MF72087

Now, choose the MF135 in 6, 8 or 12 forward speeds

If you want extra power, extra comfort or independent PTO then choose the new MF148

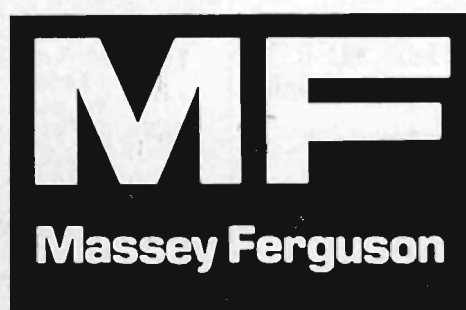

Take your choice of the MF135 in Budget 6, Standard 8 or Multi-Power 12 speed models and the new MF148 in Standard 8 or Multi-Power 12 speed models.

The MF135 is famous for its versatility and downright excellent value for the money, that's why it's the world's top-selling tractor. Besides the choice in transmissions, new features include a dual element dry air cleaner, 10½ gallon fuel tank and a forward mounted exhaust that reduces noise level for the operator. Developing more horsepower, the MF148

is six inches longer than the MF135, which, besides allowing more room and easier access for the driver, enables the tractor to handle heavier mounted implements with excellent stability. The Multi-Power model comes with independent PTO, which is a great advantage when

spraying, potato digging, orchard work and the like.

Power steering is available if you prefer it. Diff. lock helps pull through the soft spots. Hand brake, foot throttle, front headlights, fully instrumented console, are all standard.

Carrying anything is easier if you put it in a box.

And the further you're carrying it, the more important the box. And the stronger the box, the safer the things you're carrying. Everyone knows all that.

So if you want to send anything to somewhere like Europe or Japan, it's good business to talk to OCL or AJCL.

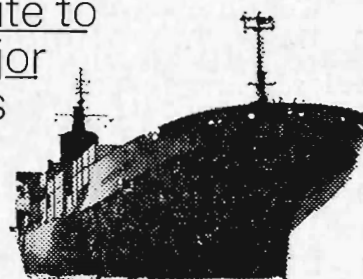

There's peace of mind in knowing that damagables, perishables or pilferables go every inch of the way

sealed inside the big OCL containers. Insurance. Documentation. Packaging. Handling. Inventory. You can save on these, and more.

The 13-ship service means a sailing to Europe every six days.

What we've provided is not merely a safer way to transport Australian goods overseas, but also a reassuring promise:

a shorter route to Australia's major trading nations at a realistic cost.

In the past two years

more than four million tons of cargo has been safely carried in containers

to and from Europe.

4,000,000 tons that's a lot of cargo...

...a lot of experience too.

"THE PASTORAL REVIEW"

BEEF CATTLE JUDGING DEMONSTRATION AND COMPETITION

Judges: J. R. ALLEN, Esq.
M. F. WHITE, Esq.
G. E. KIRKBY, Esq.

Stewards: K. P. PALMER, Esq.
R. B. GERRAND, Esq.
Col. M. H. McARTHUR.
ROBERT WEBSTER, Esq.

Broadcasting Steward: PHILLIP LAMB, Esq.

A Beef Cattle Judging Demonstration and Competition will take place on Sunday, 24th September, 1972, commencing at 1.30 p.m.

The Demonstration and Competition will be conducted on Angus bulls this year. In future years different breeds will be used.

Competitors will be asked to place six bulls in the order they fancy.

The three prominent breed Judges appointed will agree on what might be termed the correct order of placing the cattle and will question the final six competitors over the P.A. system as to the reasons for their placements when determining the ultimate winner of the Competition.

Entrants should bear in mind that the Judges will award points to competitors for correctness of dress (within reason) and footwear; the manner in which Stewards (where present) are handled, and general decisiveness and ring craft.

A spokesman for the Judges' Panel will give explanations to competitors as to why the cattle were placed in the order decided upon by the Judges and at the same time will demonstrate the use of ring-craft as an aid to making correct decisions and as a methodical means of permitting spectators to understand the Judges' reasoning.

JUDGING DEMONSTRATION—RED POLLS

This will be a post entry competition, open to all comers. Intending competitors are required to nominate at the Cattle Superintendent's Office not later than one hour prior to the commencement of the Competition.

There will be no entry fee.

Prizes: First: Bronze Medallion. Second: Bronze Medallion. Third: Bronze Medallion. Fourth to Sixth: One year's free subscription to "The Pastoral Review", to which also the first three placegetters will be entitled. Prizes donated by THE PASTORAL REVIEW AUSTRALIA PTY. LTD., 415 Bourke Street, Melbourne.

Dual Purpose Breeds

Judging of Dairy Shorthorns will commence at 8.30 a.m. and Red Polls at 9.30 a.m. on the opening day of the Show. Judging to determine the award of Champion Dairy Cow will take place at 11.00 a.m. on Friday, 22nd September, in the Jersey Judging Ring.
