The successful exhibitor will also receive the Society's Championship Sash.

CONDITIONS FOR JUDGING

Each Judge of the abovementioned breeds will be required to nominate two cows, not necessarily the Champion or Reserve Champion, to compete for the trophy and prize.

Competition is restricted to cows exhibited in the "In Milk" Classes.

All cows nominated by the judges must be stripped out in the presence of the Stewards at 5 p.m. on the evening before judging.

Judges shall be required to refrain from conferring on the exhibits before or during judging.

All judges of the breeds named will take part in the judging and will allot 3 points for first, 2 for second and 1 for third according to their placings of individual animals.

If considered to be worthy, both nominations of any one breed can be placed first, second or third.

A Steward appointed by the Society will assess the points and the cow gaining the greatest number of points, shall be the winner.

In the event of a tie, an independent referee appointed by the Society shall then decide the winner.

SHEEP

Sheep Pavilions will be open to the public between 6 p.m. and 8 p.m. on Tuesday, 22nd, Wednesday, 23rd and Thursday, 24th September.

Entries are accepted on the distinct understanding that stock may not be removed from the Show Grounds until after 12 noon on Friday, 25th September.

Entries will only be received subject to the rules and regulations of the Society and the decisions of the Council. All exhibits must be the bona fide property of the exhibitor.

No exhibit may be entered in more than one ordinary class unless otherwise stated at the head of the section. Throughout the schedule special classes are denoted with a star (*). Should an exhibit be incorrectly entered in more than one ordinary class such exhibit shall be deemed ineligible to compete in any class other than the first in which its name or particulars appear in the Show Catalogue.

No exhibit in the pair classes can compete in single classes or vice versa except class 113.

The Council reserves the right to reject at any time any entry or prohibit any person or animal from competing in any class.

When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

All entries must be made in writing on forms supplied by the Society and must be in the hands of the Secretary, at his office, Show Grounds, Epsom Road, Ascot Vale, W.2, on or before 12 noon, Saturday, 18th July. Entry fee must accompany each entry.

The Society's Veterinary Surgeon's decision regarding age shall be final.

All male animals must be completely entire and deemed physically sound. Any male animal not deemed to be completely entire and physically sound by the Society's Veterinary Surgeon may not compete or be offered for sale on the Show Grounds. Any marks of speying on females shall disqualify them from competing.

Entry tickets will be issued about a week before the Show opens. The entry ticket of each exhibit shall state the number of its pen, which shall correspond with its number in the official catalogue. The entry ticket must be produced at the gate, when it will admit the exhibit and attendant to the grounds. It must be retained, and again produced when the exhibit leaves the yards. Attendant's passes will be issued by the Sheep Superintendent at his office at the Show Grounds after 10 a.m. on Wednesday, 9th September, 1959.

Unless authorised by the Society no live stock will be permitted to enter the grounds other than those entered for exhibition.

Every animal entered must be exhibited, unless a certificate signed by the owner is lodged with the Society prior to the date of the Show, stating that the animal is unable to compete on one of the following grounds:

(i) The animal has died.

- (ii) The animal is unfit for exhibition due to injury or disease.
- (iii) The animal has become ineligible for the class entered.
- (iv) Some other cause which the Council or Secretary of the Society considers reasonable.

Failure to comply with this rule renders the owner or entrant liable to a fine of not more than £5 for every animal not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibition conducted by the Society.

The owner or exhibitor of any exhibit disapproved of as an exhibit by the Council of the Society must, immediately upon notice to that effect, remove such exhibit from the Society's Grounds. The Council reserves the right to decline to receive entries in future years from any person who exhibits stock that is not up to a satisfactory standard, that is not exhibited in reasonable Show condition, or that is not given proper attention during the Show.

Exhibits must not be rugged during the hours the Show is open to the public. Exhibitors will be liable to a fine of ten shillings for every infringement of this regulation.

Exhibitors must keep the stalls allotted to their animals clean and give proper attention to their stock right throughout the Show.

Any exhibitor or his employee putting manure out of a box, stall, or pen, or putting out a trough, or cleaning out an alley way after 8 a.m. on a Show day shall be liable to a fine of ten shillings.

No advertisement or notice (except by permission of the Council) is permitted on any stall or building.

The General Regulations and regulations appearing at the heading of each section and the conditions on the entry form also form part of the conditions of entry.

All sheep entered in sections 27 to 40 inclusive must be recorded in the registered flock of the exhibitor.

Only one exhibitor will be recognised as the owner from any one holding.

All British Breeds Sheep exhibited (except imported sheep, which must be tattooed in accordance with the regulations of the recognised Flock Book of the country of origin) must be visibly and legibly tattooed with their breeder's registered flock number and the trade mark of the Australian Society of Breeders of British Sheep in accordance with the Rules of that Society.

All Poll Dorset Sheep exhibited must be tattooed with their breeder's registered flock number and the trade mark of the Poll Dorset Association in accordance with the rules of that Association.

All Corriedale Sheep exhibited (except imported sheep, which must be visibly and legibly tattooed in accordance with the regulations of

SHEEP

the recognised Flock Book of the country of origin) must be tattooed with their breeder's registered flock number and the trade mark of the Australian Corriedale Association in accordance with the Rules of that Association.

Any found to be not visibly and legibly tattooed will be disqualified.

Disqualified sheep may not be offered for sale on the Show Grounds. Exhibitors of disqualified sheep may remove them from the Show Grounds or leave them in their pens. If sheep are left in the pens a notice carrying the words, "Rejected by Inspectors and not permitted to be offered for sale," must be erected over them.

Sheep in Sections 27 to 40 inclusive, must be penned before 2 p.m. on Sunday, 20th September.

A ewe entered as "with a lamb of her own breed at foot" may be transferred to the Class provided for ewe of her age if she has not lambed prior to judging day, or vice versa.

Exhibits in the wool are not eligible to be entered in the classes provided for shorn sheep, and if found to be so entered shall be removed from the yards.

All sheep in the British Breeds and Poll Dorset Classes (except shorn sheep) over 18 months old must have been fairly and evenly shorn between 1st August and 31st December, 1958. Date of shearing to be given on entry form. Corriedales must be shorn on or after 1st July, 1958.

Inspectors will examine all registered British Breeds, Poll Dorset, Corriedale and Fat Sheep exhibited prior to judging and discard all not up to standard and those not shorn in accordance with the regulations.

Exhibits of shorn sheep must be closely and evenly shorn on or before 1st September, 1959. No Longwool sheep (except Romney Marsh) entered in a shorn class may have more than one and a half inches of wool on any part of its body at the time of inspection. No Romney Marsh entered in a shorn class may have more than one inch of wool on any part of its body at the time of inspection, and no shortwool sheep may have more than three-quarters of an inch of wool on any part of its body at the time of inspection.

Sheep not shorn in accordance with the above regulations, will be disqualified.

In shorn sheep classes the carcase will be taken into consideration as well as the type.

Sheep need not be entered by name or tag number, and no particulars other than the breeder's name and date of shearing will be published in the Show Catalogue.

Exhibitors must sign a statutory declaration to the effect that no sheep exhibited by them will be affected by foot-rot, or show any signs or symptoms of the disease at time of exhibition.

For particulars of registration in the Flock Book for British Breeds of Sheep in Australia, apply to the Secretary, Australian Society of Breeders of British Sheep, Show Grounds, Epsom Road, Ascot Vale, W.2.

"Metters assure your stock of a regular water supply"

METTERS

New Type 'M' WINDMILL

Strong demand for a mill of extreme simplicity and dependability, combined with a maximum pumping capacity on the lightest winds, led Metters to add Type "M" to their range of mills. Type "M" is a precision engineered product—smooth, quiet, efficient. It has double gears, push-in bearings, self-aligning connecting rods, and a streamlined hub shrunk and keyed to the shaft. Simple, positive, automatic oiling. Efficient three-point furling. A notable feature is the side stabilised tail, self-governing, smooth acting, that gives complete protection—yet its higher governing speed allows pumping of extra thousands of gallons.

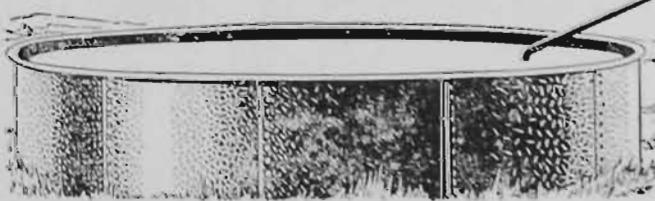

METTERS

SQUATTERS TANKS

The most satisfactory method of storing water in any quantity from 2,000 to 30,000 gallons. Supplied in prefabricated sections for easy transport and erection. Complete with top and bottom angle steel rings, battens, Seal Kote, etc. With or without (for basing on concrete or water-holding clay) bottom. Conical tops also available.

SEC.
45 Saanen goats entered in this section must be registered in the numbered section of a herd book recognised by the Society.

In Toggenburg classes, animals which are entered in the appendix sections will be accepted.

For particulars of registration in the Goat Herd Book of Australia, apply to the Secretary, The Goat Breeders' Society of Australia (Victorian Branch), Administrative Building, Show Grounds, Ascot Vale, W.2.

Does in milk must be at the grounds on Wednesday, 16th September, and be fully milked out between 8 p.m. and 9 p.m., at which hour they will be stripped out (see Class 10 for 24-hour milk production record) in the presence of the Stewards, or whom they may appoint. They will be judged first on Thursday morning. The owner or his representative must be in attendance when females are being stripped out.

GOATS

GOATS

No horned buck may be exhibited in the Dairy Goat Classes.

Unless authorised by the Society no live stock will be permitted to enter the grounds other than those entered for exhibition.

Kids not entered for competition will not be permitted in the Show Grounds unless actually being suckled by their mothers, which must be entered for competition.

Goats, other than Does in milk, are required to be in the yards before 9 a.m. on Thursday, 17th September. They will be on exhibition until Friday, 25th September.

Every Buck entered for competition must be provided with a strong collar to enable it to be securely fastened to a chain of not lighter than 12 gauge with a swivel snaffle at the end, such chains and collars to be long enough to reach only to the top of the pen from a fixture 9 inches above the floor.

Such chains to be provided by the exhibitor.

Attendants leading goats in the judging ring or on parade must wear uniform grey coats, which can be procured from the Society.

Only one exhibitor will be recognised as an owner from any one holding, and any exhibitor who enters, or permits the entry of any of his stock, in the name of any other exhibitor, shall be disqualified.

Any exhibitor who shall, without due cause, fail to parade any animal before the Judge, when required so to do by the Steward of the Section, shall be liable to a fine of £5.

Parades.—Prize-winning goats only will be permitted to take part in parades. All prize-winning goats except Angoras must be taken out on parade, in accordance with the printed programme. Exhibitors shall be subject to a fine of ten shillings in each case in which this regulation is not complied with, and shall also be liable to forfeit the prize or prizes awarded to their exhibit or exhibits. Attendants leading goats in the judging ring and during parades must wear the exhibit number of the goat. No ribbons will be permitted on exhibits except those won during the Show.

If, in the opinion of the Secretary, any exhibit or exhibits of stock be deemed to be dangerous, the owner of such exhibit or exhibits shall immediately, upon notice to that effect, remove such exhibit or exhibits from the Society's Grounds.

Exhibitors are permitted to display cards over the stalls stating that an animal is for private sale; such cards not to exceed 12 in. x 10 in.

An exhibit cannot be entered in a Special class unless it has been entered in an ordinary class.

No exhibit may be entered in more than one ordinary class unless otherwise stated at the head of the section. Sweepstakes, special classes or championship prizes do not count as ordinary classes. Throughout the schedule special classes are denoted with a star (*). Should an exhibit be incorrectly entered in more than one ordinary class, such exhibit shall be deemed ineligible to compete in any class other than the first in which its name or particulars appear in the Show Catalogue.

The Council reserves the right to reject at any time any entry or prohibit any person or animal from competing in any class.

When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

All entries must be made in writing on forms supplied by the Society. Entries for the goat section must be in the hands of the Secretary, at his office, Royal Show Ground, Epsom Road, Ascot Vale, W.2, on or before the time stated at head of this section.

The Society's Veterinary Surgeon's decision regarding age shall be final.

All male animals competing in the breeding classes must be completely entire. Any male animal in the breeding classes not deemed to be completely entire by the Society's Veterinary Surgeon may not compete or be offered for sale on the Show Grounds. Any marks of speying on females shall disqualify them from competing in such classes.

Entry tickets will be issued about a week before the Show opens. The entry ticket of each exhibit shall state the number of its box, stall, pen or stand, as the case may be, which shall correspond with its number in the official catalogue, and if the box, stall or pen be not occupied by such exhibit by noon on the first day of the Show, the accommodation reverts to the Society. The entry ticket must be produced at the gate, when it will admit the exhibit and attendant to the grounds. It must be retained, and again produced when the exhibit leaves the yards. Attendant's passes will be issued by the Superintendent at his office on the Show Grounds.

Every animal entered must be exhibited unless a certificate, signed by the owner, is lodged with the Society prior to the date of the Show, stating that the animal is unable to compete on one of the following grounds:

- (i) The animal has died.
- (ii) The animal is unfit for exhibition due to injury or disease.
- (iii) The animal has become ineligible for the class entered.
- (iv) Some other cause which the Council or Secretary of the Society considers reasonable.

Failure to comply with this rule renders the owner or entrant liable to a fine of not more than £5 for every animal not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibition conducted by the Society.

All exhibits must be placed where directed by the Secretary or his deputy, and (except in accordance with Regulation 18) must not be removed from their allotted places during the Exhibition without the written consent of the Secretary being first obtained.

The Owner or Exhibitor of any exhibit or Stand of exhibits disapproved of as an exhibit by the Council of the Society, must, immediately upon notice to that effect, remove such exhibit or stand of exhibits from the Society's Grounds. The Council reserves the right to decline to receive entries in future years from any person who exhibits stock that is not up to a satisfactory standard, that is not exhibited in reasonable Show condition, or that is not given proper attention during the Show.

GOATS

Exhibits must not be rugged during the hours the Show is open to the public. Exhibitors will be liable to a fine of ten shillings for every infringement of this regulation.

Exhibitors must keep the stalls allotted to their animals clean and give proper attention to their stock right throughout the Show.

No advertisement or notice (except by permission of the Council) is permitted on any stall or building.

No bedding other than straw or hay may be used in any box or stall.

The General Regulations and Regulations appearing at the heading of each section and the conditions on the entry form also form part of the conditions of entry.

PIGS

Steward-in-Chief: J. M. GARDINER, Esq.

Entries are accepted on the distinct understanding that stock may not be removed from the Show Grounds until after 1 p.m. on Friday, 25th September. Pigs entered in Section 46 to 51 must be penned not later than 12 noon, on Wednesday, 16th September.

The Pig Pavilion will be open from 11 a.m. to 11.30 a.m. and after 2 p.m. on the Wednesday preceding the Show for the admittance of children.

Judging of stud classes will commence at 9 a.m. on Thursday, 17th September.

With the exception of Thursday (Show Day) the Pavilion will remain open to the public until 7 p.m. On Show Day the Pavilion will remain open until 9 p.m. but will close between 5 p.m. and 6 p.m.

Entries will only be received subject to the rules and regulations of the Society and the decisions of the Council. All exhibits must be the bona fide property of the exhibitor.

No exhibit may be entered in more than one ordinary class. Throughout the schedule special classes are denoted with a star (*).

The Council reserves the right to reject at any time any entry or prohibit any person or animal from competing in any class.

When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

All entries must be made in writing on forms supplied by the Society. Entries for the Pig Sections must be in the hands of the Secretary, at his office, Show Grounds, Epsom Road, Ascot Vale, W.2, on or before 12 noon on Saturday, 18th July. Entry fee must accompany each entry.

Entry tickets will be issued about a week before the Show opens. The entry ticket of each exhibit shall state the number of its pen, which shall correspond with its number in the official catalogue, and if the pen be not occupied by such exhibit by 12 noon on Wednesday, 16th September, the accommodation reverts to the Society. The entry ticket must be produced at the gate, when it will admit the exhibit and attendant to the grounds. It must be retained, and again produced when the exhibit leaves the yards. Attendants' passes will be issued by the Superintendent at his office on the Show Grounds.

Every animal entered must be exhibited unless a certificate, signed by the owner, is lodged with the Society prior to the date of the Show, stating that the animal is unable to compete on one of the following grounds:—

- (i) The animal has died.
- (ii) The animal is unfit for exhibition due to injury or disease.
- (iii) The animal has become ineligible for the class entered.
- (iv) Some other cause which the Council or Secretary of the Society considers reasonable.

Failure to comply with this rule renders the owner or entrant liable to a fine of not more

than £5 for every animal not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibition conducted by the Society.

Unless authorised by the Society no live stock will be permitted to enter the Grounds other than those entered for exhibition.

The Owner or Exhibitor of any exhibit disapproved of as an exhibit by the Council of the Society, must, immediately upon notice to that effect, remove such exhibit from the Society's Grounds. The Council reserves the right to decline to receive entries in future years from any person who exhibits stock that is not up to a satisfactory standard, that is not exhibited in reasonable Show condition, or that is not given proper attention during the Show.

All pigs will be inspected by a nominee of the Royal Agricultural Society of Victoria and a Veterinary Surgeon, and any pig not up to Show standard or in a fit state of health or not conforming with the Rules of the Royal Agricultural Society of Victoria and the Australian Pig Society will be rejected.

Exhibitors must keep the stalls allotted to their animals clean and give proper attention to their stock right throughout the Show.

No bedding other than straw may be used in any box or stall.

Any exhibitor or his employee putting manure out of a pen, or putting out a trough, or cleaning out an alley way after 8 a.m. on a Show day shall be liable to a fine of ten shillings.

No advertisement or notice (except by permission of the Council) is permitted on any stall or building.

The General Regulations and regulations appearing at the heading of each section and the conditions on the entry form also form part of the conditions of entry.

Age of all pigs to be calculated to 15th September in each year. The Society's veterinary surgeon's decision shall be final on all matters regarding age. Exhibitors may be disqualified and debarred from further competition for any breach of regulations regarding the age of exhibits.

In Sections 46 to 51 (inclusive) all exhibits over the age of four months must be registered in an approved Herd Book. Pigs in classes under the age of four months must be from litters notified in accordance with the Rules of the Australian Pig Society. In the classes for sows with litters, the sire of the litter must also be registered, and the litter must have been duly recorded.

For particulars of registration in the Australian Pig Herd Book, apply to the Secretary, Australian Pig Society, Show Grounds, Epsom Road Ascot Vale, W.2.

Pigs not registered prior to 15th July will only be permitted to be entered for the Show on payment of double entry fees.

PIGS

Exhibitors must be financial members of the Australian Pig Society, whose herds must be accredited as Brucellosis-free by the Department of Agriculture.

The date of birth and name of sire and dam of exhibit in the 4 months old or under classes and the over 4 months and not over 6 months old classes must be supplied at time of entry.

4 months old or under: The name of the pig to be supplied to the Secretary prior to the 31st August.

SPECIAL NOTE.—Exhibitors please note that birds MUST be penned before 9 p.m. on Wednesday, 16th September.

In order to avoid disappointments, exhibitors are advised to despatch their birds so that they will arrive as early as possible on that day.

Poultry arriving at Spencer Street Railway Station on Wednesday, 16th September, will be picked up and conveyed to the Show Grounds by the Society's carrier.

Judging will be commenced at 9 a.m. on Thursday, 17th September. The pavilion will be open to the public from 9 a.m. until 9 p.m. from Friday, 18th September, to Friday, 25th September, and from 9 a.m. until 3 p.m. on Saturday, 26th September.

Entries will only be received subject to the rules and regulations of the Society and the decisions of the Council. All exhibits must be the bona fide property of the exhibitor at the time of entry.

No exhibit may be entered in more than one class.

Trio Classes are restricted to two entries from any one exhibitor but to not more than one entry in any class.

The Council reserves the right to reject at any time any entry or prohibit any person or bird from competing in any class.

When a special prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

Every bird entered must be exhibited unless a certificate, signed by the owner, is lodged with the Society prior to the date of the Show, stating that the bird is unable to compete on one of the following grounds:

- (i) The bird has died.
- (ii) The bird is unfit for exhibition due to injury or disease.
- (iii) The bird has become ineligible for the class entered.
- (iv) Some other cause which the Council or Secretary of the Society considers reasonable.

Failure to comply with this rule renders the owner or entrant liable to a fine of not more than £5 for every bird not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibition conducted by the Society.

Unless authorised by the Society no live stock will be admitted to the Grounds other than those entered for exhibition.
