The basis for calculation of test records will be a 300-day lactation period and if records are for a longer period points will be allotted pro rata. Certificates of tests other than the Victorian Government Herd Test or Accreditation Schemes must accompany the entry form except in the instance of the V.H.I.A. when the herd test, unit number, herd number and cow number are to be stated. The owners of exhibits in this Class have the option of stating on their entry forms the prices at which they are prepared to sell exhibits. Prices so given are to be published in the Catalogue, and when a price has been published, the owner shall be compelled to accept such price, except in the event of two or more persons claiming the bull, at the published price. Exhibitors are advised that, in addition to reading the following conditions, they should carefully peruse the conditions of entry and exhibition which precede the first Beef Cattle Section and also the inspection regulations preceding that Section.

The Director may in his discretion permit an animal to be withdrawn without the imposition of any penalty provided that the exhibitor advises the Society or the Director of his desire to withdraw such animal not less than 14 days prior to the commencement of the Show.

A combined total of 4 animals — irrespective of sex — is the maximum number any exhibitor may enter in the yearling and 18 months old Classes, but not more than 2 animals in any one class.

Judging will be in catalogue order and will commence at 9 a.m. on Thursday, 16th September. Judging of the Type and Utility Classes will commence at 8.30 a.m., Friday, 17th September.

The Judge of Jerseys will not penalise exhibits if they are dehorned.

Bob Steer says:

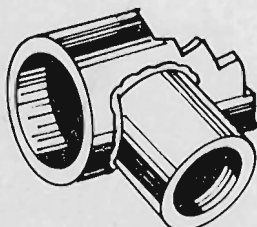

'WATCH for the NOTCH!'

1. We notch the pipe (1½" inside diameter for greater strength).

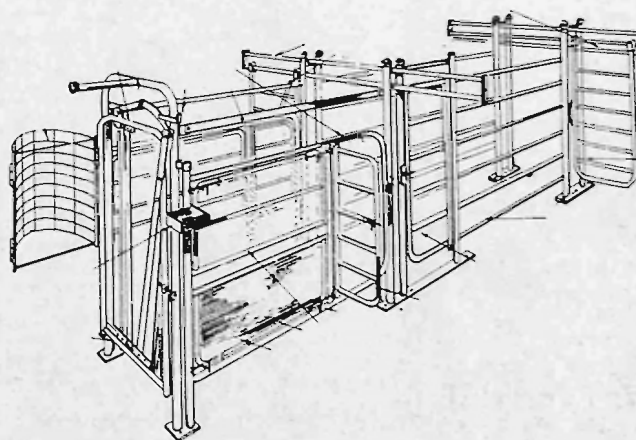

2. See how it fits to the post?

3. Then we full-circle weld them together into a unitised whole, ensuring greater strength.

When you buy Steer equipment, you get top strength to start with, on our 1½" inside diameter pipe. Then in our jointing technique we notch and full-circle-weld the pipes into a unitised whole. We don't flatten the pipe and weld it, as that's not using its full strength. So if you're in the market for a cattle crush, yard or gates, be a canny buyer and watch for the notch.

It will ensure that you get equipment of greatest strength, and because it's Steer equipment, it will save you at least 20%!

CATTLE CRUSHES

We have 9 standard models, we also build to specification. Steer crushes are used throughout Australia, and overseas. All our crushes are complete with every wanted feature because they're designed and built by practical cattlemen, and are constructed for lifetime use.

**STEER CRUSHES
ARE IN USE AT THE
ROYAL SHOW 1971**

 Walker, C. S., & Son, WARWICK FRENCH OLIVIA 793681 (see also Class 245).
 Waters, G. L., WILLOW DELL CRYSTAL 5th 157786 (see also Class 239).

A SPECIAL PRIZE of \$21, donated by the VICTORIAN DAIRYFARMERS' ASSOCIATION, 576 St. Kilda Rd., Melbourne, will be awarded to the cow or heifer of the 1st, 2nd and 3rd prize winners in the specified Type and Utility classes (excluding the 3,000 lb. b./f. production class) gaining the highest combined points for butter fat production and type.

In Type and Utility Classes where 10 or more animals actually compete, the six highest pointed animals shall be eligible to compete for the prize.

1 point will be allotted for every 10 lbs. of butter fat over 350 lbs. (with allowance for age) produced under Government Herd Test, the Victorian Herd Improvement Association or any other recognised Testing organisation during a lactation period of 300 days that followed the calving on, between or including 1st September, 1969, and 31st August, 1970.

1745 J.C. ANDERSON
 The cows eligible to compete for this prize shall be brought together at the conclusion of the judging of the Type and Utility classes for the purpose of being allotted points on type, with a maximum of 100.

Both production and type points shall then be added to determine the winner.

JERSEY SIRE'S MEMORIAL

A Prize of \$10.50, donated by THE AUSTRALIAN JERSEY HERD SOCIETY (VICTORIAN BRANCH), will be awarded annually for the Most Successful Sire in the above classes, other than special classes.

The prize will be awarded to the breeder who owned the bull when the prize-winning stock were sired.

Three points will be awarded for a first prize, two points for a second, and one point for a third prize in all classes other than specials. In the event of a tie, three points will be awarded for each Championship, and two points for each Reserve Championship. These additional points will be awarded only to those bulls which tied in the original allocation.

The names of the winning sire for the year and the names of the owner and breeder will be recorded upon the permanent Honour Board of the Victorian Branch of The Australian Jersey Herd Society. This Board will be displayed in the Jersey Cattle Pavilion during the Show — each sire's name to be inscribed permanently on the Honour Board.

Exhibitors are advised that, in addition to reading the following conditions, they should carefully peruse the conditions of entry and exhibition which precede the first Beef Cattle Section and also the inspection regulations preceding that Section.

The Director may in his discretion permit an animal to be withdrawn without the imposition of any penalty provided that the exhibitor advises the Society or the Director of his desire to withdraw such animal not less than 14 days prior to the commencement of the Show.

Judging will be in catalogue order and will commence at 9 a.m. on Thursday, 16th September.

For particulars of registration in the Guernsey Herd Book of Australia, apply to the Secretary, Guernsey Cattle Society of Australia (Victorian Branch), Royal Show Grounds, Epsom Road, Ascot Vale, 3032.

The Judge of Guernseys will not penalise exhibits if they are dehorned.

Cows which fail to yield 4 lbs. or more of milk in the 24 hours immediately preceding judging or in a period of 24 hours stipulated by the Society subsequent to judging shall be deemed to be "dry".

FRIESIANS

The Director may in his discretion permit an animal to be withdrawn without the imposition of any penalty provided that the exhibitor advises the Society or the Director of his desire to withdraw such animal not less than 14 days prior to the commencement of the Show.

A combined total of 4 animals — irrespective of sex — is the maximum number any exhibitor may enter in the yearling and 18 months old Classes, but not more than 2 animals in any one Class.

Judging will be in catalogue order and will commence at 9 a.m. on Thursday, 16th September.

Cattle entered in this Section must be registered in the Friesian Herd Book of Australia or in an approved Friesian Herd Book outside the Commonwealth. For particulars of registration in the Friesian Herd Book of Australia, apply to the Secretary, Friesian Cattle Club of Australia, Victorian Branch, 504 Racecourse Road, Flemington, Victoria, 3031. Females recorded in the Appendices to the F.H.B. of A. will not be eligible to compete in this Section.

Cattle entered in this Section will be identified by the photographs appearing on the Certificates of Registration. Exhibitors must bring the Certificates of Registration with photographs thereon, to the Show Grounds, and produce them to the Inspectors. Tattoo numbers will not be accepted for identification. Any cattle for which Certificates of Registration bearing photographs are not produced may be disqualified.

Cows which fail to yield 4 lbs. or more of milk in the 24 hours immediately preceding judging or in a period of 24 hours stipulated by the Society subsequent to judging shall be deemed to be "dry".

The Judge of Friesians will not penalise exhibits if they are dehorned.

THE GIPPSLAND AND NORTHERN CO-OPERATIVE CO. LTD. has donated the sum of \$5 towards the prize money in this Section.

The names of the winning animals each year, and of the owners and breeders, will be recorded upon an Honour Board, which will be displayed in the Friesian Cattle Pavilion. Special prizes of \$2.10 each, also presented by THE FRIESIAN CATTLE CLUB OF AUSTRALIA (VICTORIAN BRANCH), will be awarded to the owners of the Reserve Champion Bull and the Reserve Champion Cow.

CHAMPION DAIRY COW

(To be judged on type.)

A trophy order valued at \$50 together with a cash prize of \$50, both presented by the Dairy-ing and Wholemilk Sections of the Victorian Farmer's Union for the Champion Dairy Cow of the Australian Illawarra Shorthorn, Ayrshire, Dairy Shorthorn, Friesian, Guernsey, Jersey, and Red Poll breeds.

The successful exhibitor will also receive the Society's Championship Sash.

CONDITIONS FOR JUDGING

Each Judge of the abovementioned breeds will be required to nominate two cows, not necessarily the Champion or Reserve Champion, to compete for the trophy and prize.

In addition, each Judge will be required to nominate a third cow purely as a reserve.

Competition is restricted to cows exhibited in the "In Milk" Classes.

Should any breed fail to provide the requisite two cows, it cannot take part in the competition. This, then precludes the Judge of that breed from adjudicating to determine the award.

All cows nominated by the judges must be stripped out in the presence of the Stewards at 5.30 p.m. on the evening before judging.

Judges shall be required to refrain from conferring on the exhibits before or during judging.

All judges of the breeds named will take part in the judging and will allot 3 points for first, 2 for second and 1 for third according to their placings of individual animals.

If considered to be worthy, both nominations of any one breed can be placed first, second or third.

A Steward appointed by the Society will assess the points and the cow gaining the greatest number of points, shall be the winner.

In the event of a tie, an independent referee appointed by the Society shall then decide the winner.

At the conclusion of judging, each Judge's placings will be announced.

5. Only one exhibitor will be recognised as the owner from any one holding.

PERIOD OF EXHIBITION

7. Sheep in Sections 36 to 51 inclusive must be penned before 8.00 a.m. on Saturday, 18th September and may not be removed from the Show Grounds until after 11.00 p.m. on Thursday, 23rd September.

OVINE BRUCELLOSIS TEST

8. Exhibitors of rams and ram lambs over the age of 4 months on 1st September are required to lodge with the Society prior to the Show (preferably at time of entry) a certificate from a registered Veterinary Surgeon certifying:

- (a) That rams and ram lambs have given a negative result to the complement fixation blood tests for Ovine Brucellosis, carried out within the 90 days preceding 1st September, 1971.
- (b) That rams and ram lambs have been manually examined at the time of blood sampling and found free of any palpable testicular abnormality at this time.

The eartag or tattoo numbers of rams and ram lambs tested and examined must be included in the certificate.

Owners should particularly note:—

- (1) That blood sampling should be carried out early in the prescribed period to avoid congestion and delay in the testing laboratory at the end of the period.

If exhibitors produce evidence that their flocks have been accredited free of Ovine Brucellosis a veterinary certificate will not be required.
