 R. J. SCOTT, Esq.

Exhibitors are advised that, in addition to reading the following conditions, they should carefully peruse the conditions of entry and exhibition which precede the first Cattle Section.

An exhibitor may enter up to five animals in any one Class, of which only three may be shown.

Entries will be accepted on the understanding that should they be in excess of the accommodation, the number of exhibits will be reduced accordingly.

Judging will be in catalogue order and will commence at 9 a.m. on the opening day of the Show.

* Denotes Special Class.

A cattle exhibit can only be entered in one ordinary class.

An exhibit cannot be entered in a Special class unless it has been entered in an ordinary class.

Entries of milking stock will only be accepted subject to the Special Regulations regarding the disposal of milk (see head of Cattle Section).

Cattle entered in this Section must be registered in a recognised Dairy Shorthorn Herd Book. For particulars of registration in the Dairy Shorthorn Herd Book of Australia, apply to the Secretary, The Dairy Shorthorn Association of Australia, Royal Show Grounds, Epsom Road, Ascot Vale, W.2.

All male exhibits of Beef and Dual Purpose Cattle born on or before 31st August, 1965, shall be rung through the nose and at all times shall be led by such ring. If, in the opinion of the Stewards or Society's Officials, any bull is considered unsafe, it shall be placed under such control as directed by the Stewards or Society's Officials.

Particular attention is drawn to the regulations regarding Inspectors' verification of type, description and eligibility of exhibits, appearing under the heading "Inspection Regulations in Beef and Dual Purpose Sections", which precede the first Cattle Section.

No dehorned bull may be exhibited in this Section. The Dairy Shorthorn Judge will not penalise female exhibits because they are dehorned.

Cows which fail to yield 4 lbs. or more of milk in the 24 hours immediately preceding judging or in a period of 24 hours stipulated by the Society subsequent to judging shall be deemed to be dry.

All cattle entered in this Section must be certified tuberculosis free. Animals from herds listed as accredited or in process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be tuberculin tested within ninety days prior to the opening date of the Show. Certificates for these individual tests must accompany entry forms, or, if not available at that time, must be in the hands of the Director no later than 14 days prior to the opening day of the Show.

Attendants leading stock in the judging ring or on parade must wear uniform grey coats, which can be procured from the Society.

(For particulars of conditions in Type and Utility Classes, see Section 32.)

3. If in the unanimous opinion of the inspector(s) any animal
- (a) is not true to type or of a satisfactory standard or condition or
 - (b) bears any marking brand tattoo contrary to the marking brand or tattoo disclosed in the relevant entry form or any marking brand or tattoo not in accordance with the records of the relevant Breed Society or
 - (c) being a bull, irrespective of age, is not rung through the nose . . .

then such animal shall be ineligible for exhibition and the Society may require the animal to be forthwith removed from the Showground and the exhibitor, upon receipt of such notice shall forthwith remove such animal and failing such removal by him within the time prescribed by the Director the Director may remove the animal or cause the animal to be removed and all costs and expenses of removal shall be borne by the exhibitor and shall be refunded to the Society. Each such animal shall at all times be at the sole risk and responsibility of the exhibitor and the person or persons removing the animal shall at all times be deemed to be the agents of the exhibitor and all acts and omissions on the part of such person or persons shall be deemed to be the acts and omissions of the exhibitor who shall indemnify and hold indemnified the Society its servants and agents from all claims whatsoever in respect of the animal whether by reason of any loss or injury to or caused by the animal or because of transportation, feeding or housing or otherwise howsoever.

4. The decision of the inspector(s) shall be final subject only to appeal to the Chief Steward or Assistant Chief Steward in the Dairy Breeds Section and his opinion shall be final.
5. The inspector(s) or Chief Steward or his assistant shall not be required to furnish to the exhibitor any reasons for their decision.
6. Notwithstanding anything contained in these regulations the Society shall have the right to declare any animal ineligible to compete because of the health of any such animal or for any other reason which the Society or its Director deems fit. The Society or its Director shall thereupon have the right to order the removal of such animal from the Show Grounds or in default thereof remove such animal at the expense and risk of the exhibitor.

Section 27 — Australian Illawarra Shorthorns

Judge: T. J. DUDGEON, Esq.

Stewards: R. B. GERRAND, Esq.
ALLAN McDONALD, Esq.
JAMES W. WEST, Esq.

Exhibitors are advised that, in addition to reading the following conditions, they should carefully peruse the conditions of entry and exhibition which precede the first Beef Cattle Section and also the inspection regulations preceding this Section.

Entries are accepted on the understanding that, should they be in excess of the accommodation, exhibitors will be required to reduce their teams to the accommodation available.

Compulsory reduction, if necessary, shall be determined by the Committee within a few days following the closing of entries. Should it be found necessary to reduce, exhibitors will be permitted to decide for themselves which animal or animals shall be withdrawn, such withdrawals to be on a percentage basis to be decided upon by the Committee, such as one animal in six.

Exhibitors will be given up to the time of arrival at the Showgrounds with their stock to make the withdrawals at which time they must hand to the Cattle Superintendent the entry tickets for the animals which have been withdrawn.

No rebates of fees for withdrawn entries will be made.

The over-entry of stock, i.e. entering animals without intention of showing them, is contrary to the regulations of the Society and may cause unnecessary compulsory reduction and much inconvenience both to the Society and exhibitors.

The Society will act in the best interests of exhibitors who can rest assured that overcrowding of pavilions will be avoided, therefore eliminating any need for exhibitors to over enter.

A combined total of 4 animals — irrespective of sex — is the maximum number any exhibitor may enter in the yearling and 18 months old Classes, but not more than 2 animals in any one Class.

No heifers born after 31st December, 1965, may be exhibited.

No bulls born after 31st December, 1965, may be exhibited.

Judging will be in catalogue order and will commence at 9 a.m. on the opening day of the Show.

Inspectors appointed by the A.I.S. Society (Vic. Branch) will examine the tattoo marks of all exhibits and any found to be not in order may cause the exhibit to be disqualified.

All exhibits will be inspected to ascertain that they are of a satisfactory standard and condition. (See Regulation at head of Dairy Breeds Sections.)

* Denotes Special Class.

A cattle exhibit can only be entered in one ordinary class.

An exhibit cannot be entered in a Special class unless it has been entered in an ordinary class.

Entries of milking stock will only be accepted subject to the special Regulation regarding the disposal of milk (see head of Cattle Section).

Cattle entered in this Section must be registered in the Australian Illawarra Shorthorn Herd Book. For particulars of registration in the Australian Illawarra Shorthorn Herd Book, apply to the Secretary, Victorian Branch, Australian Illawarra Shorthorn Society, Royal Show Grounds, Epsom Road, Ascot Vale, W.2.

All prize-winning cattle must be paraded. (See Regulation at head of Cattle Section.)

All male exhibits of Dairy Cattle, irrespective of age, shall be rung through the nose and at all times shall be led by such ring. If, in the opinion of the Stewards or Society's officials any bull is

AUSTRALIAN ILLAWARRA SHORTHORNS

considered unsafe, it shall be placed under such control as directed by the Stewards or Society's officials.

All cattle entered in this Section must be certified tuberculosis free. Animals from herds listed as accredited or in process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be tuberculin tested within ninety days prior to the opening date of the Show. Certificates for these individual tests must accompany entry forms or, if not available at that time, must be in the hands of the Director no later than 14 days prior to the opening day of the Show.

Any animal entered in this Section which can be shown to the satisfaction of the Society to have received Hormones will be ineligible for a prize.

Attendants leading stock in the judging ring or on parade must wear uniform grey coats, which can be procured from the Society.

"IN MILK" CLASSES. Cows which fail to yield 4 lbs. or more of milk in the 24 hours immediately preceding judging or in a period of 24 hours stipulated by the Society after judging, shall be deemed to be "dry".

The Judge of Australian Illawarra Shorthorns will not penalise exhibits if they are dehorned.

(For particulars of conditions in Type and Utility Classes, see Section 32.)

THE GIPPSLAND AND NORTHERN CO-OPERATIVE CO. LTD. has donated the sum of \$6.30 towards the prize money in this Section.

ENTRY FEE IN ALL CLASSES, \$2.50;
R.A.S. OF V. MEMBERS, \$2.

PRIZES AND PRIZE MONEY

In Classes where ten or more entries are received, except in specified Type and Utility Classes or where the prize money is stated to be donated, the prizes will be four of cash with two additional cards—5th and 6th. The cash prizes shown herein will be increased by \$2 each up to third, the fourth prize to be of \$2 only.

Where entries are less than ten, the number of prizes and the prize money are to remain as shown.

Section 28 — Ayrshires

Judge: L. NORGAARD, Esq.

Stewards: D. C. F. McCALLUM, Esq.
W. J. WILLIAMS, Esq.
JOHN G. WILSON, Esq.

Exhibitors are advised that, in addition to reading the following conditions, they should carefully peruse the conditions of entry and exhibition which precede the first Beef Cattle Section and also the inspection regulations preceding the first Dairy Cattle Section.

Entries are accepted on the understanding that, should they be in excess of the accommodation, exhibitors will be required to reduce their teams to the accommodation available.

Compulsory reduction, if necessary, shall be determined by the Committee within a few days following the closing of entries. Should it be found necessary to reduce, exhibitors will be permitted to decide for themselves which animal or animals shall be withdrawn, such withdrawals to be on a percentage basis to be decided upon by the Committee, such as one animal in six.

Exhibitors will be given up to the time of arrival at the Showgrounds with their stock to make the withdrawals at which time they must hand to the Cattle Superintendent the entry tickets for the animals which have been withdrawn.

No rebates of fees for withdrawn entries will be made.

The over-entry of stock, i.e. entering animals without intention of showing them, is contrary to the regulations of the Society and may cause unnecessary compulsory reduction and much inconvenience both to the Society and exhibitors.

The Society will act in the best interests of exhibitors who can rest assured that overcrowding of pavilions will be avoided, therefore eliminating any need for exhibitors to over enter.

A combined total of 4 animals — irrespective of sex — is the maximum number any exhibitor may enter in the yearling and 18 months old Classes, but not more than 2 animals in any one Class.

No heifers born after 31st December, 1965, may be exhibited.

No bulls born after 31st December, 1965, may be exhibited.

Judging will be in catalogue order and will commence at 9 a.m. on the opening day of the Show.

* Denotes Special Class.

A cattle exhibit can only be entered in one ordinary class.

An exhibit cannot be entered in a special class unless it has been entered in an ordinary class.

Entries of milking stock will only be accepted subject to the Special Regulation regarding the disposal of milk (see head of Cattle Section).

Cattle entered in this section must be registered in the Ayrshire Herd Book of Australia or in an approved Ayrshire Herd Book outside the Commonwealth.

Inspectors, appointed by the Ayrshire Cattle Society (Victorian Branch), will examine stock exhibited to ensure that all are tattooed in accordance with the Herd Book Regulations. Any found not to be correctly and legibly tattooed may be disqualified.

All exhibits will be inspected to ascertain that they are of a satisfactory standard and condition. (See Regulation at head of Dairy Breeds Section).

For particulars of registration in the Ayrshire Cattle Society of Australia, apply to the Secretary, Ayrshire Cattle Society of Australia, Royal Show Grounds, Epsom Road, Ascot Vale, W.2.

All prize-winning cattle must be paraded. (See Regulation at head of Cattle Section.)

All male exhibits of Dairy Cattle, irrespective of age, shall be rung through the nose and at all times shall be led by such ring. If, in the opinion of the Stewards or Society's officials, any bull is considered unsafe, it shall be placed under such control as directed by the Stewards or Society's officials.

All cattle entered in this Section must be certified tuberculosis free. Animals from herds listed as accredited or in process of accreditation under the Accredited Tubercle-free Herd Scheme

AYRSHIRES

conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be tuberculin tested within ninety days prior to the opening date of the Show. Certificates for these individual tests must accompany entry forms or, if not available at that time, must be in the hands of the Director no later than 14 days prior to the opening day of the Show.

Any animal entered in this Section which can be shown to the satisfaction of the Society to have received Hormones will be ineligible for a prize.

Attendants leading stock in the judging ring and on parade must wear uniform grey coats, which can be procured from the Society.

The Judge of Ayrshires will not penalise exhibits if they are dehorned.

Cows which fail to yield 4 lbs or more of milk in the 24 hours immediately preceding judging or in a period of 24 hours stipulated by the Society subsequent to judging shall be deemed to be "dry".

(For particulars of conditions in Type and Utility Classes, see Section 32.)

THE GIPPSLAND AND NORTHERN CO-OPERATIVE CO. LTD. has presented the sum of \$6.30 towards the prize money in this section.

A Prize of \$10.50, donated by THE AYRSHIRE CATTLE SOCIETY OF AUSTRALIA (VICTORIAN BRANCH), will be awarded annually for the Most Successful Sire in the above Classes, other than Special Classes.

The prize will be awarded to the breeder who owned the bull when the prize-winning stock were sired.

Three points will be awarded for a first prize, two points for a second, and one point for a third prize in all classes other than specials. In the event of a tie, three additional points will be awarded for each Championship, and two additional points for each Reserve Championship. These additional points will be awarded only to those bulls which tied in the original allocation.

Section 29 — Jerseys

Judge: J. HEWITT, Esq.

Stewards: LINDSAY G. C. NICHOLAS, Esq.

S. A. TURNER, Esq.

A. P. MOORE, Esq.

HOWARD K. WILSON, Esq.

Exhibitors are advised that, in addition to reading the following conditions, they should carefully peruse the conditions of entry and exhibition which precede the first Beef Cattle Section and also the inspection regulations preceding the first Dairy Cattle Section.

Entries are accepted on the understanding that, should they be in excess of the accommodation, exhibitors will be required to reduce their teams to the accommodation available.

Compulsory reduction, if necessary, shall be determined by the Committee within a few days following the closing of entries. Should it be found necessary to reduce, exhibitors will be permitted to decide for themselves which animal or animals shall be withdrawn, such withdrawals to be on a percentage basis to be decided upon by the Committee, such as one animal in six.

Exhibitors will be given up to the time of arrival at the Showgrounds with their stock to make the withdrawals at which time they must hand to the Cattle Superintendent the entry tickets for the animals which have been withdrawn.

No rebates of fees for withdrawn entries will be made.

The over-entry of stock, i.e. entering animals without intention of showing them, is contrary to the regulations of the Society and may cause unnecessary compulsory reduction and much inconvenience both to the Society and exhibitors.

The Society will act in the best interests of exhibitors who can rest assured that overcrowding of pavilions will be avoided, therefore eliminating any need for exhibitors to over enter.

A combined total of 4 animals — irrespective of sex — is the maximum number any exhibitor may enter in the yearling and 18 months old Classes, but not more than 2 animals in any one class.

No heifers born after 31st December, 1965, may be exhibited.

No bulls born after 31st December, 1965, may be exhibited.

Judging will be in catalogue order and will commence at 9 a.m. on the opening day of the Show. Judging of the Type and Utility classes will commence at 8.30 a.m., Friday, 16th September.

* Denotes Special Class.

A cattle exhibit can only be entered in one ordinary class.

An exhibit cannot be entered in a special class unless it has been entered in an ordinary class.

Entries of milking stock will only be accepted subject to the Special Regulations regarding the disposal of milk. (See head of Cattle Section.)

Cattle entered in this Section must be registered in the Jersey Stud Book of Australia, or in an approved Jersey Herd Book.

For particulars of registration in the Jersey Stud Book of Australia, apply to the Secretary, Australian Jersey Herd Society (Victorian Branch), 224 Queensberry Street, North Melbourne, N.I.

Inspectors appointed by the Australian Jersey Herd Society (Victorian Branch) will examine stock entered for exhibition to ensure that all are tattooed in accordance with the Herd Book Regulations. Any found not correctly or not legibly tattooed may be disqualified.

All exhibits will be inspected to ascertain that they are of a satisfactory standard and condition. (See Regulation at head of Dairy Breeds Section.)

All cattle entered in this Section must be certified tuberculosis free. Animals from herds listed as accredited or in process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be tuberculin tested within ninety days prior to the opening date of the Show. Certificates for these individual tests must accompany entry forms or, if not available at that time, must be in the hands of the Director no later than 14 days prior to the opening day of the Show.

Any animal entered in this Section which can be shown to the satisfaction of the Society to have received Hormones will be ineligible for a prize.

Attendants leading stock in the judging ring and on parade must wear uniform grey coats, which can be procured from the Society.

All prize-winning cattle must be paraded. (See Regulation at head of Cattle Section.)

All male exhibits of Dairy Cattle, irrespective of age, shall be rung through the nose and at all times shall be led by such ring. If, in the opinion of the Stewards or Society's officials, any bull is considered unsafe, it shall be placed under such control as directed by the Stewards or Society's officials.

Cows which fail to yield 4 lbs. or more of milk in the 24 hours immediately preceding judging or in a period of 24 hours stipulated by the Society subsequent to judging shall be deemed to be "dry".

The Judge of Jerseys will not penalise exhibits if they are dehorned.

(For particulars of conditions in Type and Utility Classes, see Section 32.)

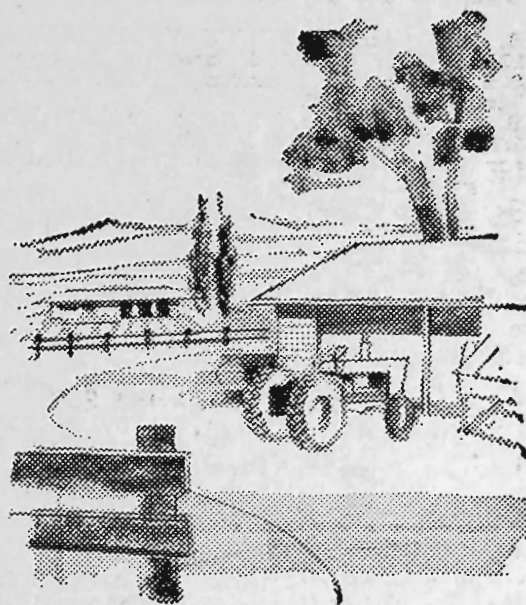

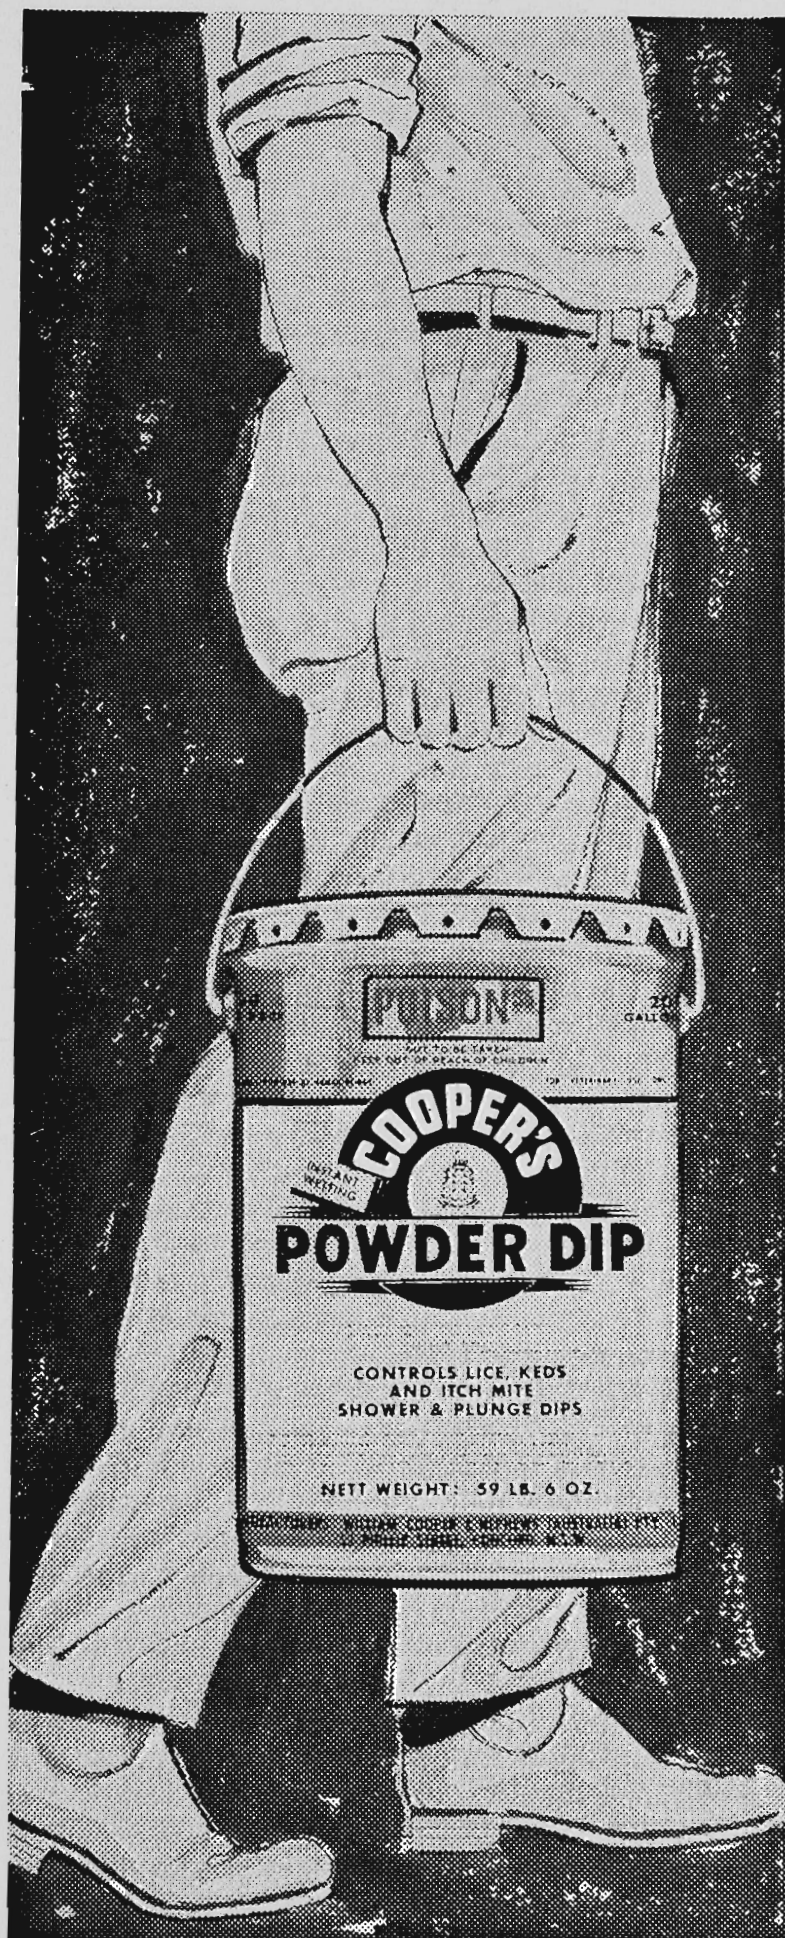

THE GIPPSLAND AND NORTHERN CO-OPERATIVE CO. LTD. has donated \$6.30 towards the prize money in this Section.

ENTRY FEE IN ALL CLASSES, \$2.50;
R.A.S. of V. MEMBERS, \$2.

PRIZES AND PRIZE MONEY

In Classes where ten or more entries are received, except in specified Type and Utility Classes or where the prize money is stated to be donated, the prizes will be four of cash with two additional cards — 5th and 6th. The cash prizes shown herein will be increased by \$2 each up to third, the fourth prize to be of \$2 only.

Where entries are less than ten, the number of prizes and the prize money are to remain as shown.

In Type and Utility Classes where 10 or more animals actually compete, the six highest pointed animals shall be eligible to compete for the prize.

1 point will be allotted for every 10 lbs. of butter fat over 350 lbs. The cows eligible to compete for this prize shall be brought together at the conclusion of the judging of the Type and Utility classes for the purpose of being allotted points on type, with a maximum of 100.

Both production and type points shall then be added to determine the winner. — 2144

JERSEY SIRES' MEMORIAL

A Prize of \$10.50, donated by THE AUSTRALIAN JERSEY HERD SOCIETY (VICTORIAN BRANCH), will be awarded annually for the Most Successful Sire in the above classes, other than special classes.

The prize will be awarded to the breeder who owned the bull when the prize-winning stock were sired.

Three points will be awarded for a first prize, two points for a second, and one point for a third prize in all classes other than specials. In the event of a tie, three points will be awarded for each Championship, and two points for each Reserve Championship. These additional points will be awarded only to those bulls which tied in the original allocation.

The name of the winning sire for the year and the names of the owner and breeder will be recorded upon the permanent Honour Board of the Victorian Branch of The Australian Jersey Herd Society. This Board will be displayed in the Jersey Cattle Pavilion during the Show — each sire's name to be inscribed permanently on the Honour Board.

Stewards: N. E. BEAUMONT, Esq.

J. W. TAWT, Esq.

J. RAE, Esq.

C. WEST, Esq.

Exhibitors are advised that, in addition to reading the following conditions, they should carefully peruse the conditions of entry and exhibition which precede the first Beef Cattle Section and also the inspection regulations preceding the first Dairy Cattle Section.

Entries are accepted on the understanding that, should they be in excess of the accommodation, exhibitors will be required to reduce their teams to the accommodation available.

Compulsory reduction, if necessary, shall be determined by the Committee within a few days following the closing of entries. Should it be found necessary to reduce, exhibitors will be permitted to decide for themselves which animal or animals shall be withdrawn, such withdrawals to be on a percentage basis to be decided upon by the Committee, such as one animal in six.

Exhibitors will be given up to the time of arrival at the Showgrounds with their stock to make the withdrawals at which time they must hand to the Cattle Superintendent the entry tickets for the animals which have been withdrawn.

No rebates of fees for withdrawn entries will be made.

The over-entry of stock, i.e. entering animals without intention of showing them, is contrary to the regulations of the Society and may cause unnecessary compulsory reduction and much inconvenience both to the Society and exhibitors.

GUERNSEYS

The Society will act in the best interests of exhibitors who can rest assured that overcrowding of pavilions will be avoided, therefore eliminating any need for exhibitors to over enter.

A combined total of 4 animals — irrespective of sex — is the maximum number any exhibitor may enter in the yearling and 18 months old Classes, but not more than 2 animals in any one Class.

No heifers born after 31st December, 1965, may be exhibited.

No bulls born after 31st December, 1965, may be exhibited.

Judging will be in catalogue order and will commence at 9 a.m. on the opening day of the Show.

* Denotes Special Class.

A cattle exhibit can only be entered in one ordinary class.

An exhibit cannot be entered in a special class unless it has been entered in an ordinary class.

Entries of milking stock will only be accepted subject to the Special Regulation regarding the disposal of milk (see head of Cattle Section).

Cattle entered in this Section must be registered in the Guernsey Herd Book of Australia or an approved Guernsey Herd Book outside the Commonwealth. For particulars of registration in the Guernsey Herd Book of Australia, apply to the Secretary, Guernsey Cattle Society of Australia (Victorian Branch), Royal Show Grounds, Epsom Road, Ascot Vale, W.2.

Inspectors appointed by the Guernsey Cattle Society of Australia (Victorian Branch) will examine stock exhibited to ensure that all are tattooed in accordance with the Herd Book Regulations. Any found not to be correctly and legibly tattooed may be disqualified.

All exhibits will be inspected to ascertain that they are of a satisfactory standard and condition. (See Regulation at head of Dairy Breeds Section).

All cattle entered in this Section must be certified tuberculosis free. Animals from herds listed as accredited or in process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be tuberculin tested within ninety days prior to the opening date of the Show. Certificates for these individual tests must accompany entry forms or, if not available at that time, must be in the hands of the Director no later than 14 days prior to the opening day of the Show.

Any animal entered in this Section which can be shown to the satisfaction of the Society to have received Hormones will be ineligible for a prize.

Attendants leading stock in the judging ring and on parade must wear uniform grey coats which can be procured from the Society.

The Judge of Guernseys will not penalise exhibits if they are dehorned.

All prize-winning cattle must be paraded. (See Regulation at head of Cattle Section.)

All male exhibits of Dairy Cattle, irrespective of age, shall be rung through the nose and at all times shall be led by such ring. If, in the opinion of the Stewards or Society's officials, any bull is

considered unsafe, it shall be placed under such control as directed by the Stewards or Society's officials.

Cows which fail to yield 4 lbs or more of milk in the 24 hours immediately preceding judging or in a period of 24 hours stipulated by the Society subsequent to judging shall be deemed to be "dry".

(For particulars of conditions in Type and Utility Classes, see Section 32.)

Friesians

Judge: JOHN L. MURRAY, Esq.

Stewards: J. T. STRACHAN, Esq.

A. C. T. HEWITT, Esq.

T. D. KENNEDY, Esq.

R. A. GUTHRIDGE, Esq.

Exhibitors are advised that, in addition to reading the following conditions, they should carefully peruse the conditions of entry and exhibition which precede the first Beef Cattle Section and also the inspection regulations preceding the first Dairy Cattle Section.

Entries are accepted on the understanding that, should they be in excess of the accommodation, exhibitors will be required to reduce their teams to the accommodation available.

Compulsory reduction, if necessary, shall be determined by the Committee within a few days following the closing of entries. Should it be found necessary to reduce, exhibitors will be permitted to decide for themselves which animal or animals shall be withdrawn, such withdrawals to be on a percentage basis to be decided upon by the Committee, such as one animal in six.

Exhibitors will be given up to the time of arrival at the Showgrounds with their stock to make the withdrawals at which time they must hand to the Cattle Superintendent the entry tickets for the animals which have been withdrawn.

No rebates of fees for withdrawn entries will be made.

The over-entry of stock, i.e. entering animals without intention of showing them, is contrary to the regulations of the Society and may cause unnecessary compulsory reduction and much inconvenience both to the Society and exhibitors.

The Society will act in the best interests of exhibitors who can rest assured that overcrowding of pavilions will be avoided, therefore eliminating any need for exhibitors to over enter.

A combined total of 4 animals — irrespective of sex — is the maximum number any exhibitor may enter in the yearling and 18 months old Classes, but not more than 2 animals in any one Class.

FRIESIANS

No heifers born after 31st December, 1965, may be exhibited.

No bulls born after 31st December, 1965, may be exhibited.

Judging will be in catalogue order and will commence at 9 a.m. on the opening day of the Show.

* Denotes Special Class.

A cattle exhibit can only be entered in one ordinary class.

An exhibit cannot be entered in a special class unless it has been entered in an ordinary class.

Entries of milking stock will only be accepted subject to the Special Regulation regarding the disposal of milk (see head of Cattle Section).

Cattle entered in this Section must be registered in the Friesian Herd Book of Australia or in an approved Friesian Herd Book outside the Commonwealth. For particulars of registration in the Friesian Herd Book of Australia, apply to the Secretary, Friesian Cattle Club of Australia, Victorian Branch, 504 Racecourse Road, Flemington, W.1, Victoria. Females recorded in the Appendices to the F.H.B. of A. will not be eligible to compete in this Section.

Cattle entered in this Section will be identified by the photographs appearing on the Certificates of Registration. Exhibitors must bring the Certificates of Registration, with photographs thereon, to the Show Grounds and produce them to the Inspectors. Tattoo numbers will not be accepted for identification. Any cattle for which Certificates of Registration bearing photographs are not produced may be disqualified.

All exhibits will be inspected to ascertain that they are of a satisfactory standard and condition. (See regulation at head of Dairy Breeds Section).

Cows which fail to yield 4 lbs. or more of milk in the 24 hours immediately preceding judging or in a period of 24 hours stipulated by the Society subsequent to judging shall be deemed to be "dry".

All cattle entered in this Section must be certified tuberculosis free. Animals from herds listed as accredited or in the process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be tuberculin tested within ninety days prior to the opening date of the Show. Certificates for these individual tests must accompany entry forms or, if not available at that time, must be in the hands of the Director no later than 14 days prior to the opening day of the Show.

Any animal entered in this Section which can be shown to the satisfaction of the Society to have received Hormones will be ineligible for a prize.

Attendants leading stock in the judging ring and on parade must wear uniform grey coats, which can be procured from the Society.

All prize-winning cattle must be paraded. (See Regulation at head of Cattle Section.)

All male exhibits of Dairy Cattle, irrespective of age, shall be rung through the nose and at all times shall be led by such ring. If, in the opinion of the Stewards or Society's officials, any bull is considered unsafe, it shall be placed under such control as directed by the Stewards or Society's officials.

The Judge of Friesians will not penalise exhibits if they are dehorned.

THE GIPPSLAND AND NORTHERN CO-OPERATIVE CO. LTD. has donated the sum of \$6.30 towards the prize money in this Section.

ENTRY FEE IN ALL CLASSES, \$2.50;
R.A.S. of V. MEMBERS, \$2.

PRIZES AND PRIZE MONEY

In Classes where ten or more entries are received, except in specified Type and Utility Classes or where the prize money is stated to be donated, the prizes will be four of cash with two additional cards—5th and 6th. The cash prizes shown herein will be increased by \$2 each up to third, the fourth prize to be of \$2 only.

Where entries are less than ten, the number of prizes and the prize money are to remain as shown.

A SPECIAL PRIZE of \$21, donated by the VICTORIAN DAIRYFARMERS' ASSOCIATION, 528 Collins Street, Melbourne, will be awarded to the cow or heifer of the 1st, 2nd and 3rd prize winners in the specified Type and Utility classes (excluding the 3,000 lb. b./f. production class) gaining the highest combined points for butter fat production and type. -2863

In Type and Utility Classes where 10 or more animals actually compete, the six highest pointed animals shall be eligible to compete for the prize.

1 point will be allotted for every 10 lbs. of butter fat over 350 lbs. (with allowance for age) produced under Government Herd Test, the Victorian Herd Improvement Association or any other recognised Testing organisation during a lactation period of 300 days that followed the calving on, between or including 30th August, 1964, and 29th August, 1965.

FRIESIANS

The cows eligible to compete for this prize shall be brought together at 9.30 a.m. on Friday, 16th September, on the main arena for the purpose of being allotted points on type, with a maximum of 100.

Both production and type points shall then be added to determine the winner.

A TROPHY order, valued at \$10.50, presented by J. T. STRACHAN, "COOLABAH" FRIESIAN STUD, WARRAGUL, will be awarded to the Best Cow or Heifer competing in the Type and Utility Classes.

CLASS

Judging will be on points: 50 being allowed for type, and 50 for test pedigree. In this latter section, 25 points will be allowed for the butter fat record yield of the bull's dam, and 25 points for the record yield of the bull's sire's dam, in the proportion of two points for each 1 lb. of butter fat over 10 lbs. per week averaged by a cow after assessing her production by adding allowances in accordance with the Victorian Government Official Herd Testing Scheme. Records of the dam and sire's dam must be lodged with the entry, and only tests completed on or before 30th June, 1966, will be taken into consideration.—Prizes: \$6, \$4, \$2.

FRIESIAN CHAMPIONS' MEMORIAL.—

Trophies in the form of "True Type" Models of a Friesian Bull and Cow, valued at \$12 each presented by THE FRIESIAN CATTLE CLUB OF AUSTRALIA (VICTORIAN BRANCH), will be awarded annually to the owners of the Champion Friesian Bull and of the Champion Friesian Cow or Heifer. The names of the winning animals each year, and of the owners and breeders, will be recorded upon an Honour Board, which will be displayed in the Friesian Cattle Pavilion. Special prizes of \$2.10 each, also presented by THE FRIESIAN CATTLE CLUB OF AUSTRALIA (VICTORIAN BRANCH), will be awarded to the owners of the Reserve Champion Bull and the Reserve Champion Cow.

CHAMPION DAIRY COW

(To be judged on type.)

A trophy order valued at \$50 together with a cash prize of \$50, both presented by the Dairying and Wholemilk Sections of the Australian Primary Producers' Union (Victorian Division), for the Champion Dairy Cow of the Australian Illawarra Shorthorn, Ayrshire, Dairy Shorthorn, Friesian, Guernsey, Jersey, and Red Poll breeds.

The successful exhibitor will also receive the Society's Championship Sash.

CONDITIONS FOR JUDGING

Each Judge of the abovementioned breeds will be required to nominate two cows, not necessarily the Champion or Reserve Champion, to compete for the trophy and prize.

In addition, each Judge will be required to nominate a third cow purely as a reserve.

Competition is restricted to cows exhibited in the "In Milk" Classes.

Should any breed fail to provide the requisite two cows, it cannot take part in the competition. This, however, would not debar the Judge of that breed from adjudicating to determine the award.

All cows nominated by the judges must be stripped out in the presence of the Stewards at 5 p.m. on the evening before judging.

Judges shall be required to refrain from conferring on the exhibits before or during judging.

All judges of the breeds named will take part in the judging and will allot 3 points for first, 2 for second and 1 for third according to their placings of individual animals.

If considered to be worthy, both nominations of any one breed can be placed first, second or third.

A Steward appointed by the Society will assess the points and the cow gaining the greatest number of points, shall be the winner.

In the event of a tie, an independent referee appointed by the Society shall then decide the winner.

At the conclusion of judging, each Judge's placings will be announced.

GOVERNMENT HERD TEST PRIZES

Section 32 — Government Herd Test Prizes

At the request of the Minister of Agriculture the Awards for Champion and Reserve Champion Herd Test Herd and Herd Test Cow have been suspended until the 1968/1969 Season.

TYPE AND UTILITY CLASSES

Prizes are presented by the Government of Victoria.

SPECIAL TYPE AND UTILITY CLASSES are provided in each Dual Purpose and Dairy Breed Section. They will be judged according to the following conditions:—

As a basis of qualification cows competing in these classes must have produced the following amounts of butter fat:—

2 year olds	300 lbs.
3 "	"	350 "
4 "	"	400 "
Mature cows	450 "

The specified quantities of butter fat must have been produced under Government Herd Test, the Victorian Herd Improvement Association or any other recognised testing organisation during a lactation period of 300 days that followed the calving on, between or including 30th August, 1964, and 29th August, 1965.

In the 3,000 lbs. butter fat production class, it is not necessary for cows to have gained a certificate during the aforementioned period.

In all cases where the tests are other than those of the Victorian Standard Herd Test Scheme, certificates issued by the Department or organisation which conducted the tests, must accompany the entry forms.

Judging will be on a type basis only.

No points will be allotted either for production or type.

Competition is restricted to animals entered in the ordinary Classes.

Index to Exhibitors in Cattle Sections

The numbers shown for Fat Cattle indicate the Classes in which the exhibitor is represented. In all other cases parentheses enclosed numbers indicate that the exhibit appears in a Special Class in addition to an Ordinary Class.

SHEEP

CONDITIONS OF EXHIBITION, ETC.

CONDITIONS OF ENTRY

All entries must be made in writing on forms supplied by the Society and must be in the hands of the Director, at the office of the Society, before 4.30 p.m., Monday, 18th July. Entry fee must accompany each entry.

Entries are accepted on the distinct understanding that stock may not be removed from the Show Grounds until after 11.00 p.m. on Thursday, 22nd September.

Entries will only be received subject to the rules and regulations of the Society and the decisions of the Council. All exhibits must be the bona fide property of the exhibitor.

No exhibit may be entered in more than one ordinary class unless otherwise stated at the head of the section. Throughout the schedule special classes are denoted with a star (*). Should an exhibit be incorrectly entered in more than one ordinary class such exhibit shall be deemed ineligible to compete in any class other than the first in which its name or particulars appear in the Show Catalogue.

No exhibit in the pair classes can compete in single classes or vice versa except class 119.

The Council reserves the right to reject at any time any entry or prohibit any person or animal from competing in any class.

When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

Unless authorised by the Society no live stock will be permitted to enter the grounds other than those entered for exhibition.

Every animal entered must be exhibited, unless a certificate signed by the owner is lodged with the Society prior to the date of the Show, stating that the animal is unable to compete on one of the following grounds:—

- (i) The animal has died.
- (ii) The animal is unfit for exhibition due to injury or disease.
- (iii) The animal has become ineligible for the class entered.
- (iv) Some other cause which the Council or Director of the Society considers reasonable.

Failure to comply with this rule renders the owner or entrant liable to a fine of not more than \$10 for every animal not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibition conducted by the Society.

Sheep need not be entered by name or tag number, and no particulars other than the breeder's name and date of shearing will be published in the Show Catalogue.

No advertisement or notice (except by permission of the Council) is permitted on or in any stall or building.

Only one exhibitor will be recognised as the owner from any one holding.

The General Regulations and regulations appearing at the heading of each Section and the conditions on the entry form also form part of the conditions of entry.

ENTRY TICKETS

Entry tickets will be issued about a week before the Show opens. The entry ticket of each exhibit shall state the number of its pen, which shall correspond with its number in the official catalogue. The entry ticket must be produced at the gate, when it will admit the exhibit and attendant to the grounds. It must be retained, and again produced when the exhibit leaves the yards. Attendant's passes will be issued by the Sheep Superintendent at his office at the Show Grounds after 10 a.m. on Wednesday, 7th September, 1966.

EXHIBIT NUMBERS

Exhibit numbers for attachment to each exhibit and numbers to be worn by handlers whilst judging is in progress must be collected by exhibitors from the Sheep Superintendent's office.

EWES IN LAMB

A ewe entered as "with a lamb of her own breed at foot" may be transferred to the Class provided for ewe of her age if she has not lambed prior to judging day, or vice versa.

PERIOD OF EXHIBITION

Sheep in Sections 33 to 47 inclusive must be penned before 8.00 a.m. on Saturday, 17th September and may not be removed from the Show Grounds until after 11.00 p.m. on Thursday, 22nd September.

Sheep Pavilions will be open to the public from 9.00 a.m. to 5.00 p.m. daily from 17th September to 22nd September and between 6.00 p.m. and 8.00 p.m. on Saturday, Tuesday, Wednesday and Thursday.

AGE OF EXHIBITS

The Society's Veterinary Surgeon's decision regarding age shall be final.

OVINE BRUCELLOSIS TEST

Exhibitors of rams at the 1966 Show are required to lodge with the Society prior to the Show (preferably at time of entry) a certificate from a registered Veterinary Surgeon certifying:

- (a) That rams have given a negative result to the complement fixation blood tests for Ovine Brucellosis, carried out within the 90 days preceding 2nd September, 1966.
- (b) That rams have been manually examined at the time of blood sampling and found free of any palpable testicular abnormality at this time.

SHEEP

The eartag or tattoo numbers of rams tested and examined must be included in the certificate.

Owners should particularly note:—

- (1) That blood sampling should be carried out early in the prescribed period to avoid congestion and delay in the testing laboratory at the end of the period.
- (2) That a sufficient number of rams should be tested to ensure that all possible exhibits finally forwarded to the Show are included in this number.

If exhibitors produce evidence that their flocks have been accredited free of Ovine Brucellosis a veterinary certificate will not be required.

PHYSICAL SOUNDNESS AND DISAPPROVED EXHIBITS

Exhibitors must sign a statutory declaration to the effect that no sheep exhibited by them are affected by foot-rot, or show any signs or symptoms of the disease at time of exhibition.

All male animals must be completely entire and deemed physically sound. Any male animal not deemed to be completely entire and physically sound by the Society's Veterinary Surgeon may not compete or be offered for sale on the Show Grounds. Any marks of speying on females shall disqualify them from competing.

Exhibitors in the stock sections shall, if requested by the Steward-in-Chief of the Section or by the Director or his agent, submit his exhibits in whole or part, for inspection by a Veterinarian or Veterinarians appointed by the Society.

The owner or exhibitor of any exhibit disapproved of as an exhibit by the Council of the Society must, immediately upon notice to that effect, remove such exhibit from the Society's Grounds. The Council reserves the right to decline to receive entries in future years from any person who exhibits stock that is not up to a satisfactory standard, that is not exhibited in reasonable Show condition, or that is not given proper attention during the Show.

RUGGING

Exhibits must not be rugged after judging day during the hours the Show is open to the public. Exhibitors will be liable to a fine of one dollar for every infringement of this regulation.

PREPARATION OF SHEEP AND CLEANLINESS OF STALLS

Exhibitors or their employees are not permitted to prepare (i.e. trim etc.) exhibits in any passageway or in any judging area in the Pavilion after 8 a.m. on any judging day.

Exhibitors must keep the stalls allotted to their animals clean and give proper attention to their stock right throughout the Show.

Any exhibitor or his employee putting manure out of a box, stall, or pen, or putting out a trough, or cleaning out an alley way after 8 a.m. on a Show day shall be liable to a fine of one dollar.

All sheep entered in Sections 33 to 47 inclusive must be recorded in the registered flock of the exhibitor.

INSPECTION OF EXHIBITS (TATTOOS, ETC.)

How many pecks to a bushel?

None, in a GMC Barn. It's mouseproof, birdproof and strong as steel. Mice and birds just can't get in to pick a peck from any bag.

And that's only one of the strengths of a GMC Barn.

The other is RSJ steel.

Rigid steel construction with columns bolted to concrete foundations and with tubular

steel roof trusses makes a tower of strength.

RSJ bearers and stumps build up floor loading capacity to 375 lbs. per square foot for capacities of 1,986 to 7,290 bushels, in standard sizes.

Add features like sliding door, louvre windows, skylights, loading platform, and it's the strongest, securest,

serviceable barn you can build—GMC—for generations.

If you haven't a barn like this, see your local Agent or woolhouse. They and GMC will get you out of your pickle.
