitor, on entering the Ring, show his Horse an obstacle before commencing the round, he will be eliminated.

(d) If a Horse, when refusing an obstacle, knocks down the obstacle and jumps it before it is re-set, he will be eliminated.

(e) IF A HORSE REFUSES AND SLIDES THROUGH THE OBSTACLE, THE COMPETITOR MUST RETURN AND AWAIT THE RESETTING OF THE OBSTACLE AND THEN RE-JUMP IT. SHOULD HE CONTINUE WITHOUT ATTEMPTING TO RE-JUMP THE OBSTACLE HE WILL BE ELIMINATED.

RUN OUTS:

(a) A Horse is considered to have run out if he JUMPS THE WINGS, FLAGS, SHRUBS OR OTHER MARKS SHOWING THE LIMITS OF THE OBSTACLE.

(b) A run out is penalised as for a refusal, but should the competitor fail to attempt to re-jump the obstacle he will be eliminated.

REFUSALS AT A DOUBLE OR TREBLE:

Clearing an obstacle which is a Double or a Treble constitutes a particular test, and the fences cannot, therefore, be separated.

Consequently, if a Horse refuses, runs out, or falls in between any of these obstacles, the rider is obliged to start over again from the first of these fences.

All faults, including refusals at each fence during the various attempts, will be totalled up.

The complete Double or Treble should be numbered as one obstacle only.

TIME:

(a) Unless otherwise stated in the conditions of the Class the "Time Allowed" for the course will be announced before each event.

(b) THE "TIME LIMIT" IS TWICE THE "TIME ALLOWED".

(c) FAULTS FOR TIME:—FOR EVERY SECOND OR PART OF A SECOND EXCEEDING THE "TIME ALLOWED" ¼ FAULT. EXCEEDING THE "TIME LIMIT". ELIMINATED.

JUMPING-OFF:

In the event of equality of faults for first place there will be ONE jump-off.

In the event of equality of faults in the jump-off, time will decide.

Ties for lower awards not taking part in the jump-off will divide the prize-money.

EXCEPTIONS TO THIS RULE WILL BE CLEARLY STATED IN THE CONDITIONS OF THE EVENT CONCERNED.

GROUP A

Competition in classes in this group is open only to horses whose past performances, in the opinion of the Committee, warrant their inclusion in the group.

Horses graded "A" may not compete in Groups "B," "C" and "D," but they may compete in Groups "E" and "F" (Qualified Hunters, Section Fours, etc.).

243. *ONE RIDER AND TWO HORSES JUMPING COMPETITION. Special prizes, £55. First prize, £35; Second prize, £12; Third prize, £5; Fourth prize, £3. Entry fee, £1/10/- per horse. Members, £1. For horses, galloways and ponies. To be tried over such course as the Council may decide.

CONDITIONS

No rider may ride more than two teams. Horses, galloways or ponies competing in this contest need not necessarily belong to the same owner and are nominated singly. Owners may "pair up" prior to competing but the Secretary must be advised of the pairings on the day prior to the event.

Contestants will enter the arena riding the horse which is to compete first and leading the other horse, which will be held by an Arena Official. The Contestant is required to jump the Course, return to the change over ring, dismount, mount the second horse and again complete the course.

The time will be taken from the time the Contestant passes through the starting flags on the first horse until he or she passes through the finishing flags on the second horse.

The pair of horses with the least aggregate number of faults will be declared the winning team.

Should there be a tie for first place, an elected horse from each team will jump-off over the course. Should there be a tie in the jump-off, placings will be determined on time.

Ties for lower awards not taking part in the jump-off will divide prize money.

Contestants will be disqualified if the first horse is dismounted or the second horse mounted outside the area allotted for the purpose.

In the event of a team separately owned winning, the prize will be divided.

Entry fee, £1/10/-; Members, £1.

JUMPING-OFF

In the event of equality of faults for first place there will be a jump-off over a course of which certain obstacles may be heightened or enlarged.

If after this jump-off there is still a tie for first place, a second jump-off will take place over a course reduced in the number of fences—some obstacles may be heightened or enlarged—and in the event of equality of faults in this jump-off, time will decide.

Ties for lower awards not taking part in the second jump-off will divide the prize-money.

CATTLE

STEWARDS IN CHIEF:
Beef Cattle: L. M. DUGDALE, Esq.
Fat Cattle: JOHN BOTT, Esq.
Deputy: J. COLECHIN, Esq.
Dairy Cattle: K. McGARVIE, Esq.
Deputy: G. P. H. WILSON, Esq.

The breeding year for Dairy Cattle dates from 1st July in each year.

Cow or Heifer entered as "in milk" can be transferred to the "in calf" class, if she has not calved prior to judging, or vice versa.

Cows or Heifers entered in the "in calf" classes must be stripped out prior to entering the judging ring.

Judges have the right to order any Cow competing for Championships to be milked dry before finally awarding the prizes.

In all Sections feed sheds are available for exhibitors. Charge, 12/6 during the currency of the Show. Feed-mixing bins may be hired for 2/6 each. Exhibitors are not permitted to stack feed in the Cattle Pavilions.

Cows and Heifers in milk entered in all Dual Purpose and Dairy Breeds Sections must be at the grounds on Wednesday, 19th September, and be fully milked out by 4.30 p.m., at which time they will be stripped out in the presence of the Stewards, or whom they may appoint. They will be judged first on Thursday morning. The owner or his representative must be in attendance when females are being stripped out, and the exhibits which are to receive such attention must be in readiness in the stalls allotted to them. All other cattle must be at the grounds before 9 a.m. on Thursday, 20th September.

Entries are accepted on the distinct understanding that stock may not be removed from the Show Grounds until after 12.30 p.m. on Friday, 30th September.

Unless authorised by the Society no livestock will be permitted to enter the Grounds other than those entered for exhibition.

Entries of milking stock (Sections 16 to 23 inclusive) will only be accepted subject to the following regulations regarding the disposal of milk.

In order that the Society can comply with the provisions of the Dairy Supervision Act, exhibitors are not permitted to dispose of milk prior to and during the currency of the Show, either by sale or gift, other than to the Society's agent, who is situated at the Milk Room (beside the No. 1 Cattle Pavilion). All milk will be purchased according to butter-fat value, based upon a complete test of the bulked milk, and returns forwarded to exhibitors after the Show. No milk will be paid for unless approved milk utensils are used and hygienic methods are adopted.

The conditions governing the number of entries permitted will be found at the head of each breed section.

Only one exhibitor will be recognised as an owner from any one holding, and any exhibitor who enters, or permits the entry of any of his stock, in the name of any other exhibitor, shall be disqualified.

Any exhibitor who shall, without due cause, fail to parade any animal before the Judge, when required so to do by the Steward of the Section, shall be liable to a fine of £1.

Parades.—Prize-winning cattle only will be permitted to take part in parades. All prize-winning cattle must be taken out on parade, in accordance with the printed programme. Exhibitors shall be subject to a fine of ten shillings in each case in which this regulation is not complied with, and shall also be liable to forfeit the prize or prizes awarded to their exhibit or exhibits. All cattle parading must wear exhibit numbers. No ribbons will be permitted on exhibits except those won during the Show.

If, in the opinion of the Secretary, any exhibit or exhibits of stock be deemed to be dangerous, the owner of such exhibit or exhibits shall immediately, upon notice to that effect, remove such exhibit or exhibits from the Society's Grounds.

All male exhibits of Cattle over the age of 12 months shall be rung through the nose and when on parade or going to and from the parade shall be led by such ring.

All females must be provided with effective halters and be thoroughly broken to lead. Exhibitors will be liable to a fine of £2 for every infringement of this regulation.

Each exhibitor is required to see that each of his exhibits is securely tethered in its stall. Every poll bull and every wholly or partially dehorned bull entered in the Beef & Dual Purpose Sections, must be securely tethered by an effective headstall in addition to a nose ring or neck rope.

All bulls exhibited in the Dairy Sections shall be tethered by the nose ring in addition to the headstall or neck rope.

If, in the opinion of the Secretary, exhibits in this Section be deemed to be deformed, the owner or owners of such exhibit or exhibits shall, upon notice to that effect, remove such exhibit or exhibits from the Show Grounds.

Any animal offered for sale may wear, in the sale ring, only those ribbons won in single competition.

Exhibitors are permitted to display cards over the stalls stating that an animal is for private sale; such cards not to exceed 12 in. x 10 in.

A commission of 1 per cent. shall be paid to the Society in respect of all stock sold on the Show Grounds.

Except where otherwise determined by Council, all cattle must be certified Tuberculosis free. Animals from herds listed as accredited or in process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be Tuberculin tested within ninety days prior to opening date of the Show. Certificates for these individual tests must accompany entry forms.

Attendants leading stock in the judging ring or on parade must wear uniform grey coats, which can be secured from the Society.

Entries will only be received subject to the rules and regulations of the Society and the decisions of the Council. All exhibits must be the bona fide property of the exhibitor or held by the exhibitor under a written lease recognised by the Society at the time of entry.

The foregoing clause regarding leases does not apply in the Ayrshire Section. All exhibits in that section must be the bona-fide property of the exhibitor.

No exhibit may be entered in more than one ordinary class unless otherwise stated at the head of the section. Sweepstakes, special classes or championship prizes do not count as ordinary classes. Thoughout the schedule special classes are denoted with a star (*). Should an exhibit be incorrectly entered in more than one ordinary class, such exhibit shall be deemed ineligible to compete in any class other than the first in which its name or particulars appear in the Show Catalogue.

The Council reserves the right to reject at any time any entry or prohibit any person or animal from competing in any class.

When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

All entries must be made in writing on forms supplied by the Society. Entries for all cattle and goat sections must be in the hands of the Secretary, at his office, Temple Court, 422 Collins Street, Melbourne, on or before 12 noon on Saturday, 21st July. Entry fee must accompany each entry.

The Society's Veterinary Surgeon's decision regarding age shall be final.

All male animals competing in the breeding classes must be completely entire. Any male animal in the breeding classes not deemed to be completely entire by the Society's Veterinary Surgeon may not compete or be offered for sale on the Show Grounds. Any marks of speying on females shall disqualify them from competing in such classes.

Entry tickets will be issued about a week before the Show opens. The entry ticket of each exhibit shall state the number of its box, stall, pen or stand, as the case may be, which shall correspond with its number in the official catalogue, and if the box, stall or pen be not occupied by such exhibit by noon on the first day of the Show, the accommodation reverts to the Society. The entry ticket must be produced at the gate, when it will admit the exhibit and attendant to the grounds. It must be retained, and again produced when the exhibit leaves the yards. Attendant's passes will be issued by the Superintendent at his office on the Show Grounds.

In order to prevent the non-exhibition of animals which have been entered for the Show, thus causing unnecessary preparations, expense and disarrangement of the Show Yard, any person making an entry may be fined the sum of £1 for each entry of cattle not exhibited, and 10/- for each entry of goats not exhibited, unless a certificate under the hand of the Exhibitor or his authorised agent be lodged with the Secretary of the Society before the day of the Exhibition, certifying that such non-exhibition is caused by: (1) the death of the animal or animals; or (2) contagious or infectious diseases (confirmed by the explanatory certificate of a veterinary surgeon); or (3) by its becoming ineligible for the class in which it has been entered, or other reasonable cause. In addition to the fine aforesaid, the Council may debar the entrant from taking part in any future exhibition by the Society.

All exhibits must be placed where directed by the Secretary or his deputy, and (except in accordance with Regulation 18) must not be removed from their allotted places during the Exhibition without the written consent of the Secretary being first obtained.

The Owner or Exhibitor of any exhibit or Stand of exhibits disapproved of as an exhibit by the Council of the Society, must, immediately upon notice to that effect, remove such exhibit or stand of exhibits from the Society's Grounds. The Council reserves the right to decline to receive entries in future years from any person who exhibits stock that is not up to a satisfactory standard, that is not exhibited in reasonable Show condition, or that is not given proper attention during the Show.

Exhibits must not be rugged during the hours the Show is open to the public. Exhibitors will be liable to a fine of ten shillings for every infringement of this regulation.

Exhibitors must keep the stalls allotted to their animals clean and give proper attention to their stock right throughout the Show.

Any exhibitor or his employee putting manure out of a box, stall, or pen, or putting out a trough, or cleaning out an alley way after 8 a.m. on a Show day shall be liable to a fine of ten shillings.

No advertisement or notice (except by permission of the Council) is permitted on any stall or building.

No bedding other than straw or hay may be used in any box or stall.

The General Regulations and regulations appearing at the heading of each section and the conditions on the entry form also form part of the conditions of entry.

TRUCKS, TRANSPORTS AND CARAVANS.

Motor vehicles, including trucks and stock transports will not be permitted to remain on the Show Grounds after unloading. They must be removed immediately, and will not be re-admitted until after 11.30 a.m. on Friday, 28th September, to load for the return.

Caravans will not be admitted to the Show Grounds.
