WITHDRAWAL OF ENTRY.—In order to prevent unnecessary preparation of cages, etc., the Society reserves the right to impose a fine of 10/- for each and every exhibit not exhibited unless notification of withdrawal from competition is sent the Society before the Show.

Entries must be made on forms supplied by the Society, and will only be received subject to the Rules and Regulations of the Society.

Exhibits must be bona fide property of the exhibitor at time of entry.

No bird may be entered in more than one class, and birds entered in wrong classes will not be judged, and the entry fees will be forfeited

Budgerigars, Canaries and Cage Birds must be delivered to the Superintendent at the Pigeon Pavilion on the Show Grounds not later than 9 p.m. on Wednesday, 18th September. Country and interstate exhibitors may make arrangements with the Society to receive their birds and return them after the Show.

Exhibitors must provide "standard" cages for their birds. Gummed labels to be affixed thereto will be supplied by the Society, and no addition must be made to these labels by exhibitors. In the event of an exhibitor adding to the information included on the label by the Society, the bird to whose cage this label is attached will be disqualified.

No bird suffering from any disease will be allowed to be exhibited.

Judging will be commenced at 9 a.m. on Thursday, 19th September, and, with the exception of those engaged by the Society, no person will be admitted to the Pavilion until judging is completed. The Pavilion will be open to the public from 9 a.m. until 9 p.m. on Friday, 20th September, and Saturday, 21st September.

During the Show the birds will be in the custody of the Society, and must not be touched or handled by the owner or any person, on any pretence whatever, without the permission of the Superintendent.

Exhibitors will not be permitted to remove their birds before 9 p.m. on Saturday, 21st September.

The Society will arrange for a competent person to feed and otherwise attend to the birds, and caretakers will be on duty in the Pavilion night and day during the currency of the Show.

Selling prices of all birds may be displayed on cages. Cards will be supplied free on application to the Superintendent, who will place them on the cages if requested by exhibitors who are unable to attend in person.

The greatest care will be taken of the exhibits, but the Society will not be responsible for any accident, mistake, loss or damage, from whatever cause arising, the exhibits being at the sole risk of the exhibitor. In case of the death of any exhibit, the same shall be certified by the Veterinary Surgeon or his deputy.

Exhibitors of birds which are protected or kept under permit, must produce their permit when called upon to do so. The Society does not accept any responsibility in this matter. Entries can only be accepted on this condition.

Birds that have been tampered with or improperly dealt with in any way shall be disqualified, and entry fees paid shall be forfeited. The exhibitor shall also be liable to disqualification, and, if a member, to explusion from the Society.

The Council reserves the right to reject at any time any entry or prohibit any person or bird from competing in any class.

Unless authorised by the Society no live stock will be permitted to enter the Grounds other than those entered for exhibition.

NO EXTRA HANDLING

Most low grade barley can be improved one or two grades. Users' last harvest saved several £100.

Most valuable when need is greatest. Do not be caught with an inefficient screen which is worthless.

Soil erosion causes loss of fertility, lower yields, higher production costs and higher prices for food and clothing. It causes damage to roads, railways and reservoirs, and means higher taxes to pay for their upkeep.

Conservation is of basic importance, not only to the farmer, but to every member of the community.

Authority provides advice, assistance and information to landholders and any other interested persons or organisations.

EXPLANATORY.

The following is a glossary of abbreviations included in the Catalogue.

Ch. = Champion; K.C.C. Ch. = Kennel Control Council Champion; Dual Ch. = Field Trial and Bench Champion; (imp.) = imported from England; (N.S.W.) = Initials show where bred or title was granted; C.M. = Field Trial Certificate of Merit; D.M. = Field Trial Diploma of Merit; C.D. = Obedience Trial Companion Dog; C.D.X. = Obedience Trial Companion Dog Excellent; w. = whelped; s = sire; d = dam; (d) = dog; (b) = bitch.

In all cases the exhibitor is the breeder, unless otherwise stated.

The number of points below each breed-heading are the points each Challenge Certificate winner in the breed will gain toward the title of K.C.C. Champion.

PRIZES: Unless otherwise stated the prizes in each class are:

FIRST, £1; SECOND, 10s.

First, second and third prize cards in each class at the discretion of the judge.

Plain ribbons will be issued in the judging rings merely as an indication to the spectators of the judge's awards—blue for first, red for second and white for third.

WITHDRAWAL OF ENTRY.—In order to prevent unnecessary preparation of benches, etc., the Society reserves the right to impose a fine of 10/- for each and every entered dog not exhibited unless notification of withdrawal from competition is sent to the Society before the Show.

Kennel Control Council Challenge Certificates, with inscribed blue ribbons, also Best of Breed of each Sex Certificates, are offered at this Show, one of each certificate for each sex of every breed, at the discretion of the judge. On application to and confirmation by the Kennel Control Council, any dog which wins not fewer than four Challenge Certificates as distinct from Special Cards for Best of Breed of each Sex, under not fewer than four different judges at different Shows, and gains a total of 100 points shall, on approval being obtained from the K.C.C., be known as a K.C.C. Champion.

Points shall be allotted as follow:—

(a) Each Challenge Certificate winner — 10 points, plus 1 point for every dog and bitch six months of age or over entered in an ordinary class for the breed; (b) 25 points for each winner in the following groups, provided that no exhibit shall receive more than a total, in all, of 25 points at any one Show: Group 1, Toys; Group 2, Sporting Terriers; Group 3, Gundogs; Group 4, Hounds; Group 5, Sheep and Cattle Dogs; Group 6, Non-Sporting other than Sheep and Cattle Dogs.

The judges are empowered and are instructed not to award any prize to any animal which they consider is not of sufficient merit.

PAYMENT OF PRIZES.—All prize money will be posted to the winners after the Show.

EXHIBITS BENCHED AT SHOW.—All exhibits must be benched at the times stated under the Division headings on the days they are exhibited. Each breed will be required to be on exhibition for two days unless otherwise stated. See headings to each Division. **Intending exhibitors are warned not to make an entry unless they are prepared strictly to observe this condition.**

REMOVAL OF EXHIBITS.—Exhibits may be removed from the Show after it closes at 6 p.m., provided a deposit of £2 per dog is paid (maximum of £4 for all exhibits owned by the one

person), but a nightwatchman will be employed by the Society to feed and care for the exhibits left on benches overnight. Exhibitors whose dogs are not benched by 9.30 a.m. the following morning will have their deposits forfeited and will be dealt with in accordance with the rules.

BENCHING.—Only exhibits in the one ownership will be benched together.

As straw is not provided, Exhibitors are advised to provide suitable Bench Rugs for their exhibits.

Every dog must be provided with a suitable collar and chain or a lead, but they must be benched with chains of metal. No cages may be used for dogs other than those provided or approved by the Society, and nothing which will effect the view of the public may be added to the cages. Not more than one exhibit may occupy any one bench or cage. A dog may not be so placed on the bench or in a cage as to be away from the view of the public. The position of exhibit numbers on benches or cages may not be altered.

UNDER NO CIRCUMSTANCES ARE EXHIBITORS PERMITTED TO SIT ON THE BENCHES.

Folding seats are on hire in the Dog Pavilion at 1/- per day.

EXHIBIT NUMBERS.—These will be posted to exhibitors before the Show. When dogs are being judged the handler must wear the exhibit number of only the dog being handled.

VETERINARY INSPECTION.—No dog will be admitted to the Show until submitted to veterinary examination and its exhibit number is stamped "Pass to Ring." Examinations will take place between 8.30 and 9.30 a.m. on the first day of each division and between 8.30 a.m. and 9.30 a.m. on Thursday, 20th September.

JUDGING.—Judging will commence punctually at 10 a.m. on each day except Saturday, 28th September, when judging will commence at 9.30 a.m. (see heading to each Division). In the case of the awarding of Challenge Certificates and the awarding of Special Prizes in which Challenge Certificate winners from each breed are required to meet, the awards will be made on the last day of the Show.

In view of the need to expedite judging, exhibitors will be held wholly responsible for having their dogs in the judging rings immediately they are required for judging. After the Judge's Steward has given word to the judge to proceed with the judging of a competition, no other exhibit may enter the judging ring until after that competition has been completed. Exhibits which are not brought promptly to the rings when called, and exhibits, the owners or handlers of which omit to obey the orders of the Stewards, or are wearing more than one exhibit number, may be refused admission to the rings.

EXERCISING EXHIBITS.—Exhibits may be exercised in the morning before 9.30 a.m., during the luncheon adjournment and after 6 p.m.

Dogs must not be allowed off leads at any time whilst on the Showgrounds; neither will they be permitted on the lawns nor near the flower beds.

Except as stated herein, no exhibit may be absent from its bench unless for the purpose of being judged.

FREE RETURN.—Certificates for the free return by train of unsold dogs brought to the Show by train will be issued on application to the Superintendent (N.S.W. Railways charge 25% on freight costs).

DISPLAY OF ADVERTISING.—Exhibitors will be permitted to display approved advertising material on the benches and cages allotted their exhibits. The display must be executed attractively, not in handwriting, and shall be removed promptly if deemed undesirable. It shall not go beyond the following: (1) A space not exceeding 2 ft. wide by 8 in. deep at the back of the bench; (2) The name, address and telephone number of the Kennel or exhibitor, or both; (3) The name of the exhibit; (4) A stud card stating the name of the exhibit, pedigree and stud fee; (5) Suitable words offering dogs and/or puppies for sale, but not actually naming any dog or puppy which is not exhibited, and not quoting any prices; (6) A photograph of the dog exhibited; (7) General decorative material other than announcements; (8) A statement of wins at other fixtures and prize cards or ribbons won at other fixtures shall not be permitted.

LOCKERS.—A limited number of lockers, with keys, will be available for the use of exhibitors at a small charge for two day's use. Reservations and payments to be made to the Dog Superintendent on arrival at the Show.

OWNER'S RISK.—The Society will be most anxious for the care and safety of dogs sent for exhibition, or any other property entrusted to it, but it must be understood distinctly by exhibitors, and all other persons, that the Society will not be responsible for the loss, detention of or damage to any dog or other property, whether arising from accident, or other cause whatever, or from any act or omission of itself, its officers, agents, servants, or others.

Unless authorised by the Society no live stock will be permitted to enter the Grounds other than those entered for exhibition.

one of our jobs is to help the man on the land

Ever stop to think that the man on the land requires expert banking service as much as his city cousin? The E.S. & A. Bank has established throughout the country many branches managed by men familiar with the personal and business problems that affect the farmer. These bankers know the local conditions where they reside. Their years of experience, combined with a thorough understanding of Australian business and banking procedures, make their advice and assistance invaluable.

We invite you to share our facilities.
