Presented by Mrs. HAROLD BARTRAM for competition in perpetuity at the Royal Melbourne Show.

QUALIFYING COMPETITIONS.

1. Each Country Agricultural Society in Victoria, or a gymkhana registered with the Equestrian Federation of Australia, is invited to co-operate in qualifying competitors for these trophies, by providing annually riding competitions for competitors under 15 years of age on the day of its Show.

2. Each Society conducting qualifying competitions is requested to notify the Royal Agricultural Society of Victoria of the names and addresses of the winners and "runners-up", so that if it is found that, for any reason, the winners were ineligible, an opportunity may be given the "runners-up" to compete in the Championship Competitions.

3. Such competitions to be named "The Good Hands Qualifying Riding Competitions," and the Royal Agricultural Society of Victoria to provide suitable certificates for presentation to the winners.

4. The holder of a R.A.S. Qualifying Certificate, won in the same year, shall not be eligible to compete.

5. The competitors shall be judged solely on their riding ability—mount, saddlery or costume will not be taken into account, but special attention will be paid to hands and seat, general management and control of the horse or pony.

CHAMPIONSHIP COMPETITION.

6. Only holders of qualifying certificates won during the preceding twelve months will be eligible to compete for the Challenge Trophies at the Royal Melbourne Show. No entry fee will be charged.

7. The Championship Competitions shall be judged on the same basis as the qualifying competitions, but the Judge, before finally making his award, shall require his six finalists to execute a figure 8 at a canter, ride away from the Judge, return at a slow canter, stop at the Judge's signal and back, all six using the same mount (with snaffle bridle) which will be selected by the Society's referee, from horses ridden in this competition.

8. Eligible competitors are accepted on the condition that they will be prepared to provide the selected mount.

9. The names of the winners will be engraved on the Challenge Trophies, and they will be entitled to hold them until 31st August in the year following their success.

10. Suitably inscribed Championship Sashes will be presented to each successive winner of the Challenge Trophies.

11. The winners of the Challenge Trophies will be eligible to compete in future years, subject to age.

12. The Council of the Royal Agricultural Society of Victoria may, at its discretion, vary the conditions governing the qualifying and Championship Competitions.

13. All entries must be lodged with the Society by 5 p.m. on Wednesday, 16th September. Note: Winners of Good Hands Championship Competitions are ineligible to compete in Consolation Riding Competitions.

MUSICAL CHAIRS CONDITIONS

Oil drums (one less than the number of competitors) are placed in the centre of a circle, approximately 50 feet in diameter marked out with stakes or flags or whitewash. Competitors must, when mounted, trot or canter (not walk) around the circle.

Competitors must keep to outside of the circle whilst music is being played.

When the music stops, all competitors dismount and run in to the centre leading their mounts, and sit on the drums. The competitor left without a seat retires, and the same process is continued until the ultimate winner is decided.

As each competitor is eliminated, one drum is removed from the ring.

Competitors may be disqualified for unnecessary roughness. Reins must be joined and of conventional length.

DEFINITIONS, GENERAL RULES AND PENALTIES

OBSTACLE KNOCKED DOWN:

1. An obstacle is considered as having been knocked down when through the fault of the horse, or rider:

(a) Any part, or the whole, of it is knocked down, even when the falling part is arrested in its fall by any other portion of the obstacle.

(b) When at least one of its ends is dislodged from its support.

(c) Any framework intended to maintain the solidity of the obstacle, and forming an integral part of its support falls. Touches and displacements, in whatever direction, do not count.

2. (a) When an obstacle, or part of an obstacle, is composed of several elements placed one on top of the other and in the same vertical plane, the dislodging of the top element alone is penalised.

(b) When an obstacle to be taken in one jump is composed of several elements not fixed in the same vertical plane (oxer, brook, triple bar, water jump or ditch, preceded or followed by another obstacle, etc.), the fall of one or more elements or foot in the water is counted only as one fault, irrespective of the number and position of the elements knocked down.

(c) If an obstacle that has been knocked down does not actually fall until after the horse has left the arena, it will not be penalised.

(d) If any element of an obstacle that has been knocked down prevents the horse from jumping the next obstacle it must be removed. The time required for doing this is deducted from the total time of the round.

(e) All obstacles with water (with the exception of the water jump which is subject to special rules) must be marked by a lath both on the take-off side and on the landing side.

DISOBEDIENCE:

3. The following are considered as disobediences and are penalised as such:

Rectified deviation from the course.

Refusal.

Run-out.

Resistance.

Any form of circle or series of circles, in any part of the course for any reason, except that a horse may circle once or more without penalty to re-take the track after a run-out or a refusal. In a course that is not marked by a continuous line, unless there is any indication to the contrary on

JUMPING

the plan or notified by the Jury, any circle (whereby the horse crosses its original track), wherever it may be on the course, is penalised as a disobedience. Approaching an obstacle sideways, or zig-zagging, or turning sharply towards it, do not constitute a disobedience, provided the horse has not passed the obstacle.

DEVIATION FROM THE COURSE:

4. There is a deviation from the course when the horse does not follow the plan for the course as shown on the diagram posted up, as when the rider:

(a) Disregards a flag to indicate the course to be followed.

(b) Does not clear the obstacles in the prescribed order.

(c) Jumps an obstacle outside the course, or misses one on the course.

5. (a) To rectify a deviation from the course the rider must resume the course from the spot where the error was committed.

(b) A deviation from the course rectified before clearing an obstacle is penalised as a disobedience.

(c) A deviation from the course not rectified, or rectified only after taking an obstacle, whether this forms part of the course or not, incurs the penalty of elimination. Officials or others in the arena are never allowed to warn the competitor of his error.

REFUSAL:

(a) A refusal consists of stopping in front of an obstacle to be jumped, whether or not the horse knocks it down or displaces it.

(b) Stopping at an obstacle without knocking it down and without reining back, followed immediately by a standing jump, is not penalised.

(c) If the halt is perceptible, or if the horse steps back even a single pace, voluntarily or not, or retakes the track, a refusal is incurred.

(d) If a horse, having knocked down an obstacle in stopping, jumps this obstacle before it has been re-erected, he is eliminated.

(e) If a horse slides through an obstacle, the officiating judge must decide immediately whether it is to count as a refusal or as an obstacle knocked down. If he decides it is a refusal, the bell is sounded at once and the competitor must retrace his steps and re-jump the obstacle. Should he fail to do so and jumps an obstacle, other than another of the same combination, he is eliminated. Should the Judge decide it was not a refusal, he will not ring the bell and the competitor must continue his round. He is then penalised as for an obstacle knocked down.

(f) The action of showing an obstacle to the horse after a refusal and before resuming the course is penalised by elimination.

RUNNING OUT:

7. It is considered as running-out and the horse must be brought back to jump the obstacle again, failing which he is eliminated, when:

(a) The horse, not being properly under control of his rider, avoids the obstacle he should have jumped.

(b) He jumps the obstacle outside the boundary flags which mark it.

RESISTANCE:

8. It is considered to be a resistance when the horse, wherever he may be, refuses to go forward (stops, runs back, turns round more or less completely, rears, etc.).

All horses are eliminated that:

(a) Resist their riders for a period of sixty consecutive seconds during the round.

(b) Take more than sixty seconds to jump an obstacle, except in the case of a fall.

(c) Have not passed the starting line sixty seconds after being given the signal to start.

FALLS:

9. (a) A rider is considered to have fallen when he is separated from his horse, which has not fallen, in such a way as to necessitate remounting, or vaulting, into the saddle.

(b) A horse is considered to have fallen when the shoulder and quarters have touched either the ground, or the obstacle and the ground.

10. (a) A fall is penalised wherever it takes place within the course and whatever the cause. After a fall the rider must continue the course from the point where he fell, or from any other point, provided he does not reduce the length of the course.

(b) The penalty to be imposed for a fall is set out in Table "A", "B", or "C".

(c) When the horse or rider falls in knocking down an obstacle the penalties for both occurrences are added together. The same applies to a fall following a disobedience.

UNAUTHORISED ASSISTANCE:

11. Any intervention by a third party, whether solicited or not, with the object of facilitating the task of the rider or helping his horse, is unauthorised assistance and is forbidden under penalty of elimination.

The judges have full powers to decide whether the rider will be eliminated or not.

Bringing back a runaway horse after a fall or helping the rider to re-adjust the saddlery, or to remount, is not considered as unauthorised assistance. The course must be re-taken at the exact spot where it was interrupted.

Handing his whip to a rider who has dropped it during the round is unauthorised assistance.

DOUBLE, TREBLE AND MULTIPLE OBSTACLES:

12. A double, treble, or multiple obstacle is one composed of two, three or more fences or parts, and with a maximum inner distance between them of 39 ft. 5 ins. (12 metres), which must be taken in two, three or more successive jumps. The distance is measured from the base of the one fence or the landing side to the base of the next fence on the take-off side.

In double, treble and multiple obstacles, each fence or part of the whole must be jumped separately, on penalty of elimination. When there is a refusal, run-out, or fall, the rider must take the whole obstacle again, or he will be eliminated. Exception is made for completely closed obstacles.

LAMENESS

ACUTE or CHRONIC

There's a RADIOL remedy for it!

No single liniment can be expected to treat all conditions of lameness but the use of Radiol or B-R (Bone-Radiol), according to the severity of the complaint, is the most effective treatment after the case has been correctly diagnosed. To be sure you use the right one write for the Radiol publication "Winning Fitness in Horse and Hound" which is available FREE on request from the agent.

Radiol. For all acute conditions of lameness — soft swellings and inflammation — apply Radiol. Price 19/6

Bone-Radiol is highly concentrated and is for the treatment of chronic conditions — ringbones, splints, spavins and other forms of persistent lameness. Price 19/6

Radiol products are available from your usual veterinary supplier or write to:

RILEY WILLIAMS PTY. LTD.

BOX 20, FAIRFIELD, VICTORIA

Products of Radiol Chemicals Ltd., London, England

All the faults for mistakes and resistances made at each fence and during the various attempts are counted separately and added together, but should a refusal be due to a fall between two fences it will not be penalised.

BANKS, SLOPES AND RAMPS:

13. Banks, slopes, ramps and sunken roads, irrespective of whether they include any sort of fence and whatever the direction in which they should be taken, will be regarded as double, treble, multiple or closed obstacles. Each part must be jumped separately and faults will be penalised as for these obstacles.

The Jury must decide before the competition whether the obstacle is to be considered as closed or as a double, treble, or multiple obstacle. This decision must be included on the plan of the course.

14. A bank or platform («butte») without the addition of a fence, or with only one pole, can be taken in a flying jump. This way of jumping does not incur any penalties.

OBSTACLES COMPLETELY CLOSED

15. (a) If an obstacle is completely closed (such as in-and-out, square or hexagonal) the rule for rejumping the whole obstacle does not apply.

(b) In such cases, if the horse leaves the enclosure on the wrong side, he is considered as having jumped an obstacle that is not part of the course and he is eliminated.

(c) If, on the other hand, once in the enclosure, there is a refusal or fall, the rider is obliged to leave the enclosure by jumping out of it in the correct direction. If he is unable to do so within 60 seconds or after several attempts, making in all three refusals during the round, he is eliminated. He has not the right to displace, or cause to be displaced, or to modify any of the elements of the obstacle.

TIME:

(a) Unless otherwise stated in the conditions of the Class the "Time Allowed" for the course will be announced before each event.

(b) THE "TIME LIMIT" IS TWICE THE "TIME ALLOWED".

(c) FAULTS FOR TIME:—FOR EVERY SECOND OR PART OF A SECOND EXCEEDING THE "TIME ALLOWED" 1 FAULT. EXCEEDING THE "TIME LIMIT". ELIMINATED.

JUMPING-OFF:

See conditions of class concerned.

DEFINITION OF JUMPING ARENA:

The Jumping Arena will, when practicable, be entirely enclosed, but if not, will be clearly marked with flags or some other easily recognised indicator. At all times the Trotting Track will be taken as off the Jumping Arena. It will be the responsibility of all competitors to acquaint themselves with the extent of the arena and its markings before competing.

THE COUNCIL RESERVES THE RIGHT TO INTRODUCE A STANDARD AT ANY TIME.

JUMPING

JUMPING

For horses and galloways over 14.2 hands.

This Competition will take place over a course of 12 obstacles, each carrying a number of points. Points will be relative to the difficulty of the obstacle and they will vary in height from 4 ft. to 5 ft. 6 in. The points value of each obstacle will be scored if the obstacle is jumped clear, no points will be awarded for an obstacle knocked down.

Six obstacles will be valued at 100, 90, 80, 70, 60 and 50 points, and of the remainder, two will be valued at 40, two at 30, one at 20 and one at 10 points. If an obstacle is knocked down the Competitor may not jump or attempt to jump it again.

The Competitor having passed through the start will jump the obstacle designated as the first obstacle, thereafter the Competitor may jump any obstacle in either direction and any order within a time limit of 60 seconds. No obstacle may be jumped more than twice.

First and second refusals over the course, or fall of horse and/or rider will not count as these will increase the time. At the third refusal the competitor will be eliminated.

Should a Competitor attempt to jump an obstacle and refuse he/she must continue to endeavour to jump that obstacle from the same direction, and may not proceed to another obstacle until the obstacle first attempted has been jumped. A water jump will not be included in the course for this competition.

The bell will be rung at the conclusion of 60 seconds.

An obstacle will not be considered as having been jumped and points scored until the horse's forelegs touch the ground on landing. The competitor with the highest score in points will be the winner. In the event of equality time will decide.

247. THE "SOUTHERN CROSS" FAULT AND OUT.

F.E.I. Rules.

Speed: 436 yards (400 metres) per minute.

SPECIAL PRIZES, £65 (of which £30 is presented by THE SOUTHERN CROSS HOTEL, 131 EXHIBITION STREET, MELBOURNE).—

First prize, £26; Second prize, £16; Third prize, £10; Fourth prize, £6; Fifth prize, £4; Sixth prize, £3.

CONDITIONS

Medium sized obstacles. No combinations permitted.

- (a) The competitor is required to jump as many obstacles as possible (in the correct order) within 1 minute.
- (b) If a complete round has been jumped before the expiry of the time, the course is recommenced.
- (c) Points are awarded instead of faults—two points for every obstacle jumped clear and one point for the obstacle knocked down. An obstacle is not considered to have been jumped until the horse's fore-feet have touched the ground on landing.
- (d) When an obstacle is knocked down, or when the time allowed is reached, the bell will be sounded. The competitor must then jump the next obstacle and the clock will be stopped at the moment the horse's fore-feet touch the ground on landing, but no points will be scored for the obstacle jumped after the bell.
- (e) When the fault constitutes a disobedience or fall, or when for some reason, the rider is eliminated or does not take the obstacle at which the clock should have been stopped, the bell will be sounded. The competitor will then be placed last of those gaining an equal number of points.
- (f) The winner is the competitor who scores the greatest number of points. In the case of equality of points, the times of the competitors will be taken into account. Should there be equality of both points and time, for first place only, a jump-off is compulsory. This will be decided by points and time over a limited number of obstacles.

For horses and galloways over 14.2 hands.

No rider may ride more than two horses.

251. THE "COLES STORES" FAULT AND OUT RELAY.

(Teams of two)

F.E.I. Rules.

Speed: 436 yards (400 metres) per minute.

SPECIAL PRIZES, £100 (of which £65 is presented by G. J. COLES & CO. LTD., MELBOURNE).—First prize, £40; Second prize, £25; Third prize, £15; Fourth prize, £10; Fifth prize, £6; Sixth prize, £4.

CONDITIONS

The course will not contain combination obstacles.

Competitors will jump as many obstacles (in the correct order) as possible within 90 seconds, the competitors changing over as many times as there is reason to do so until they are stopped by the clock.

The horse jumping the course when the whistle for time is sounded must then jump the following obstacle. The time will be taken when the horse's forelegs touch the ground; this obstacle does NOT count in classification. If for any reason the rider does not jump the obstacle at which the clock is stopped he is gonged and the clock stopped. The team will then be placed last of those gaining an equal number of points.

In the course of the competition the rider will be always gonged at the first fault committed no matter what this may be. The partner takes over immediately and continues the course. If it was a jumping fault, the partner takes over the round and jumps the obstacle following that where the fault was incurred.

If the fault was a disobedience, the partner takes over the round and must jump the obstacle where the disobedience occurred.

Notwithstanding the conditions above, if a rider completes one circuit of the course without fault, the other member of the team MUST take over the jumping. The competition then proceeds in accordance with the conditions as previously detailed. In this competition, two points will be awarded for each obstacle jumped clear and one point for each obstacle knocked down.

In the case of equality of time and points there is a compulsory jump-off for first place only, over the same or a reduced course.

Owners will be allowed to pair and in the event of a pair separately owned winning, the prize will be divided.

For horses and galloways over 14.2 hands.

No rider may ride more than two horses.
