If, however, in the opinion of the Judge, none of the exhibits are of sufficient merit, he may withhold the prize altogether. Only first prize winners of ordinary classes are eligible to compete for a Championship but the animal placed second to the Champion in the ordinary class, shall be eligible to compete for the Reserve Championship.

In case any live stock, whilst on the Society's grounds, shall be injured or maimed or suffering from any ailment requiring, in the opinion of the Society's Veterinary Surgeon or that of some qualified substitute, immediate veterinary aid, and the owner of such stock is not in attendance or fails to forthwith render such aid, the Director or his deputy may provide such aid, and the cost and expense thereby incurred shall in every case be borne by the owner of such stock. If such Veterinary Surgeon or such substitute is of the opinion that such live stock should be destroyed then the Veterinary Surgeon or his substitute may thereupon destroy such livestock either with or without the owner's consent. The owner of such

Competitors not ready at the appointed time of adjudication will be liable to disqualification.

7. The Judge may award a second or third prize, instead of a first one, or may withhold a prize altogether, where the exhibits are not of sufficient merit.

8. The Judge is requested to make a reserve number, by marking it as such, of the exhibit next in merit beyond those to which the prizes are awarded in every class where the number of the entries exceeds the number of prizes offered, if, in his opinion, the exhibit is of sufficient merit to deserve a prize; he is also requested to give commendations when deserved.

## CONDITIONS OF ENTRY

Entries will only be received subject to the rules and regulations of the Society and the decisions of the Council. All exhibits must be the bona fide property of the exhibitor or held by the exhibitor under a written lease recognised by the Society at the time of entry.

**Entries are accepted on the distinct understanding that stock may not be removed from the Show Grounds until after 11 p.m. on Saturday, 24th September.**

**Unless authorised by the Society no live stock will be permitted to enter the Grounds other than those entered for exhibition.**

No exhibit may be entered in more than one ordinary class unless otherwise stated at the head of the section. Sweepstakes, special classes or championship prizes do not count as ordinary classes. Throughout the schedule special classes are denoted with a star (\*). Should an exhibit be incorrectly entered in more than one ordinary class such exhibit shall be deemed ineligible to compete in any class other than the first in which its name or particulars appear in the Show Catalogue.

The Council reserves the right to reject at any time any entry or prohibit any person or animal from competing in any class.

When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

All entries must be made in writing on forms supplied by the Society. Entries for Horse and Contest Sections, except Trotting, must be in the hands of the Director, at his office, Show Grounds, Epsom Road, Ascot Vale, W.2, on or before Tuesday, 14th June, at 4.30 p.m. Entry fee must accompany each entry. Performance forms for all horses, galloways or ponies (except Clydesdales and Farm and Lorry Horses) must also accompany the entry form.

**EVERY ANIMAL ENTERED MUST BE EXHIBITED UNLESS A CERTIFICATE SIGNED BY THE OWNER IS LODGED WITH THE SOCIETY PRIOR TO THE DATE OF THE SHOW, STATING THAT THE ANIMAL IS UNABLE TO COMPETE ON ONE OF THE FOLLOWING GROUNDS:**

- (i) THE ANIMAL HAS DIED.
- (ii) THE ANIMAL IS UNFIT FOR EXHIBITION DUE TO INJURY OR DISEASE.
- (iii) THE ANIMAL HAS BECOME INELIGIBLE FOR THE CLASS ENTERED.
- (iv) SOME OTHER CAUSE WHICH THE COUNCIL OR DIRECTOR OF THE SOCIETY CONSIDERS REASONABLE.

**FAILURE TO COMPLY WITH THIS RULE RENDERS THE OWNER OR ENTRANT LIABLE TO A FINE OF NOT MORE THAN \$10 FOR EVERY ANIMAL NOT EXHIBITED, AND IN ADDITION THE COUNCIL MAY DEBAR THE OWNER OR EXHIBITOR FROM TAKING PART IN ANY FURTHER EXHIBITION CONDUCTED BY THE SOCIETY.**

All exhibits must be placed where directed by the Director or his deputy, and (except live stock, in accordance with Regulation 18) must not be removed from their Classes during the Exhibition without the written consent of the Director being first obtained.

## INSPECTION OF STOCK

Exhibitors in the Stock Sections shall, if requested by the Steward-in-Chief of the Section or by the Director or his agent, submit his exhibits, in whole or part, for inspection by a Veterinarian or Veterinarians appointed by the Society.

All male animals competing in the breeding classes must be completely entire. Any male animal in the breeding classes not deemed to be completely entire by the Society's Veterinary Surgeon may not compete. Any marks of speying on females shall disqualify them from competing in such classes.

Exhibits of horses which, in the opinion of the Society, are not in reasonable Show condition, shall be removed from the grounds.

Failure to comply with this rule shall render the exhibitor liable to a fine not exceeding \$10 for each separate offence.

No advertisement of notice (except by permission of the Council) is permitted on or in any stall or building.

## SURCHARGE

A surcharge of 10 cents per horse shall be imposed on all horses, galloways and ponies entered in Sections 9 and/or 11.

This surcharge, which must be remitted with the entry fees, shall be paid into the Overseas Team Fund of the Equestrian Federation of Australia.

## AGE OF EXHIBITS

The breeding year dates from 1st August in each year.

The Society's Veterinary Surgeon's decision regarding age shall be final.

## MARES (in Foal)

Any prize awarded to a mare exhibited as being in foal may be withheld until the production of a certificate that she has produced a foal after the exhibition and previous to the 1st January next ensuing.

## STALLIONS—Government Certification and Registration

Stallions over two years of age exhibited from States other than Victoria need not be registered under the Act, but must be examined and passed by a Government Veterinary Officer in respect of both soundness and type, except registered Clydesdales carrying a current certificate of soundness issued in South Australia which will be accepted for exhibition purposes on production of this certificate.

All Stallions over 2 years of age, owned in Victoria, must be registered as required by the provisions of the Horse Breeding (Victoria) Act 1928.

### VETERINARY EXAMINATION

All Stallions and Mares over two years of age entered in Sections 1 to 7 (except Farm and Lorry Horses in Section 2) must be examined by a Government Veterinary Officer and if passed, have their Entry Tickets stamped "Pass to Ring" before entering the judging ring. No appeal against a Government Veterinary Officer's decision will be entertained.

Stallions and Mares will be examined by Government Veterinary Surgeons on the Show Grounds on Wednesday, 14th September, commencing at 10 a.m.

### HEIGHT

Where height is stipulated, horses and ponies must be measured, and an exhibit over or under the specified measurement may be transferred to its correct class. The official measurer will be in attendance on the Grounds on Tuesday, 13th, and Wednesday, 14th September, at 10 a.m., on Thursday, 15th September, at 8 a.m., and on each remaining day of the Show from 9.30 a.m. to 10 a.m., and the neck numbers of horses and ponies must be endorsed by the measurer.

When measuring a horse, galloway or pony an allowance of half ( $\frac{1}{2}$ ) of an inch for shoes may be made at the discretion of the Measurer. Should an exhibit be measured with shoes on and the exhibitor disagree with the Official Measurer's decision as to the height of the animal, he may, should he desire, have it re-measured without shoes. The Official Measurer may, in his discretion, request the removal of shoes from any horse, galloway, or pony, prior to measurement.

If the judge entertains a doubt as to the correctness of a height certificate, he has the power to order the exhibit to be re-measured. In such case the Steward shall accompany the exhibit to the Measurer's Stand and supervise the re-measuring.

Any exhibitor who supplies wrong information on entry or performance form will render himself liable to disqualification.

### ENTRY TICKETS

Entry tickets will be issued about a week before the Show opens. The entry ticket of each exhibit shall state the number of its box, stall, pen or stand, as the case may be, which shall correspond with its number in the official catalogue, and if the box, stall or pen be not occupied by such exhibit by noon on the first day of the Show, the accommodation reverts to the Society. The entry ticket must be produced at the gate, when it will admit the exhibit and attendant to the grounds. It must be retained, and again produced when the exhibit leaves the yards. Attendants' passes will be issued by the Superintendent at the Show Grounds.

### PERIOD OF EXHIBITION

All horses and ponies entered in Sections 1 to 10 inclusive are required to be at the grounds from 9 a.m. on Thursday, 15th September, until 11 p.m. on Saturday, 24th September, unless otherwise specified.

The upper portion of horse boxes outside the pavilion must remain open during those hours. Exhibitors will be liable to a fine of one dollar for every infringement of this regulation.

### NECK NUMBERS AND COMPETITORS' NUMBERS

Competitors' numbers for Riding Competitions, Jumping Contests and Novelty Events must be collected from the office of the Horse Superintendent, Eastern Area.

- (ii) Clean out their stalls or boxes before 8 a.m. each day.

### ACCEPTANCE AND ACCOMMODATION

The Society may limit acceptances to that number of horses which can be accommodated on the Show Grounds.

Restrictions are therefore imposed on entries in Sections 3, 4, 5, 6 and 7, and the nature of the restriction is referred to at the head of each Section concerned.

### PERFORMANCE FORM

Nomination will NOT be accepted for horses, ponies or galloways (Clydesdales and Farm and Lorry Horses excepted) unless accompanied by a performance form.

A performance form for the purpose of conveying the information specified hereunder is to be completed for each horse, galloway or pony (Clydesdales and Farm and Lorry Horses excepted).

## *What does IH mean to you?*

A motor truck emblem? A trade mark on a tractor? A transfer on an earth-moving machine? The IH Symbol is all of these — and more. It's the symbol of the world's most complete range of motor trucks: International Harvester plays a major role in moving the produce of nations into the economic channels of the world. It's the symbol of the world's largest producer of farm

equipment; International Harvester contributes largely to the clearing, shaping, tilling, draining, fertilization, planting, cultivating and harvesting of the world's soils. It's the symbol of a leader in the world of construction and industrial equipment; International Harvester shapes the earth, helps build its irrigation channels, its roads. Wherever you go, you see the IH

Symbol, signifying the vital role International Harvester plays throughout the world in meeting the basic needs of mankind.

An exhibit may only be entered in one ordinary class in each of Sections 5, 6, 7, 9 and 10 and in as many Special Classes as it is eligible to compete in Sections 5, 6, 7, 9, 10 and 11.

An exhibit cannot be entered in a Special class unless it has been entered in an ordinary class in the same section. (This regulation does not apply to the Miscellaneous and Dressage Classes, which include Classes 156 to 168.

All animals entered in this Section must be registered in the Equestrian Federation of Australia's Register. For particulars regarding registration apply to the Secretary Equestrian Federation of Australia (Victorian Branch), Royal Show Grounds, Epsom Road, Ascot Vale, W.2.

Where height is stipulated, horses must be measured, and an exhibit over or under the specified measurement may be transferred to its correct Class. Where a definite weight is specified, the horse must, in the opinion of the judge, be suitable for carrying such weight.

All horses in the 14-st., 12-st. and 10-st. Hack Classes must be paraded before judging, when the Judge will classify them into their various classes in the following way:—The horses entered for 14-st. Hack shall be paraded, when any horse too light in the opinion of the Judge, shall be transferred to the 12-st. Class. Those entered in the 12-st. Class shall be next paraded, when the Judge shall class out any he considers too heavy or too light, and shall transfer the heavy to 14-st. and the light to 10-st. Class. Those entered for the 10-st. Class shall be paraded, and the Judge shall class out all considered too heavy, and transfer to 14st. or 12-st. Class, as the case may be. Judging will then commence with the 14-st. Class.

# LAMENESS

**ACUTE OR CHRONIC—**  
**there's a RADIOL remedy for it!**

No single liniment can be expected to treat all conditions of lameness but the use of Radiol or B-R (Bone-Radiol), according to the severity of the complaint, is the most effective treatment after the case has been correctly diagnosed. To be sure you use the right one write for the new Radiol Booklet "First in Fitness for Horse and Hound", free on request from the Agents. **Radiol.** For all acute conditions of lameness—soft swelling and inflammation apply Radiol. Price \$2.25.

**B-R Liniment** is highly concentrated and is for the treatment of chronic conditions—ringbones, splints, spavins—and other forms of persistent lameness. Price \$2.25.

Radiol products are available from your usual veterinary supplier or direct from the Agents:

## DRESSAGE TESTS

## OBJECT AND GENERAL PRINCIPLES

The object of Dressage is the harmonious development of the physique and ability of the horse. As a result, it makes the horse calm,

supple and keen, thus achieving perfect understanding with its rider.

These qualities are revealed by:

the freedom and regularity of the paces;

the harmony, lightness and ease of the movements;

the lightening of the forehand and the engagement of the hind quarters;

the horse remaining absolutely straight in any movement along a straight line and bending accordingly when moving on curved lines.

The horse thus gives the impression of doing of his own accord what is required of him. Confident and attentive, he submits generously to the control of his rider.

His walk is regular, free and unconstrained. His trot is free, supple, regular, sustained and active. His canter is united, light and cadenced. His quarters are never inactive or sluggish. They respond to the slightest indication of the rider and thereby give life and spirit to all the rest of his body.

By virtue of a lively impulsion and the suppleness of his joints, free from the paralysing effects of resistance, the horse obeys willingly and without hesitation and responds to the various aids calmly and with precision.

In all his work, even at the halt, the horse must be on the bit. A horse is said to be "on the bit" when the hocks are correctly placed, the neck is more or less raised according to the extension or collection of the pace, the head remains steadily in position, the contact with the mouth is light and no resistance is offered to the rider.

The position of the horse when "on the bit" depends on the conformation as well as on the degree of training of the horse.

## SPECIFIC REQUIREMENTS

**HALT.** At the halt, the horse, standing square on his four legs and immobile, must be ready to move forward at the least pressure of the rider's legs.

**EXTENDED WALK.** At the extended walk, the horse should cover as much ground as quickly as possible WITHOUT haste and without breaking. The hindlegs passing clearly beyond the tracks of the forelegs. The rider gives freedom to the head and neck of the horse without, however, losing contact, so as to be able at any moment to make the horse change his pace, his speed, or his direction.

**EXTENDED TROT.** At the extended trot, the horse extends his action, his neck is stretched, his shoulders vigorously driven on by the haunches, gains ground forward without noticeably increasing height.

**ORDINARY WALK.** The ordinary walk is a free, regular and unrestrained walk. The horse walks briskly, but with a calm, deliberate and

## DRESSAGE

even step, each clearly marked, distinct and equally spaced. The rider keeps a light and steady contact on the reins.

**ORDINARY TROT.** The ordinary trot is a pace between an extended and a collected trot. The horse goes forward freely and quite straight. engages his haunches which remain very active pulls gently at the reins with a balanced and even bearing. His strides should be as far as possible equal; the hind legs follow exactly in the tracks of the fore legs.

**ORDINARY CANTER.** The ordinary canter is a pace between an extended and collected canter. The horse perfectly straight from the poll to the tail, goes freely with a natural balance.

**REIN-BACK.** The rein-back is the walk backwards of the horse. It is correct when the horse lifts his feet and brings them down in pairs diagonally almost simultaneously, the haunches remaining well in line. The horse walks back step by step, constantly ready, at the wish of the rider, either to halt or to advance without halting.

**Comments:**

1. All movements in Dressage tests may be progressive unless otherwise stated. It is, therefore, better to put in one or two strides at the walk and get the "move-off" smooth and straight, than to try to break straight into the trot and cause the movement to be rough and crooked.

2. In the extended trot make the horse lengthen his stride and let there be a definite difference between the extended and the ordinary trot. Be careful to maintain the cadence throughout the transition and the correct bend round the corners. Keep the ordinary trot lively though with shortened strides and the same cadence.

3. Make good wide loops, making sure you go right up to the side line. It is better even to come back a little at the end of each loop as you pass the centre and then change the bend smoothly. Keep the slow trot active.

4. In the halt, the horse must stand absolutely still on all four legs on the track parallel to the long side and remain on the bit. Count six slowly. The horse must move off smoothly, remaining on the bit without throwing up his head.

5. Turn about on the haunches, the inside hind leg being the pivot, the fore legs performing a semi-circle with even strides round this pivot, the outside fore leg moving over and in front of the left. The pivoting leg when raised should be replaced on the same spot; it is a bad fault if it is drawn back. The horse should be flexed in the direction of the turn, but the neck should not be bent. The rider's outside hand should not be carried across the withers. As soon as the turn is completed and the horse parallel to the long side he should proceed at once at the walk. After three or four strides at the walk break into the canter. Here the transition should not be progressive as it definitely lays down that the canter be done from the walk. Be careful to avoid the quarters coming in and the head being bent out or thrown up.

6. Be sure that the circle is round and goes well up to the prescribed dimensions. There should be no variation in the pace. The horse should be flexed in the direction to which he is going and the hind legs follow in the tracks of the fore legs.

A very common fault is that the second half of the circle is flatter than the first; it is better to err in the other direction as if the second half of the circle is flat it makes a more abrupt return to the long side and prevents it from being smooth.

7. Come smoothly away from the short side, make the loops well up to but not beyond the quarter lines and maintain the same bend throughout. The horse should always be bent to the leading leg whether cantering false or true. Be careful not to get on two tracks and be sure to make all three loops the same size.

8. The old canter should be continued to within six feet of the prescribed point and the change produced progressively, i.e., through the trot. There should be at least one stride at the walk and the new canter obtained from the walk not more than six feet beyond the prescribed point. The horse's body must remain straight on the diagonal line throughout.

9. After the salute, the horse must move off with a loose rein straight towards the judges. The aid to turn may be given by a slight contact of the outside rein, the horse then being allowed to walk up the long side with a loose rein.

10. The horse should go freely and actively forward maintaining activity and cadence in all paces, with smooth transitions. Good and steady head and tail carriage, no raising or beating of the head, no tail swishing. Clear four-time walk evenly spaced. Springing activity from one diagonal to the other in the trot. Canter definitely three-time and straight.

11. Rider's body should be upright with seat well down in the saddle and should be still, the hands and the legs steady. The hands must always remain on their own side of the horse's neck with the elbows close to the sides and legs should never be in front of the perpendicular. The heels well down even when giving aids and knees turned well into the saddle. All aids should be correct and as invisible as the training of the horse permits.

**GENERAL REMARKS**

The test is to be performed from memory. The number of marks obtainable is 200.

Time allowed: 8 minutes.

The time will be counted from the exact moment, after the salute to the judges, when the horse moves forward until the horse is brought to a standstill at the end of the test and the rider salutes the judges. For every second exceeding the time imposed a penalty of a half-mark will be deducted from the score sheet. Ordinary and extended trot to be performed Rising. Collected trot, Sitting.

**The Scale of marks is as follows:**

10, Perfect; 9, Excellent (almost Perfect); 8, Very good; 7, Good; 6, Fairly good; 5, Sufficient; 4, Moderate; 3, Passable; 2, Bad; 1, Very bad; 0, of no value.

MISS LYNETTE M. SMITH.

## 231 THE "GOOD HANDS" CHALLENGE TROPHY FOR BOYS.

Presented by Mrs. HAROLD BARTRAM for competition in perpetuity at the Royal Melbourne Show. - 105

## QUALIFYING COMPETITIONS.

1. Each Country Agricultural Society in Victoria, or a gymkhana registered with the Equestrian Federation of Australia, is invited to co-operate in qualifying competitors for these trophies, by providing annually riding competitions for competitors under 15 years of age on the day of its show.

2. Each Society conducting qualifying competitions is requested to notify the Royal Agricultural Society of Victoria of the names and addresses of the winners and "runners-up", so that if it is found that, for any reason, the winners were ineligible, an opportunity may be given the "runners-up" to compete in the Championship Competitions.

3. Such competitions to be named "The Good Hands Qualifying Riding Competitions," and the Royal Agricultural Society of Victoria to provide suitable certificates for presentation to the winners.

4. The holder of a R.A.S. Qualifying Certificate, won in the same year, shall not be eligible to compete.

5. The competitors shall be judged solely on their riding ability—mount, saddlery or costume will not be taken into account, but special attention will be paid to hands and seat, general management and control of the horse or pony.

## CHAMPIONSHIP COMPETITION

6. Only holders of qualifying certificates won during the preceding twelve months will be eligible to compete for the Challenge Trophies at the Royal Melbourne Show. No entry fee will be charged.

7. The Championship Competitions shall be judged on the same basis as the qualifying competitions, but the Judge, before finally making his award, shall require his six finalists to execute a figure 8 at a canter, ride away from the Judge, return at a slow canter, stop at the Judge's signal and back, all six using the same mount (with snaffle bridle) which will be selected by the Society's referee, from horses ridden in this competition.

## NOVELTY EVENTS

8. Eligible competitors are accepted on the condition that they will be prepared to provide the selected mount.

9. The names of the winners will be engraved on the Challenge Trophies, and they will be entitled to hold them until 31st August in the year following their success.

10. Suitably inscribed Championship Sashes will be presented to each successive winner of the Challenge Trophies.

11. The winners of the Challenge Trophies will be eligible to compete in future years, subject to age.

12. The Council of the Royal Agricultural Society of Victoria may, at its discretion, vary the conditions governing the qualifying and Championship Competitions.

## MUSICAL CHAIRS CONDITIONS

Oil drums (one less than the number of competitors) are placed in the centre of a circle, approximately 50 feet in diameter marked out with stakes or flags or whitewash. Competitors must, when mounted, trot or canter (not walk) around the circle.

Competitors must keep to outside of the circle whilst music is being played.

When the music stops, all competitors dismount and run in to the centre leading their mounts, and sit on the drums. The competitor left without a seat retires, and the same process is continued until the ultimate winner is decided.

As each competitor is eliminated, one drum is removed from the ring.

Competitors may be disqualified for unnecessary roughness. Reins must be joined and of conventional length.

Ladies and gentlemen may compete.

Judge will use his discretion as to the number starting in heats.

Competitors and mounts (saddled) will be at the starting line. Upon the starter's signal to GO, they will go beyond a given line to the trough or their respective bucket, which may be held by the competitor as he grabs for an apple with his mouth. He must not touch apples with his hands. If the bucket is knocked over by the competitor he will be disqualified.

After competitor has grasped apple in his mouth from his bucket he must mount and ride to finish line. If apple is dropped on the way to finish line, competitor may dismount and retrieve apple with his mouth, then remount and continue.

## DEFINITIONS, GENERAL RULES AND PENALTIES

## OBSTACLE KNOCKED DOWN:

1. An obstacle is considered as having been knocked down when through the fault of the horse, or rider:

- Any part, or the whole, of it is knocked down, even when the falling part is arrested in its fall by any other portion of the obstacle.
- When at least one of its ends is dislodged from its support.
- Any framework intended to maintain the solidity of the obstacle, and forming an integral part of its support falls. Touches and displacements, in whatever direction, do not count.

2. (a) When an obstacle, or part of an obstacle, is composed of several elements placed one on top of the other and in the same vertical plane, the dislodging of the top element alone is penalised.

## JUMPING

(b) When an obstacle to be taken in one jump is composed of several elements not fixed in the same vertical plane (oxer, brook, triple bar, water jump or ditch, preceded or followed by another obstacle, etc.), the fall of one or more elements or foot in the water is counted only as one fault, irrespective of the number and position of the elements knocked down.

(c) If an obstacle that has been knocked down does not actually fall until after the horse has left the arena, it will not be penalised.

(d) If any element of an obstacle that has been knocked down prevents the horse from jumping the next obstacle it must be removed. The time required for doing this is deducted from the total time of the round.

(e) All obstacles with water (with the exception of the water jump which is subject to special rules) must be marked by a lath both on the take-off side and on the landing side.

**DISOBEDIENCE:**

3. The following are considered as disobediences and are penalised as such:

Rectified deviation from the course.

Refusal.

Run-out.

Resistance.

Any form of circle or series of circles, in any part of the course for any reason, except that a horse may circle once or more without penalty to re-take the track after a run-out or a refusal. In a course that is not marked by a continuous line, unless there is any indication to the contrary on the plan or notified by the Jury, any circle (whereby the horse crosses its original track), wherever it may be on the course, is penalised as a disobedience. Approaching an obstacle sideways, or zig-zagging, or turning sharply towards it, do not constitute a disobedience, provided the horse has not passed the obstacle.

**DEVIATION FROM THE COURSE:**

4. There is a deviation from the course when the horse does not follow the plan for the course as shown on the diagram posted up, as when the rider:

(a) Disregards a flag to indicate the course to be followed.

(b) Does not clear the obstacles in the prescribed order.

(c) Jumps an obstacle outside the course, or misses one on the course.

5. (a) To rectify a deviation from the course the rider must resume the course from the spot where the error was committed.

(b) A deviation from the course rectified before clearing an obstacle is penalised as a disobedience.

(c) A deviation from the course not rectified, or rectified only after taking an obstacle, whether this forms part of the course or not, incurs the penalty of elimination. Officials or others in the arena are never allowed to warn the competitor of his error.

**REFUSAL:**

(a) A refusal consists of stopping in front of an obstacle to be jumped, whether or not the horse knocks it down or displaces it.

(b) Stopping at an obstacle without knocking it down and without reining back, followed immediately by a standing jump, is not penalised.

(c) If the halt is perceptible, or if the horse steps back even a single pace, voluntarily or not, or retakes the track, a refusal is incurred.

(d) If a horse, having knocked down an obstacle in stopping, jumps this obstacle before it has been re-erected, he is eliminated.

(e) If a horse slides through an obstacle, the officiating judge must decide immediately whether it is to count as a refusal or as an obstacle knocked down. If he decides it is a refusal, the bell is sounded at once and the competitor must retrace his steps and re-jump the obstacle. Should he fail to do so and jumps an obstacle, other than another of the same combination, he is eliminated. Should the Judge decide it was not a refusal, he will not ring the bell and the competitor must continue his round. He is then penalised as for an obstacle knocked down.

(f) The action of showing an obstacle to the horse after a refusal and before resuming the course is penalised by elimination.

**RUNNING OUT:**

7. It is considered as running-out and the horse must be brought back to jump the obstacle again, failing which he is eliminated, when:

(a) The horse, not being properly under control of his rider, avoids the obstacle he should have jumped.

(b) He jumps the obstacle outside the boundary flags which mark it.

**RESISTANCE:**

8. It is considered to be a resistance when the horse, wherever he may be, refuses to go forward (stops, runs back, turns round more or less completely, rears, etc.).

All horses are eliminated that:

(a) Resist their riders for a period of sixty consecutive seconds during the round.

(b) Take more than sixty seconds to jump an obstacle, except in the case of a fall.

(c) Have not passed the starting line sixty seconds after being given the signal to start.

**FALLS:**

9. (a) A rider is considered to have fallen when he is separated from his horse, which has not fallen, in such a way as to necessitate remounting, or vaulting, into the saddle.

(b) A horse is considered to have fallen when the shoulder and quarters have touched either the ground, or the obstacle and the ground.

10. (a) A fall is penalised wherever it takes place within the course and whatever the cause. After a fall the rider must continue the course from the point where he fell, or from any other point, provided he does not reduce the length of the course.

## JUMPING

(b) The penalty to be imposed for a fall is set out in Table "A", "B", or "C".

(c) When the horse or rider falls in knocking down an obstacle the penalties for both occurrences are added together. The same applies to a fall following a disobedience.

## UNAUTHORISED ASSISTANCE:

11. Any intervention by a third party, whether solicited or not, with the object of facilitating the task of the rider or helping his horse, is unauthorised assistance and is forbidden under penalty of elimination.

The judges have full powers to decide whether the rider will be eliminated or not.

Bringing back a runaway horse after a fall or helping the rider to re-adjust the saddlery, or to remount, is not considered as unauthorised assistance. The course must be re-taken at the exact spot where it was interrupted.

Handing his whip to a rider who has dropped it during the round is unauthorised assistance.

## DOUBLE, TREBLE AND MULTIPLE OBSTACLES:

12. A double, treble, or multiple obstacle is one composed of two, three or more fences or parts, and with a maximum inner distance between them of 39 ft. 5 ins. (12 metres), which must be taken in two, three or more successive jumps. The distance is measured from the base of the one fence on the landing side to the base of the next fence on the take-off side.

In double, treble and multiple obstacles, each fence or part of the whole must be jumped separately, on penalty of elimination. When there is a refusal, run-out, or fall, the rider must take the whole obstacle again, or he will be eliminated. Exception is made for completely closed obstacles.

All the faults for mistakes and resistances made at each fence and during the various attempts are counted separately and added together, but should a refusal be due to a fall between two fences it will not be penalised.

## BANKS, SLOPES AND RAMPS:

13. Banks, slopes, ramps and sunken roads, irrespective of whether they include any sort of fence and whatever the direction in which they should be taken, will be regarded as double, treble, multiple or closed obstacles. Each part must be jumped separately and faults will be penalised as for these obstacles.

The Jury must decide before the competition whether the obstacle is to be considered as closed or as a double, treble, or multiple obstacle. This decision must be included on the plan of the course.

14. A bank or platform (butte) without the addition of a fence, or with only one pole, can be taken in a flying jump. This way of jumping does not incur any penalties.

## OBSTACLES COMPLETELY CLOSED:

(15). (a) If an obstacle is completely closed (such as in-and-out, square or hexagonal) the rule for rejumping the whole obstacle does not apply.

(b) In such cases, if the horse leaves the enclosure on the wrong side, he is considered as having jumped an obstacle that is not part of the course and he is eliminated.

(c) If, on the other hand, once in the enclosure, there is a refusal or fall, the rider is obliged to leave the enclosure by jumping out of it in the correct direction. If he is unable to do so within 60 seconds or after several attempts, making in all three refusals during the round, he is eliminated. He has not the right to displace, or cause to be displaced, or to modify any of the elements of the obstacle.

## TIME:

(a) Unless otherwise stated in the conditions of the Class the "Time Allowed" for the course will be announced before each event.

(b) THE "TIME LIMIT" IS TWICE THE "TIME ALLOWED".

(c) FAULTS FOR TIME:—FOR EVERY SECOND OR PART OF A SECOND EXCEEDING THE "TIME ALLOWED"  $\frac{1}{4}$  FAULT. EXCEEDING THE "TIME LIMIT". ELIMINATED.

## JUMPING-OFF:

See conditions of class concerned.

## DEFINITION OF JUMPING ARENA:

The Jumping Arena will, when practicable, be entirely enclosed, but if not, will be clearly marked with flags or some other easily recognised indicator. At all times the Trotting Track will be taken as off the Jumping Arena. It will be the responsibility of all competitors to acquaint themselves with the extent of the arena and its markings before competing.

THE COUNCIL RESERVES THE RIGHT TO INTRODUCE A STANDARD AT ANY TIME.

CRUELTY TO HORSES is forbidden either in the arena, exercise area or elsewhere. A competitor found guilty of committing a definite act of cruelty will be disallowed from taking part in any further competitions at the Show where the offence was committed. The decision rests with the Judge and no appeal will be considered.

## GROUP A

Competition in classes in this group is open only to horses over 14.2 hands whose past performances, in the opinion of the committee, warrant their inclusion in the group.

From the entries received, the Council will select the horses with the best performances (up to a maximum of 20

## JUMPING

## 258. THE "OLYMPIC TYRE" TOP SCORE STAKES.

F.E.I. Rules.

**SPECIAL PRIZES, \$200 (presented by THE OLYMPIC TYRE & RUBBER CO. PTY. LTD., CROSS ST., WEST FOOTSCRAY, W.12).**—First prize, \$90; Second prize, \$50; Third prize, \$30; Fourth prize, \$20; Fifth prize, \$10. For horses and galloways over 14.2 hands.

No rider may ride more than two horses in this competition.

This Competition will take place over a course of 12 obstacles, each carrying a number of points. Points will be relative to the difficulty of the obstacle and they will vary in height from 4 ft. to 5 ft. 6 in. The points value of each obstacle will be scored if the obstacle is jumped clear, no points will be awarded for an obstacle knocked down.

Six obstacles will be valued at 100, 90, 80, 70, 60 and 50 points, and of the remainder, two will be valued at 40, two at 30, one at 20 and one at 10 points. If an obstacle is knocked down the Competitor may not jump or attempt to jump it again.

First and second refusals over the course, or fall of horse and/or rider will not count as these will increase the time. At the third refusal the competitor will be eliminated. Should a Competitor attempt to jump an obstacle and refuse he/she must continue to endeavour to jump that obstacle from the same direction, and may not proceed to another obstacle until the obstacle first attempted has been jumped. A water jump will not be included in the course for this competition.

## JUMPING

The bell will be rung at the conclusion of 60 seconds, and an obstacle must be jumped after the bell so that time may be taken.

# SECTRONIC BY SMITHS

## What is Sectronic?

Sectronic is the name given to Smiths new transistorised battery-operated clock movement. It means time without wires or winding. Its many unique features make it the most advanced transistor movement in the world.

## What makes Sectronic unique?

Sectronic is the only movement to combine transistorised power supply with a featherweight moving coil balance assembly. The result is greater reliability and timekeeping accuracy. Smiths Sctronic clocks can operate wherever they are placed, and at any angle.

## How long does the battery last?

The single 1.5 volt torch battery will give at least 12 months' continuous operation. A special built-in control ensures constant time throughout the entire life of the battery—without the "slow down" common to many battery clocks.

## How good a timekeeper is it?

Because the balance assembly is fitted into 2 jewelled bearings and between 2 jewelled end-stones and includes a tiered triple hairspring (see illustration), Sctronic clocks give long, maintenance-free life and outstanding accuracy. Final adjustment is simple, each graduation representing a change of 6 seconds per day.

Smiths have a range of 20 battery clocks, either wall or mantel models to choose from, and remember—

## 264. THE "McEWAN'S" TOP SCORE STAKES.

F.E.I. Rules.

**SPECIAL PRIZES, \$160 (of which \$80 is presented by JAMES McEWAN & CO. PTY. LTD., BOURKE STREET, MELBOURNE).**—First prize, \$70; Second prize, \$42; Third prize, \$24; Fourth prize, \$16; Fifth prize, \$8.

For horses and galloways over 14.2 hands.

No rider may ride more than two horses in this competition.

This Competition will take place over a course of 12 obstacles, each carrying a number of points. Points will be relative to the difficulty of the obstacle and they will vary in height from 3 ft. 9 in. to 5 ft. 3 in. The points value of each obstacle will be scored if the obstacle is jumped clear, no points will be awarded for an obstacle knocked down.

Six obstacles will be valued at 100, 90, 80, 70, 60 and 50 points, and of the remainder, two will be valued at 40, two at 30, one at 20 and one at 10 points. If an obstacle is knocked down the Competitor may not jump or attempt to jump it again.

The Competitor having passed through the start will jump the obstacle designated as the first obstacle, thereafter the Competitor may jump any obstacle in either direction and any order within a time limit of 60 seconds. No obstacle may be jumped more than twice.

First and second refusals over the course, or fall of horse and/or rider will not count as these will increase the time. At the third refusal the competitor will be eliminated.

Should a Competitor attempt to jump an obstacle and refuse he/she must continue to endeavour to jump that obstacle from the same direction, and may not proceed to another obstacle until the obstacle first attempted has been jumped. A water jump will not be included in the course for this competition.

The bell will be rung at the conclusion of 60 seconds, and an obstacle must be jumped after the bell so that time may be taken.

An obstacle will not be considered as having been jumped and points scored until the horse's forelegs touch the ground on landing. The competitor with the highest score in points will be the winner. In the event of equality time will decide.

## JUMPING

## CONDITIONS

Each competitor will jump the course in the correct order and will continue jumping for one minute and will gain 3 points for each fence jumped clear. No points will be awarded for any fence knocked down. Refusals and disobedience up to 3 will only be penalised on time. The winner will be the competitor with the greatest number of points and in the event of equality of points, time will decide. When the time limit is reached the bell will be sounded and the competitor must then jump the next fence and this fence will not be counted. The clock will be stopped at the moment the horse's forefeet touch the ground. If the competitor takes the wrong course or for some reason does not take the jump, the clock will be stopped, the bell will be sounded at once, and he will be placed last of those gaining an equal number of points. If there are competitors tying for a number of points and for time there will be a jump-off for first place.

## 269. THE "COLES STORES" FAULT AND OUT RELAY.

(Teams of two)

F.E.I. Rules.

Speed: 436 yards (400 metres) per minute.

**SPECIAL PRIZES, \$200 (of which \$130 is presented by G. J. COLES & CO. LTD., MELBOURNE).**—First prize, \$80; Second prize, \$50; Third prize, \$30; Fourth prize, \$20; Fifth prize, \$12; Sixth prize, \$8.

## CONDITIONS

The course will not contain combination obstacles.

Competitors will jump as many obstacles (in the correct order) as possible within 90 seconds, the competitors changing over as many times as there is reason to do so until they are stopped by the clock.

The horse jumping the course when the whistle for time is sounded must then jump the following obstacle. The time will be taken when the horse's forelegs touch the ground; this obstacle does NOT count in classification. If for any reason the rider does not jump the obstacle at which the clock is stopped he is gonged and the clock stopped. The team will then be placed last of those gaining an equal number of points.

In the course of the competition the rider will be always gonged at the first fault committed no matter what this may be. The partner takes over immediately and continues the course. If it was a jumping fault, the partner takes over the round and jumps the obstacle following that where the fault was incurred.

If the fault was a disobedience, the partner takes over the round and must jump the obstacle where the disobedience occurred.

Notwithstanding the conditions above, if a rider completes one circuit of the course without fault, the other member of the team MUST take over the jumping. The competition then proceeds in accordance with the conditions as previously detailed.

## CLASSIFICATION:

In this competition, two points will be awarded for each obstacle jumped clear and one point for each obstacle knocked down.

From the total number of points scored by a team the following are deducted: 1 point for the first disobedience (or fall); 2 points for the second disobedience (or fall); 2 points for the third disobedience (or fall). The fourth disobedience entails elimination of the team.

In the case of equality of time and points there is a compulsory jump-off for first place only, over the same or a reduced course.

Owners will be allowed to pair and in the event of a pair separately owned winning, the prize will be divided.

For horses and galloways over 14.2 hands.

No rider may ride more than two horses.
