CONDITIONS OF ENTRY

All entries must be made in writing on forms supplied by the Society and must be in the hands of the Secretary, at his office, Show Grounds, Epsom Road, Ascot Vale, W.2, on or before 4.30 p.m., Monday, 23rd July. Entry fee must accompany each entry.

Entries are accepted on the distinct understanding that stock may not be removed from the Show Grounds until after 11.00 p.m. on Thursday, 27th September.

Entries will only be received subject to the rules and regulations of the Society and the decisions of the Council. All exhibits must be the bona fide property of the exhibitor.

No exhibit may be entered in more than one ordinary class unless otherwise stated at the head of the section. Throughout the schedule special classes are denoted with a star (*). Should an exhibit be incorrectly entered in more than one ordinary class such exhibit shall be deemed ineligible to compete in any class other than the first in which its name or particulars appear in the Show Catalogue.

No exhibit in the pair classes can compete in single classes or vice versa except class 119.

The Council reserves the right to reject at any time any entry or prohibit any person or animal from competing in any class.

When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

Unless authorised by the Society no live stock will be permitted to enter the grounds other than those entered for exhibition.

Every animal entered must be exhibited, unless a certificate signed by the owner is lodged with the Society prior to the date of the Show, stating that the animal is unable to compete on one of the following grounds:

- (i) The animal has died.
- (ii) The animal is unfit for exhibition due to injury or disease.
- (iii) The animal has become ineligible for the class entered.
- (iv) Some other cause which the Council or Secretary of the Society considers reasonable.

Failure to comply with this rule renders the owner or entrant liable to a fine of not more than £5 for every animal not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibition conducted by the Society.

Sheep need not be entered by name or tag number, and no particulars other than the breeder's name and date of shearing will be published in the Show Catalogue.

No advertisement or notice (except by permission of the Council) is permitted on or in any stall or building.

Only one exhibitor will be recognised as the owner from any one holding.

The General Regulations and regulations appearing at the heading of each Section and the conditions on the entry form also form part of the conditions of entry.

ENTRY TICKETS

Entry tickets will be issued about a week before the Show opens. The entry ticket of each exhibit shall state the number of its pen, which shall correspond with its number in the official catalogue. The entry ticket must be produced at the gate, when it will admit the exhibit and attendant to the grounds. It must be retained, and again produced when the exhibit leaves the yards. Attendant's passes will be issued by the Sheep Superintendent at his office at the Show Grounds after 10 a.m. on Wednesday, 12th September, 1962.

EXHIBIT NUMBERS

Exhibit numbers for attachment to each exhibit and numbers to be worn by handlers whilst judging is in progress must be collected by exhibitors from the Sheep Superintendent's office.

- (b) That rams have been manually examined at the time of blood sampling and found free of any palpable testicular abnormality at this time.

SHEEP

The eartag or tattoo numbers of rams tested and examined must be included in the certificate.

Owners should particularly note:—

- (1) That blood sampling should be carried out early in the prescribed period to avoid congestion and delay in the testing laboratory at the end of the period.
- (2) That a sufficient number of rams should be tested to ensure that all possible exhibits finally forwarded to the Show are included in this number.

PHYSICAL SOUNDNESS AND DISAPPROVED EXHIBITS

Exhibitors must sign a statutory declaration to the effect that no sheep exhibited by them are affected by foot-rot, or show any signs or symptoms of the disease at time of exhibition.

All male animals must be completely entire and deemed physically sound. Any male animal not deemed to be completely entire and physically sound by the Society's Veterinary Surgeon may not compete or be offered for sale on the Show Grounds. Any marks of speyng on females shall disqualify them from competing.

Exhibitors in the stock sections shall, if requested by the Steward-in-Chief of the Section or by the Secretary or his agent, submit his exhibits in whole or part, for inspection by a Veterinarian or Veterinarians appointed by the Society.

The owner or exhibitor of any exhibit disapproved of as an exhibit by the Council of the Society must, immediately upon notice to that effect, remove such exhibit from the Society's Grounds. The Council reserves the right to decline to receive entries in future years from any person who exhibits stock that is not up to a satisfactory standard, that is not exhibited in reasonable Show condition, or that is not given proper attention during the Show.

drop in and meet the team ...

There's nothing quite like Show Week for interest, fun and excitement. For the kids it's a grand parade of fairy floss. For country folk it's an opportunity to look over the fillies, live it up at the big city hotels, and see all the current shows. Best of all, it's a chance to meet old friends. And old friends inevitably gather at the Goldsbrough Stands. The Merchandising Department has a products display in Pearson Avenue (well worth a visit), and you are always sure of a cup of tea at the main Goldsbrough pavilion in Lennon Ave. Why not drop in for a chat and pick up a copy of our new booklet on selling wool? After a lifetime of service to the man on the land, we're sure to have something interesting you'll want to talk about and some news you'll find worth hearing.

The Society shall have the right to inspect each consignment from which entries are drawn to decide whether or not such six lambs are a fair representation of the consignment. Should the R.A.S. Inspector consider that they are not so representative then he may refuse entry or alter the selection in any way deemed by him to be reasonable and his decision in this regard shall be final.
 3. The six lambs finally selected shall be purchased by Thos. Borthwick & Sons (A/asia) Ltd. and they shall pay the exhibitor the price per lamb obtained by the exhibitor for the sale of the consignment of lambs as mentioned in paragraph 1.
 4. The six finally selected lambs shall be slaughtered by Thos. Borthwick & Sons (A/asia) Ltd. and their grader shall select four of the same which in his opinion are the best four lambs. Three of such lambs shall thereupon become the exhibit. The fourth lamb will be "cut" and displayed with the exhibit after judging has been completed.
 5. Any person wishing to become an exhibitor shall give written notice to the Secretary of the Royal Agricultural Society, Epsom Road, Ascot Vale, of his entry at least seven days prior to the date when his lambs are due to reach Newmarket saleyards and also advise—
 - (a) the date on which the lambs are due at Newmarket.
 - (b) the name of the exhibitor's selling agent.
 - (c) the breed — sire and dam — of the consignment of lambs.
 6. All lambs must be bred by and be the property of the exhibitor.
 7. Any person may make more than one entry provided the lambs are taken from different consignments.
 8. Judging shall take place after the 21st December, 1961, by Judges appointed by the Society and their decision shall be final.
 9. Entry fees.

REGULATIONS

Entries close at 12 noon on Monday, 2nd March, 1964, with the Director, Royal Agricultural Society of Victoria, Showgrounds, Epsom Road, Ascot Vale, Victoria.

All exhibits to be in the hands of the Director before noon on Friday, the 6th March, 1964.

Exhibitors must clearly indicate their name and address and class number on the wrapping or container in which the exhibit is forwarded.

If exhibits are sent by rail, address to the Director, WOOL Exhibition, Royal Agricultural Society of Victoria, Spencer Street Railway Station, Melbourne, Victoria.

New Zealand Exhibitors are especially reminded that wool from New Zealand must be accompanied by a Health Certificate from the N.Z. Department of Agriculture.

No exhibit will be accepted unless full freight has been pre-paid.

The Judges will transfer any exhibit to the class to which it rightfully belongs.

Intending Exhibitors may request their wool brokers to draw samples from the grower's clip and forward the exhibit to the Society under the grower's name.

Exhibitors are requested to forward exhibits in a small cardboard carton with their name and address clearly marked on same.

All samples to be shorn from lambs which are the bona fide property of the Exhibitor.

This competition offers an excellent opportunity to woolgrowers to show the public the types of lambs' wool that are grown in Australia and New Zealand, and every grower is cordially invited to exhibit samples, and by so doing permit the Society to stage a display in September which will help further the public's interest in wool.

No limit to the number of exhibits from any one grower and all proceeds from the sale of samples will be donated to Legacy.

Angoras: J. L. McGREGOR, Esq.

Stewards: T. R. HOLDSWORTH, Esq.

Mrs. T. R. HOLDSWORTH.

Milk Stewards: H. ROWE, Esq.

C. W. SPETTS, Esq.

CONDITIONS OF ENTRY

Entries will be accepted on the understanding that should they be in excess of the accommodation, the number of exhibits will be reduced accordingly.

Entries will only be received subject to the rules and regulations of the Society and the decisions of the Council. All exhibits must be the bona fide property of the exhibitor or held by the exhibitor under a written lease recognised by the Society at the time of entry.

Saanen goats entered in this section must be registered in the numbered section of a herd book recognised by the Society.

In Toggenburg and British Alpine Classes, animals which are entered in the appendix sections will be accepted.

For particulars of registration in the Goat Herd Book of Australia, apply to the Secretary, The Goat Breeders' Society of Australia, 33 Macquarie Place, Sydney, N.S.W.

Entries are accepted on the distinct understanding that stock may not be removed from the Show Grounds until 11 p.m. on Thursday, 27th September.

Only one exhibitor will be recognised as an owner from any one holding, and any exhibitor who enters, or permits the entry of any of his stock, in the name of any other exhibitor, shall be disqualified.

The Council reserves the right to reject at any time any entry or prohibit any person or animal from competing in any class.

When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

All entries must be made in writing on forms supplied by the Society. Entries for the goat section must be in the hands of the Secretary, at his office, Royal Show Ground, Epsom Road, Ascot Vale, W.2, on or before the time stated at head of this section.

No exhibit may be entered in more than one ordinary class unless otherwise stated at the head of the section. Sweepstakes, special classes or championship prizes do not count as ordinary classes. Throughout the schedule special classes are indicated by a star (*). Should an exhibit be incorrectly entered in more than one ordinary class, such exhibit shall be deemed ineligible to compete in any class other than the first in which its name or particulars appear in the Show Catalogue.

Every animal entered must be exhibited unless a certificate, signed by the owner, is lodged with the Society prior to the date of the Show, stating that the animal is unable to compete on one of the following grounds:—

- (i) The animal has died.
- (ii) The animal is unfit for exhibition due to injury or disease.
- (iii) The animal has become ineligible for the class entered.
- (iv) Some other cause which the Council or Secretary of the Society considers reasonable.

Failure to comply with this rule renders the owner or entrant liable to a fine of not more than £5 for every animal not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibition conducted by the Society.

All exhibits must be placed where directed by the Secretary or his deputy, and (except in accordance with Regulation 18) must not be removed from their allotted places during the Exhibition without the written consent of the Secretary being first obtained.

If, in the opinion of the Secretary, any exhibit or exhibits of stock be deemed to be dangerous, the owner of such exhibit or exhibits shall immediately, upon notice to that effect, remove such exhibit or exhibits from the Society's Grounds.

Unless authorised by the Society no live stock will be permitted to enter the grounds other than those entered for exhibition.

The General Regulations and Regulations appearing at the heading of each section and the conditions on the entry form also form part of the conditions of entry.

PIGS

Steward-in-Chief: J. M. GARDINER, Esq.

CONDITIONS OF ENTRY AND EXHIBITION

Entries are accepted on the distinct understanding that stock may not be removed from the Show Grounds until after 11 p.m. on Saturday, 29th September. Pigs entered in Sections 48 to 52 must be penned not later than 12 noon on Wednesday, 19th September.

Entries will only be received subject to the rules and regulations of the Society and the decisions of the Council. All exhibits must be the bona fide property of the exhibitor.

No exhibit may be entered in more than one ordinary class. Throughout the schedule special classes are denoted with a star (*).

The Council reserves the right to reject at any time any entry or prohibit any person or animal from competing in any class.

When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

All entries must be made in writing on forms supplied by the Society. Entries for the Pig Sections must be in the hands of the Secretary, at his office, Show Grounds, Epsom Road, Ascot Vale, W.2, on or before Monday, 23rd July. Entry fee must accompany each entry.

Every animal entered must be exhibited unless a certificate, signed by the owner, is lodged with the Society prior to the date of the Show, stating that the animal is unable to compete on one of the following grounds:—

- (i) The animal has died.
- (ii) The animal is unfit for exhibition due to injury or disease.
- (iii) The animal has become ineligible for the class entered.
- (iv) Some other cause which the Council or Secretary of the Society considers reasonable.

Failure to comply with this rule renders the owner or entrant liable to a fine of not more than £5 for every animal not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibition conducted by the Society.

Unless authorised by the Society no live stock will be permitted to enter the Grounds other than those entered for exhibition.

All sows 9 months old or over must be in pig or have produced a recorded litter within 9 months prior to 15th September, 1962. The date of birth of such recorded litter must be stated on the entry form.

All boars over 12 months old must have had their tusks cut back to gum level one week prior to the Show, and the Superintendent is empowered to remove from the Show Grounds any boar whose tusks have not been cut.

Entries are limited to two in each class from any one exhibitor, in whose name the exhibits must be registered in the Herd Book.

Any boar, entered in the breeding classes, not deemed to be completely entire by the Society's Veterinary Surgeons may not compete or be offered for sale on the Show Grounds.

No pig shall be transferred from its numbered pen without the sanction of the Superintendent.

All pigs entered in the stud classes will be paint branded with exhibit numbers.

Exhibitors in the Stud Sections must be financial members of the Australian Pig Society. All pigs entered for exhibition, except in the Carcase Competitions, must be from herds accredited as Brucellosis-free by the Department of Agriculture.

The General Regulations and regulations appearing at the heading of each section and the conditions on the entry form also form part of the conditions of entry.

PAVILIONS — HOURS OPEN TO PUBLIC

With the exception of both Saturdays and Thursday (Show Day) the Pavilion will remain open to the public until 7 p.m. On the both Saturdays and Show Day the Pavilion will remain open until 9 p.m. but will close between 5 p.m and 6 p.m.

JUDGING

Judging of stud classes will commence at 9 a.m. on Thursday, 20th September.

ENTRY TICKETS

Entry tickets will be issued about a week before the Show opens. The entry ticket of each exhibit shall state the number of its pen, which shall correspond with its number in the official catalogue, and if the pen be not occupied by such exhibit by 12 noon on Wednesday, 19th September, the accommodation reverts to the Society. The entry ticket must be produced at the gate, when it will admit the exhibit and attendant to the grounds. It must be retained, and again produced when the exhibit leaves the yards. Attendants' passes will be issued by the Superintendent at his office on the Show Grounds.

DISAPPROVED EXHIBITS

The Owner or Exhibitor of any exhibit disapproved of as an exhibit by the Council of the Society, must, immediately upon notice to that effect, remove such exhibit from the Society's Grounds. The Council reserves the right to decline to receive entries in future years from any person who exhibits stock that is not up to a satisfactory standard, that is not exhibited in reasonable Show condition, or that is not given proper attention during the Show.

BACON AND PORK PIG COMPETITIONS

CONDITIONS

Classes 61 and 62

1. The competition is open to all pig farmers and not limited to breeders of stud pigs only.
2. Entries will be accepted only from owners of the pigs entered, who must also be their breeders, that is, the owners of the sows when their progeny (the entered pigs) were born.
3. Pigs can be pure bred or the progeny of a crossbred sow by a pure bred boar or a pure bred sow by a crossbred boar.
4. No restrictions are placed on feeding or management but these must be declared on request by the Royal Agricultural Society of Victoria.
5. An entry shall comprise one pig (one sow or one barrow).
6. No exhibitor may make more than two entries in each class.
7. The entered pigs shall be delivered to R. Potts, Abattoirs, Barkly Avenue, Richmond, at any time on Monday, 3rd, and Tuesday, 4th September, and Monday, 10th, and Tuesday, 11th September, 1962. The company

will kill and treat the pigs as soon as practicable after arrival and will store the carcases until they are judged and the prizes awarded. The pigs will become the property of R. Potts at the time they are slaughtered and that company will pay competitors for their pigs at current market values.

8. The carcase of each pig entered will be submitted to the usual inspection for export by the Commonwealth Meat Inspectors at the time of slaughter and any carcase which is not passed as fit for export by those inspectors shall be automatically disqualified from the competition. The Judge shall have the power to disqualify any carcase which, in his opinion, is unsuited for the market by virtue of seedy cut, excessively soft fat, yellow fat, or other serious blemish.
9. The Judge will be appointed by the Royal Agricultural Society of Victoria and his decision regarding awards shall be final.
10. The weight of the dressed carcase must be not less than 70 lb. and not more than 100 lb. in the Pork Class and not less than 120 lb. and not more than 160 lb. in the Bacon Class.
11. The carcase will be judged by appraisal.
12. A score card signed by the Judge and giving his detailed awards for each feature of each carcase will be made available to the owner of each pig whose carcase is judged.
13. An endeavour will be made to display the best of the carcases in the refrigerated case in the Centenary Hall.
14. No entry will be entitled to a Cash Prize if it secures less than 50 points out of the total 100 points allotted for carcase appraisal.
15. All entries must be made in writing on forms supplied by the Society and must be in the hands of the Secretary at his office, Show Grounds, Epsom Road, Ascot Vale, W.2, on or before Monday, 20th August. Entry fee must accompany each entry.
16. Each competitor shall tattoo or earmark his pigs with the exhibit entry number in addition to hair-clip marking and such identification marks shall be clearly shown on the entry form and notification made to R. Potts when forwarding advice of despatch. The Council shall reserve the right to refuse to accept any entry which is not clearly identifiable.
17. It is desired that advice be given by each competitor, not less than 7 days before delivery, to R. Potts, Abattoirs, Barkly Avenue, Richmond, of the time and method by which his pigs are to be delivered to the Abattoirs.

The greatest care will be taken of the exhibits, but the Society will not be responsible for any accident, mistake, loss or damage from whatever cause arising, the exhibits being at the sole risk of the exhibitor. In case of the death of any exhibit, the same shall be certified by the Veterinary Surgeon or his deputy.

SPECIAL NOTE.—Exhibitors please note that birds MUST be penned before 9 p.m. on Wednesday, 19th September.

In order to avoid disappointments, exhibitors are advised to despatch their birds so that they will arrive as early as possible on that day.

Poultry arriving at Spencer Street Railway Station on Wednesday, 19th September, will be picked up and conveyed to the Show Grounds by the Society's carrier.

When forwarding poultry by rail, exhibitors are particularly requested to mark clearly in each compartment of the coop the exhibit number of the bird that was sent therein, so that the same arrangement of birds may be made for the return journey.

Metal leg bands bearing the pen numbers will be forwarded to exhibitors, together with entry tickets. These bands must be securely fastened to the legs of the birds in accordance with the exhibit numbers on the entry tickets.

Labels and despatch slips will be sent for each pen, when the exhibitor is not a resident of Melbourne or suburbs. On the reverse side of the labels exhibitors will be required to write their names, addresses and instructions for the

Country and interstate exhibitors must inform the Secretary, by post or telegram, of the despatch of their exhibits, giving full particulars, in order that arrangements may be made for receiving them. Several birds may be sent in one hamper or box if it be properly divided and pen numbers attached to each division. When the exhibitor resides in or near Melbourne, "Entry Tickets" and metal leg bands only will be sent, the corresponding numbers being affixed to the exhibition pens by the Society. Labels and despatch slips, if required, will be supplied on application.

Trio exhibits on offer for sale must be sold as such, no replacements being permissible.

A commission of 5 per cent. will be charged on all sales effected by the Superintendent on behalf of exhibitors.

No advertisement or notice (except by permission of the Council) is permitted on or in any stall or building.

A charge of 5/- will be made in respect of each crate not supplied by vendors of birds which have to be despatched by the Society.

- (iii) The bird has become ineligible for the class entered.
- (iv) Some other cause which the Council or Secretary of the Society considers reasonable.

Country and interstate exhibitors must inform the Secretary by post or telegram of the despatch of their exhibits, giving all particulars, in order that arrangements may be made for receiving them. Several birds may be sent in one hamper or box providing pen numbers and ring numbers are attached to each container. Birds received in cardboard cartons will not be penned. When the exhibitor resides in or near Melbourne "Entry Tickets" only will be sent, the corresponding numbers being affixed to the coops or cages by the Society.

The greatest care will be taken of the exhibits, but the Society will not be responsible for any accident, mistake, loss or damage, from whatever cause arising, the exhibits being at the sole risk of the exhibitor. In case of the death of any exhibit, the same shall be certified by the Veterinary Surgeon or his deputy.

No person will be permitted to remove an exhibit from a pen on the day of penning without permission of the Superintendent.

INSPECTION OF STOCK

Exhibitors in this Section shall, if requested by the Steward-in-Chief or by the Secretary or his agent, submit his exhibits, in whole or part, for inspection by a Veterinarian or Veterinarians appointed by the Society.

DISQUALIFICATION

Birds that have been tampered with or improperly dealt with in any way shall be disqualified, and entry fees paid shall be forfeited. The exhibitor shall also be liable to disqualification, and, if a member, to expulsion from the Society.

EXHIBITS FOR SALE AND NOTICES

Cards will be supplied free on application to the Pigeon Superintendent, who will place them on the coops if requested by exhibitors who are unable to attend in person. Written authority of the exhibitor for the disposal of exhibits by sale stating catalogue number, breed and price must be given to the Superintendent.

A commission of 5 per cent. will be charged on all sales effected by the Superintendent on behalf of exhibitors.

No advertisement or notice (except by permission of the Council) is permitted on or in any stall or building.
