

CATTLE

STEWARDS IN CHIEF:

Beef Cattle: L. M. DUGDALE, Esq.

Fat Cattle: JOHN BOTT, Esq.

Deputy: J. E. M. COLECHIN, Esq.

Dairy Cattle: K. McGARVIE, Esq.

Deputy: G. P. H. WILSON, Esq.

The breeding year for Dairy Cattle dates from 1st July in each year.

Cow or Heifer entered as "in milk" can be transferred to the "in calf" class, if she has not calved prior to judging, or vice versa.

Cows or Heifers entered in the "in calf" classes must be stripped out prior to entering the judging ring.

Judges have the right to order any Cow competing for Championships to be milked dry before finally awarding the prizes.

In all Sections feed sheds are available for exhibitors. Charge, 12/6 during the currency of the Show. Feed-mixing bins may be hired for 2/6 each. Exhibitors are not permitted to stack feed in the Cattle Pavilions.

Cows and Heifers in milk entered in all Dual Purpose and Dairy Breeds Sections must be at the grounds on Wednesday, 18th September, and be fully milked out by 4.30 p.m., at which time they will be stripped out in the presence of the Stewards, or whom they may appoint. They will be judged first on Thursday morning. The owner or his representative must be in attendance when females are being stripped out, and the exhibits which are to receive such attention must be in readiness in the stalls allotted to them. All other cattle must be at the grounds before 9 a.m. on Thursday, 19th September.

Entries are accepted on the distinct understanding that stock may not be removed from the Show Grounds until after 12.30 p.m. on Friday, 27th September.

Unless authorised by the Society no livestock will be permitted to enter the Grounds other than those entered for exhibition.

Entries of milking stock (Sections 17 to 24 inclusive) will only be accepted subject to the following regulations regarding the disposal of milk.

In order that the Society can comply with the provisions of the Dairy Supervision Act, exhibitors are not permitted to dispose of milk prior to and during the currency of the Show, either by sale or gift, other than to the Society's agent, who is situated at the Milk Room (beside the No. 1 Cattle Pavilion). All milk will be purchased according to butter-fat value, based upon a complete test of the bulked milk, and returns forwarded to exhibitors after the Show. No milk will be paid for unless approved milk utensils are used and hygienic methods are adopted.

The conditions governing the number of entries permitted will be found at the head of each breed section.

Only one exhibitor will be recognised as an owner from any one holding, and any exhibitor who enters, or permits the entry of any of his stock, in the name of any other exhibitor, shall be disqualified.

Any exhibitor who shall, without due cause, fail to parade any animal before the Judge, when required so to do by the Steward of the Section, shall be liable to a fine of £5.

Parades.—Prize-winning cattle only will be permitted to take part in parades. All prize-winning cattle must be taken out on parade, in accordance with the printed programme. Exhibitors shall be subject to a fine of ten shillings in each case in which this regulation is not complied with, and shall also be liable to forfeit the prize or prizes awarded to their exhibit or exhibits. All cattle parading must wear exhibit numbers. No ribbons will be permitted on exhibits except those won during the Show.

If, in the opinion of the Secretary, any exhibit or exhibits of stock be deemed to be dangerous, the owner of such exhibit or exhibits shall immediately, upon notice to that effect, remove such exhibit or exhibits from the Society's Grounds.

All male exhibits of Cattle over the age of 12 months shall be rung through the nose and when on parade or going to and from the parade shall be led by such ring.

All females must be provided with effective halters and be thoroughly broken to lead. Exhibitors will be liable to a fine of £2 for every infringement of this regulation.

Each exhibitor is required to see that each of his exhibits is securely tethered in its stall. Every poll bull and every wholly or partially dehorned bull entered in the Beef & Dual Purpose Sections, must be securely tethered by an effective headstall in addition to a nose ring or neck rope.

All bulls exhibited in the Dairy Sections shall be tethered by the nose ring in addition to the headstall or neck rope.

If, in the opinion of the Secretary, exhibits in this Section be deemed to be deformed, the owner or owners of such exhibit or exhibits shall, upon notice to that effect, remove such exhibit or exhibits from the Show Grounds.

Any animal offered for sale may wear, in the sale ring, only those ribbons won in single competition.

Exhibitors are permitted to display cards over the stalls stating that an animal is for private sale; such cards not to exceed 12 in. x 10 in.

A commission of 1 per cent. shall be paid to the Society in respect of all stock sold on the Show Grounds.

Except where otherwise determined by Council, all cattle must be certified Tuberculosis free. Animals from herds listed as accredited or in process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the De-

partment of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be Tuberculin tested within ninety days prior to opening date of the Show. Certificates for these individual tests must accompany entry forms.

Attendants leading stock in the judging ring or on parade must wear uniform grey coats, which can be secured from the Society.

Entries will only be received subject to the rules and regulations of the Society and the decisions of the Council. All exhibits must be the bona fide property of the exhibitor or held by the exhibitor under a written lease recognised by the Society at the time of entry.

The foregoing clause regarding leases does not apply in the Ayrshire Section. All exhibits in that section must be the bona-fide property of the exhibitor.

No exhibit may be entered in more than one ordinary class unless otherwise stated at the head of the section. Sweepstakes, special classes or championship prizes do not count as ordinary classes. Throughout the schedule special classes are denoted with a star (*). Should an exhibit be incorrectly entered in more than one ordinary class, such exhibit shall be deemed ineligible to compete in any class other than the first in which its name or particulars appear in the Show Catalogue.

The Council reserves the right to reject at any time any entry or prohibit any person or animal from competing in any class.

When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

All entries must be made in writing on forms supplied by the Society. Entries for all cattle sections must be in the hands of the Secretary, at his office, Royal Show Grounds, Epsom Road, Ascot Vale, W.2, on or before the time stated at head of each cattle section.

The Society's Veterinary Surgeon's decision regarding age shall be final.

All male animals competing in the breeding classes must be completely entire. Any male animal in the breeding classes not deemed to be completely entire by the Society's Veterinary Surgeon may not compete or be offered for sale on the Show Grounds. Any marks of speying on females shall disqualify them from competing in such classes.

Entry tickets will be issued about a week before the Show opens. The entry ticket of each exhibit shall state the number of its box, stall, pen or stand, as the case may be, which shall correspond with its number in the official catalogue, and if the box, stall or pen be not occupied by such exhibit by noon on the first day of the Show, the accommodation reverts to the Society. The entry ticket must be produced at the gate, when it will admit the exhibit and attendant to the grounds. It must be retained, and again produced when the exhibit leaves the yards. Attendant's passes will be issued by the Superintendent at his office on the Show Grounds.

In order to prevent the non-exhibition of animals which have been entered for the Show, thus

causing unnecessary preparations, expense and disarrangement of the Show Yard, any person making an entry may be fined the sum of £5 for each entry of cattle not exhibited, unless a certificate under the hand of the Exhibitor or his authorised agent be lodged with the Secretary of the Society before the day of the Exhibition, certifying that such non-exhibition is caused by: (1) the death of the animal or animals; or (2) contagious or infectious diseases (confirmed by the explanatory certificate of a veterinary surgeon); or (3) by its becoming ineligible for the class in which it has been entered, or other reasonable cause. In addition to the fine aforesaid, the Council may debar the entrant from taking part in any future exhibition by the Society.

All exhibits must be placed where directed by the Secretary or his deputy, and (except in accordance with Regulation 18) must not be removed from their allotted places during the Exhibition without the written consent of the Secretary being first obtained.

The Owner or Exhibitor of any exhibit or Stand of exhibits disapproved of as an exhibit by the Council of the Society, must, immediately upon notice to that effect, remove such exhibit or stand of exhibits from the Society's Grounds. The Council reserves the right to decline to receive entries in future years from any person who exhibits stock that is not up to a satisfactory standard, that is not exhibited in reasonable Show condition, or that is not given proper attention during the Show.

Exhibits must not be rugged during the hours the Show is open to the public. Exhibitors will be liable to a fine of ten shillings for every infringement of this regulation.

Exhibitors must keep the stalls allotted to their animals clean and give proper attention to their stock right throughout the Show.

Any exhibitor or his employee putting manure out of a box, stall, or pen, or putting out a trough, or cleaning out an alley way after 8 a.m. on a Show day shall be liable to a fine of ten shillings.

No advertisement or notice (except by permission of the Council) is permitted on any stall or building.

No bedding other than straw or hay may be used in any box or stall.

The General Regulations and Regulations appearing at the heading of each section and the conditions on the entry form also form part of the conditions of entry.

TRUCKS, TRANSPORTS AND CARAVANS.

Motor vehicles, including trucks and stock transports will not be permitted to remain on the Show Grounds after unloading. They must be removed immediately, and will not be re-admitted until after 11.30 a.m. on Friday, 27th September, to load for the return.

Caravans will not be admitted to the Show Grounds.

An exhibit cannot be entered in a Special class unless it has been entered in an ordinary class.

All cattle entered in this Section must be certified tuberculosis free. Animals from herds listed as accredited or in process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be tuberculin tested within ninety days prior to the opening date of the Show. Certificates for these individual tests must accompany entry forms.

Stewards: HARRY ROBB, Esq.

R. JOHN SCOTT, Esq.

Entries will be accepted on the understanding that should they be in excess of the accommodation, the number of exhibits will be reduced accordingly.

* Denotes Special Class.

A cattle exhibit can only be entered in one ordinary class.

An exhibit cannot be entered in a Special class unless it has been entered in an ordinary class.

No animal born after 31st December, 1956, may be exhibited in this Section.

Entries of milking stock will only be accepted subject to the Special Regulations regarding the

disposal of milk (see head of Cattle Section).

Cattle entered in this Section must be registered in a recognised Herd Book. For particulars of registration in the Dairy Shorthorn Herd Book of Australia, apply to the Secretary, The Dairy Shorthorn Association of Australia, Royal Show Grounds, Epsom Road, Ascot Vale, W.2.

Inspectors, appointed by the Dairy Shorthorn Association of Australia, will examine stock exhibited to ensure that all are tattooed in accordance with the Herd Book Regulations. Any found not to be correctly and legibly tattooed, or not up to Show condition, will be disqualified.

No dehorned bull may be exhibited in this Section.

The Dairy Shorthorn Judge will not penalise female exhibits because they are dehorned.

All prize-winning cattle must be paraded. (See Regulation at head of Cattle Section).

All cattle entered in this Section must be certified tuberculosis free. Animals from herds listed as accredited or in process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be tuberculin tested within ninety days prior to the opening date of the Show. Certificates for these individual tests must accompany entry forms.

Attendants leading stock in the judging ring or on parade must wear uniform grey coats, which can be secured from the Society.

(For particulars of conditions in Type and Utility Classes, see Section 25.)

Dairy Breeds

Section 20—

Australian Illawarra Shorthorns

Judge: H. W. GRAY, Esq.

Stewards: F. W. BEDWELL, Esq.

W. R. ROWAN, Esq.

The breeding year for dairy cattle dates from 1st July in each year.

Entries will be accepted on the understanding that, should they be in excess of the accommodation, teams in excess of 15 animals will be reduced to that number and should the number of animals entered throughout the sections still be in excess of accommodation, breed societies will be called upon to further reduce the entries.

Inspectors appointed by the A.I.S. Society (Vic. Branch) will examine the tattoo marks of all exhibits and any found to be not in order may cause the exhibit to be disqualified.

All exhibits will be inspected to ascertain that they are of a satisfactory standard. (See Regulation at head of Cattle Section).

* Denotes Special Class.

A cattle exhibit can only be entered in one ordinary class.

An exhibit cannot be entered in a Special class unless it has been entered in an ordinary class.

No heifers born on or after 1st July, 1956, may be exhibited.

No bulls born on or after 1st December, 1956, may be exhibited.

Entries of milking stock will only be accepted subject to the Special Regulation regarding the disposal of milk (see head of Cattle Section).

Cattle entered in this Section must be registered in the Australian Illawarra Shorthorn Herd Book or other recognised Herd Book. Animals under 12 months must be recorded as the progeny of registered parents. For particulars of registration in the Australian Illawarra Shorthorn Herd Book, apply to the Secretary, Victorian Branch, Australian Illawarra Shorthorn Society, Royal Show Grounds, Epsom Road, Ascot Vale, W.2.

All prize-winning cattle must be paraded. (See Regulation at head of Cattle Section).

All cattle entered in this Section must be certified tuberculosis free. Animals from herds listed as accredited or in process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be tuberculin tested within ninety days prior to the opening date of the Show. Certificates for these individual tests must accompany entry forms.

Attendants leading stock in the judging ring or on parade must wear uniform grey coats, which can be procured from the Society.

Cows entered in the "In Calf" Classes must be stripped out prior to entering the Judging Ring.

The Judge of Australian Illawarra Shorthorns will not penalise exhibits if they are dehorned.

GUERNSEYS

THE GOLDEN MILK
AND BUTTER BREED

There are now some 320 pure-bred herds in Victoria. This is a big gain from the handful of herds only 20 years ago . . . and is a tribute to performance reflected in:—

**7 Champion and 4 Reserve Champion Cow awards and
 2 Champion and 2 Reserve Champion Herd awards
 gained against all breeds under Victorian
 Standard Herd Test in the last two decades.**

In Western Australia, the breed had second top herd and second top average for all breeds last year and top herd this year.

In New South Wales, the winning team of six cows in the William Newcombe Memorial Cup competition averaged 556 lb.

For docility . . . high yield . . . quality milk and butterfat . . . long herd life . . . feeding economy . . . hardiness . . . YOUR BREED is the Golden GUERNSEY . . . the balanced dairy cow achieved by 10 centuries of selective breeding.

For breed data, inquire:

Certificates for these individual tests must accompany entry forms.

Attendants leading stock in the judging ring and on parade must wear uniform grey coats, which can be procured from the Society.

IN DAIRYING IT IS PRODUCTION THAT PAYS. THE PRODUCTION FOUND IN THE BIG YIELDS OF MILK AND BUTTERFAT THAT COME FROM FRIESIAN COWS SUCH AS ARE DEPICTED HERE.

FRIESIANS have for many years led all breeds easily in Victoria on milk production averages. They were second on breed butterfat averages in the 1955-56 Standard Herd Test.

This breed combines robustness, quiet disposition, long working life, and good residual meat value for cows cast-for-age and for steers. There is always a premium for in-calf FRIESIAN cows and heifers.

There are some 230 registered purebred herds in Victoria.

If two lactation periods are completed within the year the best will be the period considered.
- (3) **ANNUAL RESERVE CHAMPION COW.** A prize of £4 to be awarded in respect of the cow attaining second place under the conditions set out in (2).
- (4) **CHAMPION HERD.** A prize of £20 will be awarded in respect of the Herd giving the highest average butterfat production under the Rules during a year ending 30th June subject to the following conditions—
 - (a) The Herd shall consist of not less than 20 cows and at least 20 cows shall have completed their test lactation within the year.
 - (b) The Herd shall average 300 lbs. butterfat or more during that year.

The prizes for (2) and (3) will be awarded to the person in whose name the cow was tested for the whole or at least the first seven sub-periods of the award winning lactation or (in the event of the cow being sold prior to the seventh sub-period of such lactation) to the purchaser provided the cow then completes the lactation in his ownership.

The Home of the BRADWELL ROSEWELL (imp) Red Polls

Woodburn Rosella (from Woodburn Thelma) added to the great sire's record of BRADWELL ROSEWELL (imp.) by clearly winning the female championship at 1957 Sydney Royal Show.

In 1956, a son of Bradwell Rosewell, Woodburn Helmsman, was reserve champion at Sydney; Larkhill Perriot, a grandson, was junior and senior champion at Adelaide, where Camberwarra Venus, a daughter, was reserve junior champion; Woodburn Robin, a daughter, was reserve champion cow at Melbourne.

In 1955, Bradwell Rosewell sired the champion cow at Sydney, the champion and reserve cows at Melbourne, while the Woodburn-bred champion at Adelaide was from a daughter. The winning steer carcass at Melbourne over all breeds, 18 to 24 months, was by a son of Rosewell from a daughter that had given 432 lb. fat as a junior 4-year-old. This carcass also won at Smithfield.

BRADWELL ROSEWELL (imp), shown here in paddock photo as a 9-year-old. His dam was the noted Bradwell Rose Marie, London Dairy Show winner and dam also of Bradwell Rose Crown, highest priced bull of the breed at 1,600 gns. Rose Marie averaged 10,011 lb. milk, testing 4.21% on her first eight calves.

Sires also in use:

KIRTON CORONATION MONARCH (imp.)
LARKHILL IMPERTURBABLE, by Woodburn Imp,
three times Melbourne champion.

- The 19 Woodburn cows that topped all Victorian Red Poll herds in 1955-56 with an average of 8159 lb. milk testing 4.29 per cent. and 350 lb. fat, included 13 daughters of BRADWELL ROSEWELL.

Accredited T.B. Free Herd.

In order to prevent the non-exhibition of animals which have been entered for the Show thus causing unnecessary preparations, expense and disarrangement of the Show Yard, any person making an entry may be fined the sum of £1 for each entry of sheep not exhibited, unless a certificate under the hand of the Exhibitor or his authorised agent be lodged with the Secretary of the Society before the day of the Exhibition.

Disqualified sheep may not be offered for sale on the Show Grounds. Exhibitors of disqualified sheep may remove them from the Show Grounds.

or leave them in their pens. If sheep are left in the pens a notice carrying the words, "Rejected by Inspectors and not permitted to be offered for sale," must be erected over them.

Sheep in Sections 26 to 38 inclusive, must be penned before 2 p.m. on Sunday, 22nd September.

A ewe entered as "with a lamb of her own breed at foot" may be transferred to the Class provided for ewe of her age if she has not lambed prior to judging day, or vice versa.

All sheep entered in Sections 26 to 38 (inclusive) must be registered in the exhibitor's name and be the property of exhibitors registered in an approved public Flock Book. Only one exhibitor will be recognised as the owner from any one holding.

Exhibits in the wool are not eligible to be entered in the classes provided for shorn sheep, and if found to be so entered shall be removed from the yards.

All sheep in the British Breeds Classes (except shorn sheep): over 18 months old must have been fairly and evenly shorn between 1st August and 31st December, 1956. Date of shearing to be given on entry form. Corriedales must be shorn on or after 1st July, 1956.

Inspectors will examine all registered British Breeds, Corriedale, and Fat Sheep exhibited prior to judging and discard all not up to standard and those not shorn in accordance with the regulations.

Exhibits of shorn sheep must be closely and evenly shorn on or before 1st September, 1957. No Longwool sheep (except Romney Marsh) entered in a shorn class may have more than one and a half inches of wool on any part of its body at the time of inspection. No Romney Marsh entered in a shorn class may have more than one inch of wool on any part of its body at the time of inspection, and no shortwool sheep may have more than three-quarters of an inch of wool on any part of its body at the time of inspection.

Sheep not shorn in accordance with the above regulations, will be disqualified.

In shorn sheep classes the carcass will be taken into consideration as well as the type.

Sheep need not be entered by name or tag number, and no particulars other than the breeder's name and date of shearing will be published in the Show Catalogue.

Exhibitors must sign a statutory declaration to the effect that no sheep exhibited by them will be affected by foot-rot, or show any signs or symptoms of the disease at time of exhibition.

For particulars of registration in the Flock Book for British Breeds of Sheep in Australia, apply to the Secretary, Australian Society of Breeders of British Sheep, Show Grounds, Epsom Road, Ascot Vale, W.2.

For particulars of registration in the Australian Corriedale Flock Book, apply to the Secretary of the Australian Corriedale Association Show Grounds, Epsom Road, Ascot Vale, W.2.

Several feed sheds are available for exhibitors in the Sheep Sections. On application to the Secretary, sheds will be reserved. Charge: Five

shillings during currency of Show. Several large feed sheds are also available, and may be reserved on payment of 10/- each.

Judging of all Registered Sheep will commence at 9 a.m. on Monday, 23rd September.

STRAWING OF PENS.

The Society will arrange for the strawing of all Pens prior to the Show. Charges covering this service must be forwarded with entry fees. The charge for each pen will be 5/-.

TRUCKS, TRANSPORTS AND CARAVANS.

Motor vehicles, including trucks and stock transports, will not be permitted to remain on the Show Grounds after unloading. They must be removed immediately, and will not be re-admitted until after 12 noon on Friday, 27th September, to load for the return.

Caravans will not be admitted to the Show Grounds.

PIGS

Steward-in-Chief: J. M. GARDINER, Esq.

Entries are accepted on the distinct understanding that stock may not be removed from the Show Grounds until after 1 p.m. on Friday, 27th September. Pigs entered in Sections 42 to 47 must be penned not later than 12 noon, on Wednesday, 18th September.

Entries will only be received subject to the rules and regulations of the Society and the decisions of the Council. All exhibits must be the bona fide property of the exhibitor.

No exhibit may be entered in more than one ordinary class. Throughout the schedule special classes are denoted with a star (*).

The Council reserves the right to reject at any time any entry or prohibit any person or animal from competing in any class.

When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

All entries must be made in writing on forms supplied by the Society. Entries for the Pig Sections must be in the hands of the Secretary, at his office, Show Grounds, Epsom Road, Ascot Vale, W.2, on or before 12 noon on Saturday, 20th July. Entry fee must accompany each entry.

Entry tickets will be issued about a week before the Show opens. The entry ticket of each exhibit shall state the number of its pen, which shall correspond with its number in the official

catalogue, and if the pen be not occupied by such exhibit by 12 noon on Wednesday, 18th September, the accommodation reverts to the Society. The entry ticket must be produced at the gate, when it will admit the exhibit and attendant to the grounds. It must be retained, and again produced when the exhibit leaves the yards. Attendants' passes will be issued by the Superintendent at his office on the Show Grounds.

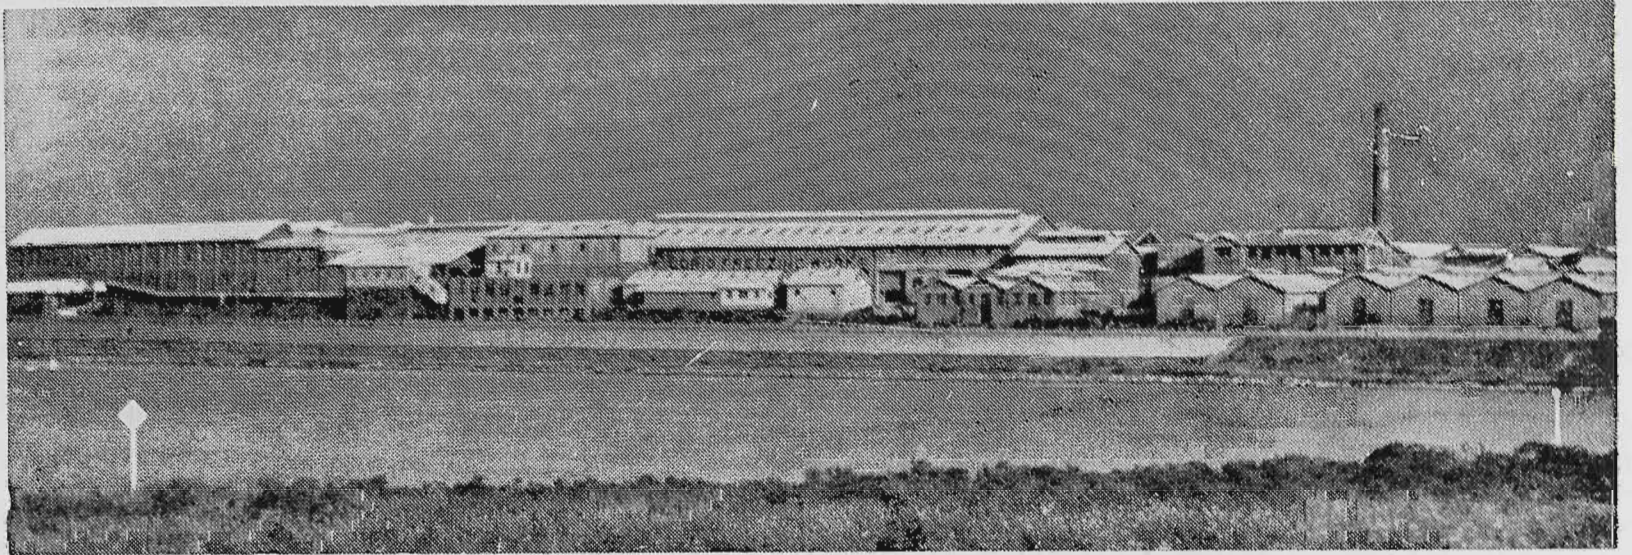

In order to prevent the non-exhibition of animals which have been entered for the Show, thus causing unnecessary preparations, expense and disarrangement of the Show Yard, any person making an entry may be fined the sum of £1 for each entry of pigs not exhibited, unless a certificate under the hand of the Exhibitor or his authorised agent be lodged with the Secretary of the Society before the day of the Exhibition, certifying that such non-exhibition is caused by—(1) the death of the animal or animals; (2) contagious or infectious diseases (confirmed by the explanatory certificate of a veterinary surgeon); or (3) by its becoming ineligible for the class in which it has been entered, or other reasonable cause. In addition to the fine aforesaid the Council may debar the entrant from taking part in any future exhibition by the Society.

Unless authorised by the Society no live stock will be permitted to enter the Grounds other than those entered for exhibition.

The Owner or Exhibitor of any exhibit disapproved of as an exhibit by the Council of the Society, must, immediately upon notice to that effect, remove such exhibit from the Society's Grounds. The Council reserves the right to decline to receive entries in future years from any person who exhibits stock that is not up to a satisfactory standard, that is not exhibited in reasonable Show condition, or that is not given proper attention during the Show.

All pigs will be inspected by a nominee of the Royal Agricultural Society of Victoria and a Veterinary Surgeon, and any pig not up to Show standard or in a fit state of health or not conforming with the Rules of the Royal Agricultural Society of Victoria and the Australian Pig Society will be rejected.

Exhibitors must keep the stalls allotted to their animals clean and give proper attention to their stock right throughout the Show.

No bedding other than straw or hay, may be used in any box or stall.

Any exhibitor or his employee putting manure out of a pen, or putting out a trough, or cleaning out an alley way after 8 a.m. on a Show day shall be liable to a fine of ten shillings.

No advertisement or notice (except by permission of the Council) is permitted on any stall or building.

The General Regulations and regulations appearing at the heading of each section and the conditions on the entry form also form part of the conditions of entry.

Age of all pigs to be calculated to 15th September in each year. The Society's veterinary surgeon's decision shall be final on all matters regarding age. Exhibitors may be disqualified and debarred from further competition for any breach of regulations regarding the age of exhibits.

In Sections 42 to 46 (inclusive) all exhibits over the age of four months must be registered in an approved Herd Book. Pigs in classes under the age of four months must be from litters notified in accordance with the Rules of the Australian Pig Society. In the Classes for sows with litters, the sire of the litter must also be registered, and the litter must have been duly recorded.

For particulars of registration in the Australian Pig Herd Book, apply to the Secretary, Australian Pig Society, Show Grounds, Epsom Road, Ascot Vale, W.2.

Pigs not registered prior to 15th July will only be permitted to be entered for the Show on payment of double entry fees.

Exhibitors must be financial members of the Australian Pig Society, whose herds must be accredited as Brucellosis-free by the Department of Agriculture.

All sows 9 months old or over must be in pig or have produced a recorded litter within 9 months prior to 15th September, 1957. The date of birth of such recorded litter must be stated on the entry form.

SPECIAL NOTE.—Exhibitors please note that birds MUST be penned before 9 p.m. Wednesday, 18th September.

In order to avoid disappointments, exhibitors are advised to despatch their birds so that they will arrive as early as possible on that day.

Poultry arriving at Spencer Street Railway Station on Wednesday, 18th September, will be picked up and conveyed to the Show Grounds by the Society's carrier.

Judging will be commenced at 9 a.m. on Thursday, 19th September. The pavilion will be open to the public from 9 a.m. until 9 p.m. from Friday, 20th September, to Friday, 27th September, and from 9 a.m. until 3 p.m. on Saturday, 28th September.

When forwarding poultry by rail, exhibitors are particularly requested to mark clearly in each compartment of the coop the exhibit number of the bird that was sent therein, so that the same arrangement of birds may be made for the return journey.

Metal leg bands bearing the pen numbers will be forwarded to exhibitors, together with entry tickets. These bands must be securely fastened to the legs of the birds in accordance with the exhibit numbers on the entry tickets.

Selling prices of all Poultry exhibits may be displayed on coops.

No exhibit may be entered in more than one class.

The Council reserves the right to reject at any time any entry or prohibit any person or bird from competing in any class.

When a special prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

In order to prevent the non-exhibition of birds which have been entered for the Show, thus causing unnecessary preparations, expense and disarrangement of the Show Yard, any person making an entry may be fined the sum of 10/- for each bird not exhibited unless a certificate under the hand of the Exhibitor or his authorised agent be lodged with the Secretary of the Society before the day of the Exhibition, certifying that such non-exhibition is caused by—(1) the death of the bird or birds; or (2) contagious or infectious diseases (confirmed by the explanatory certificate of a veterinary surgeon); or (3) by its becoming ineligible for the class in which it has been entered, or other reasonable cause. In addition to the fine aforesaid the Council may debar the entrant from taking part in any future exhibition by the Society.

Unless authorised by the Society no live stock will be admitted to the Grounds other than those entered for exhibition.

The owner or Exhibitor of any exhibit or stand of exhibits disapproved of as an exhibit by the Council of the Society, must, immediately upon notice to that effect, remove such exhibit or stand of exhibits from the Society's Grounds. The Council reserves the right to decline to receive entries in future years from any person who exhibits stock that is not up to a satisfactory standard, that is not exhibited in reasonable Show condition, or that is not given proper attention during the Show.

No advertisement or notice (except by permission of the Council) is permitted on any stall or building.

The General Regulations and regulations appearing at the heading of each section and the conditions on the entry form also form part of the conditions of entry.
