For Champion Awards to be made, three exhibits must be entered (at least two of which must be duly shown), unless the Judge reports that an exhibit (even though alone) is of exceptional merit and worthy of such award. If, however, in the opinion of the Judge, none of the exhibits are of sufficient merit, he may withhold the prize altogether. Only first prize winners of ordinary classes are eligible to compete for a Championship but the animal placed second to the Champion in the ordinary class, shall be eligible to compete for the Reserve Championship.

3. Stallions over 2 years of age must be registered as required by the provisions of the Horse Breeding Act, 1928.

4. The prizes to be awarded by Judges appointed by the Society.

5. In any case where, in the opinion of the Council, any misstatement has been made regarding any exhibit, the prize shall not be awarded.

- (d) To remove any exhibit from the Show Grounds.

3. In case any live stock, whilst on the Society's grounds, shall be injured or maimed or suffering from any ailment requiring, in the opinion of the Society's Veterinary Surgeon or that of some qualified substitute, immediate veterinary aid, and the owner of such stock is not in attendance or fails to forthwith render such aid, the Director or his deputy may provide such aid, and the cost and expense thereby incurred shall in every case be borne by the owner of such stock. If such Veterinary Surgeon or such substitute is of the opinion that such live stock should be destroyed then the Veterinary Surgeon or his substitute may thereupon destroy such livestock either with or without the owner's consent. The owner of such

stock and any persons having the control thereof shall indemnify the Council Director or his deputy and the Society's Veterinary Surgeon, or such substitute, against all damages, costs, expenses or liability incurred in connection with the same.

The acceptance of entry of stock is on the condition that the exhibitor agrees to submit such stock to inspection by the Council or its representative or Veterinary Surgeon.

4. All competitors and exhibitors shall take part in competitions or attend their exhibits at their own risk, and in case any exhibit, whilst on the Society's grounds, shall cause or be the cause of injury or damage to other exhibits, competitors or exhibitors, or to the person or property of any member of the Society or the general public, the owner or owners of such exhibit shall indemnify and keep indemnified the Society, its officers and members, property and effects from and against all damages, costs, claims, expenses or liabilities incurred in connection with such exhibits.

Competitors not ready at the appointed time of adjudication will be liable to disqualification.

7. The Judge may award a second or third prize, instead of a first one, or may withhold a prize altogether, where the exhibits are not of sufficient merit.

8. The Judge is requested to make a reserve number, by marking it as such, of the exhibit next in merit beyond those to which the prizes are awarded in every class where the number of the entries exceeds the number of prizes offered, if, in his opinion, the exhibit is of sufficient merit to deserve a prize; he is also requested to give commendations when deserved.

# HORSES

## CONDITIONS OF ENTRY

Entries will only be received subject to the rules and regulations of the Society and the decisions of the Council. All exhibits must be the bona fide property of the exhibitor or held by the exhibitor under a written lease recognised by the Society at the time of entry.

Entries are accepted on the distinct understanding that stock may not be removed from the Show Grounds until after 11 p.m. on Saturday, 30th September.

Unless authorised by the Society no live stock will be permitted to enter the Grounds other than those entered for exhibition.

No exhibit may be entered in more than one ordinary class unless otherwise stated at the head of the section. Sweepstakes, special classes or championship prizes do not count as ordinary classes. Throughout the schedule special classes are denoted with a star (\*). Should an exhibit be incorrectly entered in more than one ordinary class such exhibit shall be deemed ineligible to compete in any class other than the first in which its name or particulars appear in the Show Catalogue.

The Council reserves the right to reject at any time any entry or prohibit any person or animal from competing in any class.

When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

All entries must be made in writing on forms supplied by the Society. Entries for Horse and Contest Sections, except Trotting, must be in the hands of the Director, at his office, Show Grounds, Epsom Road, Ascot Vale, W.2, on or before Tuesday, 20th June, at 4.30 p.m. Entry fee must accompany each entry. Performance forms for all horses, galloways or ponies (except Clydesdales and Farm and Lorry Horses) must also accompany the entry form.

EVERY ANIMAL ENTERED MUST BE EXHIBITED UNLESS A CERTIFICATE SIGNED BY THE OWNER IS LODGED WITH THE SOCIETY PRIOR TO THE DATE OF THE SHOW, STATING THAT THE ANIMAL IS UNABLE TO COMPETE ON ONE OF THE FOLLOWING GROUNDS:

- (i) THE ANIMAL HAS DIED.
- (ii) THE ANIMAL IS UNFIT FOR EXHIBITION DUE TO INJURY OR DISEASE.
- (iii) THE ANIMAL HAS BECOME INELIGIBLE FOR THE CLASS ENTERED.
- (iv) SOME OTHER CAUSE WHICH THE COUNCIL OR DIRECTOR OF THE SOCIETY CONSIDERS REASONABLE.

FAILURE TO COMPLY WITH THIS RULE RENDERS THE OWNER OR ENTRANT LIABLE TO A FINE OF NOT MORE THAN \$10 FOR EVERY ANIMAL NOT EXHIBITED AND IN ADDITION THE COUNCIL MAY DEBAR THE OWNER OR EXHIBITOR FROM TAKING PART IN ANY FURTHER EXHIBITION CONDUCTED BY THE SOCIETY.

All exhibits must be placed where directed by the Director or his deputy, and (except live stock, in accordance with Regulation 18) must not be removed from their Classes during the Exhibition without the written consent of the Director being first obtained.

## INSPECTION OF STOCK

Exhibitors in the Stock Sections shall, if requested by the Steward-in-Chief of the Section or by the Director or his agent, submit his exhibits, in whole or part, for inspection by a Veterinarian or Veterinarians appointed by the Society.

All male animals competing in the breeding classes must be completely entire. Any male animal in the breeding classes not deemed to be completely entire by the Society's Veterinary Surgeon may not compete. Any marks of speying on females shall disqualify them from competing in such classes.

Exhibits of horses which, in the opinion of the Society, are not in reasonable Show condition, shall be removed from the grounds.

Failure to comply with this rule shall render the exhibitor liable to a fine not exceeding \$10 for each separate offence.

No advertisement of notice (except by permission of the Council) is permitted on or in any stall or building.

## SURCHARGE

A surcharge of 10 cents per horse shall be imposed on all horses, galloways and ponies entered in Sections 9 and/or 11.

This surcharge, which must be remitted with the entry fees, shall be paid into the Overseas Team Fund of the Equestrian Federation of Australia.

## AGE OF EXHIBITS

The breeding year dates from 1st August in each year.

The Society's Veterinary Surgeon's decision regarding age shall be final.

## MARES (in Foal)

Any prize awarded to a mare exhibited as being in foal may be withheld until the production of a certificate that she has produced a foal after the exhibition and previous to the 1st January next ensuing.

## STALLIONS—Government Certification and Registration

Stallions over two years of age exhibited from States other than Victoria need not be registered under the Act, but must be examined and passed by a Government Veterinary Officer in respect of both soundness and type, except registered Clydesdales carrying a current certificate of soundness issued in South Australia which will be accepted for exhibition purposes on production of this certificate.

All Stallions over 2 years of age, owned in Victoria, must be registered as required by the provisions of the Horse Breeding (Victoria) Act 1928.

## HORSES

## VETERINARY EXAMINATION

All Stallions and Mares over two years of age entered in Sections 1 to 7 (except Farm and Lorry Horses in Section 2) must be examined by a Government Veterinary Officer and if passed, have their Entry Tickets stamped "Pass to Ring" before entering the judging ring. No appeal against a Government Veterinary Officer's decision will be entertained.

Stallions and Mares will be examined by Government Veterinary Surgeons on the Show Grounds on Wednesday, 20th September, commencing at 10 a.m.

## HEIGHT

Where height is stipulated, horses and ponies must be measured, and an exhibit over or under the specified measurement may be transferred to its correct class. The official measurer will be in attendance on the Grounds on Tuesday, 19th, and Wednesday, 20th September, at 10 a.m., on Thursday, 21st September, at 8 a.m., and on each remaining day of the Show from 9.30 a.m. to 10 a.m., and the neck numbers of horses and ponies must be endorsed by the measurer.

When measuring a horse, galloway or pony an allowance of half ( $\frac{1}{2}$ ) of an inch for shoes may be made at the discretion of the Measurer. Should an exhibit be measured with shoes on and the exhibitor disagree with the Official Measurer's decision as to the height of the animal, he may, should he desire, have it re-measured without shoes. The Official Measurer may, in his discretion, request the removal of shoes from any horse, galloway, or pony, prior to measurement.

If the judge entertains a doubt as to the correctness of a height certificate, he has the power to order the exhibit to be re-measured. In such case the Steward shall accompany the exhibit to the Measurer's Stand and supervise the re-measuring.

Any exhibitor who supplies wrong information on entry or performance form will render himself liable to disqualification.

## ENTRY TICKETS

Entry tickets will be issued about a week before the Show opens. The entry ticket of each exhibit shall state the number of its box, stall, pen or stand, as the case may be, which shall correspond with its number in the official catalogue, and if the box, stall or pen be not occupied by such exhibit by noon on the first day of the Show, the accommodation reverts to the Society. The entry ticket must be produced at the gate, when it will admit the exhibit and attendant to the grounds. It must be retained, and again produced when the exhibit leaves the yards. Attendants' passes will be issued by the Superintendent at the Show Grounds.

## PERIOD OF EXHIBITION

All horses and ponies entered in Sections 1 to 10 inclusive are required to be at the grounds from 9 a.m. on Thursday, 21st September, until 11 p.m. on Saturday, 30th September, unless otherwise specified.

The upper portion of horse boxes outside the pavilion must remain open during those hours. Exhibitors will be liable to a fine of one dollar for every infringement of this regulation.

## NECK NUMBERS AND COMPETITORS' NUMBERS

Numbers corresponding to the number in the catalogue must be worn by each exhibit or competitor when appearing before the Judge.

The Society may limit acceptances to that number of horses which can be accommodated on the Show Grounds.

Restrictions are therefore imposed on entries in Sections 3, 4, 5, 6 and 7, and the nature of the restriction is referred to at the head of each Section concerned.

## PERFORMANCE FORM

Nomination will NOT be accepted for horses, ponies or galloways (Clydesdales and Farm and Lorry Horses excepted) unless accompanied by a performance form.

A performance form for the purpose of conveying the information specified hereunder is to be completed for each horse, galloway or pony (Clydesdales and Farm and Lorry Horses excepted).

An exhibit may only be entered in one ordinary class in each of Sections 5, 6, 7, 9 and 10 and in as many Special Classes as it is eligible to compete in Sections 5, 6, 7, 9, 10 and 11.

An exhibit cannot be entered in a Special class unless it has been entered in an ordinary class in the same section. (This regulation does not apply to the Miscellaneous and Dressage Classes, which include Classes 158 to 167.)

An exhibit must compete and qualify in an ordinary class before becoming eligible for Champion Prizes.

All animals entered in this Section must be registered in the Equestrian Federation of Australia's Register. For particulars regarding registration apply to the Secretary Equestrian Federation of Australia (Victorian Branch), Royal Show Grounds, Epsom Road, Ascot Vale, W.2.

Where height is stipulated, horses must be measured, and an exhibit over or under the specified measurement may be transferred to its correct Class. Where a definite weight is specified, the horse must, in the opinion of the judge, be suitable for carrying such weight.

All horses in the 14-st., 12-st. and 10-st. Hack Classes must be paraded before judging, when the Judge will classify them into their various classes in the following way:—The horses entered for 14-st. Hack shall be paraded, when any horse too light in the opinion of the Judge, shall be transferred to the 12-st. Class. Those entered in the 12-st. Class shall be next paraded, when the Judge shall class out any he considers too heavy or too light, and shall transfer the heavy to 14-st. and the light to 10-st. Class. Those entered for the 10-st. Class shall be paraded, and the Judge shall class out all considered too heavy, and transfer to 14-st. or 12-st. Class, as the case may be.

# LAMENESS

## ACUTE OR CHRONIC— there's a RADIOL remedy for it!

No single liniment can be expected to treat all conditions of lameness but the use of Radiol or B-R (Bone-Radiol), according to the severity of the complaint, is the most effective treatment after the case has been correctly diagnosed. To be sure you use the right one, write for the new "Radiol Handbook", free on request from the Agents.

**Radiol.** For all acute conditions of lameness—soft swelling and inflammation apply Radiol. Price \$2.25.

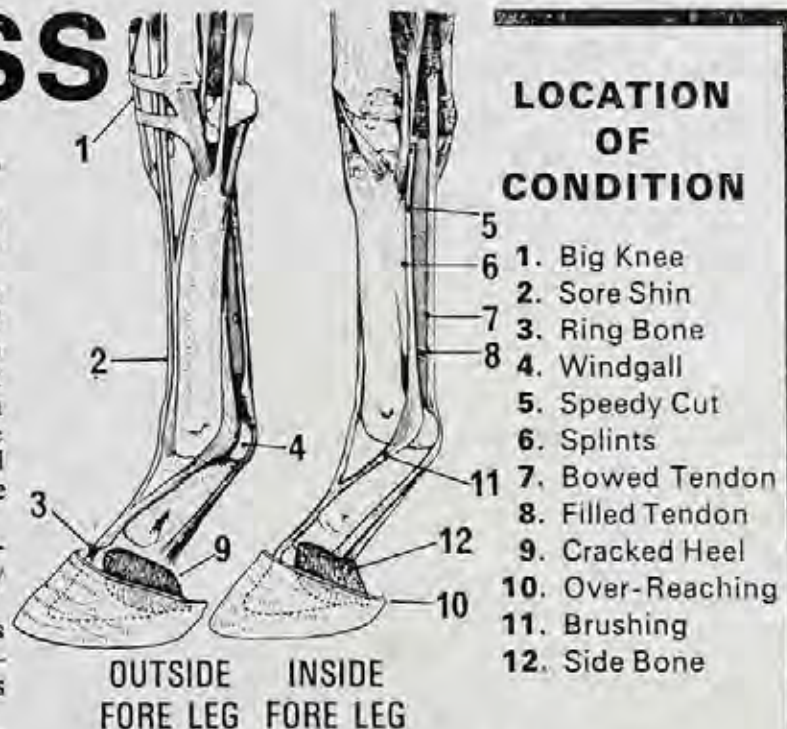

**B-R Liniment** is highly concentrated and is for the treatment of chronic conditions—ringbones, splints, spavins—and other forms of persistent lameness. Price \$2.25.

Radiol products are available from your usual veterinary supplier or direct from the Agents:

**RILEY-WILLIAMS PTY. LTD.**

**Box 20, FAIRFIELD, Vic.**

## DRESSAGE

N.B.—Judging of the dressage will commence at 9 a.m., Monday, 18th September, and will continue on successive days until completed.

## DRESSAGE TESTS

## OBJECT AND GENERAL PRINCIPLES

The object of Dressage is the harmonious development of the physique and ability of the horse. As a result, it makes the horse calm,

## DRESSAGE

supple and keen, thus achieving perfect understanding with its rider.

These qualities are revealed by:

- the freedom and regularity of the paces;
- the harmony, lightness and ease of the movements;
- the lightening of the forehand and the engagement of the hind quarters;
- the horse remaining absolutely straight in any movement along a straight line and bending accordingly when moving on curved lines.

The horse thus gives the impression of doing of his own accord what is required of him. Confident and attentive, he submits generously to the control of his rider.

His walk is regular, free and unconstrained. His trot is free, supple, regular, sustained and active. His canter is united, light and cadenced. His quarters are never inactive or sluggish. They respond to the slightest indication of the rider and thereby give life and spirit to all the rest of his body.

By virtue of a lively impulsion and the suppleness of his joints, free from the paralysing effects of resistance, the horse obeys willingly and without hesitation and responds to the various aids calmly and with precision.

In all his work, even at the halt, the horse must be on the bit. A horse is said to be "on the bit" when the hocks are correctly placed, the neck is more or less raised according to the extension or collection of the pace, the head remains steadily in position, the contact with the mouth is light and no resistance is offered to the rider.

The position of the horse when "on the bit" depends on the conformation as well as on the degree of training of the horse.

## SPECIFIC REQUIREMENTS

**HALT.** At the halt, the horse, standing square on his four legs and immobile, must be ready to move forward at the least pressure of the rider's legs.

**EXTENDED WALK.** At the extended walk, the horse should cover as much ground as quickly as possible WITHOUT haste and without breaking. The hindlegs passing clearly beyond the tracks of the forelegs. The rider gives freedom to the head and neck of the horse without, however, losing contact, so as to be able at any moment to make the horse change his pace, his speed, or his direction.

**EXTENDED TROT.** At the extended trot, the horse extends his action, his neck is stretched, his shoulders vigorously driven on by the haunches, gains ground forward without noticeably increasing height.

**ORDINARY WALK.** The ordinary walk is a free, regular and unrestrained walk. The horse walks briskly, but with a calm, deliberate and even step, each clearly marked, distinct and equally spaced. The rider keeps a light and steady contact on the reins.

**ORDINARY TROT.** The ordinary trot is a pace between an extended and a collected trot. The horse goes forward freely and quite straight, engages his haunches which remain very active pulls gently at the reins with a balanced and even bearing. His strides should be as far as possible equal; the hind legs follow exactly in the tracks of the fore legs.

**ORDINARY CANTER.** The ordinary canter is a pace between an extended and collected canter. The horse perfectly straight from the poll to the tail, goes freely with a natural balance.

**REIN-BACK.** The rein-back is the walk backwards of the horse. It is correct when the horse lifts his feet and brings them down in pairs diagonally almost simultaneously, the haunches remaining well in line. The horse walks back step by step, constantly ready, at the wish of the rider, either to halt or to advance without halting.

## Comments:

1. All movements in Dressage tests may be progressive unless otherwise stated. It is, therefore, better to put in one or two strides at the walk and get the "move-off" smooth and straight, than to try to break straight into the trot and cause the movement to be rough and crooked.

2. In the extended trot make the horse lengthen his stride and let there be a definite difference between the extended and the ordinary trot. Be careful to maintain the cadence throughout the transition and the correct bend round the corners. Keep the ordinary trot lively though with shortened strides and the same cadence.

3. Make good wide loops, making sure you go right up to the side line. It is better even to come back a little at the end of each loop as you pass the centre and then change the bend smoothly. Keep the slow trot active.

4. In the halt, the horse must stand absolutely still on all four legs on the track parallel to the long side and remain on the bit. Count six slowly. The horse must move off smoothly, remaining on the bit without throwing up his head.

5. Turn about on the haunches, the inside hind leg being the pivot, the fore legs performing a semi-circle with even strides round this pivot, the outside fore leg moving over and in front of the left. The pivoting leg when raised should be replaced on the same spot; it is a bad fault if it is drawn back. The horse should be flexed in the direction of the turn, but the neck should not be bent. The rider's outside hand should not be carried across the withers. As soon as the turn is completed and the horse parallel to the long side he should proceed at once at the walk. After three or four strides at the walk break into the canter. Here the transition should not be progressive as it definitely lays down that the canter be done from the walk. Be careful to avoid the quarters coming in and the head being bent out or thrown up.

6. Be sure that the circle is round and goes well up to the prescribed dimensions. There should be no variation in the pace. The horse

## DRESSAGE

should be flexed in the direction to which he is going and the hind legs follow in the tracks of the fore legs.

A very common fault is that the second half of the circle is flatter than the first; it is better to err in the other direction as if the second half of the circle is flat it makes a more abrupt return to the long side and prevents it from being smooth.

7. Come smoothly away from the short side, make the loops well up to but not beyond the quarter lines and maintain the same bend throughout. The horse should always be bent to the leading leg whether cantering false or true. Be careful not to get on two tracks and be sure to make all three loops the same size.

8. The old canter should be continued to within six feet of the prescribed point and the change produced progressively, i.e., through the trot. There should be at least one stride at the walk and the new canter obtained from the walk not more than six feet beyond the prescribed point. The horse's body must remain straight on the diagonal line throughout.

9. After the salute, the horse must move off with a loose rein straight towards the judges. The aid to turn may be given by a slight contact of the outside rein, the horse then being allowed to walk up the long side with a loose rein.

10. The horse should go freely and actively forward maintaining activity and cadence in all paces, with smooth transitions. Good and steady head and tail carriage, no raising or beating of the head, no tail swishing. Clear four-time walk evenly spaced. Springing activity from one diagonal to the other in the trot. Canter definitely three-time and straight.

11. Rider's body should be upright with seat well down in the saddle and should be still, the hands and the legs steady. The hands must always remain on their own side of the horse's neck with the elbows close to the sides and legs should never be in front of the perpendicular. The heels well down even when giving aids and knees turned well into the saddle. All aids should be correct and as invisible as the training of the horse permits.

## GENERAL REMARKS

The test is to be performed from memory. The number of marks obtainable is 200.

Time allowed: 8 minutes.

The time will be counted from the exact moment, after the salute to the judges, when the horse moves forward until the horse is brought to a standstill at the end of the test and the rider salutes the judges. For every second exceeding the time imposed a penalty of a half-mark will be deducted from the score sheet. Ordinary and extended trot to be performed Rising. Collected trot, Sitting.

The Scale of marks is as follows:

10, Perfect; 9, Excellent (almost Perfect); 8, Very good; 7, Good; 6, Fairly good; 5, Sufficient; 4, Moderate; 3, Passable; 2, Bad; 1, Very bad; 0, of no value.

## SADDLERY

To be ridden in an Ordinary Snaffle, or a Simple Double Bridle. (An ordinary snaffle is a plain snaffle with straight bar or not more than one joint.) The mouthpiece must be smooth and be of metal.

2. Each Society conducting qualifying competitions is required to notify the Royal Agricultural Society of Victoria of the names and addresses of the winners and "runners-up", so that if it is found that, for any reason, the winners were ineligible, an opportunity may be given the "runners-up" to compete in the Championship Competitions.

4. The holder of a R.A.S. Qualifying Certificate, won in the same year, shall not be eligible to compete.

5. The competitors shall be judged solely on their riding ability—mount, saddlery or costume will not be taken into account, but special attention will be paid to hands and seat, general management and control of the horse or pony.

8. Eligible competitors are accepted on the condition that they will be prepared to provide the selected mount.

9. The names of the winners will be engraved on the Challenge Trophies, and they will be entitled to hold them until 31st August in the year following their success.

## DEFINITIONS, GENERAL RULES AND PENALTIES

## OBSTACLE KNOCKED DOWN:

1. An obstacle is considered as having been knocked down when through the fault of the horse, or rider:

(a) Any part, or the whole, of it is knocked down, even when the falling part is arrested in its fall by any other portion of the obstacle.

(b) When at least one of its ends is dislodged from its support.

(c) Any framework intended to maintain the solidity of the obstacle, and forming an integral part of its support falls. Touches and displacements, in whatever direction, do not count.

2. (a) When an obstacle, or part of an obstacle, is composed of several elements placed one on top of the other and in the same vertical plane, the dislodging of the top element alone is penalised.

(b) When an obstacle to be taken in one jump is composed of several elements not fixed in the same vertical plane (oxer, brook, triple bar, water jump or ditch, preceded or followed by another obstacle, etc.), the fall of one or more elements or foot in the water is counted only as one fault, irrespective of the number and position of the elements knocked down.

(c) If an obstacle that has been knocked down does not actually fall until after the horse has left the arena, it will not be penalised.

(d) If any element of an obstacle that has been knocked down prevents the horse from jumping the next obstacle it must be removed. The time required for doing this is deducted from the total time of the round.

(e) All obstacles with water (with the exception of the water jump which is subject to special rules) must be marked by a lath both on the take-off side and on the landing side.

## DISOBEDIENCE:

3. The following are considered as disobediences and are penalised as such:

Rectified deviation from the course.

Refusal.

Run-out.

Resistance.

Any form of circle or series of circles, in any part of the course for any reason, except that a horse may circle once or more without penalty to re-take the track after a run-out or a refusal. In a course that is not marked by a continuous line, unless there is any indication to the contrary on the plan or notified by the Jury, any circle (whereby the horse crosses its original track), wherever it may be on the course, is penalised as a disobedience. Approaching an obstacle sideways, or zig-zagging, or turning sharply towards it, do not constitute a disobedience, provided the horse has not passed the obstacle.

## DEVIATION FROM THE COURSE:

4. There is a deviation from the course when the horse does not follow the plan for the course as shown on the diagram posted up, as when the rider:

(a) Disregards a flag to indicate the course to be followed.

(b) Does not clear the obstacles in the prescribed order.

(c) Jumps an obstacle outside the course, or misses one on the course.

5. (a) To rectify a deviation from the course the rider must resume the course from the spot where the error was committed.

(b) A deviation from the course rectified before clearing an obstacle is penalised as a disobedience.

(c) A deviation from the course not rectified, or rectified only after taking an obstacle, whether this forms part of the course or not, incurs the penalty of elimination. Officials or others in the arena are never allowed to warn the competitor of his error.

## REFUSAL:

(a) A refusal consists of stopping in front of an obstacle to be jumped, whether or not the horse knocks it down or displaces it.

## JUMPING

(b) Stopping at an obstacle without knocking it down and without reining back, followed immediately by a standing jump, is not penalised.

(c) If the halt is perceptible, or if the horse steps back even a single pace, voluntarily or not, or retakes the track, a refusal is incurred.

(d) If a horse, having knocked down an obstacle in stopping, jumps this obstacle before it has been re-erected, he is eliminated.

(e) If a horse slides through an obstacle, the officiating judge must decide immediately whether it is to count as a refusal or as an obstacle knocked down. If he decides it is a refusal, the bell is sounded at once and the competitor must retrace his steps and re-jump the obstacle. Should he fail to do so and jumps an obstacle, other than another of the same combination, he is eliminated. Should the Judge decide it was not a refusal, he will not ring the bell and the competitor must continue his round. He is then penalised as for an obstacle knocked down.

(f) The action of showing an obstacle to the horse after a refusal and before resuming the course is penalised by elimination.

## RUNNING OUT:

7. It is considered as running-out and the horse must be brought back to jump the obstacle again, failing which he is eliminated, when:

(a) The horse, not being properly under control of his rider, avoids the obstacle he should have jumped.

(b) He jumps the obstacle outside the boundary flags which mark it.

## RESISTANCE:

8. It is considered to be a resistance when the horse, wherever he may be, refuses to go forward (stops, runs back, turns round more or less completely, rears, etc.).

All horses are eliminated that:

(a) Resist their riders for a period of sixty consecutive seconds during the round.

(b) Take more than sixty seconds to jump an obstacle, except in the case of a fall.

(c) Have not passed the starting line sixty seconds after being given the signal to start.

## FALLS:

9. (a) A rider is considered to have fallen when he is separated from his horse, which has not fallen, in such a way as to necessitate remounting, or vaulting, into the saddle.

(b) A horse is considered to have fallen when the shoulder and quarters have touched either the ground, or the obstacle and the ground.

10. (a) A fall is penalised wherever it takes place within the course and whatever the cause. After a fall the rider must continue the course from the point where he fell, or from any other point, provided he does not reduce the length of the course.

(b) The penalty to be imposed for a fall is set out in Table "A", "B", or "C".

(c) When the horse or rider falls in knocking down an obstacle the penalties for both occurrences are added together. The same applies to a fall following a disobedience.

## UNAUTHORISED ASSISTANCE:

11. Any intervention by a third party, whether solicited or not, with the object of facilitating the task of the rider or helping his horse, is unauthorised assistance and is forbidden under penalty of elimination.

The judges have full powers to decide whether the rider will be eliminated or not.

Bringing back a runaway horse after a fall or helping the rider to re-adjust the saddlery, or to remount, is not considered as unauthorised assistance. The course must be re-taken at the exact spot where it was interrupted.

Handing his whip to a rider who has dropped it during the round is unauthorised assistance.

## DOUBLE, TREBLE AND MULTIPLE OBSTACLES:

12. A double, treble, or multiple obstacle is one composed of two, three or more fences or parts, with a minimum inner distance between each of them of 23 ft. (7 metres) up to a maximum inner distance between them of 39 ft. 5 ins. (12 metres), (with the exception for the Hunting Competitions where the distance may be less than 23 ft.), which must be taken in two, three or more successive jumps. The distance is measured from the base of the one fence on the landing side to the base of the next fence on the take-off side.

In double, treble and multiple obstacles, each fence or part of the whole must be jumped separately, on penalty of elimination. When there is a refusal, run-out, or fall, the rider must take the whole obstacle again, or he will be eliminated. Exception is made for completely closed obstacles.

All the faults for mistakes and resistances made at each fence and during the various attempts are counted separately and added together, but should a refusal be due to a fall between two fences it will not be penalised.

## BANKS, SLOPES AND RAMPS:

13. Banks, slopes, ramps and sunken roads, irrespective of whether they include any sort of fence and whatever the direction in which they should be taken, will be regarded as double, treble, multiple or closed obstacles. Each part must be jumped separately and faults will be penalised as for these obstacles.

The Jury must decide before the competition whether the obstacle is to be considered as closed or as a double, treble, or multiple obstacle. This decision must be included on the plan of the course.

14. A bank or platform (-butte-) without the addition of a fence, or with only one pole, can be taken in a flying jump. This way of jumping does not incur any penalties.

## OBSTACLES COMPLETELY CLOSED:

(15). (a) If an obstacle is completely closed (such as in-and-out, square or hexagonal) the rule for rejumping the whole obstacle does not apply.

(b) In such cases, if the horse leaves the enclosure on the wrong side, he is considered as having jumped an obstacle that is not part of the course and he is eliminated.

## JUMPING

(c) If, on the other hand, once in the enclosure, there is a refusal or fall, the rider is obliged to leave the enclosure by jumping out of it in the correct direction. If he is unable to do so within 60 seconds or after several attempts, making in all three refusals during the round, he is eliminated. He has not the right to displace, or cause to be displaced, or to modify any of the elements of the obstacle.

**TIME:**

(a) Unless otherwise stated in the conditions of the Class the "Time Allowed" for the course will be announced before each event.

(b) THE "TIME LIMIT" IS TWICE THE "TIME ALLOWED".

(c) FAULTS FOR TIME:—FOR EVERY SECOND OR PART OF A SECOND EXCEEDING THE "TIME ALLOWED"  $\frac{1}{2}$  FAULT, EXCEEDING THE "TIME LIMIT", ELIMINATED.

**JUMPING-OFF:**

See conditions of class concerned.

**DEFINITION OF JUMPING ARENA:**

The Jumping Arena will, when practicable, be entirely enclosed, but if not, will be clearly marked with flags or some other easily recognised indicator. At all times the Trotting Track will be taken as off the Jumping Arena. It will be the responsibility of all competitors to acquaint themselves with the extent of the arena and its markings before competing.

THE COUNCIL RESERVES THE RIGHT TO INTRODUCE A STANDARD AT ANY TIME.

CRUELTY TO HORSES is forbidden either in the arena, exercise area or elsewhere. A competitor found guilty of committing a definite act of cruelty will be disallowed from taking part in any further competitions at the Show where the offence was committed. The decision rests with the Judge and no appeal will be considered.

**GROUP A**

Competition in classes in this group is open only to horses over 14.2 hands whose past performances, in the opinion of the committee, warrant their inclusion in the group.

From the entries received, the Council will select the horses with the best performances (up to a maximum of 20 horses) to compete in PART I, and the next best (up to a maximum of 20) to compete in PART II.

**PART I—Classes 252 to 258.**

## 258. THE "OLYMPIC TYRE" TOP SCORE STAKES.

F.E.I. Rules.

**SPECIAL PRIZES, \$200 (presented by THE OLYMPIC TYRE & RUBBER CO. PTY. LTD., CROSS ST., WEST FOOTSCRAY, W.12).**—First prize, \$90; Second prize, \$50; Third prize, \$30; Fourth prize, \$20; Fifth prize, \$10. For horses and galloways over 14.2 hands.

No rider may ride more than two horses in this competition.

This Competition will take place over a course of 12 obstacles, each carrying a number of points. Points will be relative to the difficulty of the obstacle and they will vary in height from 4 ft. to 5 ft. 6 in. The points value of each obstacle will be scored if the obstacle is jumped clear, no points will be awarded for an obstacle knocked down.

Six obstacles will be valued at 100, 90, 80, 70, 60 and 50 points, and of the remainder, two will be valued at 40, two at 30, one at 20 and one at 10 points. If an obstacle is knocked down the Competitor may not jump or attempt to jump it again.

The Competitor having passed through the start will jump the obstacle designated as the first obstacle, thereafter the Competitor may jump any obstacle in either direction and any order within a time limit of 60 seconds. No obstacle may be jumped more than twice.

First and second refusals over the course, or fall of horse and/or rider will not count as these will increase the time. At the third refusal the competitor will be eliminated. Should a Competitor attempt to jump an obstacle and refuse he/she must continue to endeavour to jump that obstacle from the same direction, and may not proceed to another obstacle until the obstacle first attempted has been jumped. A water jump will not be included in the course for this competition.

The bell will be rung at the conclusion of 60 seconds, and an obstacle must be jumped after the bell so that time may be taken.

An obstacle will not be considered as having been jumped and points scored until the horse's forelegs touch the ground on landing. The competitor with the highest score in points will be the winner. In the event of equality time will decide.

# SECTRONIC BY SMITHS

## What is Sectaronic?

Sectaronic is the name given to Smiths new transistorised battery-operated clock movement. It means time without wires or winding. Its many unique features make it the most advanced transistor movement in the world.

## What makes Sectaronic unique?

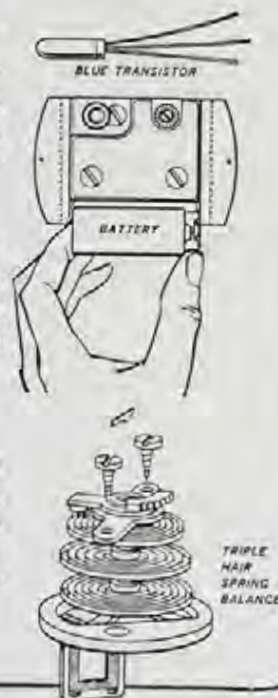

Sectaronic is the only movement to combine transistorised power supply with a featherweight moving coil balance assembly. The result is greater reliability and timekeeping accuracy. Smiths Sectaronic clocks can operate wherever they are placed, and at any angle.

## How long does the battery last?

The single 1.5 volt torch battery will give at least 12 months' continuous operation. A special built-in control ensures constant time throughout the entire life of the battery—without the "slow down" common to many battery clocks.

## How good a timekeeper is it?

Because the balance assembly is fitted into 2 jewelled bearings and between 2 jewelled end-stones and includes a tiered triple hairspring (see illustration), Sectaronic clocks give long, maintenance-free life and outstanding accuracy. Final adjustment is simple, each graduation representing a change of 6 seconds per day.

## 264. THE "McEWAN'S" TOP SCORE STAKES. F.E.I. Rules.

**SPECIAL PRIZES, \$160** (which is presented by **JAMES McEWAN & CO. PTY. LTD., BOURKE STREET, MELBOURNE**).—First prize, \$70; Second prize, \$42; Third prize, \$24; Fourth prize, \$16; Fifth prize, \$8.

For horses and galloways over 14.2 hands.

No rider may ride more than two horses in this competition.

This Competition will take place over a course of 12 obstacles, each carrying a number of points. Points will be relative to the difficulty of the obstacle and they will vary in height from 3 ft. 9 in. to 5 ft. 3 in. The points value of each obstacle will be scored if the obstacle is jumped clear, no points will be awarded for an obstacle knocked down.

Six obstacles will be valued at 100, 90, 80, 70, 60 and 50 points, and of the remainder, two will be valued at 40, two at 30, one at 20 and one at 10 points. If an obstacle is knocked down the Competitor may not jump or attempt to jump it again.

The Competitor having passed through the start will jump the obstacle designated as the first obstacle, thereafter the Competitor may jump any obstacle in either direction and any order within a time limit of 60 seconds. No obstacle may be jumped more than twice.

First and second refusals over the course, or fall of horse and/or rider will not count as these will increase the time. At the third refusal the competitor will be eliminated.

Should a Competitor attempt to jump an obstacle and refuse he/she must continue to endeavour to jump that obstacle from the same direction, and may not proceed to another obstacle until the obstacle first attempted has been jumped. A water jump will not be included in the course for this competition.

The bell will be rung at the conclusion of 60 seconds, and an obstacle must be jumped after the bell so that time may be taken.

An obstacle will not be considered as having been jumped and points scored until the horse's forelegs touch the ground on landing. The competitor with the highest score in points will be the winner. In the event of equality time will decide.

## 269. THE "COLES STORES" FAULT AND OUT RELAY.

(Teams of two)

F.E.I. Rules.

Speed: 436 yards (400 metres) per minute.

**SPECIAL PRIZES: \$200 (which is presented by G. J. COLES & CO. LTD., MELBOURNE).**—First prize, \$80; Second prize, \$50; Third prize, \$30; Fourth prize, \$20; Fifth prize, \$12; Sixth prize, \$8.

## CONDITIONS

The course will not contain combination obstacles.

Competitors will jump as many obstacles (in the correct order) as possible within 90 seconds, the competitors changing over as many times as there is reason to do so until they are stopped by the clock.

The horse jumping the course when the whistle for time is sounded must then jump the following obstacle. The time will be taken when the horse's forelegs touch the ground; this obstacle does NOT count in classification. If for any reason the rider does not jump the obstacle at which the

clock is stopped he is gonged and the clock stopped. The team will then be placed last of those gaining an equal number of points.

In the course of the competition the rider will be always gonged at the first fault committed no matter what this may be. The partner takes over immediately and continues the course. If it was a jumping fault, the partner takes over the round and jumps the obstacle following that where the fault was incurred.

If the fault was a disobedience, the partner takes over the round and must jump the obstacle where the disobedience occurred.

Notwithstanding the conditions above, if a rider completes one circuit of the course without fault, the other member of the team MUST take over the jumping. The competition then proceeds in accordance with the conditions as previously detailed.

## CLASSIFICATION:

In this competition, two points will be awarded for each obstacle jumped clear and one point for each obstacle knocked down.

From the total number of points scored by a team the following are deducted: 1 point for the first disobedience (or fall); 2 points for the second disobedience (or fall); 2 points for the third disobedience (or fall). The fourth disobedience entails elimination of the team.

In the case of equality of time and points there is a compulsory jump-off for first place only, over the same or a reduced course.

Owners will be allowed to pair and in the event of a pair separately owned winning, the prize will be divided.

For horses and galloways over 14.2 hands.

No rider may ride more than two horses.

## STEWARDS-IN-CHIEF:

Beef Cattle: COL. M. H. McARTHUR, O.B.E.  
Deputy: J. W. D. WARD, Esq.

Fat Cattle: JOHN BOTT, Esq.

Dairy Cattle: KEITH McGARVIE, Esq.  
Deputy: C. C. JOHNSON, Esq., M.B.E.

## CONDITIONS OF ENTRY AND EXHIBITION, ETC.

(See also the conditions at the head of each Breed Section)

Entries will only be received subject to the rules and regulations of the Society and the decisions of the Council. At time of entry and until after exhibition, all exhibits must be the bona fide property of the exhibitor or held by the exhibitor under a written lease recognised by the Society.

The foregoing clause regarding leases does not apply in the Ayrshire Section. All exhibits in that Section must be the bona-fide property of the exhibitor.

Only one exhibitor will be recognised as an owner from any one holding, and any exhibitor who enters, or permits the entry of any of his stock, in the name of any other exhibitor, shall be disqualified.

The breeding year for Dairy Cattle dates from 1st July in each year.

Entries are accepted on the distinct understanding that stock may not be removed from the Showgrounds until after 11 p.m. on Saturday, 30th September.

The conditions governing the number of entries permitted will be found at the head of each breed section.

No exhibit may be entered in more than one ordinary class unless otherwise stated at the head of the section. Special classes or championship prizes do not count as ordinary classes. Throughout the schedule special classes are denoted with a star (\*). Should an exhibit be incorrectly entered in more than one ordinary class, such exhibit shall be deemed ineligible to compete in any class other than the first in which its name or particulars appear in the Show Catalogue.

The Council reserves the right to reject at any time any entry or prohibit any person or animal from competing in any class.

When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

Every animal entered must be exhibited unless a certificate signed by the owner is lodged with the Society prior to the date of the Show, stating that the animal is unable to compete on one of the following grounds:—

- (i) The animal has died.
- (ii) The animal is unfit for exhibition due to injury or disease.
- (iii) The animal has become ineligible for the class entered.
- (iv) Some other cause which the Council or Director of the Society considers reasonable.

Failure to comply with this rule renders the owner or entrant liable to a fine of not more than \$10 for every animal not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibition conducted by the Society.

All entries must be made in writing on forms supplied by the Society. Entries for all cattle sections must be in the hands of the Director, at his office, Royal Show Grounds, Epsom Road, Ascot Vale, W.2, on or before the time stated at head of each cattle section.

Except where otherwise determined by Council, all cattle must be certified Tuberculosis free. Animals from herds listed as accredited or in process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be Tuberculin tested within ninety days prior to opening date of the Show. Certificates for these individual tests must accompany entry forms, or, if not available at that time, must be in the hands of the Director no later than 14 days prior to the opening day of the Show.

All exhibits must be placed where directed by the Director or his deputy, and (except in accordance with Regulation 19) must not be removed from their allotted places during the Exhibition without the written consent of the Director being first obtained.

Unless authorised by the Society no livestock will be permitted to enter the Grounds other than those entered for exhibition.

The General Regulations and Regulations appearing at the heading of each section and the conditions on the entry form also form part of the conditions of entry.

### ENTRY TICKETS

Entry tickets will be issued about a week before the Show opens. The entry ticket of each exhibit shall state the number of its box, stall, pen or stand, as the case may be, which shall correspond with its number in the official catalogue, and if the box, stall or pen be not occupied by such exhibit by noon on the first day of the Show, the accommodation reverts to the Society. The entry ticket must be produced at the gate, when it will admit the exhibit and attendant to the grounds. It must be retained, and again produced when the exhibit leaves the grounds. Attendant's passes will be issued by the Superintendent at his office on the Show Grounds.

## CATTLE

## ARRIVAL AND DEPARTURE OF EXHIBITS

Exhibitors in the Beef and Red Poll Sections are required to deliver their Cattle (except Fat Cattle) to the Show Grounds in time to ascertain from the Cattle Superintendent where their exhibits are to be placed and to have them in their allotted positions by 9 a.m. on Wednesday, 20th September.

Exhibitors in the Dairy Cattle and Dairy Shorthorn Sections must have their exhibits stalled where directed, by 9.00 p.m. on Wednesday, 20th September.

The entry of cattle, fodder, bedding or equipment to the Show Grounds prior to the Friday preceding the first day of the Show, is not allowed without special permission being granted by the Society.

Exhibitors will not be permitted to remove their stock until 11 p.m. on Saturday, 30th September.

## NECK NUMBERS

Numbers corresponding to the exhibit numbers in the catalogue must be worn by the exhibits when appearing before the Judge.

Neck numbers must be obtained by the exhibitor from the office of the Superintendent.

## "IN MILK" CLASSES AND DISPOSAL OF MILK

Cow or Heifer entered as "in milk" can be transferred to the "in calf" class, if she has not calved prior to judging, or vice versa.

Cows and heifers, in milk, except Red Polls and Dairy Shorthorns, must be fully milked out in readiness for "stripping out" by the Stewards at 5.00 p.m. on Sunday, 24th September.

Red Poll cows and heifers, in milk, must be in readiness for "stripping out" at 5.00 p.m. on Wednesday, 20th September.

Dairy Shorthorn cows and heifers, in milk, must be in readiness for "stripping out" at 8.00 p.m. on Sunday, 24th September.

The owner or his representative must be in attendance when females are being stripped out, and the exhibits which are to receive such attention must be in readiness in the stalls allotted to them.

Before entering the Judging Ring exhibits in the "In Milk" Classes will be checked with the Milk Stewards' reports to ascertain that they have been fully milked out in compliance with the conditions.

Entries of milking stock (Sections 25 to 31 inclusive) will only be accepted subject to the following regulations regarding the disposal of milk.

In order that the Society can comply with the provisions of the Dairy Supervision Act, exhibitors are not permitted to dispose of milk prior to and during the currency of the Show, either by sale or gift, other than to the Society's agent, who is situated at the Milk Room (beside the No. 1 Cattle Pavilion). All milk will be purchased according to butter-fat value, based upon a complete test of the bulked milk, and returns, less dairy costs, will be forwarded to exhibitors after the Show. No milk will be paid for unless approved milk utensils are used and hygienic methods are adopted.

Exhibitors must provide their own receptacles for the delivery of milk to the Society's dairy on the Show Grounds.

## JUDGING

Judging will be in catalogue order and will take place at the time stated at the head of each breed section.

Any exhibitor who shall, without due cause, fail to parade any animal before the Judge, when required so to do by the Steward of the Section, shall be liable to a fine of \$10.

Judges have the right to order any Cow competing for Championships to be milked dry before finally awarding the prizes.

Attendants leading stock in the judging ring or on parade must wear uniform grey coats, which can be procured from the Society, and the showing of a name or names on the wearing apparel or about the person of the attendant is prohibited. This regulation will be strictly enforced.

## AGE, DEFORMITY AND USE OF HORMONES

The Society's Veterinary Surgeon's decision regarding age shall be final.

If, in the opinion of the Director, exhibits in these Sections be deemed to be deformed, the owner or owners of such exhibit or exhibits shall, upon notice to that effect, remove such exhibit or exhibits from the Show Grounds.

All male animals competing in the breeding classes must be completely entire. Any male animal in the breeding classes not deemed to be completely entire by the Society's Veterinary Surgeon may not compete or be offered for sale on the Show Grounds. Any marks of speying on females shall disqualify them from competing in such classes.

**In all Beef, Dual Purpose and Dairy Cattle Sections any animal entered which can be shown to the satisfaction of the Society to have received Hormones will be ineligible for a prize.**

## INSPECTION OF STOCK

Exhibitors in the stock sections shall, if requested by the Steward-in-Chief of the Section or by the Director or his agent, submit his exhibits in whole or part, for inspection by a Veterinarian or Veterinarians appointed by the Society.

The Owner or Exhibitor of any exhibit or Stand of exhibits disapproved of as an exhibit by the Council of the Society, must, immediately upon notice to that effect, remove such exhibit or stand of exhibits from the Society's Grounds. The Council reserves the right to decline to receive entries in future years from any person who exhibits stock that is not up to a satisfactory standard, that is not exhibited in reasonable Show condition, or that is not given proper attention during the Show. See also regulations at head of Beef and Dairy Cattle Sections.

## SECURITY OF ANIMALS

All male exhibits of Beef and Dual Purpose Cattle born on or before 31st August, 1966, and all male exhibits of Dairy Cattle, irrespective of age, shall be rung through the nose and at all times shall be led by such ring. If, in the opinion of the Stewards or Society's officials, any

## CATTLE

bull is considered unsafe, such bull shall be placed under such control as directed by the Stewards or Society's officials.

All bulls exhibited in the Dairy Sections shall be tethered by the nose ring in addition to the headstall or neck rope.

All females must be provided with effective halters and be thoroughly broken to lead. Exhibitors will be liable to a fine of \$4 for every infringement of this regulation.

Each exhibitor is required to see that each of his exhibits is securely tethered in its stall. All exhibitors of Beef Cattle must provide neck straps or neck ropes, as well as halters for tethering their cattle. Every poll bull and every wholly or partially dehorned bull entered in Beef and Dual Purpose Sections, must be securely tethered by an effective headstall in addition to a nose ring or neck strap or neck rope.

If, in the opinion of the Director, any exhibit or exhibits of stock be deemed to be dangerous, the owner of such exhibit or exhibits shall immediately, upon notice to that effect, remove such exhibit or exhibits from the Society's Grounds.

## PARADES

All prize-winning cattle must be taken on parade in accordance with the printed programme.

Exhibits of Dairy Cattle and also the Dual Purpose breed—Dairy Shorthorns—must be taken on parades conducted prior to judging of exhibits in these Sections. The numbers paraded are to be commensurate with the prizes offered in each of the ordinary classes for these breeds.

After judging, only the prize-winning cattle, except Fat Cattle—will be permitted to be taken on Parades. Exhibitors shall be subject to a fine of one dollar in each case in which this regulation is not complied with, and shall also be liable to forfeit the prize or prizes awarded to their exhibit or exhibits. All cattle parading must wear exhibit numbers. No ribbons will be permitted on exhibits except those won during the Show.

Attendants leading stock on parade must wear uniform grey coats which can be procured from the Society.

This regulation will be strictly enforced.

## SALES AND NOTICES

Exhibitors are permitted to display cards over the stalls stating that an animal is for sale; such cards not to exceed 12 in. x 10 in. and must not be put up until after 12 noon on Wednesday, 20th September. No other advertisements or notices (except by permission of the Council) are permitted on or in any stalls or buildings.

Any animal offered for sale may wear, in the sale ring, only those ribbons won in single competition.

In the Beef Cattle Sections no bull shall be sold whilst at the Show Grounds, either by public auction or private treaty, for less than 400 dollars and no female for less than 300 dollars.

A commission of 1 per cent. shall be paid to the Society in respect of all stock sold on the Show Grounds.

## PAVILIONS—Cleanliness and Hours of Exhibition

Exhibitors shall, to the satisfaction of the Cattle Superintendent:

- (i) Keep each stall allotted to them and their stock in a clean and proper condition throughout the Show.
- (ii) Clean out their stalls or boxes before 8 a.m. each day.
- (iii) Refrain from leading exhibits from their stalls to water troughs between the hours of 8 a.m. and 5 p.m. each day of the Show.

Failure to comply with this rule shall render the exhibitor liable to a fine not exceeding \$10 for each separate offence.

Any exhibitor or his employee putting manure out of a box, stall, or pen, or putting out a trough, or cleaning out an alley way after 8 a.m. on a Show day shall be liable to a fine of one dollar.

## POLL SHORTHORNS

Judging will be in catalogue order and will commence at 9.30 a.m. on the opening day of the Show.

\* Denotes Special Class.

A cattle exhibit can only be entered in one ordinary class.

An exhibit cannot be entered in a Special class unless it has been entered in an ordinary class.

The Judge in this Section will be asked not to award prizes to grossly overfat animals.

Any animal entered in this Section which can be shown to the satisfaction of the Society to have received Hormones will be ineligible for a prize.

All adult animals entered in this Section must be registered in a recognised Poll Shorthorn Herd Book. All animals not of age for registration must be the recorded progeny of registered parents. For particulars of registration in the Poll Shorthorn Herd Book of Australia, apply to the Secretary, Poll Shorthorn Society of Australia, 11 Loftus Street, Sydney, N.S.W.

All male exhibits of Beef and Dual Purpose Cattle born on or before 31st August, 1966, shall be rung through the nose and at all times shall be led by such ring. If, in the opinion of the Stewards or Society's Officials, any bull is considered unsafe, it shall be placed under such control as directed by the Stewards or Society's Officials.

Particular attention is drawn to the regulations regarding Inspectors' verification of type, description and eligibility of exhibits, appearing under the heading "Inspection Regulations in Beef and Dual Sections", which precede the first Cattle Section.

All cattle entered in this Section must be certified tuberculosis free. Animals from herds listed as accredited or in process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be tuberculin tested within ninety days prior to the opening date of the Show. Certificates for these individual tests must accompany entry forms or, if not available at that time, must be in the hands of the Director no later than 14 days prior to the opening day of the Show.

Attendants leading stock in the judging ring or on parade must wear uniform grey coats, which can be procured from the Society.

## BEEF CATTLE HERDSMEN'S COMPETITION.—

Shell Medallion and special prizes for Herdsman who best prepares and parades stock for the Show Ring. For full particulars and conditions of entry see Class 140 at end of Section 24.

N.B.—For particulars of entry in Steer Classes, etc., see Fat Cattle Section 14.

## Section 19 — Angus

Judge: C. S. GORDON, Esq.

Stewards: K. P. PALMER, Esq.  
R. W. RITCHIE, Esq.  
R. M. C. LITTLE, Esq.  
J. A. PHILLIPS, Esq.  
G. P. KITNEY, Esq.  
JOHN G. WILSON, Esq.  
M. B. BOOTHBY, Esq.

Exhibitors are advised that, in addition to reading the following conditions, they should carefully peruse the conditions of entry and exhibition which precede the first Cattle Section.

An exhibitor may enter up to five animals in any one Class, of which only three may be shown.

Entries will be accepted on the understanding that, should they be in excess of the accommodation, the number of exhibits will be reduced accordingly.

Judging will be in catalogue order and will commence at 9.30 a.m. on the opening day of the Show.

\* Denotes Special Class.

A cattle exhibit can only be entered in one ordinary class.

An exhibit cannot be entered in a Special class unless it has been entered in an ordinary class.

The Judge in this Section will be asked not to award prizes to grossly overfat animals.

Any animal entered in this Section which can be shown to the satisfaction of the Society to have received Hormones will be ineligible for a prize.

All cattle 12 months old and over on the opening day of the Show, entered in this Section, must be registered in a recognised Angus Herd Book. Animals under 12 months old must be the recorded progeny of registered parents. For particulars of registration in the Angus Herd Book, apply to the Secretary, The Angus Society of Australia, Hosking House, Penfold Place, 84½ Pitt Street, Sydney, New South Wales.

All male exhibits of Beef and Dual Purpose Cattle born on or before 31st August, 1966, shall be rung through the nose and at all times shall be led by such ring. If, in the opinion of the Stewards or Society's Officials, any bull is considered unsafe, it shall be placed under such control as directed by the Stewards or Society's Officials.

Particular attention is drawn to the regulations regarding Inspectors' verification of type, description and eligibility of exhibits, appearing under the heading "Inspection Regulations in Beef and Dual Purpose Sections", which precede the first Cattle Section.

All cattle entered in this Section must be certified tuberculosis free. Animals from herds listed as accredited or in the process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be tuberculin tested within ninety days prior to the opening date of the Show. Certificates for these individual tests must accompany entry forms or, if not available at that time, must be in the hands of the Director no later than 14 days prior to the opening day of the Show.

Attendants leading stock in the judging ring or on parade must wear uniform grey coats, which can be procured from the Society.

All prize-winning cattle must be paraded. (See Regulation at head of Cattle Section.)

Entry fee, \$5; R.A.S. of V. Members, \$3.

Judges: J. CARTER, Esq.  
 S. J. FIELD, Esq.  
 C. S. GORDON, Esq.

Stewards: K. P. PALMER, Esq.  
 R. B. GERRAND, Esq.

A Beef Cattle Judging Demonstration and Competition will take place in the L. M. Dugdale Cattle Sale Ring on Saturday, 23rd September, 1967, commencing at 9 a.m. and concluding not later than 11 a.m.

The Demonstration and Competition will be conducted on Beef Shorthorn and Poll Shorthorn bulls this year. In future years different breeds will be used rotating in the order in which the breed sections appear in the Show Catalogue.

Competitors will be asked to place six bulls in the order they fancy.

The three prominent breed Judges appointed will agree on what might be termed the correct order of placing the cattle and will question the final six competitors over the P.A. system as to the reasons for their placements when determining the ultimate winner of the Competition.

A spokesman for the Judges' Panel will give explanations to competitors as to why the cattle were placed in the order decided upon by the Judges and at the same time will demonstrate the use of ring-craft as an aid to making correct decisions and as a methodical means of permitting spectators to understand the Judges' reasoning.

This will be a post entry competition, open to all comers. Intending competitors are required to nominate at the Cattle Superintendent's Office not later than one hour prior to the commencement of the Competition.

There will be no entry fee and R.A.S. prize cards will be awarded to the first six place getters.
