CONDITIONS OF ENTRY AND EXHIBITION, ETC.

(See also the conditions at the head of each Breed Section)

Entries will only be received subject to the rules and regulations of the Society and the decisions of the Council. At time of entry and until after exhibition, all exhibits must be the bona fide property of the exhibitor or held by the exhibitor under a written lease recognised by the Society.

The foregoing clause regarding leases does not apply in the Ayrshire Section. All exhibits in that Section must be the bona-fide property of the exhibitor.

Only one exhibitor will be recognised as an owner from any one holding, and any exhibitor who enters, or permits the entry of any of his stock, in the name of any other exhibitor, shall be disqualified.

The breeding year for Dairy Cattle dates from 1st July in each year.

Entries are accepted on the distinct understanding that stock may not be removed from the Showgrounds until after 11 p.m. on Saturday, 24th September.

The conditions governing the number of entries permitted will be found at the head of each breed section.

No exhibit may be entered in more than one ordinary class unless otherwise stated at the head of the section. Special classes or championship prizes do not count as ordinary classes. Throughout the schedule special classes are denoted with a star (*). Should an exhibit be incorrectly entered in more than one ordinary class, such exhibit shall be deemed ineligible to compete in any class other than the first in which its name or particulars appear in the Show Catalogue.

The Council reserves the right to reject at any time any entry or prohibit any person or animal from competing in any class.

When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

Every animal entered must be exhibited unless a certificate signed by the owner is lodged with the Society prior to the date of the Show, stating that the animal is unable to compete on one of the following grounds:—

- (i) The animal has died.
- (ii) The animal is unfit for exhibition due to injury or disease.
- (iii) The animal has become ineligible for the class entered.
- (iv) Some other cause which the Council or Director of the Society considers reasonable.

Failure to comply with this rule renders the owner or entrant liable to a fine of not more than \$10 for every animal not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibition conducted by the Society.

All entries must be made in writing on forms supplied by the Society. Entries for all cattle sections must be in the hands of the Director, at his office, Royal Show Grounds, Epsom Road, Ascot Vale, W.2, on or before the time stated at head of each cattle section.

Except where otherwise determined by Council, all cattle must be certified Tuberculosis free. Animals from herds listed as accredited or in process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be Tuberculin tested within ninety days prior to opening date of the Show. Certificates for these individual tests must accompany entry forms, or, if not available at that time, must be in the hands of the Director no later than 14 days prior to the opening day of the Show.

All exhibits must be placed where directed by the Director or his deputy, and (except in accordance with Regulation 19) must not be removed from their allotted places during the Exhibition without the written consent of the Director being first obtained.

Unless authorised by the Society no livestock will be permitted to enter the Grounds other than those entered for exhibition.

The General Regulations and Regulations appearing at the heading of each section and the conditions on the entry form also form part of the conditions of entry.

ENTRY TICKETS

Entry tickets will be issued about a week before the Show opens. The entry ticket of each exhibit shall state the number of its box, stall, pen or stand, as the case may be, which shall correspond with its number in the official catalogue, and if the box, stall or pen be not occupied by such exhibit by noon on the first day of the Show, the accommodation reverts to the Society. The entry ticket must be produced at the gate, when it will admit the exhibit and attendant to the grounds. It must be retained, and again produced when the exhibit leaves the grounds. Attendant's passes will be issued by the Superintendent at his office on the Show Grounds.

CATTLE

ARRIVAL AND DEPARTURE OF EXHIBITS

Exhibitors are required to deliver their Cattle (except Fat Cattle) to the Show Grounds in time to ascertain from the Cattle Superintendent where their exhibits are to be placed and to have them in their allotted positions by 9 a.m. on Wednesday, 14th September.

The entry of cattle, fodder, bedding or equipment to the Show Grounds prior to the Friday preceding the first day of the Show, is not allowed without special permission being granted by the Society.

Exhibitors will not be permitted to remove their stock until 11 p.m. on Saturday, 24th September.

NECK NUMBERS

Numbers corresponding to the exhibit numbers in the catalogue must be worn by the exhibits when appearing before the Judge.

Neck numbers must be obtained by the exhibitor from the office of the Superintendent.

"IN MILK" CLASSES AND DISPOSAL OF MILK

Cow or Heifer entered as "in milk" can be transferred to the "in calf" class, if she has not calved prior to judging, or vice versa.

Cows and heifers, in milk, except Dairy Shorthorns, must be fully milked out in readiness for "stripping out" by the Stewards at 5.00 p.m. on Wednesday, 14th September.

Dairy Shorthorn cows and heifers, in milk, must be in readiness for "stripping out" at 8.00 p.m. on Wednesday, 14th September.

The owner or his representative must be in attendance when females are being stripped out, and the exhibits which are to receive such attention must be in readiness in the stalls allotted to them.

Before entering the Judging Ring exhibits in the "In Milk" Classes will be checked with the Milk Stewards' reports to ascertain that they have been fully milked out in compliance with the conditions.

Entries of milking stock (Sections 25 to 31 inclusive) will only be accepted subject to the following regulations regarding the disposal of milk.

In order that the Society can comply with the provisions of the Dairy Supervision Act, exhibitors are not permitted to dispose of milk prior to and during the currency of the Show, either by sale or gift, other than to the Society's agent, who is situated at the Milk Room (beside the No. 1 Cattle Pavilion). All milk will be purchased according to butter-fat value, based upon a complete test of the bulked milk, and returns, less dairy costs, will be forwarded to exhibitors after the Show. No milk will be paid for unless approved milk utensils are used and hygienic methods are adopted.

Exhibitors must provide their own receptacles for the delivery of milk to the Society's dairy on the Show Grounds.

JUDGING

Judging will be in catalogue order and will take place at the time stated at the head of each breed section.

Any exhibitor who shall, without due cause, fail to parade any animal before the Judge, when required so to do by the Steward of the Section, shall be liable to a fine of \$10.

Judges have the right to order any Cow competing for Championships to be milked dry before finally awarding the prizes.

Attendants leading stock in the judging ring or on parade must wear uniform grey coats, which can be procured from the Society, and the showing of a name or names on the wearing apparel or about the person of the attendant is prohibited. This regulation will be strictly enforced.

AGE, DEFORMITY AND USE OF HORMONES

The Society's Veterinary Surgeon's decision regarding age shall be final.

If, in the opinion of the Director, exhibits in these Sections be deemed to be deformed, the owner or owners of such exhibit or exhibits shall, upon notice to that effect, remove such exhibit or exhibits from the Show Grounds.

All male animals competing in the breeding classes must be completely entire. Any male animal in the breeding classes not deemed to be completely entire by the Society's Veterinary Surgeon may not compete or be offered for sale on the Show Grounds. Any marks of speying on females shall disqualify them from competing in such classes.

In all Beef, Dual Purpose and Dairy Cattle Sections any animal entered which can be shown to the satisfaction of the Society to have received Hormones will be ineligible for a prize.

INSPECTION OF STOCK

Exhibitors in the stock sections shall, if requested by the Steward-in-Chief of the Section or by the Director or his agent, submit his exhibits in whole or part, for inspection by a Veterinarian or Veterinarians appointed by the Society.

The Owner or Exhibitor of any exhibit or Stand of exhibits disapproved of as an exhibit by the Council of the Society, must, immediately upon notice to that effect, remove such exhibit or stand of exhibits from the Society's Grounds. The Council reserves the right to decline to receive entries in future years from any person who exhibits stock that is not up to a satisfactory standard, that is not exhibited in reasonable Show condition, or that is not given proper attention during the Show. See also regulations at head of Beef and Dairy Cattle Sections.

Failure to comply with this rule shall render the exhibitor liable to a fine not exceeding \$10 for each separate offence.

Any exhibitor or his employee putting manure out of a box, stall, or pen, or putting out a trough, or cleaning out an alley way after 8 a.m. on a Show day shall be liable to a fine of one dollar.

All cattle pavilions will be open to the public from 9 a.m. until 5 p.m. daily, and on the first Saturday, the Wednesday, the second Thursday and the last Saturday of the Show will, in addition to the aforementioned period, remain open between 6.30 p.m. and 9 p.m.

M.A.
S. G. WESTERN, Esq.
ALEX CALVERT, Esq.

Exhibitors are advised that, in addition to reading the following conditions, they should carefully peruse the conditions of entry and exhibition which precede the first Cattle Section.

An exhibitor may enter up to five animals in any one Class, of which only three may be shown.

Entries will be accepted on the understanding that, should they be in excess of the accommodation, the number of exhibits will be reduced accordingly.

Judging will be in catalogue order and will commence at 9.30 a.m. on the opening day of the Show.

* Denotes Special Class.

A cattle exhibit can only be entered in one ordinary class.

An exhibit cannot be entered in a Special class unless it has been entered in an ordinary class.

The Judge in this Section will be asked not to award prizes to grossly overfat animals.

Any animal entered in this Section which can be shown to the satisfaction of the Society to have received Hormones will be ineligible for a prize.

All adult animals entered in this Section must be registered in a recognised Poll Shorthorn Herd Book. All animals not of age for registration must be the recorded progeny of registered parents. For particulars of registration in the Poll Shorthorn Herd Book of Australia, apply to the Secretary, Poll Shorthorn Society of Australia, 11 Loftus Street, Sydney, N.S.W.

If, in the opinion of the Stewards or Society's Officials, any bull is considered unsafe, it shall be placed under such control as directed by the Stewards or Society's Officials.

Particular attention is drawn to the regulations regarding Inspectors' verification of type, description and eligibility of exhibits, appearing under the heading "**Inspection Regulations in Beef and Dual Sections**", which precede the first Cattle Section.

NOT SINCE NOAH'S ARK HAVE LIVESTOCK HAD IT SO GOOD

Today, Ansett-ANA transport all livestock — pigs, cattle, sheep, horses or what have you — from anywhere to anywhere. They are the undisputed leaders in the field of air-freighting livestock, and first carried a stud bull in 1948. In fact, only Ansett-ANA can offer this exclusive service.

Those who have already air-freighted livestock state that it is most economical compared with other forms of transport — it saves on feed freight costs, attendant's wages, and is much easier on the animals (particularly stud stock). *For complete details on the air-freighting of your livestock, contact:*

An exhibitor may enter up to five animals in any one Class, of which only three may be shown.

Entries will be accepted on the understanding that, should they be in excess of the accommodation, the number of exhibits will be reduced accordingly.

Judging will be in catalogue order and will commence at 9.30 a.m. on the opening day of the Show.

A cattle exhibit can only be entered in one ordinary class.

An exhibit cannot be entered in a Special class unless it has been entered in an ordinary class.

Any animal entered in this Section which can be shown to the satisfaction of the Society to have received Hormones will be ineligible for a prize.

All bulls, irrespective of age, must be registered in the Australian Hereford Herd Book or other recognised Herd Book of the breed.

All females not of age for adult registration must be the progeny of registered sires and dams and duly recorded as progeny with the Australian Hereford Society.

The Golden Age of drenching has dawned...

From today, use ICI 'NILVERM'® — the clear, golden, non-clogging liquid that saves time, effort, and safely controls mature and immature stomach and intestinal worms in sheep and cattle, plus lungworm.

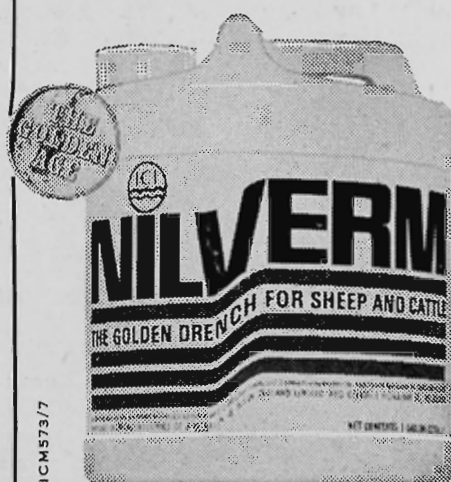

You can't help but have better, healthier sheep and cattle when you use ICI 'Nilverm'. It's a wide spectrum drench to control mature and immature worms, and it also controls lungworm. (If you live in an area where this extra problem occurs you now use just one drench instead of two.)

'Nilverm' is a modern drench in other ways. It's completely free of particles and sediment — a true solution. It's non-staining. It doesn't require mixing, stirring or shaking. You just pour it into the drench container. 'Nilverm' flows through the gun; there's no sediment build up in your equipment. Dose rates are low for faster drenching. A maximum of 10

cc. for adult sheep. And for cattle only 10 cc. for each 100 lb. bodyweight (animals over 600 lbs. should receive a maximum dose of 60 cc.). Even very young lambs and cattle can be drenched quite safely with 'Nilverm'. Overall, you can't help but have better, healthier sheep and cattle for full meat and wool production. You can't help but have an easier time (and spend less time) drenching sheep and cattle.

Contact your usual ICI Supplier. He has full facts for you. He also has supplies of 'Nilverm'. So enter the new, Golden Age of drenching. Use ICI 'NILVERM' — it flows through the gun for easier, faster, wider spectrum drenching.

 E. F. TUCKER, Esq.

Exhibitors are advised that, in addition to reading the following conditions, they should carefully peruse the conditions of entry and exhibition which precede the first Cattle Section.

An exhibitor may enter up to five animals in any one Class, of which only three may be shown.

Entries will be accepted on the understanding that, should they be in excess of the accommodation, the number of exhibits will be reduced accordingly.

Judging will be in catalogue order and will commence at 9.30 a.m. on the opening day of the Show.

* Denotes Special Class.

A cattle exhibit can only be entered in one Ordinary Class.

An exhibit cannot be entered in a Special Class unless it has been entered in an Ordinary Class.

The Judge in this Section will be asked not to award prizes to grossly overfat animals.

Any animal entered in this Section which can be shown to the satisfaction of the Society to have received Hormones will be ineligible for a prize.

All bulls, irrespective of age, must be registered in the Australian Poll Hereford Herd Book. All females not of age for registration must be the progeny of registered sires and dams and duly recorded in the calf register of the Australian Poll Hereford Society.

For particulars of registration in the Poll Hereford Herd Book, apply to the Secretary, Australian Poll Hereford Society, 4 O'Connell Street, Sydney, N.S.W.

All male exhibits of Beef and Dual Purpose Cattle born on or before 31st August, 1965, shall be rung through the nose and at all times shall be led by such ring. If, in the opinion of the Stewards or Society's Officials, any bull is considered unsafe, it shall be placed under such control as directed by the Stewards or Society's Officials.

Particular attention is drawn to the regulations regarding Inspectors' verification of type, description and eligibility of exhibits, appearing under the heading "Inspection Regulations in Beef and Dual Purpose Sections", which precede the first Cattle Section.

All cattle entered in this Section must be certified tuberculosis free. Animals from herds listed as accredited or in process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be tuberculin tested within ninety days prior to the opening date of the Show. Certificates for these individual tests must accompany entry forms or, if not available at that time, must be in the hands of the Director no later than 14 days prior to the opening day of the Show.

Attendants leading stock in the judging ring or on parade must wear uniform grey coats, which can be procured from the Society.

All prize-winning cattle must be paraded. (See Regulation at head of Cattle Section.)

Entry fee, \$2.50; R.A.S. of V. Members, \$2.

Angus

Judge: T. H. BREWIS, Esq.

Stewards: K. P. PALMER, Esq.
 R. W. RITCHIE, Esq.
 R. M. C. LITTLE, Esq.
 J. A. PHILLIPS, Esq.

Exhibitors are advised that, in addition to reading the following conditions, they should carefully peruse the conditions of entry and exhibition which precede the first Cattle Section.

An exhibitor may enter up to five animals in any one Class, of which only three may be shown.

Entries will be accepted on the understanding that, should they be in excess of the accommodation, the number of exhibits will be reduced accordingly.

Judging will be in catalogue order and will commence at 9.30 a.m. on the opening day of the Show.

* Denotes Special Class.

A cattle exhibit can only be entered in one ordinary class.

An exhibit cannot be entered in a Special class unless it has been entered in an ordinary class.

ANGUS

The Judge in this Section will be asked not to award prizes to grossly overfat animals.

Any animal entered in this Section which can be shown to the satisfaction of the Society to have received Hormones will be ineligible for a prize.

All cattle 12 months old and over on the opening day of the Show, entered in this Section, must be registered in a recognised Angus Herd Book. Animals under 12 months old must be the recorded progeny of registered parents. For particulars of registration in the Angus Herd Book, apply to the Secretary, The Angus Society of Australia, Hosking House, Penfold Place, 84½ Pitt Street, Sydney, New South Wales.

All male exhibits of Beef and Dual Purpose Cattle born on or before 31st August, 1965, shall be rung through the nose and at all times shall be led by such ring. If, in the opinion of the Stewards or Society's Officials, any bull is considered unsafe, it shall be placed under such control as directed by the Stewards or Society's Officials.

Particular attention is drawn to the regulations regarding Inspectors' verification of type, description and eligibility of exhibits, appearing under the heading "Inspection Regulations in Beef and Dual Purpose Sections", which precede the first Cattle Section.

All cattle entered in this Section must be certified tuberculosis free. Animals from herds listed as accredited or in the process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be tuberculin tested within ninety days prior to the opening date of the Show. Certificates for these individual tests must accompany entry forms or, if not available at that time, must be in the hands of the Director no later than 14 days prior to the opening day of the Show.

Attendants leading stock in the judging ring or on parade must wear uniform grey coats, which can be procured from the Society.

All prize-winning cattle must be paraded. (See Regulation at head of Cattle Section.)

Entry fee, \$2.50; R.A.S. of V. Members, \$2.

OR

PROTAVITE

AUSTRALIA'S BEST BALANCED, MOST SUSTAINING
COMPLETE FEED FOR HEIFER REPLACEMENT

**Protavean the complete food
for heifer replacement
(mixes with water)**

Protavean, made specially for Australian conditions, is a balanced Calf Food for raising heifers of the quality and vigour that you want to see as your herd replacements. Protavean mixes instantly with water to become a complete milk food. Protavean costs less in use than other calf foods. Protavean has the right balance of milk fats and protein—it doesn't over-fatten young stock with an excessive fat content!

**Protavite the instant-mixing
'do it yourself' complete milk feed
(mixes with warm skim)**

With a quick, simple 'do it yourself' process you can make your own correctly-balanced complete milk feed. Just add Protavite to your skim and grow vigorous calves for herd replacements. Protavite is Australian-formulated specially for Australian conditions, with scientifically proportioned fats, proteins, minerals and added vitamins. No dissolving in hot water: Protavite mixes instantly with warm skim. Saves you time and work, costs less per head (about 5 cents a day per head).

Protavean and Protavite are manufactured by
HOLDENSON & NIELSON FRESH FOOD PTY. LTD., 132 YORK STREET, SOUTH MELBOURNE, VICTORIA.
One of Australia's largest dairy produce manufacturers. Write for the name and address of your nearest stockist.
