## MURRAY GREYS

## Section 24 — Murray Greys

Judge: H. G. MUNRO, Esq.

Stewards: SIR WILLIAM McDONALD,  
G. R. FINK, Esq.  
IAN RYAN, Esq.  
J. A. PHILLIPS, Esq.  
DONALD GADD, Esq.

Exhibitors are advised that, in addition to reading the following conditions, they should carefully peruse the conditions of entry and exhibition which precede the first Cattle Section.

An exhibitor may enter up to four animals in any one Class, of which only two may be shown.

Entries are accepted on the understanding that, should they be in excess of the accommodation, exhibitors will be required to reduce their teams to the accommodation available.

Compulsory reduction, if necessary, shall be determined by the Committee within a few days following the closing of entries. Should it be found necessary to reduce, exhibitors will be permitted to decide for themselves which animal or animals shall be withdrawn, such withdrawals to be on a percentage basis to be decided upon by the Committee.

Exhibitors will be given up to the time of arrival at the Showgrounds with their stock to make the withdrawals at which time they must hand to the Cattle Superintendent the entry tickets for the animals which have been withdrawn.

No rebates of fees for withdrawn entries will be made.

The over-entry of stock, i.e. entering animals without intention of showing them, is contrary to the regulations of the Society and may cause unnecessary compulsory reduction and much inconvenience both to the Society and exhibitors.

The Society will act in the best interests of exhibitors who can rest assured that overcrowding of pavilions will be avoided, therefore eliminating any need for exhibitors to over enter.

**Judging will be in catalogue order and will commence at 2.00 p.m. on the opening day of the Show.**

All males irrespective of age and all females up to two years old entered in this section will be weighed prior to judging. (See regulation in general conditions of entry.)

\* Denotes Special Class.

A cattle exhibit can only be entered in one ordinary Class.

An exhibit cannot be entered in a Special Class unless it has been entered in an ordinary Class.

The Judge in this Section will be asked not to award prizes to grossly overfat animals.

**Any animal entered in this Section which can be shown to the satisfaction of the Society to have received Hormones will be ineligible for a prize.**

All cattle 9 months old and over on the opening day of the Show, entered in this Section, must be registered in the herd book of the Murray Grey Beef Cattle Society. Animals under 9 months old must be registered in the Calf Register of that Society. For particulars of registration in the Murray Grey Herd

Book apply to the Secretary, Murray Grey Beef Cattle Society, Royal Show Grounds, Epsom Road, Ascot Vale, 3032.

Only animals which have been classified "A" by the Murray Grey Beef Cattle Society shall be eligible for entry in this Section.

All male exhibits of Beef and Dual Purpose Cattle born on or before 31st August, 1969, shall be rung through the nose and at all times shall be led by such ring. If, in the opinion of the Stewards or Society's Officials, any bull is considered unsafe, it shall be placed under such control as directed by the Stewards or Society's Officials.

Particular attention is drawn to the regulations regarding Inspectors' verification of type, description and eligibility of exhibits, appearing under the heading "Inspection Regulations in Beef and Dual Purpose Sections", which precede the first Cattle Section.

All cattle entered in this Section must be certified tuberculosis free. Animals from herds listed as accredited or in the process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be tuberculin tested within ninety days prior to the opening date of the Show. Certificates for these individual tests must accompany entry forms, or, if not available at that time, must be in the hands of the Director no later than 14 days prior to the opening day of the Show.

Attendants leading stock in the judging ring or on parade must wear uniform grey coats, which can be procured from the Society.

All prize-winning cattle must be paraded. (See Regulation at head of Cattle Section.)

**Entry fee, \$5; R.A.S. of V. Members, \$3.**

 SIR JAMES SPARKES.

Stewards: K. P. PALMER, Esq.

 ROBERT WEBSTER, Esq.

A Beef Cattle Judging Demonstration and Competition will take place on the Triangular Lawn opposite No. 3 Cattle Pavilion on Sunday, 20th September, 1970, commencing at 1.30 p.m.

## JUDGING DEMONSTRATION—RED POLLS

The Demonstration and Competition will be conducted on Beef Shorthorn and Poll Shorthorn bulls this year. In future years different breeds will be used.

Competitors will be asked to place six bulls in the order they fancy.

The three prominent breed Judges appointed will agree on what might be termed the correct order of placing the cattle and will question the final six competitors over the P.A. system as to the reasons for their placements when determining the ultimate winner of the Competition.

A spokesman for the Judges' Panel will give explanations to competitors as to why the cattle were placed in the order decided upon by the Judges and at the same time will demonstrate the use of ringcraft as an aid to making correct decisions and as a methodical means of permitting spectators to understand the Judges' reasoning.

This will be a post entry competition, open to all comers. Intending competitors are required to nominate at the Cattle Superintendent's Office not later than one hour prior to the commencement of the Competition.

There will be no entry fee.

Prizes: First: Bronze Medallion. Second: Bronze Medallion. Third: Bronze Medallion. Fourth to Sixth: One year's free subscription to "The Pastoral Review", to which also the first three placegetters will be entitled. Prizes donated by THE PASTORAL REVIEW PTY. LTD., 415 Bourke Street, Melbourne.

## Section 28 — Dairy Shorthorns

Judge: R. J. SCOTT, Esq.

Stewards: F. E. SELWYN SCOTT, Esq., MBE  
W. G. JELLIS, Esq.  
G. SHANAHAN, Esq.  
P. CALLAHAN, Esq.

Exhibitors are advised that, in addition to reading the following conditions, they should carefully peruse the conditions of entry and exhibition which precede the first Cattle Section.

An exhibitor may enter up to four animals in any one Class, of which only two may be shown.

Entries are accepted on the understanding that, should they be in excess of the accommodation, exhibitors will be required to reduce their teams to the accommodation available.

Compulsory reduction, if necessary, shall be determined by the Committee within a few days following the closing of entries. Should it be found necessary to reduce, exhibitors will be permitted to decide for themselves which animal or animals shall be withdrawn, such withdrawals to be on a percentage basis to be decided upon by the Committee.

Exhibitors will be given up to the time of arrival at the Showgrounds with their stock to make the withdrawals at which time they must hand to the Cattle Superintendent the entry tickets for the animals which have been withdrawn.

No rebates of fees for withdrawn entries will be made.

The over-entry of stock, i.e. entering animals without intention of showing them, is contrary to the regulations of the Society and may cause unnecessary compulsory reduction and much inconvenience both to the Society and exhibitors.

The Society will act in the best interests of exhibitors who can rest assured that overcrowding of pavilions will be avoided therefore eliminating any need for exhibitors to over enter.

Judging will be in catalogue order and will commence at 9 a.m. on the opening day of the Show.

\*Denotes Special Class.

A cattle exhibit can only be entered in one ordinary class.

An exhibit cannot be entered in a Special class unless it has been entered in an ordinary class.

Entries of milking stock will only be accepted subject to the Special Regulations regarding the disposal of milk (see head of Cattle Section).

Cattle entered in this Section must be registered in a recognised Dairy Shorthorn Herd Book. For particulars of registration in the Dairy Shorthorn Herd Book of Australia, apply to the Secretary, The Dairy Shorthorn Association of Australia, Royal Show Grounds, Epsom Road, Ascot Vale, 3032.

All male exhibits of Beef and Dual Purpose Cattle born on or before 31st August, 1969, shall be rung through the nose and at all times shall be led by such ring. If, in the opinion of the Stewards or Society's Officials, any bull is considered unsafe, it shall be placed under such control as directed by the Stewards or Society's Officials.

Particular attention is drawn to the regulations regarding Inspectors' verification of type, description and eligibility of exhibits, appearing under the heading "Inspection Regulations in Beef and Dual Purpose Sections", which precede the first Cattle Section.

No dehorned bull may be exhibited in this Section.

The Dairy Shorthorn Judge will not penalise female exhibits because they are dehorned.

Cows which fail to yield 4 lbs. or more of milk in the 24 hours immediately preceding judging or in a period of 24 hours stipulated by the Society subsequent to judging shall be deemed to be dry.

All cattle entered in this Section must be certified tuberculosis free. Animals from herds listed as accredited or in process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be tuberculin tested within ninety days prior to the opening date of the Show. Certificates for these individual tests must accompany entry forms, or, if not available at that time, must be in the hands of the Director no later than 14 days prior to the opening day of the Show.

Attendants leading stock in the judging ring or on parade must wear uniform grey coats, which can be procured from the Society.

(For particulars of conditions in Type and Utility Classes, see Section 34.)

THE DAIRY SHORTHORN ASSOCIATION OF AUSTRALIA has donated the sum of \$60 towards the prize money in this section, in addition to the special prize of \$10 in Class 180.

Entry fee, \$5; R.A.S. of V. Members, \$3.

## AUSTRALIAN ILLAWARRA SHORTHORNS

**Dairy Breeds**

Judging in all Dairy Cattle Sections will be in catalogue order and will commence at 9 a.m. on Thursday, 17th September.

Judging of the Type and Utility Classes in the Jersey Section will commence at 8.30 a.m. on Friday, 18th September, in the Jersey ring.

Judging to determine the winners of the Victorian Dairyfarmers' Association's special prizes will commence at 9.30 a.m. on Friday, 18th September, in the Jersey ring and will be followed by the judging of the Champion Dairy Cow at approximately 10.30 a.m.

The breeding year for dairy cattle dates from 1st July in each year.

**INSPECTION REGULATIONS  
IN DAIRY BREED SECTIONS**

1. Each Breed Society in the Dairy Breed Sections shall nominate to the Royal Agricultural Society an inspector or inspectors of cattle entered in the breed of the particular Breed Society.
2. The Council of the Royal Agricultural Society shall appoint such person or persons as an inspector or inspectors who shall inspect each animal entered in the relevant breed. Such inspections shall be carried out on the day preceding the opening day of the Show. Exhibitors are required to have their stock attended and in readiness for inspection.
3. If in the unanimous opinion of the inspector(s) any animal
  - (a) is not true to type or of a satisfactory standard or condition or
  - (b) bears any marking brand tattoo contrary to the marking brand or tattoo disclosed in the relevant entry form or any marking brand or tattoo not in accordance with the records of the relevant Breed Society or
  - (c) being a bull, irrespective of age, is not rung through the nose . . .

then such animal shall be ineligible for exhibition and the Society may require the animal to be forthwith removed from the Showground and the exhibitor, upon receipt of such notice shall forthwith remove such animal and failing such removal by him within the time prescribed by the Director the Director may remove the animal or cause the animal to be removed and all costs and expenses of removal shall be borne by the exhibitor and shall be refunded to the Society. Each such animal shall at all times be at the sole risk and responsibility of the exhibitor and the person or persons removing the animal shall at all times be deemed to be the agents of the exhibitor and all acts and omissions on the part of such person or persons shall be deemed to be the acts and omissions of the exhibitor who shall indemnify and hold indemnified the Society its servants and agents from all claims whatsoever in respect of the animal whether by reason of any loss or injury to or caused by the animal or because of transportation, feeding or housing or otherwise howsoever.

4. The decision of the inspector(s) shall be final subject only to appeal to the Chief Steward or Assistant Chief Steward in the Dairy Breeds Section and his opinion shall be final.
5. The inspector(s) or Chief Steward or his assistant shall not be required to furnish to the exhibitor any reasons for their decision.
6. Notwithstanding anything contained in these regulations the Society shall have the right to declare any animal ineligible to compete because of the health of any such animal or for any other reason which the Society or its Director deems fit. The Society or its Director shall thereupon have the right to order the removal of such animal from the Show Grounds or in default thereof remove such animal at the expense and risk of the exhibitor.

**Section 29 —  
Australian Illawarra  
Shorthorns**

Judge: D. SAVAGE, Esq.

Stewards: R. B. GERRAND, Esq.  
ALLAN McDONALD, Esq.  
JAMES W. WEST, Esq.  
JAMES C. WEST, Esq.

Exhibitors are advised that, in addition to reading the following conditions, they should carefully peruse the conditions of entry and exhibition which precede the first Beef Cattle Section and also the inspection regulations preceding this Section.

Entries are accepted on the understanding that, should they be in excess of the accommodation, exhibitors will be required to reduce their teams to the accommodation available.

Compulsory reduction, if necessary, shall be determined by the Committee within a few days following the closing of entries. Should it be found necessary to reduce, exhibitors will be permitted to decide for themselves which animal or animals shall be withdrawn, such withdrawals to be on a percentage basis to be decided upon by the Committee, such as one animal in six.

Exhibitors will be given up to the time of arrival at the Showgrounds with their stock to make the withdrawals at which time they must hand to the Cattle Superintendent the entry tickets for the animals which have been withdrawn.

No rebates of fees for withdrawn entries will be made.

The over-entry of stock, i.e. entering animals without intention of showing them, is contrary to the regulations of the Society and may cause unnecessary compulsory reduction and much inconvenience both to the Society and exhibitors.

The Society will act in the best interests of exhibitors who can rest assured that overcrowding of pavilions will be avoided, therefore eliminating any need for exhibitors to over enter.

A combined total of 4 animals — irrespective of sex — is the maximum number any exhibitor may enter in the yearling and 18 months old Classes, but not more than 2 animals in any one Class.

## AUSTRALIAN ILLAWARRA SHORTHORNS

No heifers born after 31st December, 1969, may be exhibited.

No bulls born after 31st December, 1969, may be exhibited.

Judging will be in catalogue order and will commence at 9 a.m. on Thursday, 17th September.

Inspectors appointed by the A.I.S. Society (Vic. Branch) will examine the tattoo marks of all exhibits and any found to be not in order may cause the exhibit to be disqualified.

All exhibits will be inspected to ascertain that they are of a satisfactory standard and condition. (See Regulation at head of Dairy Breeds Sections.)

\* Denotes Special Class.

A cattle exhibit can only be entered in one ordinary class.

An exhibit cannot be entered in a Special class unless it has been entered in an ordinary class.

Entries of milking stock will only be accepted subject to the special Regulation regarding the disposal of milk (see head of Cattle Section).

Cattle entered in this Section must be registered in the Australian Illawarra Shorthorn Herd Book. For particulars of registration in the Australian Illawarra Shorthorn Herd Book, apply to the Secretary, Victorian Branch, Australian Illawarra Shorthorn Society, Royal Show Grounds, Epsom Road, Ascot Vale, 3032.

All prize-winning cattle must be paraded. (See Regulation at head of Cattle Section.)

All male exhibits of Dairy Cattle, irrespective of age, shall be rung through the nose and at all times shall be led by such ring. If, in the opinion of the Stewards or Society's officials any bull is considered unsafe it shall be placed under such control as directed by the Stewards or Society's official.

All cattle entered in this Section must be certified tuberculosis free. Animals from herds listed as accredited or in process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be tuberculin tested within ninety days prior to the opening date of the Show. Certificates for these individual tests must accompany entry forms or, if not available at that time, must be in the hands of the Director no later than 14 days prior to the opening day of the Show.

Any animal entered in this Section which can be shown to the satisfaction of the Society to have received Hormones will be ineligible for a prize.

Attendants leading stock in the judging ring or on parade must wear uniform grey coats, which can be procured from the Society.

**"IN MILK" CLASSES.** Cows which fail to yield 4 lbs. or more of milk in the 24 hours immediately preceding judging or in a period of 24 hours stipulated by the Society after judging, shall be deemed to be "dry".

The Judge of Australian Illawarra Shorthorns will not penalise exhibits if they are dehorned.

(For particulars of conditions in Type and Utility Classes, see Section 34.)

**THE GIPPSLAND AND NORTHERN CO-OPERATIVE CO. LTD.** has donated the sum of \$5 towards the prize money in this Section.

**ENTRY FEE IN ALL CLASSES, \$5;

## Section 30 — Ayrshires

Judge: Alan Weir, Esq.

Stewards: John H. Sleight, Esq.  
M. W. P. Houlihan, Esq.  
W. J. Williams, Esq.

Exhibitors are advised that, in addition to reading the following conditions, they should carefully peruse the conditions of entry and exhibition which precede the first Beef Cattle Section and also the inspection regulations preceding the first Dairy Cattle Section.

Entries are accepted on the understanding that, should they be in excess of the accommodation, exhibitors will be required to reduce their teams to the accommodation available.

Compulsory reduction, if necessary, shall be determined by the Committee within a few days following the closing of entries. Should it be found necessary to reduce, exhibitors will be permitted to decide for themselves which animal or animals shall be withdrawn, such withdrawals to be on a percentage basis to be decided upon by the Committee, such as one animal in six.

Exhibitors will be given up to the time of arrival at the Showgrounds with their stock to make the withdrawals at which time they must hand to the Cattle Superintendent the entry tickets for the animals which have been withdrawn.

No rebates of fees for withdrawn entries will be made.

The over-entry of stock, i.e. entering animals without intention of showing them, is contrary to the regulations of the Society and may cause unnecessary compulsory reduction and much inconvenience both to the Society and exhibitors.

## AYRSHIRES

The Society will act in the best interests of exhibitors who can rest assured that overcrowding of pavilions will be avoided, therefore eliminating any need for exhibitors to over enter.

A combined total of 4 animals — irrespective of sex — is the maximum number any exhibitor may enter in the yearling and 18 months old Classes, but not more than 2 animals in any one Class.

No heifers born after 31st December, 1969, may be exhibited.

No bulls born after 31st December, 1969, may be exhibited.

Judging will be in catalogue order and will commence at 9 a.m. on Thursday, 17th September.

\* Denotes Special Class.

A cattle exhibit can only be entered in one ordinary class.

An exhibit cannot be entered in a special class unless it has been entered in an ordinary class.

Entries of milking stock will only be accepted subject to the Special Regulation regarding the disposal of milk (see head of Cattle Section).

Cattle entered in this section must be registered in the Ayrshire Herd Book of Australia or in an approved Ayrshire Herd Book outside the Commonwealth.

Females recorded in the appendices of the A.H.B. of A. will not be eligible to compete in this section.

Inspectors, appointed by the Ayrshire Cattle Society (Victorian Branch), will examine stock exhibited to ensure that all are tattooed in accordance with the Herd Book Regulations. Any found not to be correctly and legibly tattooed may be disqualified.

All exhibits will be inspected to ascertain that they are of a satisfactory standard and condition. (See Regulation at head of Dairy Breeds Section).

For particulars of registration in the Ayrshire Cattle Society of Australia, apply to the Secretary, Ayrshire Cattle Society of Australia, Royal Show Grounds, Epsom Road, Ascot Vale, 3032.

All prize-winning cattle must be paraded. (See Regulation at head of Cattle Section.)

All male exhibits of Dairy Cattle, irrespective of age, shall be rung through the nose and at all times shall be led by such ring. If, in the opinion of the Stewards or Society's officials, any bull is considered unsafe, it shall be placed under such control as directed by the Stewards or Society's officials.

All cattle entered in this Section must be certified tuberculosis free. Animals from herds listed as accredited or in process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be tuberculin tested within ninety days prior to the opening date of the Show. Certificates for these individual tests must accompany entry forms or, if not available at that time, must be in the hands of the Director no later than 14 days prior to the opening day of the Show.

Any animal entered in this Section which can be shown to the satisfaction of the Society to have received Hormones will be ineligible for a prize.

Attendants leading stock in the judging ring and on parade must wear uniform grey coats, which can be procured from the Society.

The Judge of Ayrshires will not penalise exhibits if they are dehorned.

Cows which fail to yield 4 lbs. or more of milk in the 24 hours immediately preceding judging or in a period of 24 hours stipulated by the Society subsequent to judging shall be deemed to be "dry".

(For particulars of conditions in Type and Utility Classes, see Section 34.)

Judging will be on points, 50 points being allowed for type and 50 for production, on the basis of one point for every 5 lbs. of butter-fat actually produced by the bull's dam, over and above the amount set by the Victorian Standard Herd Test Scheme for production according to age. The basis for calculation of test records will be a 273-day lactation period and if records are for a longer period points will be allotted pro rata. Certificates of tests other than the Victorian Government Herd Test or Accreditation Schemes must accompany the entry form except that in the instance of the V.H.I.A. when the herd test, unit number, herd number and cow number are to be stated. The owners of exhibits in this Class have the option of stating on their entry forms the prices at which they are prepared to sell exhibits. Prices so given are to be published in the Catalogue, and when a price has been published, the owner shall be compelled to accept such price, except in the event of two or more persons claiming the bull, at the published price. ### AYRSHIRE SIRES' MEMORIAL

A Prize of \$10.50, donated by THE AYRSHIRE CATTLE SOCIETY OF AUSTRALIA (VICTORIAN BRANCH), will be awarded annually for the Most Successful Sire in the above Classes, other than Special Classes.

The prize will be awarded to the exhibitor gaining the most points with progeny of the one sire.

Points will not be allotted unless the progeny is bred and owned by the exhibitor.

Three points will be awarded for a first prize, two points for a second, and one point for a third prize in all classes other than specials. In the event of a tie, three additional points will be awarded for each Championship, and two additional points for each Reserve Championship and if necessary a count back will be made to determine the winner.

The names of the winning sire for the year, breeder of the sire and the breeder of the progeny will be recorded permanently upon an Honour Board, which will be displayed in the Ayrshire Cattle Pavilion during the Show.

## Section 31 — Jerseys

Judge: T. J. FOURNEAU, Esq.

Stewards: LINDSAY G. C. NICHOLAS, Esq.

S. A. TURNER, Esq.

A. P. MOORE, Esq.

F. ROURKE, Esq.

Exhibitors are advised that, in addition to reading the following conditions, they should carefully peruse the conditions of entry and exhibition which precede the first Beef Cattle Section and also the inspection regulations preceding the first Dairy Cattle Section.

Entries are accepted on the understanding that, should they be in excess of the accommodation, exhibitors will be required to reduce their teams to the accommodation available.

Compulsory reduction, if necessary, shall be determined by the Committee within a few days following the closing of entries. Should it be found necessary to reduce, exhibitors will be permitted to decide for themselves which animal or animals shall be withdrawn, such withdrawals to be on a percentage basis to be decided upon by the Committee, such as one animal in six.

Exhibitors will be given up to the time of arrival at the Showgrounds with their stock to make the withdrawals at which time they must hand to the Cattle Superintendent the entry tickets for the animals which have been withdrawn.

No rebates of fees for withdrawn entries will be made.

The over-entry of stock, i.e. entering animals without intention of showing them, is contrary to the regulations of the Society and may cause unnecessary compulsory reduction and much inconvenience both to the Society and exhibitors.

The Society will act in the best interests of exhibitors who can rest assured that overcrowding of pavilions will be avoided, therefore eliminating any need for exhibitors to over enter.

A combined total of 4 animals — irrespective of sex — is the maximum number any exhibitor may enter in the yearling and 18 months old Classes, but not more than 2 animals in any one class.

No heifers born after 31st December, 1969, may be exhibited.

No bulls born after 31st December, 1969, may be exhibited.

Judging will be in catalogue order and will commence at 9 a.m. on Thursday, 17th September. Judging of the Type and Utility Classes will commence at 8.30 a.m., Friday, 18th September.

\* Denotes Special Class.

A cattle exhibit can only be entered in one ordinary class.

An exhibit cannot be entered in a special class unless it has been entered in an ordinary class.

Entries of milking stock will only be accepted subject to the Special Regulations regarding the disposal of milk. (See head of Cattle Section.)

Cattle entered in this Section must be registered in the Jersey Stud Book of Australia, or in an approved Jersey Herd Book.

## JERSEYS

For particulars of registration in the Jersey Stud Book of Australia, apply to the Secretary, Australian Jersey Herd Society (Victorian Branch), 224 Queensberry Street, North Melbourne, 3051.

Inspectors appointed by the Australian Jersey Herd Society (Victorian Branch) will examine stock entered for exhibition to ensure that all are tattooed in accordance with the Herd Book Regulations. Any found not correctly or not legibly tattooed may be disqualified.

All exhibits will be inspected to ascertain that they are of a satisfactory standard and condition. (See Regulation at head of Dairy Breeds Section.)

All cattle entered in this Section must be certified tuberculosis free. Animals from herds listed as accredited or in process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be tuberculin tested within ninety days prior to the opening date of the Show. Certificates for these individual tests must accompany entry forms or, if not available at that time, must be in the hands of the Director no later than 14 days prior to the opening day of the Show.

Any animal entered in this Section which can be shown to the satisfaction of the Society to have received Hormones will be ineligible for a prize.

Attendants leading stock in the judging ring and on parade must wear uniform grey coats, which can be procured from the Society.

All prize-winning cattle must be paraded. (See Regulation at head of Cattle Section.)

All male exhibits of Dairy Cattle, irrespective of age, shall be rung through the nose and at all times shall be led by such ring. If, in the opinion of the Stewards or Society's officials, any bull is considered unsafe, it shall be placed under such control as directed by the Stewards or Society's officials.

Cows which fail to yield 4 lbs. or more of milk in the 24 hours immediately preceding judging or in a period of 24 hours stipulated by the Society subsequent to judging shall be deemed to be "dry".

The Judge of Jerseys will not penalise exhibits if they are dehorned.

(For particulars of conditions in Type and Utility Classes, see Section 34.)

A SPECIAL PRIZE of \$21, donated by the VICTORIAN DAIRYFARMERS' ASSOCIATION, 576 St. Kilda Rd., Melbourne, will be awarded to the cow or heifer of the 1st, 2nd and 3rd prize winners in the specified Type and Utility classes (excluding the 3,000 lb. b./f. production class) gaining the highest combined points for butter fat production and type.

In Type and Utility Classes where 10 or more animals actually compete, the six highest pointed animals shall be eligible to compete for the prize.

1 point will be allotted for every 10 lbs. of butter fat over 350 lbs. (with allowance for age) produced under Government Herd Test, the Victorian Herd Improvement Association or any other recognised Testing organisation during a lactation period of 300 days that followed the calving on, between or including 1st September, 1968, and 31st August, 1969.

The cows eligible to compete for this prize shall be brought together at the conclusion of the judging of the Type and Utility classes for the purpose of being allotted points on type, with a maximum of 100.

Both production and type points shall then be added to determine the winner.

## JERSEY SIRES' MEMORIAL

A Prize of \$10.50, donated by THE AUSTRALIAN JERSEY HERD SOCIETY (VICTORIAN BRANCH), will be awarded annually for the Most Successful Sire in the above classes, other than special classes.

The prize will be awarded to the breeder who owned the bull when the prize-winning stock were sired.

Three points will be awarded for a first prize, two points for a second, and one point for a third prize in all classes other than specials. In

the event of a tie, three points will be awarded for each Championship, and two points for each Reserve Championship. These additional points will be awarded only to those bulls which tied in the original allocation.

The names of the winning sire for the year and the names of the owner and breeder will be recorded upon the permanent Honour Board of the Victorian Branch of The Australian Jersey Herd Society. This Board will be displayed in the Jersey Cattle Pavilion during the Show — each sire's name to be inscribed permanently on the Honour Board.

## Section 32 — Guernseys

Judge: ADRIAN COWELL, Esq.

Stewards: N. J. BEAUMONT, Esq.  
J. W. TOWT, Esq.  
J. RAE, Esq.  
P. MCGILLIVRAY, Esq.

Exhibitors are advised that, in addition to reading the following conditions, they should carefully peruse the conditions of entry and exhibition which precede the first Beef Cattle Section and also the inspection regulations preceding the first Dairy Cattle Section.

Entries are accepted on the understanding that, should they be in excess of the accommodation, exhibitors will be required to reduce their teams to the accommodation available.

Compulsory reduction, if necessary, shall be determined by the Committee within a few days following the closing of entries. Should it be found necessary to reduce, exhibitors will be permitted to decide for themselves which animal or animals shall be withdrawn, such withdrawals to be on a percentage basis to be decided upon by the Committee, such as one animal in six.

Exhibitors will be given up to the time of arrival at the Showgrounds with their stock to make the withdrawals at which time they must hand to the Cattle Superintendent the entry tickets for the animals which have been withdrawn.

No rebates of fees for withdrawn entries will be made.

The over-entry of stock, i.e. entering animals without intention of showing them, is contrary to the regulations of the Society and may cause unnecessary compulsory reduction and much inconvenience both to the Society and exhibitors.

The Society will act in the best interests of exhibitors who can rest assured that overcrowding of pavilions will be avoided, therefore eliminating any need for exhibitors to over enter.

A combined total of 4 animals — irrespective of sex — is the maximum number any exhibitor may enter in the yearling and 18 months old Classes, but not more than 2 animals in any one Class.

No heifers born after 31st December, 1969, may be exhibited.

No bulls born after 31st December, 1969, may be exhibited.

Judging will be in catalogue order and will commence at 9 a.m. on Thursday, 17th September.

\* Denotes Special Class.

A cattle exhibit can only be entered in one ordinary class.

An exhibit cannot be entered in a special class unless it has been entered in an ordinary class.

Entries of milking stock will only be accepted subject to the Special Regulation regarding the disposal of milk (see head of Cattle Section).

Cattle entered in this Section must be registered in the Guernsey Herd Book of Australia or an approved Guernsey Herd Book outside the Commonwealth. For particulars of registration in the Guernsey Herd Book of Australia, apply to the Secretary, Guernsey Cattle Society of Australia (Victorian Branch), Royal Show Grounds, Epsom Road, Ascot Vale, 3032.

Inspectors appointed by the Guernsey Cattle Society of Australia (Victorian Branch) will examine stock exhibited to ensure that all are tattooed in accordance with the Herd Book Regulations. Any found not to be correctly and legibly tattooed may be disqualified.

All exhibits will be inspected to ascertain that they are of a satisfactory standard and condition. (See Regulation at head of Dairy Breeds Section).

All cattle entered in this Section must be certified tuberculosis free. Animals from herds listed as accredited or in process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be tuberculin tested within ninety days prior to the opening date of the Show. Certificates for these individual tests must accompany entry forms or, if not available at that time, must be in the hands of the Director no later than 14 days prior to the opening day of the Show.

Any animal entered in this Section which can be shown to the satisfaction of the Society to have received Hormones will be ineligible for a prize.

Attendants leading stock in the judging ring and on parade must wear uniform grey coats which can be procured from the Society.

The Judge of Guernseys will not penalise exhibits if they are dehorned.

All prize-winning cattle must be paraded. (See Regulation at head of Cattle Section.)

All male exhibits of Dairy Cattle, irrespective of age, shall be rung through the nose and at all times shall be led by such ring. If, in the opinion of the Stewards or Society's officials, any bull is considered unsafe, it shall be placed under such control as directed by the Stewards or Society's officials.

Cows which fail to yield 4 lbs. or more of milk in the 24 hours immediately preceding judging or in a period of 24 hours stipulated by the Society subsequent to judging shall be deemed to be "dry".

(For particulars of conditions in Type and Utility Classes, see Section 34.)

**ENTRY FEE IN ALL CLASSES, \$5;  
R.A.S. of V. MEMBERS, \$3.**

Section 33 —  
Friesians

Judge: FRED B. GRIFFIN, Esq.  
Stewards: A. C. T. HEWITT, Esq.  
R. A. GUTHRIDGE, Esq.  
D. B. JAMES, Esq.  
N. CORRIGAN, Esq.

Exhibitors are advised that, in addition to reading the following conditions, they should carefully peruse the conditions of entry and exhibition which precede the first Beef Cattle Section and also the inspection regulations preceding the first Dairy Cattle Section.

Entries are accepted on the understanding that, should they be in excess of the accommodation, exhibitors will be required to reduce their teams to the accommodation available.

Compulsory reduction, if necessary, shall be determined by the Committee within a few days following the closing of entries. Should it be found necessary to reduce, exhibitors will be permitted to decide for themselves which animal or animals shall be withdrawn, such withdrawals to be on a percentage basis to be decided upon by the Committee, such as one animal in six.

Exhibitors will be given up to the time of arrival at the Showgrounds with their stock to make the withdrawals at which time they must hand to the Cattle Superintendent the entry tickets for the animals which have been withdrawn.

No rebates of fees for withdrawn entries will be made.

The over-entry of stock, i.e. entering animals without intention of showing them, is contrary to the regulations of the Society and may cause unnecessary compulsory reduction and much inconvenience both to the Society and exhibitors.

The Society will act in the best interests of exhibitors who can rest assured that overcrowding of pavilions will be avoided, therefore eliminating any need for exhibitors to over enter.

A combined total of 4 animals — irrespective of sex — is the maximum number any exhibitor may enter in the yearling and 18 months old Classes, but not more than 2 animals in any one Class.

No heifers born after 31st December, 1969, may be exhibited.

No bulls born after 31st December, 1969, may be exhibited.

Judging will be in catalogue order and will commence at 9 a.m. on Thursday, 18th September.

\* Denotes Special Class.

## FRIESIANS

A cattle exhibit can only be entered in one ordinary class.

An exhibit cannot be entered in a special class unless it has been entered in an ordinary class.

Entries of milking stock will only be accepted subject to the Special Regulation regarding the disposal of milk (see head of Cattle Section).

Cattle entered in this Section must be registered in the Friesian Herd Book of Australia or in an approved Friesian Herd Book outside the Commonwealth. For particulars of registration in the Friesian Herd Book of Australia, apply to the Secretary, Friesian Cattle Club of Australia, Victorian Branch, 504 Racecourse Road, Flemington, Victoria, 3031. Females recorded in the Appendices to the F.H.B. of A. will not be eligible to compete in this Section.

Cattle entered in this Section will be identified by the photographs appearing on the Certificates of Registration. Exhibitors must bring the Certificates of Registration with photographs thereon, to the Show Grounds, and produce them to the Inspectors. Tattoo numbers will not be accepted for identification. Any cattle for which Certificates of Registration bearing photographs are not produced may be disqualified.

All exhibits will be inspected to ascertain that they are of a satisfactory standard and condition. (See regulation at head of Dairy Breeds Section.)

Cows which fail to yield 4 lbs. or more of milk in the 24 hours immediately preceding judging or in a period of 24 hours stipulated by the Society subsequent to judging shall be deemed to be "dry".

All cattle entered in this Section must be certified tuberculosis free. Animals from herds listed as accredited or in the process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be tuberculin tested within ninety days prior to the opening date of the Show. Certificates for these individual tests must accompany entry forms or, if not available at that time, must be in the hands of the Director no later than 14 days prior to the opening day of the Show.

Any animal entered in this Section which can be shown to the satisfaction of the Society to have received Hormones will be ineligible for a prize.

Attendants leading stock in the judging ring and on parade must wear uniform grey coats, which can be procured from the Society.

All prize-winning cattle must be paraded. (See Regulation at head of Cattle Section.)

All male exhibits of Dairy Cattle, irrespective of age, shall be rung through the nose and at all times shall be led by such ring. If, in the opinion of the Stewards or Society's officials, any bull is considered unsafe, it shall be placed under such control as directed by the Stewards or Society's officials.

The Judge of Friesians will not penalise exhibits if they are dehorned.

**THE GIPPSLAND AND NORTHERN CO-OPERATIVE CO. LTD.** has donated the sum of \$5 towards the prize money in this Section.
