Exhibitors are advised that, in addition to reading the following conditions, they should carefully peruse the conditions of entry and exhibition which precede the first Cattle Section.

An exhibitor may enter up to five animals in any one Class, of which only three may be shown.

Entries will be accepted on the understanding that, should they be in excess of the accommodation, the number of exhibits will be reduced accordingly.

Judging will be in catalogue order and will commence at 9.30 a.m. on the opening day of the Show.

All cattle (both males and females) entered in this section will be weighed prior to judging. (See regulations in general conditions of entry.)

An exhibit cannot be entered in a Special Class unless it has been entered in an Ordinary Class.

The Judge in this Section will be asked not to award prizes to grossly overfat animals.

Any animal entered in this Section which can be shown to the satisfaction of the Society to have received Hormones will be ineligible for a prize.

All bulls, irrespective of age, must be registered in the Australian Poll Hereford Herd Book. All females not of age for registration must be the progeny of registered sires and dams and duly recorded in the calf register of the Australian Poll Hereford Society.

For cattle it's quick — For sheep it's easy

ICI 'Nilverm' Injection makes controlling all major worms in sheep and cattle quicker and easier. Just inject behind the animal's shoulder.

With cattle 'Nilverm' Injection lets you do a day's drenching in an hour. Saves time and effort.

With sheep it's just so easy. No mess; no fuss; no danger of damaging a sheep's mouth or throat.

Next time you're treating sheep or cattle for worms remember ICI 'Nilverm' Injection, it's so easy.

R. W. RITCHIE, Esq.
R. M. C. LITTLE, Esq.
JOHN G. WILSON, Esq.
M. B. BOOTHBY, Esq.
CHARLES BOTT, Esq.

Exhibitors are advised that, in addition to reading the following conditions, they should carefully peruse the conditions of entry and exhibition which precede the first Cattle Section.

An exhibitor may enter up to five animals in any one Class, of which only three may be shown.

Entries will be accepted on the understanding that, should they be in excess of the accommodation, the number of exhibits will be reduced accordingly.

Judging will be in catalogue order and will commence at 9.30 a.m. on the opening day of the Show.

All cattle (both males and females) entered in this section will be weighed prior to judging. (See regulation in general conditions of entry.)

* Denotes Special Class.

A cattle exhibit can only be entered in one ordinary class.

An exhibit cannot be entered in a Special class unless it has been entered in an ordinary class.

The Judge in this Section will be asked not to award prizes to grossly overfat animals.

Any animal entered in this Section which can be shown to the satisfaction of the Society to have received Hormones will be ineligible for a prize.

All cattle 12 months old and over on the opening day of the Show, entered in this Section, must be registered in a recognised Angus Herd Book. Animals under 12 months old must be the recorded progeny of registered parents. For particulars of registration in the Angus Herd Book, apply to the Secretary, The Angus Society of Australia, Hosking House, Penfold Place, 84½ Pitt Street, Sydney, 2000.

All male exhibits of Beef and Dual Purpose Cattle born on or before 31st August, 1968, shall be rung through the nose and at all times shall be led by such ring. If, in the opinion of the Stewards or Society's Officials, any bull is considered unsafe, it shall be placed under such control as directed by the Stewards or Society's Officials.

Particular attention is drawn to the regulations regarding Inspectors' verification of type, description and eligibility of exhibits, appearing under the heading "Inspection Regulations in Beef and Dual Purpose Sections", which precede the first Cattle Section.

All cattle entered in this Section must be certified tuberculosis free. Animals from herds listed as accredited or in the process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be tuberculin tested within ninety days prior to the opening date of the Show. Certificates for these individual tests must accompany entry forms or, if not available at that time, must be in the hands of the Director no later than 14 days prior to the opening day of the Show.

Attendants leading stock in the judging ring or on parade must wear uniform grey coats, which can be procured from the Society.

All prize-winning cattle must be paraded. (See Regulation at head of Cattle Section.)

DONALD GADD, Esq.

Exhibitors are advised that, in addition to reading the following conditions, they should carefully peruse the conditions of entry and exhibition which precede the first Cattle Section.

An exhibitor may enter up to five animals in any one Class, of which only three may be shown.

Entries will be accepted on the understanding that, should they be in excess of the accommodation, the number of exhibits will be reduced accordingly.

Judging will be in catalogue order and will follow Brahmans and Santa Gertrudis which commences at 9.30 a.m. on the opening day of the Show.

All cattle (both males and females) entered in this section will be weighed prior to judging. (See regulation in general conditions of entry).

* Denotes Special Class.

A cattle exhibit can only be entered in one ordinary Class.

An exhibit cannot be entered in a Special Class unless it has been entered in an ordinary Class.

The Judge in this Section will be asked not to award prizes to grossly overfat animals.

Any animal entered in this Section which can be shown to the satisfaction of the Society to have received Hormones will be ineligible for a prize.

All cattle 9 months old and over on the opening day of the Show, entered in this Section, must be registered in the herd book of the Murray Grey Beef Cattle Society. Animals under 9 months old must be registered in the Calf Register of that Society. For particulars of registration in the Murray Grey Herd Book apply to the Secretary, Murray Grey Beef Cattle Society, Royal Show Grounds, Epsom Road, Ascot Vale, 3032.

Only animals which have been classified "A" by the Murray Grey Beef Cattle Society shall be eligible for entry in this Section.

All male exhibits of Beef and Dual Purpose Cattle born on or before 31st August, 1968, shall be rung through the nose and at all times shall be led by such ring. If, in the opinion of the Stewards or Society's Officials, any bull is considered unsafe, it shall be placed under such control as directed by the Stewards or Society's Officials.

Particular attention is drawn to the regulations regarding Inspectors' verification of type, description and eligibility of exhibits, appearing under the heading "Inspection Regulations in Beef and Dual Purpose Sections", which precede the first Cattle Section.

All cattle entered in this Section must be certified tuberculosis free. Animals from herds listed as accredited or in the process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be tuberculin tested within ninety days prior to the opening date of the Show. Certificates for these individual tests must accompany entry forms, or, if not available at that time, must be in the hands of the Director no later than 14 days prior to the opening day of the Show.

Attendants leading stock in the judging ring or on parade must wear uniform grey coats, which can be procured from the Society.

“THE PASTORAL REVIEW”

BEEF CATTLE JUDGING DEMONSTRATION AND COMPETITION

Judges: A. McGAFFIN, Esq.
Major F. M. SYMONDS.
R. L. McEACHERN, Esq.

Stewards: K. P. PALMER, Esq.
R. B. GERRAND, Esq.
ROBERT WEBSTER, Esq.

A Beef Cattle Judging Demonstration and Competition will take place on the Triangular Lawn opposite No. 3 Cattle Pavilion on Monday, 22nd September, 1969, commencing at 10 a.m. and concluding no later than 12 noon.

The Demonstration and Competition will be conducted on Angus bulls this year. In future years different breeds will be used rotating in the order in which the breed sections appear in the Show Catalogue.

Competitors will be asked to place six bulls in the order they fancy.

The three prominent breed Judges appointed will agree on what might be termed the correct order of placing the cattle and will question the final six competitors over the P.A. system as to the reasons for their placements when determining the ultimate winner of the Competition.

A spokesman for the Judges' Panel will give explanations to competitors as to why the cattle were placed in the order decided upon by the Judges and at the same time will demonstrate the use of ring-craft as an aid to making correct decisions and as a methodical means of permitting spectators to understand the Judges' reasoning.

This will be a post entry competition, open to all comers. Intending competitors are required to nominate at the Cattle Superintendent's Office not later than one hour prior to the commencement of the Competition.

There will be no entry fee.

Prizes: First: Bronze Medallion. Second: Bronze Medallion. Third: Bronze Medallion. Fourth to Sixth: One year's free subscription to “The Pastoral Review”, to which also the first three placegetters will be entitled. Prizes donated by THE PASTORAL REVIEW PTY. LTD., 415 Bourke Street, Melbourne.

Dairy Breeds

Judging in all Dairy Cattle Sections will be in catalogue order and will commence at 9 a.m. on Thursday, 18th September.

Judging of the Type and Utility Classes in the Jersey Section will commence at 8.30 a.m. on Friday, 19th September, in the Jersey ring.

Judging to determine the winners of the Victorian Dairyfarmers' Association's special prizes will commence at 9.30 a.m. on Friday, 19th September, in the Jersey ring and will be followed by the judging of the Champion Dairy Cow at approximately 10.30 a.m.

The breeding year for dairy cattle dates from 1st July in each year.

**INSPECTION REGULATIONS
IN DAIRY BREED SECTIONS**

1. Each Breed Society in the Dairy Breed Sections shall nominate to the Royal Agricultural Society an inspector or inspectors of cattle entered in the breed of the particular Breed Society.
2. The Council of the Royal Agricultural Society shall appoint such person or persons as an inspector or inspectors who shall inspect each animal entered in the relevant breed. Such inspections shall be carried out on the day preceding the opening day of the Show. Exhibitors are required to have their stock attended and in readiness for inspection.
3. If in the unanimous opinion of the inspector(s) any animal
 - (a) is not true to type or of a satisfactory standard or condition or
 - (b) bears any marking brand tattoo contrary to the marking brand or tattoo disclosed in the relevant entry form or any marking brand or tattoo not in accordance with the records of the relevant Breed Society or
 - (c) being a bull, irrespective of age, is not rung through the nose . . .

then such animal shall be ineligible for exhibition and the Society may require the animal to be forthwith removed from the Showground and the exhibitor, upon receipt of such notice shall forthwith remove such animal and failing such removal by him within the time prescribed by the Director the Director may remove the animal or cause the animal to be removed and all costs and expenses of removal shall be borne by the exhibitor and shall be refunded to the Society. Each such animal shall at all times be at the sole risk and responsibility of the exhibitor and the person or persons removing the animal shall at all times be deemed to be the agents of the exhibitor and all acts and omissions on the part of such person or persons shall be deemed to be the acts and omissions of the exhibitor who shall indemnify and hold indemnified the Society its servants and agents from all claims whatsoever in respect of the animal whether by reason of any loss or injury to or caused by the animal or because of transportation, feeding or housing or otherwise howsoever.

4. The decision of the inspector(s) shall be final subject only to appeal to the Chief Steward or Assistant Chief Steward in the Dairy Breeds Section and his opinion shall be final.
5. The inspector(s) or Chief Steward or his assistant shall not be required to furnish to the exhibitor any reasons for their decision.
6. Notwithstanding anything contained in these regulations the Society shall have the right to declare any animal ineligible to compete because of the health of any such animal or for any other reason which the Society or its Director deems fit. The Society or its Director shall thereupon have the right to order the removal of such animal from the Show Grounds or in default thereof remove such animal at the expense and risk of the exhibitor.

Section 26 — Australian Illawarra Shorthorns

Judge: R. R. LLEWELLYN, Esq.

Stewards: R. B. GERRAND, Esq.
ALLAN McDONALD, Esq.
JAMES W. WEST, Esq.
JAMES C. WEST, Esq.

Exhibitors are advised that, in addition to reading the following conditions, they should carefully peruse the conditions of entry and exhibition which precede the first Beef Cattle Section and also the inspection regulations preceding this Section.

Entries are accepted on the understanding that, should they be in excess of the accommodation, exhibitors will be required to reduce their teams to the accommodation available.

Compulsory reduction, if necessary, shall be determined by the Committee within a few days following the closing of entries. Should it be found necessary to reduce, exhibitors will be permitted to decide for themselves which animal or animals shall be withdrawn, such withdrawals to be on a percentage basis to be decided upon by the Committee, such as one animal in six.

Exhibitors will be given up to the time of arrival at the Showgrounds with their stock to make the withdrawals at which time they must hand to the Cattle Superintendent the entry tickets for the animals which have been withdrawn.

No rebates of fees for withdrawn entries will be made.

The over-entry of stock, i.e. entering animals without intention of showing them, is contrary to the regulations of the Society and may cause unnecessary compulsory reduction and much inconvenience both to the Society and exhibitors.

The Society will act in the best interests of exhibitors who can rest assured that overcrowding of pavilions will be avoided, therefore eliminating any need for exhibitors to over enter.

A combined total of 4 animals — irrespective of sex — is the maximum number any exhibitor may enter in the yearling and 18 months old Classes, but not more than 2 animals in any one Class.

AUSTRALIAN ILLAWARRA SHORTHORNS

No heifers born after 31st December, 1968, may be exhibited.

No bulls born after 31st December, 1968, may be exhibited.

Judging will be in catalogue order and will commence at 9 a.m. on Thursday, 18th September.

Inspectors appointed by the A.I.S. Society (Vic. Branch) will examine the tattoo marks of all exhibits and any found to be not in order may cause the exhibit to be disqualified.

All exhibits will be inspected to ascertain that they are of a satisfactory standard and condition. (See Regulation at head of Dairy Breeds Sections.)

* Denotes Special Class.

A cattle exhibit can only be entered in one ordinary class.

An exhibit cannot be entered in a Special class unless it has been entered in an ordinary class.

Entries of milking stock will only be accepted subject to the special Regulation regarding the disposal of milk (see head of Cattle Section).

Cattle entered in this Section must be registered in the Australian Illawarra Shorthorn Herd Book. For particulars of registration in the Australian Illawarra Shorthorn Herd Book, apply to the Secretary, Victorian Branch, Australian Illawarra Shorthorn Society, Royal Show Grounds, Epsom Road, Ascot Vale, 3032.

All prize-winning cattle must be paraded. (See Regulation at head of Cattle Section.)

All male exhibits of Dairy Cattle, irrespective of age, shall be rung through the nose and at all times shall be led by such ring. If, in the opinion of the Stewards or Society's officials any bull is considered unsafe, it shall be placed under such control as directed by the Stewards or Society's official.

All cattle entered in this Section must be certified tuberculosis free. Animals from herds listed as accredited or in process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be tuberculin tested within ninety days prior to the opening date of the Show. Certificates for these individual tests must accompany entry forms or, if not available at that time, must be in the hands of the Director no later than 14 days prior to the opening day of the Show.

Any animal entered in this Section which can be shown to the satisfaction of the Society to have received Hormones will be ineligible for a prize.

Attendants leading stock in the judging ring or on parade must wear uniform grey coats, which can be procured from the Society.

"IN MILK" CLASSES. Cows which fail to yield 4 lbs. or more of milk in the 24 hours immediately preceding judging or in a period of 24 hours stipulated by the Society after judging, shall be deemed to be "dry".

The Judge of Australian Illawarra Shorthorns will not penalise exhibits if they are dehorned.

(For particulars of conditions in Type and Utility Classes, see Section 31.)

THE GIPPSLAND AND NORTHERN CO-OPERATIVE CO. LTD. has donated the sum of \$5 towards the prize money in this Section.

AYRSHIRES

Exhibitors will be given up to the time of arrival at the Showgrounds with their stock to make the withdrawals at which time they must hand to the Cattle Superintendent the entry tickets for the animals which have been withdrawn.

No rebates of fees for withdrawn entries will be made.

The over-entry of stock, i.e. entering animals without intention of showing them, is contrary to the regulations of the Society and may cause unnecessary compulsory reduction and much inconvenience both to the Society and exhibitors.

The Society will act in the best interests of exhibitors who can rest assured that overcrowding of pavilions will be avoided, therefore eliminating any need for exhibitors to over enter.

A combined total of 4 animals — irrespective of sex — is the maximum number any exhibitor may enter in the yearling and 18 months old Classes, but not more than 2 animals in any one Class.

No heifers born after 31st December, 1968, may be exhibited.

No bulls born after 31st December, 1968, may be exhibited.

Judging will be in catalogue order and will commence at 9 a.m. on Thursday, 18th September.

* Denotes Special Class.

A cattle exhibit can only be entered in one ordinary class.

An exhibit cannot be entered in a special class unless it has been entered in an ordinary class.

Entries of milking stock will only be accepted subject to the Special Regulation regarding the disposal of milk (see head of Cattle Section).

Cattle entered in this section must be registered in the Ayrshire Herd Book of Australia or in an approved Ayrshire Herd Book outside the Commonwealth.

Females recorded in the appendices of the A.H.B. of A. will not be eligible to compete in this section.

Inspectors, appointed by the Ayrshire Cattle Society (Victorian Branch), will examine stock exhibited to ensure that all are tattooed in accordance with the Herd Book Regulations. Any found not to be correctly and legibly tattooed may be disqualified.

All exhibits will be inspected to ascertain that they are of a satisfactory standard and condition. (See Regulation at head of Dairy Breeds Section).

For particulars of registration in the Ayrshire Cattle Society of Australia, apply to the Secretary, Ayrshire Cattle Society of Australia, Royal Show Grounds, Epsom Road, Ascot Vale, 3032.

All prize-winning cattle must be paraded. (See Regulation at head of Cattle Section.)

All male exhibits of Dairy Cattle, irrespective of age, shall be rung through the nose and at all times shall be led by such ring. If, in the opinion of the Stewards or Society's officials, any bull is considered unsafe, it shall be placed under such control as directed by the Stewards or Society's officials.

All cattle entered in this Section must be certified tuberculosis free. Animals from herds listed as accredited or in process of accreditation under the Accredited Tubercle-free Herd Scheme

conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be tuberculin tested within ninety days prior to the opening date of the Show. Certificates for these individual tests must accompany entry forms or, if not available at that time, must be in the hands of the Director no later than 14 days prior to the opening day of the Show.

Any animal entered in this Section which can be shown to the satisfaction of the Society to have received Hormones will be ineligible for a prize.

Attendants leading stock in the judging ring and on parade must wear uniform grey coats, which can be procured from the Society.

The Judge of Ayrshires will not penalise exhibits if they are dehorned.

Cows which fail to yield 4 lbs. or more of milk in the 24 hours immediately preceding judging or in a period of 24 hours stipulated by the Society subsequent to judging shall be deemed to be "dry".

(For particulars of conditions in Type and Utility Classes, see Section 31.)

Production for the current year will only be taken into consideration if the calving date preceding the lactation was on or before 31st August, 1968.

	273 days	300 days
Junior 2 year old	230	260 lbs. b/fat.
Senior 2 year old	250	280 " "

Exhibitors are advised that, in addition to reading the following conditions, they should carefully peruse the conditions of entry and exhibition which precede the first Beef Cattle Section and also the inspection regulations preceding the first Dairy Cattle Section.

Entries are accepted on the understanding that, should they be in excess of the accommodation, exhibitors will be required to reduce their teams to the accommodation available.

themselves which animal or animals shall be withdrawn, such withdrawals to be on a percentage basis to be decided upon by the Committee, such as one animal in six.

Exhibitors will be given up to the time of arrival at the Showgrounds with their stock to make the withdrawals at which time they must hand to the Cattle Superintendent the entry tickets for the animals which have been withdrawn.

No rebates of fees for withdrawn entries will be made.

The over-entry of stock, i.e. entering animals without intention of showing them, is contrary to the regulations of the Society and may cause unnecessary compulsory reduction and much inconvenience both to the Society and exhibitors.

The Society will act in the best interests of exhibitors who can rest assured that overcrowding of pavilions will be avoided, therefore eliminating any need for exhibitors to over enter.

A combined total of 4 animals — irrespective of sex — is the maximum number any exhibitor may enter in the yearling and 18 months old Classes, but not more than 2 animals in any one class.

No heifers born after 31st December, 1968, may be exhibited.

No bulls born after 31st December, 1968, may be exhibited.

Judging will be in catalogue order and will commence at 9 a.m. on Thursday, 18th September. Judging of the Type and Utility Classes will commence at 8.30 a.m., Friday, 19th September.

* Denotes Special Class.

A cattle exhibit can only be entered in one ordinary class.

An exhibit cannot be entered in a special class unless it has been entered in an ordinary class.

Entries of milking stock will only be accepted subject to the Special Regulations regarding the disposal of milk. (See head of Cattle Section.)

Cattle entered in this Section must be registered in the Jersey Stud Book of Australia, or in an approved Jersey Herd Book.

For particulars of registration in the Jersey Stud Book of Australia, apply to the Secretary, Australian Jersey Herd Society (Victorian Branch), 224 Queensberry Street, North Melbourne, 3051.

Inspectors appointed by the Australian Jersey Herd Society (Victorian Branch) will examine stock entered for exhibition to ensure that all are tattooed in accordance with the Herd Book Regulations. Any found not correctly or not legibly tattooed may be disqualified.

All exhibits will be inspected to ascertain that they are of a satisfactory standard and condition. (See Regulation at head of Dairy Breeds Section.)

All cattle entered in this Section must be certified tuberculosis free. Animals from herds listed as accredited or in process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be tuberculin tested within ninety days prior to the opening date of the Show. Certificates for these individual tests must accompany entry forms or, if not available at that time, must be in the hands of the Director no later than 14 days prior to the opening day of the Show.

Any animal entered in this Section which can be shown to the satisfaction of the Society to have received Hormones will be ineligible for a prize.

Attendants leading stock in the judging ring and on parade must wear uniform grey coats, which can be procured from the Society.

All prize-winning cattle must be paraded. (See Regulation at head of Cattle Section.)

All male exhibits of Dairy Cattle, irrespective of age, shall be rung through the nose and at all times shall be led by such ring. If, in the opinion of the Stewards or Society's officials, any bull is considered unsafe, it shall be placed under such control as directed by the Stewards or Society's officials.

Cows which fail to yield 4 lbs. or more of milk in the 24 hours immediately preceding judging or in a period of 24 hours stipulated by the Society subsequent to judging shall be deemed to be "dry".

The Judge of Jerseys will not penalise exhibits if they are dehorned.

(For particulars of conditions in Type and Utility Classes, see Section 31.)
