A SPECIAL PRIZE of \$21, donated by the VICTORIAN DAIRYFARMERS' ASSOCIATION, 528 Collins Street, Melbourne, will be awarded to the cow or heifer of the 1st, 2nd and 3rd prize winners in the specified Type and Utility classes (excluding the 3,000 lb. b./f. production class) gaining the highest combined points for butter fat production and type. 1516

In Type and Utility Classes where 10 or more animals actually compete, the six highest pointed animals shall be eligible to compete for the prize.

1 point will be allotted for every 10 lbs. of butter fat over 350 lbs. (with allowance for age) produced under Government Herd Test, the Victorian Herd Improvement Association or any other recognised Testing organisation during a lactation period of 300 days that followed the calving on, between or including 1st September, 1967, and 31st August, 1968.

The cows eligible to compete for this prize shall be brought together at the conclusion of the judging of the Type and Utility classes for the purpose of being allotted points on type, with a maximum of 100.

Both production and type points shall then be added to determine the winner.

JERSEYS—GUERNSEYS

JERSEY SIRES' MEMORIAL

A Prize of \$10.50, donated by **THE AUSTRALIAN JERSEY HERD SOCIETY (VICTORIAN BRANCH)**, will be awarded annually for the Most Successful Sire in the above classes, other than special classes.

The prize will be awarded to the breeder who owned the bull when the prize-winning stock were sired.

Three points will be awarded for a first prize, two points for a second, and one point for a third prize in all classes other than specials. In the event of a tie, three points will be awarded for each Championship, and two points for each Reserve Championship. These additional points will be awarded only to those bulls which tied in the original allocation.

The names of the winning sire for the year and the names of the owner and breeder will be recorded upon the permanent Honour Board of the Victorian Branch of The Australian Jersey Herd Society. This Board will be displayed in the Jersey Cattle Pavilion during the Show — each sire's name to be inscribed permanently on the Honour Board.

Section 29 —

Guernseys

Judge: C. F. MOORE, Esq.

Stewards: N. E. BEAUMONT, Esq.

J. W. TOWT, Esq.

J. RAE, Esq.

P. MCGILLIVRAY, Esq.

Exhibitors are advised that, in addition to reading the following conditions, they should carefully peruse the conditions of entry and exhibition which precede the first Beef Cattle Section and also the inspection regulations preceding the first Dairy Cattle Section.

Entries are accepted on the understanding that, should they be in excess of the accommodation, exhibitors will be required to reduce their teams to the accommodation available.

Compulsory reduction, if necessary, shall be determined by the Committee within a few days following the closing of entries. Should it be found necessary to reduce, exhibitors will be permitted to decide for themselves which animal or animals shall be withdrawn, such withdrawals to be on a percentage basis to be decided upon by the Committee, such as one animal in six.

Exhibitors will be given up to the time of arrival at the Showgrounds with their stock to make the withdrawals at which time they must hand to the Cattle Superintendent the entry tickets for the animals which have been withdrawn.

No rebates of fees for withdrawn entries will be made.

The over-entry of stock, i.e. entering animals without intention of showing them, is contrary to the regulations of the Society and may cause unnecessary compulsory reduction and much inconvenience both to the Society and exhibitors.

The Society will act in the best interests of exhibitors who can rest assured that overcrowding of pavilions will be avoided, therefore eliminating any need for exhibitors to over enter.

A combined total of 4 animals — irrespective of sex — is the maximum number any exhibitor may enter in the yearling and 18 months old Classes, but not more than 2 animals in any one Class.

No heifers born after 31st December, 1968, may be exhibited.

No bulls born after 31st December, 1968, may be exhibited.

Judging will be in catalogue order and will commence at 9 a.m. on Thursday, 18th September.

* Denotes Special Class.

A cattle exhibit can only be entered in one ordinary class.

An exhibit cannot be entered in a special class unless it has been entered in an ordinary class.

Entries of milking stock will only be accepted subject to the Special Regulation regarding the disposal of milk (see head of Cattle Section).

Cattle entered in this Section must be registered in the Guernsey Herd Book of Australia or an approved Guernsey Herd Book outside the Commonwealth. For particulars of registration in the Guernsey Herd Book of Australia, apply to the Secretary, Guernsey Cattle Society of Australia (Victorian Branch), Royal Show Grounds, Epsom Road, Ascot Vale, 3032.

Inspectors appointed by the Guernsey Cattle Society of Australia (Victorian Branch) will examine stock exhibited to ensure that all are tattooed in accordance with the Herd Book Regulations. Any found not to be correctly and legibly tattooed may be disqualified.

All exhibits will be inspected to ascertain that they are of a satisfactory standard and condition. (See Regulation at head of Dairy Breeds Section).

All cattle entered in this Section must be certified tuberculosis free. Animals from herds listed as accredited or in process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be tuberculin tested within ninety days prior to the opening date of the Show. Certificates for these individual tests must accompany entry forms or, if not available at that time, must be in the hands of the Director no later than 14 days prior to the opening day of the Show.

Any animal entered in this Section which can be shown to the satisfaction of the Society to have received Hormones will be ineligible for a prize.

Attendants leading stock in the judging ring and on parade must wear uniform grey coats which can be procured from the Society.

The Judge of Guernseys will not penalise exhibits if they are dehorned.

All prize-winning cattle must be paraded. (See Regulation at head of Cattle Section.)

All male exhibits of Dairy Cattle, irrespective of age, shall be rung through the nose and at all times shall be led by such ring. If, in the opinion of the Stewards or Society's officials, any bull is considered unsafe, it shall be placed under such control as directed by the Stewards or Society's officials.

GUERNSEYS

Cows which fail to yield 4 lbs. or more of milk in the 24 hours immediately preceding judging or in a period of 24 hours stipulated by the Society subsequent to judging shall be deemed to be "dry".

(For particulars of conditions in Type and Utility Classes, see Section 31.)

R.A.S. of V. MEMBERS, \$3.

Section 30 — Friesians

Judge: L. WARD, Esq.

Stewards: A. C. T. HEWITT, Esq.
 R. A. GUTHRIDGE, Esq.
 D. B. JAMES, Esq.
 N. CORRIGAN, Esq.

Exhibitors are advised that, in addition to reading the following conditions, they should carefully peruse the conditions of entry and exhibition which precede the first Beef Cattle Section and also the inspection regulations preceding the first Dairy Cattle Section.

Entries are accepted on the understanding that, should they be in excess of the accommodation, exhibitors will be required to reduce their teams to the accommodation available.

Compulsory reduction, if necessary, shall be determined by the Committee within a few days following the closing of entries. Should it be found necessary to reduce, exhibitors will be permitted to decide for themselves which animal or animals shall be withdrawn, such withdrawals to be on a percentage basis to be decided upon by the Committee, such as one animal in six.

Exhibitors will be given up to the time of arrival at the Showgrounds with their stock to make the withdrawals at which time they must hand to the Cattle Superintendent the entry tickets for the animals which have been withdrawn.

No rebates of fees for withdrawn entries will be made.

The over-entry of stock, i.e. entering animals without intention of showing them, is contrary to the regulations of the Society and may cause unnecessary compulsory reduction and much inconvenience both to the Society and exhibitors.

The Society will act in the best interests of exhibitors who can rest assured that overcrowding of pavilions will be avoided, therefore eliminating any need for exhibitors to over enter.

A combined total of 4 animals — irrespective of sex — is the maximum number any exhibitor may enter in the yearling and 18 months old Classes, but not more than 2 animals in any one Class.

No heifers born after 31st December, 1968, may be exhibited.

*Charmwood Joseph
 Bred + Awarded by
 S. & L. Dumesny*

FRIESIANS

No bulls born after 31st December, 1968, may be exhibited.

Judging will be in catalogue order and will commence at 9 a.m. on Thursday, 19th September.

* Denotes Special Class.

A cattle exhibit can only be entered in one ordinary class.

An exhibit cannot be entered in a special class unless it has been entered in an ordinary class.

Entries of milking stock will only be accepted subject to the Special Regulation regarding the disposal of milk (see head of Cattle Section).

Cattle entered in this Section must be registered in the Friesian Herd Book of Australia or in an approved Friesian Herd Book outside the Commonwealth. For particulars of registration in the Friesian Herd Book of Australia, apply to the Secretary, Friesian Cattle Club of Australia, Victorian Branch, 504 Racecourse Road, Flemington, Victoria, 3031. Females recorded in the Appendices to the F.H.B. of A. will not be eligible to compete in this Section.

Cattle entered in this Section will be identified by the photographs appearing on the Certificates of Registration. Exhibitors must bring the Certificates of Registration with photographs thereon, to the Show Grounds, and produce them to the Inspectors. Tattoo numbers will not be accepted for identification. Any cattle for which Certificates of Registration bearing photographs are not produced may be disqualified.

All exhibits will be inspected to ascertain that they are of a satisfactory standard and condition. (See regulation at head of Dairy Breeds Section.)

Cows which fail to yield 4 lbs. or more of milk in the 24 hours immediately preceding judging or in a period of 24 hours stipulated by the Society subsequent to judging shall be deemed to be "dry".

All cattle entered in this Section must be certified tuberculosis free. Animals from herds listed as accredited or in the process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be tuberculin tested within ninety days prior to the opening date of the Show. Certificates for these individual tests must accompany entry forms or, if not available at that time, must be in the hands of the Director no later than 14 days prior to the opening day of the Show.

Any animal entered in this Section which can be shown to the satisfaction of the Society to have received Hormones will be ineligible for a prize.

Attendants leading stock in the judging ring and on parade must wear uniform grey coats, which can be procured from the Society.

All prize-winning cattle must be paraded. (See Regulation at head of Cattle Section.)

All male exhibits of Dairy Cattle, irrespective of age, shall be rung through the nose and at all times shall be led by such ring. If, in the opinion of the Stewards or Society's officials, any bull is considered unsafe, it shall be placed under such control as directed by the Stewards or Society's officials.

The Judge of Friesians will not penalise exhibits if they are dehorned.

THE GIPPSLAND AND NORTHERN CO-OPERATIVE CO. LTD. has donated the sum of \$5 towards the prize money in this Section.

(excluding the 3,000 lb. b./f. production class) gaining the highest combined points for butter fat production and type.

In Type and Utility Classes where 10 or more animals actually compete, the six highest pointed animals shall be eligible to compete for the prize.

1 point will be allotted for every 10 lbs. of butter fat over 350 lbs. (with allowance for age) produced under Government Herd Test, the Victorian Herd Improvement Association or any other recognised Testing organisation during a lactation period of 300 days that followed the calving on, between or including 1st September, 1967, and 31st August, 1968.

The cows eligible to compete for this prize shall be brought together at 9.30 a.m. on Friday, 19th September in the Jersey judging ring for the purpose of being allotted points on type, with a maximum of 100.

Both production and type points shall then be added to determine the winner.

CLASS

335. *BULL, any age.—Competition restricted to animals entered in the ordinary classes. A bull will be eligible for entry in this class if it has not been awarded first prize in the class at a previous Royal Melbourne Show and if from a registered female which has averaged not less than 10 lbs. of butter fat per week in an official or semi-official test computed on a basis of not less than 273 days after assessing her production by adding allowances in accordance with the Victorian Government Herd Testing Scheme. Judging will be on points: 50 being allowed for type, and 50 for test pedigree. Records of the dam and sire's dam must be lodged with the entry, and only tests completed on or before 30th June, 1969, will be taken into consideration.—Prizes: \$6, \$4, \$2. The names of the winning animals each year, and of the owners and breeders, will be recorded upon an Honour Board, which will be displayed in the Friesian Cattle Pavilion. Special prizes of \$2.10 each, also presented by THE FRIESIAN CATTLE CLUB OF AUSTRALIA (VICTORIAN BRANCH), will be awarded to the owners of the Reserve Champion Bull and the Reserve Champion Cow.

CHAMPION DAIRY COW

(To be judged on type.)

A trophy order valued at \$50 together with a cash prize of \$50, both presented by the Dairying and Wholemilk Sections of the Victorian Farmer's Union for the Champion Dairy Cow of the Australian Illawarra Shorthorn, Ayrshire, Dairy Shorthorn, Friesian, Guernsey, Jersey, and Red Poll breeds.

The successful exhibitor will also receive the Society's Championship Sash.

CONDITIONS FOR JUDGING

Each Judge of the abovementioned breeds will be required to nominate two cows, not necessarily the Champion or Reserve Champion, to compete for the trophy and prize.

In addition, each Judge will be required to nominate a third cow purely as a reserve.

Competition is restricted to cows exhibited in the "In Milk" Classes.

Should any breed fail to provide the requisite two cows, it cannot take part in the competition. This, however, would not debar the Judge of that breed from adjudicating to determine the award.

With the exception of Dairy Shorthorns, all cows nominated by the judges must be stripped out in the presence of the Stewards at 5 p.m. on the evening before judging.

The stripping out of the Dairy Shorthorn nominations shall take place not later than 5.30 p.m.

Judges shall be required to refrain from conferring on the exhibits before or during judging.

All judges of the breeds named will take part in the judging and will allot 3 points for first, 2 for second and 1 for third according to their placings of individual animals.

If considered to be worthy, both nominations of any one breed can be placed first, second or third.

A Steward appointed by the Society will assess the points and the cow gaining the greatest number of points, shall be the winner.

In the event of a tie, an independent referee appointed by the Society shall then decide the winner.

At the conclusion of judging, each Judge's placings will be announced.

Section 31 — Government Herd Test Prizes

At the request of the Minister of Agriculture the Awards for Champion and Reserve Champion Herd Test Herd and Herd Test Cow have been suspended until the 1968/1969 Season.

TYPE AND UTILITY CLASSES

Prizes are presented by the Government of Victoria.

SPECIAL TYPE AND UTILITY CLASSES are provided in each Dual Purpose and Dairy Breed Section. They will be judged according to the following conditions:—

As a basis of qualification cows competing in these classes must have produced the following amounts of butter fat:—

2 year olds	300 lbs.
3 " "	350 "
4 " "	400 "
Mature cows	450 "

The specified quantities of butter fat must have been produced under Government Herd Test, the Victorian Herd Improvement Association, or any other recognised testing organisation during a lactation period of 300 days that followed the calving on, between or including 1st September, 1967, and 31st August, 1968.

In the 3,000 lbs. butter fat production class, it is not necessary for cows to have gained a certificate during the aforementioned period.

In all cases where the tests are other than those of the Victorian Government Herd Test or Accreditation Schemes, certificates issued by the Department or organisation which conducted the tests, must accompany the entry forms, except that in the instance of the V.H.I.A. when unit number, herd number and cow number are to be stated.

Judging will be on a type basis only.

No points will be allotted either for production or type.

Competition is restricted to animals entered in the ordinary Classes.

SHEEP

CONDITIONS OF EXHIBITION, ETC.

CONDITIONS OF ENTRY

All entries must be made in writing on forms supplied by the Society and must be in the hands of the Director, at the office of the Society, before 4.30 p.m., Wednesday, 23rd July. Entry fee must accompany each entry.

Entries are accepted on the distinct understanding that stock may not be removed from the Show Grounds until after 11.00 p.m. on Thursday, 25th September.

Entries will only be received subject to the rules and regulations of the Society and the decisions of the Council. All exhibits must be the bona fide property of the exhibitor.

No exhibit may be entered in more than one ordinary class unless otherwise stated at the head of the section. Throughout the schedule special classes are denoted with a star (*). Should an exhibit be incorrectly entered in more than one ordinary class such exhibit shall be deemed ineligible to compete in any class other than the first in which its name or particulars appear in the Show Catalogue.

No exhibit in the pair classes can compete in single classes or vice versa except class 112.

The Council reserves the right to reject at any time any entry or prohibit any person or animal from competing in any class.

When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

Unless authorised by the Society no live stock will be permitted to enter the grounds other than those entered for exhibition.

Every animal entered must be exhibited, unless a certificate signed by the owner is lodged with the Society prior to the date of the Show, stating that the animal is unable to compete on one of the following grounds:—

- (i) The animal has died.
- (ii) The animal is unfit for exhibition due to injury or disease.
- (iii) The animal has become ineligible for the class entered.
- (iv) Some other cause which the Council or Director of the Society considers reasonable.

Failure to comply with this rule renders the owner or entrant liable to a fine of not more than \$10 for every animal not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibition conducted by the Society.

Sheep need not be entered by name or tag number, and no particulars other than the breeder's name and date of shearing will be published in the Show Catalogue.

No advertisement or notice (except by permission of the Council) is permitted on or in any stall or building.

Only one exhibitor will be recognised as the owner from any one holding.

The General Regulations and regulations appearing at the heading of each Section and the conditions on the entry form also form part of the conditions of entry.

ENTRY TICKETS

Entry tickets will be issued about a week before the Show opens. The entry ticket of each exhibit shall state the number of its pen, which shall correspond with its number in the official catalogue. The entry ticket must be produced at the gate, when it will admit the exhibit and attendant to the grounds. It must be retained, and again produced when the exhibit leaves the yards. Attendant's passes will be issued by the Sheep Superintendent at his office at the Show Grounds after 10 a.m. on Wednesday, 17th September, 1969.

EXHIBIT NUMBERS

Exhibit numbers for attachment to each exhibit and numbers to be worn by handlers whilst judging is in progress must be collected by exhibitors from the Sheep Superintendent's office.

EWES IN LAMB

A ewe entered as "with a lamb of her own breed at foot" may be transferred to the Class provided for ewe of her age if she has not lambed prior to judging day, or vice versa.

PERIOD OF EXHIBITION

Sheep in Sections 33 to 46A inclusive must be penned before 8.00 a.m. on Saturday, 20th September and may not be removed from the Show Grounds until after 11.00 p.m. on Thursday, 25th September.

Sheep Pavilions will be open to the public from 9.00 a.m. to 5.00 p.m. daily from 20th September to 25th September and between 6.00 p.m. and 8.00 p.m. on Saturday, Tuesday, Wednesday and Thursday and between 1.30 p.m. and 6.00 p.m. on Sunday, 21st.

AGE OF EXHIBITS

The Society's Veterinary Surgeon's decision regarding age shall be final.

OVINE BRUCELLOSIS TEST

Exhibitors of rams and ram lambs over the age of 4 months on 1st September are required to lodge with the Society prior to the Show (preferably at time of entry) a certificate from a registered Veterinary Surgeon certifying:

- (a) That rams and ram lambs have given a negative result to the complement fixation blood tests for Ovine Brucellosis, carried out within the 90 days preceding 1st September, 1969.
- (b) That rams and ram lambs have been manually examined at the time of blood sampling and found free of any palpable testicular abnormality at this time.

The eartag or tattoo numbers of rams and ram lambs tested and examined must be included in the certificate.

SHEEP

Owners should particularly note:—

- (1) That blood sampling should be carried out early in the prescribed period to avoid congestion and delay in the testing laboratory at the end of the period.
- (2) That a sufficient number of rams and ram lambs should be tested to ensure that all possible exhibits finally forwarded to the Show are included in this number.

If exhibitors produce evidence that their flocks have been accredited free of Ovine Brucellosis a veterinary certificate will not be required.

PHYSICAL SOUNDNESS AND DISAPPROVED EXHIBITS

Exhibitors must sign a statutory declaration to the effect that no sheep exhibited by them are affected by foot-rot, or show any signs or symptoms of the disease at time of exhibition.

All male animals must be completely entire and deemed physically sound. Any male animal not deemed to be completely entire and physically sound by the Society's Veterinary Surgeon may not compete or be offered for sale on the Show Grounds. Any marks of speying on females shall disqualify them from competing.

Exhibitors in the stock sections shall, if requested by the Steward-in-Chief of the Section or by the Director or his agent, submit his exhibits in whole or part, for inspection by a Veterinarian or Veterinarians appointed by the Society.

The owner or exhibitor of any exhibit disapproved of as an exhibit by the Council of the Society must, immediately upon notice to that effect, remove such exhibit from the Society's Grounds. The Council reserves the right to decline to receive entries in future years from any person who exhibits stock that is not up to a satisfactory standard, that is not exhibited in reasonable Show condition, or that is not given proper attention during the Show.

RUGGING

Exhibits must not be rugged after judging day during the hours the Show is open to the public. Exhibitors will be liable to a fine of one dollar for every infringement of this regulation.

Grain storage? or Machinery shed? **BOTH!**

You've both in the GMC double-purpose machinery shed, designed with end opening for more versatility, easy access.

It's for storage of grain while you're waiting for silo space, for storage of machines while your crop's growing.

Rigidly constructed from steel to give generations of

service. RSJ columns bolted to solid concrete foundations and tubular-steel boomerang trusses, the GMC tower of strength.

Custom-built with spans and roof clearance to suit your machinery. Open-ended shed gives additional height at no extra outlay. Weatherproof, too, with sliding doors.

You couldn't ask more of a machinery shed that doubles as grain storage.

Contact your local agent or woolhouse, on the double.

Entries will only be received subject to the rules and regulations of the Society and the decisions of the Council. All exhibits must be the bona fide property of the exhibitor or held by the exhibitor under a written lease recognised by the Society at the time of entry.

All goats entered in this Section must be registered in a herd book recognised by the Society or recorded in the appendix sections.

For particulars of registration in the Goat Herd Book of Australia, apply to the Secretary, The Goat Breeders' Society of Australia, 33 Macquarie Place, Sydney, N.S.W.

Entries are accepted on the distinct understanding that stock may not be removed from the Show Grounds until 11 p.m. on Thursday, 25th September.

Only one exhibitor will be recognised as an owner from any one holding, and any exhibitor who enters, or permits the entry of any of his stock, in the name of any other exhibitor, shall be disqualified.

The Council reserves the right to reject at any time any entry or prohibit any person or animal from competing in any class.

When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

All entries must be made in writing on forms supplied by the Society. Entries for the goat section must be in the hands of the Director, at his office, Royal Show Grounds, Epsom Road, Ascot Vale, 3032, on or before the time stated at head of this section.

No exhibit may be entered in more than one ordinary class unless otherwise stated at the head of the section. Sweepstakes, special classes or championship prizes do not count as ordinary classes. Throughout the schedule special classes are indicated by a star (*). Should an exhibit be incorrectly entered in more than one ordinary class, such exhibit shall be deemed ineligible to compete in any class other than the first in which its name or particulars appear in the Show Catalogue.

Every animal entered must be exhibited unless a certificate, signed by the owner, is lodged with the Society prior to the date of the Show, stating that the animal is unable to compete on one of the following grounds:—

- (i) The animal has died.
- (ii) The animal is unfit for exhibition due to injury or disease.

(iii) The animal has become ineligible for the class entered.

(iv) Some other cause which the Council or Director of the Society considers reasonable.

Failure to comply with this rule renders the owner or entrant liable to a fine of not more than \$10 for every animal not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibition conducted by the Society.

All exhibits must be placed where directed by the Director or his deputy, and (except in accordance with Regulation 18) must not be removed from their allotted places during the Exhibition without the written consent of the Director being first obtained.

If, in the opinion of the Director, any exhibit or exhibits of stock be deemed to be dangerous, the owner of such exhibit or exhibits shall immediately, upon notice to that effect, remove such exhibit or exhibits from the Society's Grounds.

Unless authorised by the Society no live stock will be permitted to enter the grounds other than those entered for exhibition.

The General Regulations and Regulations appearing at the heading of each section and the conditions on the entry form also form part of the conditions of entry.

The Owner or Exhibitor of any exhibit or Stand of exhibits disapproved of as an exhibit by the Council of the Society, must, immediately upon notice to that effect, remove such exhibit or stand of exhibits from the Society's Grounds. The Council reserves the right to decline to receive entries in future years from any person who exhibits stock that is not up to a satisfactory standard, that is not exhibited in reasonable Show condition, or that is not given proper attention during the Show.

Any marks of speying on females shall disqualify them from competing in such Classes.

CONDITIONS OF ENTRY AND EXHIBITION

Entries are accepted on the distinct understanding that stock may not be removed from the Show Grounds until after 11 p.m. on Saturday, 27th September. Pigs entered in Sections 52 to 56 must be penned not later than 12 noon on Wednesday, 17th September.

Entries will only be received subject to the rules and regulations of the Society and the decisions of the Council. All exhibits must be the bona fide property of the exhibitor.

No exhibit may be entered in more than one ordinary class. Throughout the schedule special classes are denoted with a star (*).

The Council reserves the right to reject at any time any entry or prohibit any person or animal from competing in any class.

When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

All entries must be made in writing on forms supplied by the Society. Entries for the Pig Sections must be in the hands of the Director, at the office of the Society, Show Grounds, Epsom Road, Ascot Vale, 3032, before 4.30 p.m., Wednesday, 23rd July. Entry fee must accompany each entry.

The Australian Pig Society has requested that each exhibitor be required to pay 25 cents per entry towards the cost of the Pig Society's new Club Building. The Royal Agricultural Society of Victoria has agreed to this request and it is therefore a condition of entry that each exhibitor shall pay a fee of 25 cents per entry. This amount to be sent to the Royal Agricultural Society of Victoria with the entry.

Every animal entered must be exhibited unless a certificate, signed by the owner, is lodged with the Society prior to the date of the Show, stating that the animal is unable to compete on one of the following grounds:—

- (i) The animal has died.
- (ii) The animal is unfit for exhibition due to injury or disease.
- (iii) The animal has become ineligible for the class entered.
- (iv) Some other cause which the Council or Director of the Society considers reasonable.

Failure to comply with this rule renders the owner or entrant liable to a fine of not more than \$10 for every animal not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibition conducted by the Society.

Unless authorised by the Society no live stock will be permitted to enter the Grounds other than those entered for exhibition.

All sows 9 months old or over must be in pig or have produced a recorded litter within 9 months prior to 15th September, 1969. The date of birth of such recorded litter must be stated on the entry form.

All boars over 12 months old must have had their tusks cut back to gum level two weeks prior to the Show, and the Superintendent is empowered to remove from the Show Grounds any boar whose tusks have not been cut.

Other than in the aged classes for boars and sows in which the entry is limited to one from each exhibitor the entries are limited to two from any one exhibitor in each class.

All exhibits must be registered in the Herd Book in the name of the exhibitor.

Any boar, entered in the breeding classes, not deemed to be completely entire by the Society's Veterinary Surgeons may not compete or be offered for sale on the Show Grounds.

No pig shall be transferred from its numbered pen without the sanction of the Superintendent.

All pigs entered in the stud classes will be paint branded with exhibit numbers.

Exhibitors in the Stud Sections must be financial members of the Australian Pig Society. All pigs entered for exhibition, except in the Carcase Competitions, must be from herds accredited as Brucellosis-free by the Department of Agriculture.

The General Regulations and regulations appearing at the heading of each section and the conditions on the entry form also form part of the conditions of entry.

PAVILIONS — HOURS OPEN TO PUBLIC

With the exception of both Saturdays and Thursday (Show Day) the Pavilion will be open to the public from 9 a.m. to 7 p.m. On the both Saturdays and Show Day the Pavilion will be open from 9 a.m. to 9 p.m., but will close between 5 p.m. and 6 p.m.

JUDGING

Judging of stud classes will commence at 9 a.m. on Thursday, 18th September.

ENTRY TICKETS

Entry tickets will be issued about a week before the Show opens. The entry ticket of each exhibit shall state the number of its pen, which shall correspond with its number in the official catalogue, and if the pen be not occupied by such exhibit by 12 noon on Wednesday, 17th September, the accommodation reverts to the Society. The entry ticket must be produced at the gate, when it will admit the exhibit and attendant to the grounds. It must be retained, and again produced when the exhibit leaves the yards. Attendants' passes will be issued by the Superintendent at his office on the Show Grounds.

DISAPPROVED EXHIBITS

The Owner or Exhibitor of any exhibit disapproved of as an exhibit by the Council of the Society, must, immediately upon notice to that effect, remove such exhibit from the Society's Grounds. The Council reserves the right to decline to receive entries in future years from any person who exhibits stock that is not up to a satisfactory standard, that is not exhibited in reasonable Show condition, or that is not given proper attention during the Show.

INSPECTION — SHOW STANDARD AND HEALTH

All pigs will be inspected by a nominee of the Royal Agricultural Society of Victoria and a Veterinary Surgeon, and any pig not up to Show standard or in a fit state of health or not conforming with the Rules of the Royal Agricultural Society of Victoria and the Australian Pig Society will be rejected.
