If less than eight entries compete the Plaque may still be awarded, provided the Judge is satisfied that the competition between the exhibitors warrants the award.

CONDITIONS
Classes 61 to 63.

1. The competition is open to all pig farmers and not limited to breeders of stud pigs only.
2. Entries will be accepted only from owners of the pigs entered, who must also be their breeders, that is, the owners of the sows when their progeny (the entered pigs) were born.
3. Pigs entered must have been sired by a pure-bred boar (not necessarily registered) but need not necessarily have had a pure-bred dam.
4. No restrictions are placed on feeding or management but these must be declared on request by the Royal Agricultural Society of Victoria.
5. An entry shall comprise one pig (one sow or one barrow).
6. No exhibitor may make more than two entries in each class.
7. The entered pigs shall be delivered to Messrs. J. C. Hutton Pty. Ltd., 65 High St., Preston, at any time on Saturday 6th, Sunday 7th, Monday 8th, and Tuesday 9th September, 1969. The company will kill and treat the pigs as soon as practicable after arrival and will store the carcasses until they are judged and the prizes awarded. The pigs will become the property of Messrs. J. C. Hutton Pty. Ltd. at the time they are slaughtered and that company will pay competitors for their pigs at current market values.
8. The carcase of each pig entered will be submitted to the usual inspection for export by the Commonwealth Meat Inspectors at the time of slaughter and any carcase which is not passed as fit for export by those inspectors shall be automatically disqualified from the competition. The Judge shall have the power to disqualify any carcase which, in his opinion, is unsuited for the market by virtue of seedy cut, excessively soft fat, yellow fat, or other serious blemish.
9. The Judge will be appointed by the Royal Agricultural Society of Victoria and his decision regarding awards shall be final.
10. An endeavour will be made to display the best of the carcasses in the refrigerated case in the Meat Hall.
11. All entries must be made in writing on forms supplied by the Society and must be in the hands of the Director at the office of the Society, Show Grounds, Epsom Road, Ascot Vale, 3032, before 4.30 p.m., Wednesday, 20th August. Entry fee must accompany each entry.
12. Each competitor shall tattoo or earmark his pigs with the exhibit entry number in addition to hair-clip marking and such identification marks shall be clearly shown on the entry form and notification made to Messrs. J. C. Hutton Pty. Ltd. when forwarding advice of despatch. The Council shall reserve the right to refuse to accept any entry which is not clearly identifiable.
13. It is desired that advice be given by each competitor, not less than 7 days before delivery, to Messrs. J. C. Hutton Pty. Ltd., 65 High St., Preston, of the time and method by which his pigs are to be delivered to the works.

The greatest care will be taken of the exhibits, but the Society will not be responsible for any accident, mistake, loss or damage from whatever cause arising, the exhibits being at the sole risk of the exhibitor. In case of the death of any exhibit, the same shall be certified by the Veterinary Surgeon or his deputy.

SPECIAL NOTE.—Exhibitors please note that birds MUST be penned before 9 p.m. on Wednesday, 17th September.

In order to avoid disappointments, exhibitors are advised to despatch their birds so that they will arrive as early as possible on that day.

Poultry arriving at Spencer Street Railway Station on Wednesday, 17th September, will be picked up and conveyed to the Show Grounds by the Society's carrier.

When forwarding poultry by rail, exhibitors are particularly requested to mark clearly in each compartment of the coop the exhibit number of the bird that was sent therein, so that the same arrangement of birds may be made for the return journey.

Metal leg bands bearing the pen numbers will be forwarded to exhibitors, together with entry tickets. These bands must be securely fastened to the legs of the birds in accordance with the exhibit numbers on the entry tickets.

Labels and despatch slips will be sent for each pen, when the exhibitor is not a resident of Melbourne or suburbs. On the reverse side of the labels exhibitors will be required to write their names, addresses and instructions for the return journey. Country and interstate exhibitors must inform the Director, by post or telegram, of the despatch of their exhibits, giving full particulars, in order that arrangements may be made for receiving them. Several birds may be sent in one hamper or box if it be properly divided and pen numbers attached to each division. When the exhibitor resides in or near Melbourne, "Entry Tickets" and metal leg bands

Written authority of the exhibitor for the disposal of exhibits by sale stating catalogue number, breed and price must be given to the Superintendent. A commission of 5 per cent. will be charged on all sales effected by the Superintendent on behalf of exhibitors.

No advertisement or notice (except by permission of the Council) is permitted on or in any pen, stall or building.

All delivery charges including packaging costs in respect of all purchases of birds will be the responsibility of the vendor and will be paid prior to delivery from the Show Grounds.

PENALTY FOR NON-EXHIBITION

Every bird entered must be exhibited unless a certificate, signed by the owner, is lodged with the Society prior to the date of the Show, stating that the bird is unable to compete on one of the following grounds:—

- (i) The bird has died.
- (ii) The bird is unfit for exhibition due to injury or disease.
- (iii) The bird has become ineligible for the class entered.
- (iv) Some other cause which the Council or Director of the Society considers reasonable.

Failure to comply with this rule renders the owner or entrant liable to a fine of not more than \$10 for every bird not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibition conducted by the Society.

INSPECTION OF STOCK

Exhibitors in this Section shall, if requested by the Steward-in-Chief or by the Director or his agent, submit his exhibits, in whole or part, for inspection by a Veterinarian or Veterinarians appointed by the Society.

**Entry fees: R.A.S. of V. Members, \$1; Non-

Butter exhibitors are requested to carefully note the various dates on which exhibits are required to be delivered to the Government Cool Stores, Melbourne.

The Society reserves the right to draw samples from exhibits and to display only those exhibits which are awarded prizes, or in the opinion of the Judges are of such merit that exhibition is desirable.

Exhibitors must state on their entry forms whether their exhibits will be collected or if they are to be returned by the Society. If they are to be returned by the Society, full directions and addresses must be given. No exhibit which is displayed may be removed until after 9 p.m. on Saturday, 27th September.

For the purpose of judging in the Butter Classes the Factory at which the exhibit is manufactured is regarded as the exhibitor and as such any one Factory is not allowed to take more than one prize in any one Class.

Any Factory endeavouring by unfair means to secure a prize to which such exhibitor is not justly entitled will be disqualified.

The name of the Factory at which the exhibit is manufactured must be stated on the Entry Form.

It is particularly requested that all exhibits of butter are distinctly labelled with removable cards, such labels to indicate name and address of exhibitor, together with Class and exhibit numbers.

The Society will display on cards the points awarded by the Judges.

Butter shall be judged by points on the following scale:—

Flavour, including aroma	50
Texture, including body, grain and moisture	30
Condition, including colour, salting, packing and covering	20
Total	100

**Note:—Any exhibits not lodged by specified
dates will not be accepted.**

**If this were
anything but
a Land Rover,
pretty soon
it could be
nice and rusty**

Steel rusts, Aluminium doesn't. That's why Land Rover uses an aluminium body. Rain or mud or soggy hay can't rust it; "super" or other normally corrosive materials affect it not in the least. Aluminium has other very practical benefits, too. It's much lighter than steel. Your power-to-weight ratio is better. Your centre of gravity is lower. And you're safer.

This is just one of literally thousands of improvements we've gradually built into Land Rover during its 21 years in the world's bad-lands. Added together, they mean more value when you buy Land Rover, more value when you trade it.

Land Rover's first because

TWENTY MILLION LBS. OF AUSTRALIAN BALER TWINE USED LAST YEAR MUST MEAN SOMETHING.

It does! It means safety. It means that Australian baler twine is easier to use, rot-proof and inexpensive. It means that standard twine can be used in all balers.

Most important of all, it means safety. Australian twine presents no hazards to the user, his stock or his equipment.

These are well-known countryman's facts.

City dwellers and commerce get the same guarantees with the ropes, cords and twines made for them. So they should! After all, the members of the Australian Rope, Cordage and Twine Association have had 117 years to perfect their products.

Ropes for the army, navy and air force; for shipping and mining. Nets for fishermen. Cords for carpets. Yarns for safety fuses and a host of other unlikely applications—in brooms for example, and in telephone and power cables.

Rope, cord and twine—made from nature's raw materials and from man-made fibres—are essential to everyday living.

Their quality is collectively guarded by the members of the Australian Rope, Cordage and Twine Association.
