Dairy Cattle: KEITH McGARVIE, Esq.

Deputy: C. C. JOHNSON, Esq.

## CONDITIONS OF ENTRY AND EXHIBITION, ETC.

(See also the conditions at the head of each Breed Section)

Entries will only be received subject to the rules and regulations of the Society and the decisions of the Council. At time of entry and until after exhibition, all exhibits must be the bona fide property of the exhibitor or held by the exhibitor under a written lease recognised by the Society.

The foregoing clause regarding leases does not apply in the Ayrshire Section. All exhibits in that section must be the bona-fide property of the exhibitor.

Only one exhibitor will be recognised as an owner from any one holding, and any exhibitor who enters, or permits the entry of any of his stock, in the name of any other exhibitor, shall be disqualified.

The breeding year for Dairy Cattle dates from 1st July in each year.

Entries are accepted on the distinct understanding that stock may not be removed from the Showgrounds until after 11 p.m. on Saturday, 25th September.

The conditions governing the number of entries permitted will be found at the head of each breed section.

No exhibit may be entered in more than one ordinary class unless otherwise stated at the head of the section. Special classes or championship prizes do not count as ordinary classes. Throughout the schedule special classes are denoted with a star (\*). Should an exhibit be incorrectly entered in more than one ordinary class, such exhibit shall be deemed ineligible to compete in any class other than the first in which its name or particulars appear in the Show Catalogue.

The Council reserves the right to reject at any time any entry or prohibit any person or animal from competing in any class.

When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

Every animal entered must be exhibited unless a certificate signed by the owner is lodged with the Society prior to the date of the Show, stating that the animal is unable to compete on one of the following grounds:—

- (i) The animal has died.
- (ii) The animal is unfit for exhibition due to injury or disease.

(iii) The animal has become ineligible for the class entered.

(iv) Some other cause which the Council or Director of the Society considers reasonable.

Failure to comply with this rule renders the owner or entrant liable to a fine of not more than £5 for every animal not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibition conducted by the Society.

All entries must be made in writing on forms supplied by the Society. Entries for all cattle sections must be in the hands of the Director, at his office, Royal Show Grounds, Epsom Road, Ascot Vale, W.2, on or before the time stated at head of each cattle section.

Except where otherwise determined by Council, all cattle must be certified Tuberculosis free. Animals from herds listed as accredited or in process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be Tuberculin tested within ninety days prior to opening date of the Show. Certificates for these individual tests must accompany entry forms.

All exhibits must be placed where directed by the Director or his deputy, and (except in accordance with Regulation 19) must not be removed from their allotted places during the Exhibition without the written consent of the Director being first obtained.

Unless authorised by the Society no livestock will be permitted to enter the Grounds other than those entered for exhibition.

The General Regulations and Regulations appearing at the heading of each section and the conditions on the entry form also form part of the conditions of entry.

## ENTRY TICKETS

Entry tickets will be issued about a week before the Show opens. The entry ticket of each exhibit shall state the number of its box, stall, pen or stand, as the case may be, which shall correspond with its number in the official catalogue, and if the box, stall or pen be not occupied by such exhibit by noon on the first day of the Show, the accommodation reverts to the

## CATTLE

Society. The entry ticket must be produced at the gate, when it will admit the exhibit and attendant to the grounds. It must be retained, and again produced when the exhibit leaves the grounds. Attendant's passes will be issued by the Superintendent at his office on the Show Grounds.

**ARRIVAL AND DEPARTURE OF EXHIBITS**

Exhibitors are required to deliver their Cattle (except Fat Cattle) to the Show Grounds in time to ascertain from the Cattle Superintendent where their exhibits are to be placed and to have them in their allotted positions by 9 a.m. on Wednesday, 15th September.

The entry of cattle, fodder, bedding or equipment to the Show Grounds prior to the Friday preceding the first day of the Show, is not allowed without special permission being granted by the Society.

Exhibitors will not be permitted to remove their stock until 11 p.m. on Saturday, 25th September.

**NECK NUMBERS**

Numbers corresponding to the exhibit numbers in the catalogue must be worn by the exhibits when appearing before the Judge.

Neck numbers must be obtained by the exhibitor from the office of the Superintendent.

**"IN MILK" CLASSES AND DISPOSAL OF MILK**

Cow or Heifer entered as "in milk" can be transferred to the "in calf" class, if she has not calved prior to judging, or vice versa.

Cows and heifers, in milk, except Dairy Shorthorns, must be fully milked out in readiness for "stripping out" by the Stewards at 5.00 p.m. on Wednesday, 15th September.

Dairy Shorthorn cows and heifers, in milk, must be in readiness for "stripping out" at 8.00 p.m. on Wednesday, 15th September.

The owner or his representative must be in attendance when females are being stripped out, and the exhibits which are to receive such attention must be in readiness in the stalls allotted to them.

Before entering the Judging Ring exhibits in the "In Milk" Classes will be checked with the Milk Stewards' reports to ascertain that they have been fully milked out in compliance with the conditions.

Entries of milking stock (Sections 24, 25 and 27 to 31 inclusive) will only be accepted subject to the following regulations regarding the disposal of milk.

In order that the Society can comply with the provisions of the Dairy Supervision Act, exhibitors are not permitted to dispose of milk prior to and during the currency of the Show, either by sale or gift, other than to the Society's agent, who is situated at the Milk Room (beside the No. 1 Cattle Pavilion). All milk will be purchased according to butter-fat value, based upon a complete test of the bulked milk, and returns, less dairy costs, will be forwarded to exhibitors after the Show. No milk will be paid for unless approved milk utensils are used and hygienic methods are adopted.

Exhibitors must provide their own receptacles for the delivery of milk to the Society's dairy on the Show Grounds.

**JUDGING**

Judging will be in catalogue order and will take place at the time stated at the head of each breed section.

Any exhibitor who shall, without due cause, fail to parade any animal before the Judge, when required so to do by the Steward of the Section, shall be liable to a fine of £5.

Judges have the right to order any Cow competing for Championships to be milked dry before finally awarding the prizes.

**AGE, DEFORMITY AND USE OF HORMONES**

The Society's Veterinary Surgeon's decision regarding age shall be final.

If, in the opinion of the Director, exhibits in these Sections be deemed to be deformed, the owner or owners of such exhibit or exhibits shall, upon notice to that effect, remove such exhibit or exhibits from the Show Grounds.

All male animals competing in the breeding classes must be completely entire. Any male animal in the breeding classes not deemed to be completely entire by the Society's Veterinary Surgeon may not compete or be offered for sale on the Show Grounds. Any marks of speying on females shall disqualify them from competing in such classes.

In all Beef, Dual Purpose and Dairy Cattle Sections any animal entered which can be shown to the satisfaction of the Society to have received Hormones will be ineligible for a prize.

**INSPECTION OF STOCK**

Exhibitors in the stock sections shall, if requested by the Steward-in-Chief of the Section or by the Director or his agent, submit his exhibits in whole or part, for inspection by a Veterinarian or Veterinarians appointed by the Society.

The Council reserves the right to decline to receive entries in future years from any person who exhibits stock that is not up to a satisfactory standard, that is not exhibited in reasonable Show condition, or that is not given proper attention during the Show. Judging will be in catalogue order and will commence at 9.30 a.m. on the opening day of the Show.

\* Denotes Special Class.

A cattle exhibit can only be entered in one ordinary class.

An exhibit cannot be entered in a Special class unless it has been entered in an ordinary class.

The Judge in this Section will be asked not to award prizes to grossly overfat animals.

Any animal entered in this Section which can be shown to the satisfaction of the Society to have received Hormones will be ineligible for a prize.

All adult animals entered in this Section must be registered in a recognised Poll Shorthorn Herd Book. All animals not of age for registration must be the recorded progeny of registered parents. For particulars of registration in the Poll Shorthorn Herd Book of Australia, apply to the Secretary, Poll Shorthorn Society of Australia, 11 Loftus Street, Sydney, N.S.W.

All male exhibits of Beef and Dual Purpose Cattle born on or before 31st August, 1964, shall be rung through the nose and at all times shall be led by such ring. If, in the opinion of the Stewards or Society's Officials, any bull is considered unsafe, it shall be placed under such control as directed by the Stewards or Society's Officials.

Particular attention is drawn to the regulations regarding Inspectors' verification of type, description and eligibility of exhibits, appearing under the heading "Inspection Regulations in Beef and Dual Sections", which precede the first Cattle Section.

All cattle entered in this Section must be certified tuberculosis free. Animals from herds listed as accredited or in process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be tuberculin tested within ninety days prior to the opening date of the Show. Certificates for these individual tests must accompany entry forms.

Attendants leading stock in the judging ring or on parade must wear uniform grey coats, which can be procured from the Society.

## **NOT SINCE NOAH'S ARK HAVE LIVESTOCK HAD IT SO GOOD**

Today, Ansett-ANA transport all livestock — pigs, cattle, sheep, horses or what have you — from anywhere to anywhere. They are the undisputed leaders in the field of air-freighting livestock, and first carried a stud bull in 1948. In fact, only Ansett-ANA can offer this exclusive service.

Those who have already air-freighted livestock state that it is most economical compared with other forms of transport — it saves on feed freight costs, attendant's wages, and is much easier on the animals (particularly stud stock). *For complete details on the air-freighting of your livestock, contact:*

## HEREFORDS

## Section 16 — Herefords

Judge: P. D. A. WRIGHT, Esq.

Stewards: J. W. KELLY, Esq.

F. GILDER, Esq.

W. A. ANGLISS, Esq., Jnr.

M. BOOTHBY, Esq.

Exhibitors are advised that, in addition to reading the following conditions, they should carefully peruse the conditions of entry and exhibition which precede the first Cattle Section.

An exhibitor may enter up to five animals in any one Class, of which only three may be shown.

Entries will be accepted on the understanding that, should they be in excess of the accommodation, the number of exhibits will be reduced accordingly.

Judging will be in catalogue order and will commence at 9.30 a.m. on the opening day of the Show.

\* Denotes Special Class.

A cattle exhibit can only be entered in one ordinary class.

An exhibit cannot be entered in a Special class unless it has been entered in an ordinary class.

The Judge in this Section will be asked not to award prizes to grossly overfat animals.

Any animal entered in this Section which can be shown to the satisfaction of the Society to have received Hormones will be ineligible for a prize.

All bulls, irrespective of age, must be registered in the Australian Hereford Herd Book or other recognised Herd Book of the breed.

All females not of age for adult registration must be the progeny of registered sires and dams and duly recorded as progeny with the Australian Hereford Society.

For particulars of registration in the Hereford Herd Book, apply to the Secretary, Australian Hereford Society, 179 Mary Street, Brisbane, Queensland.

All male exhibits of Beef and Dual Purpose Cattle born on or before 31st August, 1964, shall be rung through the nose and at all times shall be led by such ring. If, in the opinion of the Stewards or Society's Officials, any bull is considered unsafe, it shall be placed under such control as directed by the Stewards or Society's Officials.

Particular attention is drawn to the regulations regarding Inspectors' verification of type, description and eligibility of exhibits, appearing under the heading "Inspection Regulations in Beef and Dual Purpose Sections", which precede the first Cattle Section.

All cattle entered in this Section must be certified tuberculosis free. Animals from herds listed as accredited or in process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be tuberculin tested within ninety days prior to the opening date of the Show. Certificates for these individual tests must accompany entry forms.

Attendants leading stock in the judging ring or on parade must wear uniform grey coats, which can be procured from the Society.

All prize-winning cattle must be paraded. (See Regulation at head of Cattle Section.)

Judging will take place daily from the opening day of the Show until the following Thursday, under the same scale of points as for the Inter-Breeds Competition. There is no entry fee and all Hereford Exhibitors' Teams will automatically compete for the prizes.

## BEEF CATTLE HERDSMEN'S COMPETITION.—

Shell Medallion and special prizes for Herdsman who best prepares and parades stock for the Show Ring. For full particulars and conditions of entry see Class 113 at end of Section 23.

## Section 17 — Poll Herefords

Judge: R. L. FAHL, Esq.  
 Stewards: W. J. T. CLARKE, Esq.  
 T. TEHAN, Esq.  
 K. M. WEBSTER, Esq.  
 J. D. CAMPBELL, Esq.  
 E. F. TUCKER, Esq.

Exhibitors are advised that, in addition to reading the following conditions, they should carefully peruse the conditions of entry and exhibition which precede the first Cattle Section.

An exhibitor may enter up to five animals in any one Class, of which only three may be shown.

Entries will be accepted on the understanding that, should they be in excess of the accommodation, the number of exhibits will be reduced accordingly.

Judging will be in catalogue order and will commence at 9.30 a.m. on the opening day of the Show.

\* Denotes Special Class.

A cattle exhibit can only be entered in one Ordinary Class.

An exhibit cannot be entered in a Special Class unless it has been entered in an Ordinary Class.

The Judge in this Section will be asked not to award prizes to grossly overfat animals.

Any animal entered in this Section which can be shown to the satisfaction of the Society to have received Hormones will be ineligible for a prize.

All bulls, irrespective of age, must be registered in the Australian Poll Hereford Herd Book. All females not of age for registration must be the progeny of registered sires and dams and duly recorded in the calf register of the Australian Poll Hereford Society.

For particulars of registration in the Poll Hereford Herd Book, apply to the Secretary, Australian Poll Hereford Society, 4 O'Connell Street, Sydney, N.S.W.

All male exhibits of Beef and Dual Purpose Cattle born on or before 31st August, 1964, shall be rung through the nose and at all times shall be led by such ring. If, in the opinion of the Stewards or Society's Officials, any bull is considered unsafe, it shall be placed under such control as directed by the Stewards or Society's Officials.

Particular attention is drawn to the regulations regarding Inspectors' verification of type, description and eligibility of exhibits, appearing under the heading "Inspection Regulations in Beef and Dual Purpose Sections", which precede the first Cattle Section.

All cattle entered in this Section must be certified tuberculosis free. Animals from herds listed as accredited or in process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be tuberculin tested within ninety days prior to the opening date of the Show. Certificates for these individual tests must accompany entry forms.

Attendants leading stock in the judging ring or on parade must wear uniform grey coats, which can be procured from the Society.

All prize-winning cattle must be paraded. (See Regulation at head of Cattle Section.)

Entry fee, £1/5/-; R.A.S. of V. Members, £1.

P. T. B. KELYNACK, Esq.

Exhibitors are advised that, in addition to reading the following conditions, they should carefully peruse the conditions of entry and exhibition which precede the first Cattle Section.

## RED POLLS

An exhibitor may enter up to five animals in any one Class, of which only three may be shown.

Entries will be accepted on the understanding that should they be in excess of the accommodation, the number of exhibits will be reduced accordingly.

Judging will be in catalogue order and will commence at 9 a.m. on the opening day of the Show.

\* Denotes Special Class.

A cattle exhibit can only be entered in one ordinary class.

An exhibit cannot be entered in a Special class unless it has been entered in an ordinary class.

Entries of milking stock will only be accepted subject to the special regulation regarding the disposal of milk. (See head of Cattle Section.)

All adult animals entered in this Section must be registered in recognised Red Poll Herd Book. Animals not of age for registration must be recorded as the progeny of registered parents. For particulars of registration in the Red Poll Herd Book of Australia, apply to the Secretary, Red Poll Cattle Breeders' Association of Australia, Royal Show Grounds, Epsom Road, Ascot Vale, W.2.

All male exhibits of Beef and Dual Purpose Cattle born on or before 31st August, 1964, shall be rung through the nose and at all times shall be led by such ring. If, in the opinion of the Stewards or Society's Officials, any bull is considered unsafe, it shall be placed under such control as directed by the Stewards or Society's Officials.

Particular attention is drawn to the regulations regarding Inspectors' verification of type, description and eligibility of exhibits, appearing under the heading "Inspection Regulations in Beef and Dual Purpose Sections", which precede the first Cattle Section.

Cows which fail to yield 4 lbs. or more of milk in the 24 hours immediately preceding judging or in a period of 24 hours stipulated by the Society subsequent to judging shall be deemed to be dry.

Certificates for these individual tests must accompany entry forms.

Attendants leading stock in the judging ring or on parade must wear uniform grey coats, which can be procured from the Society.

Stewards: F. E. SELWYN SCOTT, Esq., M.B.E.  
H. ROBB, Esq.  
GERALD SHANAHAN, Esq.  
R. J. SCOTT, Esq.

Exhibitors are advised that, in addition to reading the following conditions, they should carefully peruse the conditions of entry and exhibition which precede the first Cattle Section.

An exhibitor may enter up to five animals in any one Class, of which only three may be shown.

Entries will be accepted on the understanding that should they be in excess of the accommodation, the number of exhibits will be reduced accordingly.

Judging will be in catalogue order and will commence at 9 a.m. on the opening day of the Show.  
\* Denotes Special Class.

A cattle exhibit can only be entered in one ordinary class.

An exhibit cannot be entered in a Special class unless it has been entered in an ordinary class.

Entries of milking stock will only be accepted subject to the Special Regulations regarding the disposal of milk (see head of Cattle Section).

Cattle entered in this Section must be registered in a recognised Dairy Shorthorn Herd Book. For particulars of registration in the Dairy Shorthorn Herd Book of Australia, apply to the Secretary, The Dairy Shorthorn Association of Australia, Royal Show Grounds, Epsom Road, Ascot Vale, W.2.

## DAIRY SHORTHORNS

All male exhibits of Beef and Dual Purpose Cattle born on or before 31st August, 1964, shall be rung through the nose and at all times shall be led by such ring. If, in the opinion of the Stewards or Society's Officials, any bull is considered unsafe, it shall be placed under such control as directed by the Stewards or Society's Officials.

Particular attention is drawn to the regulations regarding Inspectors' verification of type, description and eligibility of exhibits, appearing under the heading "Inspection Regulations in Beef and Dual Purpose Sections", which precede the first Cattle Section.

No dehorned bull may be exhibited in this Section.

The Dairy Shorthorn Judge will not penalise female exhibits because they are dehorned.

Cows which fail to yield 4 lbs. or more of milk in the 24 hours immediately preceding judging or in a period of 24 hours stipulated by the Society subsequent to judging shall be deemed to be dry.

All cattle entered in this Section must be certified tuberculosis free. Animals from herds listed as accredited or in process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be tuberculin tested within ninety days prior to the opening date of the Show. Certificates for these individual tests must accompany entry forms.

Attendants leading stock in the judging ring or on parade must wear uniform grey coats, which can be procured from the Society.

(For particulars of conditions in Type and Utility Classes, see Section 32.)

## GENERAL RULES

1. Exhibits in this Section can only be entered in one ordinary class, except in the case of exhibits entered in Led Classes 164, 165 & 166. These may also be entered in Class 167 or 168.
2. An exhibit cannot be entered in a special Class unless it has been entered in Class 164, 165 or 166.

\* Denotes Special Class.

3. All exhibitors in Section 26 shall state on their entry forms:—

(a) The breed, cross of breeds or mixture of breeds of each animal entered so far as this is known.

e.g., "Poll Shorthorn—Hereford cross. Sire, Burton Lea Poll Shorthorn; dam, grade Hereford cow."

(b) The name, breed and registered number of the sire and/or dam of each animal entered when either or both of these are known to be registered.

(c) Whether hormones have been administered to an exhibit and if so on what dates. The use of hormones is permissible in Section 26.

(d) Whether an exhibit has been artificially bred.

4. Any exhibitor who is awarded a cash prize in Section 26 may elect to receive a trophy to the value of that prize money or any part thereof.

5. The Society reserves the right to reject or limit entries at its discretion. Accommodation is limited.

6. Except in those classes where suitability for export trade is required, suitability for local trade is implied.

7. Where an exhibitor's entry is based on age as shown by its teeth, it must not show evidence of having had more teeth than specified for the class.

8. Unless otherwise stated all entries in Section 26 are required to be grass-fed. "Grass-fed" means that the exhibit has been grazed on pasture or crop and may have received hay or ensilage but not grain or concentrates and must not have been stall-fed.

9. The Council reserves the right to display all or any part of any carcass in the refrigerated show-case at the Meat Hall.

## GENERAL JUDGING RULES AND ARRANGEMENTS

1. A complete Timetable of the arrangements for Section 26 will be forwarded to each exhibitor after entries have been received.
2. Live judging in all ordinary classes shall be carried out by the official Fat Cattle Judge.
3. Special classes will be judged alive by the appropriate Breed Judge who will award a maximum of 100 points for conformation.
4. In all special classes the prize is awarded for the animal obtaining the highest aggregate of points from both live and carcass judging. These points are not aggregated in the ordinary classes.
5. In classes where three animals are penned the prize is awarded on the basis of total points scored by all three exhibits in either the live judging or carcass judging and not on the basis of the best individual of the three penned.
6. The Chief Steward may, at his discretion, transfer any animal or pen of animals from the class in which they were entered to any other class.

Stewards: F. W. BEDWELL, Esq.  
ALLAN McDONALD, Esq.  
JAMES W. WEST, Esq.

Exhibitors are advised that, in addition to reading the following conditions, they should carefully peruse the conditions of entry and exhibition which precede the first Beef Cattle Section and also the inspection regulations preceding this Section.

Entries are accepted on the understanding that, should they be in excess of the accommodation, exhibitors will be required to reduce their teams to the accommodation available.

Compulsory reduction, if necessary, shall be determined by the Committee within a few days following the closing of entries. Should it be found necessary to reduce, exhibitors will be permitted to decide for themselves which animal or animals shall be withdrawn, such withdrawals to be on a percentage basis to be decided upon by the Committee, such as one animal in six.

The over-entry of stock, i.e. entering animals without intention of showing them, is contrary to the regulations of the Society and may cause unnecessary compulsory reduction and much inconvenience both to the Society and exhibitors.

The Society will act in the best interests of exhibitors who can rest assured that overcrowding of pavilions will be avoided, therefore eliminating any need for exhibitors to over enter.

Judging will be in catalogue order and will commence at 9 a.m. on the opening day of the Show.

Inspectors appointed by the A.I.S. Society (Vic. Branch) will examine the tattoo marks of all exhibits and any found to be not in order may cause the exhibit to be disqualified.

All exhibits will be inspected to ascertain that they are of a satisfactory standard and condition. (See Regulation at head of Dairy Breeds Sections.)

\* Denotes Special Class.

A cattle exhibit can only be entered in one ordinary class.

An exhibit cannot be entered in a Special class unless it has been entered in an ordinary class.

A combined total of 4 animals — irrespective of sex — is the maximum number any exhibitor may enter in the yearling and 18 months old Classes, but not more than 2 animals in any one class.

No heifers born after 31st December, 1964, may be exhibited.

No bulls born after 31st December, 1964, may be exhibited.

Entries of milking stock will only be accepted subject to the special Regulation regarding the disposal of milk (see head of Cattle Section).

Cattle entered in this Section must be registered in the Australian Illawarra Shorthorn Herd Book. For particulars of registration in the Australian Illawarra Shorthorn Herd Book, apply to the Secretary, Victorian Branch, Australian Illawarra Shorthorn Society, Royal Show Grounds, Epsom Road, Ascot Vale, W.2.

All prize-winning cattle must be paraded. (See Regulation at head of Cattle Section.)

All male exhibits of Dairy Cattle, irrespective of age, shall be rung through the nose and at all times shall be led by such ring. If, in the opinion of the Stewards or Society's officials any bull is considered unsafe, it shall be placed under such control as directed by the Stewards or Society's officials.

All cattle entered in this Section must be certified tuberculosis free. Animals from herds listed as accredited or in process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all

other cattle exhibited must be tuberculin tested within ninety days prior to the opening date of the Show. Certificates for these individual tests must accompany entry forms.

Any animal entered in this Section which can be shown to the satisfaction of the Society to have received Hormones will be ineligible for a prize.

Attendants leading stock in the judging ring or on parade must wear uniform grey coats, which can be procured from the Society.

**"IN MILK" CLASSES.** Cows which fail to yield 4 lbs. or more of milk in the 24 hours immediately preceding judging or in a period of 24 hours stipulated by the Society after judging, shall be deemed to be "dry".

The Judge of Australian Illawarra Shorthorns will not penalise exhibits if they are dehorned.

(For particulars of conditions in Type and Utility Classes, see Section 32.)

**THE GIPPSLAND AND NORTHERN CO-OPERATIVE CO. LTD.** has donated the sum of £3/3/- towards the prize money in this Section.

**ENTRY FEE IN ALL CLASSES. £1/5/-;**  
**R.A.S. of V. MEMBERS, £1.**

## Section 28 — Ayrshires

Judge: LOVELL HOLMES, Esq.

Stewards: D. C. F. McCALLUM, Esq.  
W. J. WILLIAMS, Esq.  
JOHN G. WILSON, Esq.

Exhibitors are advised that, in addition to reading the following conditions, they should carefully peruse the conditions of entry and exhibition which precede the first Beef Cattle Section and also the inspection regulations preceding the first Dairy Cattle Section.

Entries are accepted on the understanding that, should they be in excess of the accommodation, exhibitors will be required to reduce their teams to the accommodation available.

Judging will be in catalogue order and will commence at 9 a.m. on the opening day of the Show.

\* Denotes Special Class.

A cattle exhibit can only be entered in one ordinary class.

An exhibit cannot be entered in a special class unless it has been entered in an ordinary class.

A combined total of 4 animals — irrespective of sex — is the maximum number any exhibitor may enter in the yearling and 18 months old Classes, but not more than 2 animals in any one Class.

No heifers born after 31st December, 1964, may be exhibited.

No bulls born after 31st December, 1964, may be exhibited.

Entries of milking stock will only be accepted subject to the Special Regulation regarding the disposal of milk (see head of Cattle Section).

Cattle entered in this section must be registered in the Ayrshire Herd Book of Australia or in an approved Ayrshire Herd Book outside the Commonwealth.

Inspectors, appointed by the Ayrshire Cattle Society (Victorian Branch), will examine stock exhibited to ensure that all are tattooed in accordance with the Herd Book Regulations. Any found not to be correctly and legibly tattooed may be disqualified.

All exhibits will be inspected to ascertain that they are of a satisfactory standard and condition. (See Regulation at head of Dairy Breeds Section).

For particulars of registration in the Ayrshire Cattle Society of Australia, apply to the Secretary, Ayrshire Cattle Society of Australia, Royal Show Grounds, Epsom Road, Ascot Vale, W.2.

All prize-winning cattle must be paraded. (See Regulation at head of Cattle Section).

All male exhibits of Dairy Cattle, irrespective of age, shall be rung through the nose and at all times shall be led by such ring. If, in the opinion of the Stewards or Society's officials, any bull is considered unsafe, it shall be placed under such control as directed by the Stewards or Society's officials.

All cattle entered in this Section must be certified tuberculosis free. Animals from herds listed as accredited or in process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be tuberculin tested within ninety days prior to the opening date of the Show. Certificates for these individual tests must accompany entry forms.

Any animal entered in this Section which can be shown to the satisfaction of the Society to have received Hormones will be ineligible for a prize.

Attendants leading stock in the judging ring and on parade must wear uniform grey coats, which can be procured from the Society.

The Judge of Ayrshires will not penalise exhibits if they are dehorned.

Cows which fail to yield 4 lbs or more of milk in the 24 hours immediately preceding judging or in a period of 24 hours stipulated by the Society subsequent to judging shall be deemed to be "dry".

## Section 29 — Jerseys

Judge: R. GREENAWAY, Esq.

Stewards: L. G. C. NICHOLAS, Esq.

S. A. TURNER, Esq.

A. P. MOORE, Esq.

HOWARD K. WILSON, Esq.

Exhibitors are advised that, in addition to reading the following conditions, they should carefully peruse the conditions of entry and exhibition which precede the first Beef Cattle Section and also the inspection regulations preceding the first Dairy Cattle Section.

Entries are accepted on the understanding that, should they be in excess of the accommodation, exhibitors will be required to reduce their teams to the accommodation available.

Judging will be in catalogue order and will commence at 9 a.m. on the opening day of the Show. Judging of the Type and Utility classes will commence at 8.30 a.m., Friday, 17th September.

\* Denotes Special Class.

A cattle exhibit can only be entered in one ordinary class.

An exhibit cannot be entered in a special class unless it has been entered in an ordinary class.

A combined total of 4 animals — irrespective of sex — is the maximum number any exhibitor

may enter in the yearling and 18 months old Classes, but not more than 2 animals in any one Class.

No heifers born after 31st December, 1964, may be exhibited.

No bulls born after 31st December, 1964, may be exhibited.

Entries of milking stock will only be accepted subject to the Special Regulations regarding the disposal of milk. (See head of Cattle Section.)

Cattle entered in this Section must be registered in the Jersey Stud Book of Australia, or in an approved Jersey Herd Book.

For particulars of registration in the Jersey Stud Book of Australia, apply to the Secretary, Australian Jersey Herd Society (Victorian Branch), 224 Queensberry Street, North Melbourne, N.1.

Inspectors appointed by the Australian Jersey Herd Society (Victorian Branch) will examine stock entered for exhibition to ensure that all are tattooed in accordance with the Herd Book Regulations. Any found not correctly or not legibly tattooed may be disqualified.

All exhibits will be inspected to ascertain that they are of a satisfactory standard and condition. (See Regulation at head of Dairy Breeds Section.)

All cattle entered in this Section must be certified tuberculosis free. Animals from herds listed as accredited or in process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be tuberculin tested within ninety days prior to the opening date of the Show. Certificates for these individual tests must accompany entry forms.

Any animal entered in this Section which can be shown to the satisfaction of the Society to have received Hormones will be ineligible for a prize.

Attendants leading stock in the judging ring and on parade must wear uniform grey coats, which can be procured from the Society.

All prize-winning cattle must be paraded. (See Regulation at head of Cattle Section.)

All male exhibits of Dairy Cattle, irrespective of age, shall be rung through the nose and at all times shall be led by such ring. If, in the opinion of the Stewards or Society's officials, any bull is considered unsafe, it shall be placed under such control as directed by the Stewards or Society's officials.

Cows which fail to yield 4 lbs. or more of milk in the 24 hours immediately preceding judging or in a period of 24 hours stipulated by the Society subsequent to judging shall be deemed to be "dry".

The Judge of Jerseys will not penalise exhibits if they are dehorned.

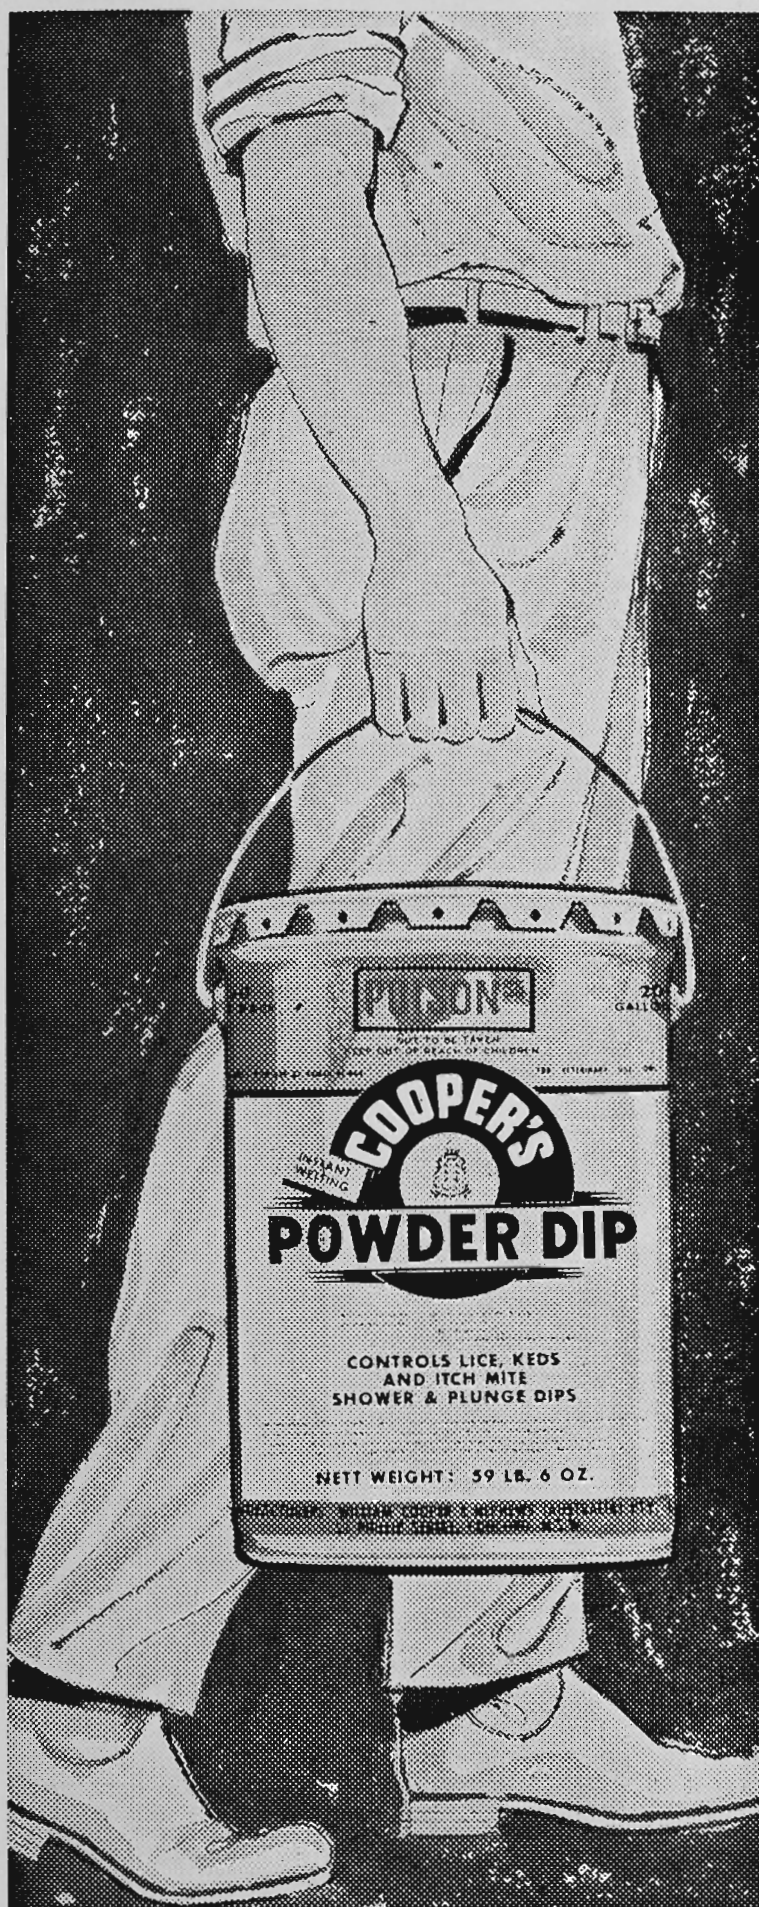

(For particulars of conditions in Type and Utility Classes, see Section 32.)
